Passage of this legislation would extend the pilot project for therapeutic courts that was originally established through HB172 in FY2002. Passage of this legislation would have no fiscal impact to the Department of Corrections. Positions and funding were received in FY2002 which would be maintained within the Department's FY2006 Operating Base.

The pilot project established therapeutic courts in Anchorage and Bethel to handle alcohol and drug addicted offenders. The stated purpose of therapeutic courts are lasting sobriety of offenders, protection of society from alcohol related and drug related crimes, prompt payment of restitution to victims of crimes,

ANALYSIS CONTINUATION

House Bill 451 will extend the program through FY2006. A break in the service being provided as a result of the programs' scheduled conclusion in FY04 and FY05 would result in a delay in services and inefficiencies. This bill proposes to allow for the pilot program to continue in FY06 at the current funding level while the legislature reviews the evaluation of services and determines an appropriate course of action.

Funding for this program is in the Governor's FY2005 budget.

 This bill would continue the two pilot therapeutic courts in Bethel and Anchorage, and continue the Anchorage judge position. This bill should not have any further fiscal impact on the operations of the Public Defender Agency.

The Honorable Lesil McGuire
Chair, House Judiciary Committee
Alaska State Legislature
State Capitol
Juneau, Alaska 99801-1182

Dear Representative McGuire:

The Alaska Court System respectfully requests that you schedule HB 451 for a hearing before the House Judiciary Committee at your earliest convenience.

House Bill 451 was introduced at the request of the court system to delay the termination dates of two pilot therapeutic court programs in Anchorage and Bethel. As you may recall, those felony-level courts were established in 2001 by the passage of HB 172. They are each scheduled to run for three years, after which the Judicial Council is to evaluate the programs and publish a study for the court and the legislature to review. Unfortunately, because of the timing of the report, both programs will end more than a year before the legislature has an opportunity to decide whether they should continue. In order to fix this problem, HB 451 extends the termination date of the HB 172-courts until after the legislature has had the opportunity to evaluate their effectiveness.

Additionally, HB 451 deletes a sunset clause that was placed on the Anchorage superior court judge position that was added by HB 172. The new judge was necessary not only to do the work of the therapeutic court but also to help absorb the growing felony caseload in Anchorage. The sunset clause will take effect this summer at the same time the therapeutic court program is scheduled to end. Not only will that mean the end of the felony therapeutic court, it will also mean that Anchorage will have one less judge for other superior court work. The therapeutic court judge in Anchorage spends most of her time on general superior court work unrelated to therapeutic court cases. If we lose the judicial position it will impact all superior court cases in Anchorage.

Thank you in advance for your support on this bill and on therapeutic courts in general.

Sincerely,

Doug Wooliver

Sponsor Statement
HB 451
Alaska Court System
2/19/04

HB 451 extends the termination dates for two pilot therapeutic court programs until after a planned study of those courts has been completed and reviewed by the legislature. The bill also removes a sunset clause on the Anchorage superior court judge position that was added, in part, to administer one of those therapeutic courts.

In 2001 the legislature passed HB 172, which established felony-level therapeutic courts in Anchorage and Bethel. Each court was set up as a pilot program scheduled to run for three years. The Anchorage court admits those with a felony conviction for driving under the influence of an alcoholic beverage, inhalant, or controlled substance (DUI). The Bethel court admits those convicted of either felony DUI or certain felony drug offenses. The findings section of HB 172 explained the purposes of these courts:

The purposes of therapeutic courts are lasting sobriety of offenders, protection of society from alcohol-related and drug-related crime, prompt payment of restitution to victims of crimes, effective interaction and use of resources among criminal justice and community agencies, and long-term reduction of costs relating to arrest, trial, and incarceration.

In order to determine the effectiveness of these courts the Judicial Council was charged with evaluating them and publishing a study for legislative review. Unfortunately, both the Anchorage and Bethel programs sunset long before the evaluation is scheduled to be completed and, because the report is to be published in July, many months more before the legislature has an opportunity to review that evaluation. If the legislature looks at the evaluation study and decides that the programs should continue, it will be too late; both programs would have ended more than a year earlier.

In order to fix this problem, HB 451 extends the termination date of the pilot programs until after the legislature has had an opportunity to review their effectiveness.

House Bill 451 also removes a sunset clause in HB 172 that will terminate the Anchorage superior court judge position that was added by that bill. The new judge was necessary not only to do the work of the therapeutic court but also to help absorb the growing felony caseload in Anchorage. The sunset clause will take effect this summer at the same time the therapeutic court program is scheduled to end. Not only will that mean the end of the felony therapeutic court, it will also mean that Anchorage will have one less judge for other superior court work. The therapeutic court judge in Anchorage spends most of her time on general superior court work unrelated to therapeutic court cases. If we lose the judicial position it will impact all superior court cases in Anchorage.

The loss of a superior court judge in Anchorage will return us to the number of judges initially established in 1984. Since that time the felony caseload in Anchorage has increased approximately 100%. We simply cannot afford to lose a superior court position in Anchorage and to return to a level of judicial coverage that was appropriate 20 years ago.

Thank you for your consideration of this bill.
