ANALYSIS: (Attach a separate page if necessary)

This bill increases most registration, title and lien filing fees collected by the Division of Motor Vehicles. The increases are \$10-\$15 per year for most classes of vehicles. Since the vehicles are registered for a biennial period the actual fee increase in the statute will be twice that amount.

The title and lien filing fees are increased from \$5 to \$15.

The revenue increase by class of vehicle is shown on the next page

Please enter into the record my testimony to the Senate Finance
committee name

Committee on SB103 (same as HB170), dated 4-4-03
bill # / subject

*the proposed amendment to senate bill 103 ~~is~~ but is very unfair
the DMV proposal we don't have a problem with, we can live with that
with approximately 100 units this would increase our license by \$47,000 annually
this increase would be more of a financial burden than a lot of trucking Cos
could possibly bear. I feel this with the increase of the cost of rising
fuel and the economy declining it would put a lot of jobs out of business*
