STATE OF ALASKA
OFFICE OF THE GOVERNOR
JUNEAU

March 5, 2003

The Honorable Pete Kott
Speaker of the House
Alaska State Legislature
State Capitol, Room 208
Juneau, AK 99801-1182

Dear Speaker Kott:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill eliminating the Alyeska Central School program (ACS), the state's correspondence program.

Alyeska was once the state's only correspondence program offering education services to students statewide. The school began operations in 1939 offering programs to students living in remote areas with no local schools. However, there are 12 school districts currently offering statewide correspondence services to Alaska's school age residents.

The district-operated statewide correspondence programs offer a variety of education delivery methods. Educational delivery models include US postal, Internet and family developed programs supported by district staff.

Eliminating the ACS program will eliminate the duplicative services currently being provided by school districts enrolling and serving correspondence students statewide. The Department of Education and Early Development will help ACS students and families identify the appropriate educational services and assist them in moving to other programs to ensure no child is left behind.

I urge your prompt and favorable action on this measure.

Sincerely,

Frank H. Murkowski
Governor
