The Honorable Gene Therriault  
President of the Senate  
Alaska State Legislature  
State Capitol, Room 107  
Juneau, AK 99801-1182

Dear President Therriault:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill which clarifies local school district programs for under-school-age students.

Pursuant to existing statutes, a district may enroll a four year old child, referred to as an "under school age student." The intent of this bill is to prohibit districts from constructing curriculums that offer two years of kindergarten as a standard program. Early entry of four year olds into the school system should be a rare event and reserved for the truly exceptional child.

This bill would remove a school district's ability to offer early entry as standard practice to access the foundation formula and provide state funded pre-school programs. Currently, districts can enroll four year olds and then enroll them again as a kindergarten student in the next school year. This action effectively provides a child with two years of kindergarten with very little in the way of extra expense to the district. The result to the state is an additional year of per pupil funding equating to approximately \$3.9 million.

Enrolling four year olds as the current statute provides should be retained. However, early enrolled children should be expected to advance through to the next grade level or grade level equivalent.

I urge your prompt and favorable action on this measure.

Sincerely,

A handwritten signature in black ink that reads "Frank H. Murkowski".
