House Bill 229

"An Act relating to the reinstatement of Native corporations; and providing for an effective date."

Sponsor's Statement

This legislation has been introduced at the request of one of the Regional Native Corporations within our District. Corporations have been involuntarily dissolved by the commissioner under AS 10.06.633 and failed to apply for reinstatement during the grace period established in statute.

This legislation provides a one-time window during which Native Village Corporations who have been dissolved can apply for reinstatement.

The legislation is needed because these corporations were established under the Alaska land claims settlement and legally own village corporation assets. A new corporation could be created but it would not have the same legal standing as the original corporations nor legally own those assets.

The Final provision of the bill allows a Village Native Corporation's board of directors to legally change the corporation's name, if another corporation has taken the previously used name.

This Legislation will apply to Caswell Native Association (date not known), Savoonga Native Corporation (should have reinstated by 12/31/03), Arviq Incorporated (should have reinstated by 2/25/04), and Oscarville Native Corporation (should have reinstated by 2/25/04)

HB 58

"An Act relating to the reinstatement of Native Corporations; and providing for an effective date."

Talking Points

- Legislation provides a one-time window during which Native village corporations who have been involuntarily dissolved can apply for reinstatement.
- These corporations need to be reinstated because they hold the assets that were granted to Native village incorporation under the Alaska land claims settlement.
- A newly created corporation would not automatically hold those same assets even if it had the same name as the original corporation.

Possible Side Issues

- Every two years a \$100 fee and a report listing the corporate officers are required by the State.
- A request for reinstatement can be made during the next two years. A penalty of \$37.50 is added to the \$100 fee. At the end of this two- year period the corporation is involuntarily dissolved.
- To be reinstated the corporation would have to pay the two required \$100 fees and two penalty fees, i.e. \$275
- The approximate cost for issuing the certificate of incorporation is \$61 so there is a slight positive fiscal impact but not enough to warrant anything but a zero fiscal note
