CS HB 167 (MLV) **Death Certificates for Deceased Veteran**

Sponsor Statement

HB 167 provides a death certificate without cost to a surviving spouse, next of kin, or other relative of a deceased veteran. The bill is modeled after Arizona statute, which provides the death certificate for purpose of obtaining veteran or social security benefits.

Sectional Analysis

Section 7 outlines who is eligible to receive a free death certificate and indicates that the free death certificate is to be used for the purpose of obtaining veteran or social security benefits. It also defines veteran as the meaning given in AS 26.10.080.

ANALYSIS: (Attach a separate page if necessary)

The above estimates are based on the \$20 fee for a certified copy of a death certificate and the approximately 900 deaths per year where the decedent was a veteran. Under this version of the bill, the use of the free copies is not restricted - each family member may request one free copy. It is estimated that veterans' families will request, on average, five free copies. It is anticipated that the fiscal impact will be approximately \$50.0 for the first year (\$20 x 2,500 certified copies) the legislation is in effect and then increase to \$90.0 (\$20 x 4,500 certified copies) as more people become aware of the new law. The Bureau currently has no GF funding.

The projected loss of revenue to the Bureau appears in the Receipt Support Services line and will have to be replaced with GF to maintain existing services.
