This bill amends the crime of indecent exposure in the first degree, a class C felony offense, to include when an offender commits indecent exposure in the second degree (a class A misdemeanor) and has been previously convicted for it in this state or by a similar law from another jurisdiction. The Agency does not handle a significant number of second degree indecent exposure charges, therefore, if this bill were enacted, it is not expected to have a significant fiscal impact on the operations of the Agency.

#### HB 91 Indecent Exposure Within Sight of Persons Under Sixteen

Several young girls in Delta Junction were subjected to a man exposing himself to them in the parking lot of a local store last summer. He was apprehended and arrested. In a background check it was reported that he had a prior conviction of a similar incident in Arizona. A customer noticed the man following a little six-year-old girl and began to follow him. He followed the girl to the toy section and pulled his pants down. The customer contacted store officials, the police were called, and the man was arrested. The police report stated he matched the description of a man reported for the same activity several times but they could never catch him.

In the Delta Junction incident, the local magistrate charged him with three felonies but because of the circumstances, he could not be convicted of a felony. He plea-bargained down to one misdemeanor.

Children are more vulnerable and innocent than adults and children fall prey to sex offender more easily than adults. This legislation makes repeat convictions of indecent exposure within the observation of a person under the age of sixteen a felony.

## MEMORANDUM

March 23, 2005

**SUBJECT:** Proposed Conceptual Amendment to HB 91 Regarding Sex Offender Registration (Work Order No. 24-LS0098\A)

**TO:** Representative Lesil McGuire  
Attn: Vanessa Tondini

**FROM:** Gerald P. Luckhaupt *GPL*  
Legislative Counsel

Vanessa informed me that the Judiciary Committee considered a conceptual amendment to HB 91 to require sex offender registration for persons convicted of the new form of indecent exposure in the first degree in this bill. HB 91 adds a new paragraph to AS 11.41.458(a). That new paragraph aggravates indecent exposure in the second degree to a first degree offense under AS 11.41.458(a) if the offender has a previous conviction for indecent exposure. Sex offender registration is already required under current law for persons who commit indecent exposure in the first degree. See AS 12.63.100(6)(C)(3). Therefore, I cannot see a reason for the amendment as current law provides what the conceptual amendment intended.

If I misunderstood the amendment or if you have further questions, please contact me at your convenience.

Representative John Coghill  
House of Representatives  
State Capitol  
Juneau AK 99801-1182

Dear Representative Coghill:

On behalf of the Alaska Peace Officers Association (APOA), I would like to thank you for introducing House Bill 91, relating to indecent exposure.

The APOA State Board and Legislative Committee recently reviewed this proposed legislation and decided to unanimously support this bill.

This bill addresses the indecent exposure law and allows for a repeat offender to be charged more seriously based on previous convictions for this or similar crimes in another jurisdiction. In many cases, sexual offenders start out committing the crime of indecent exposure and progress to more serious sexual offenses. This legislation targets that progression by considering previous convictions.

Thank you for addressing this issue. Please contact the APOA office in Anchorage at 277-0515 if there is anything our organization can do to assist in the passage of this bill.

Sincerely,

Angella Long  
State President
