This bill requires the Division of Motor Vehicles (DMV) to physically 'mark' a driver's license or a State issued Identification Card if the holder's privilege to purchase alcohol has been restricted. The DMV today has no direct knowledge of a persons conditions of probation or parole.

Until the number of customers and method of information transmission is ascertained in conjunction with the Alaska Court System, the DMV has no ability to measure the impact this will have on our planned operation. As a result we respectfully submit an 'indeterminate' fiscal note.

Once this information has been established, the DMV will provide a firm estimate of costs incurred and revenue generated as a result.

This legislation would deny a person the privilege to purchase alcoholic beverages (AS 4.16.160) or enter premises (AS 4.16.047) that serve alcoholic beverages if the person has been ordered to refrain from consuming alcoholic beverages as part of a sentence for a crime under AS 28.35.030 or as a condition of probation or parole. This legislation would also provide a private right of civil action for a licensee against a person who enters a licensed premises in violation of the aforementioned. Finally, this legislation would require that driver's licenses be designed to allow the electronic reading and display of the person's identifying information and whether the person's privilege to purchase alcohol has been restricted under AS 4.16.160.

This legislation should have no fiscal impact on OPA.

SPONSOR STATEMENT FOR CS FOR HB 190

Alaska has some of the strictest drunken driving laws in the country, and yet our rates of alcoholism and alcohol related crimes are among the highest in the nation.

HB 190 proposes a different approach. In an attempt to keep alcohol out of the hands of repeat drunk driving offenders, HB 190 provides for a physical display on state issued ID's if a person has been prohibited from purchasing alcohol by a court. It also allows for a civil penalty, paid to the licensee if a person restricted from purchasing alcohol is on their premises.

This is a strong step toward stopping problem drinkers from purchasing alcohol.

RE: HB 190

On behalf of the members, board of directors and staff of MADD in Anchorage, I am writing in support of HB 190.

The purchase of alcoholic beverages for persons over the age of 21 is a privilege, which can be and is revoked upon conviction for a DUI related offense. This revocation must be monitored and sales of alcohol refused to persons under order by the courts and/or as a consequence of probation or parole. Information provided on identification cards or driver's licenses will aid retailers and their agents in ensuring legal sales, and as a result reduce the recidivism rates for repeat offenders.

Re: HB 190

Representative Harry Crawford has introduced HB 190 "An Act relating to the purchase of alcoholic beverages and to requiring identification to buy alcoholic beverages; requiring driver's licenses and identification cards to be marked if a person is restricted from consuming alcoholic beverages as a result of a conviction or condition of probation or parole."

This is written in favor of HB 190. A number of years ago the daughter of a close friend was struck while driving her children to an activity. She was killed and one of her children was injured.

The driver of the car that struck and killed my friend's daughter was driving with a revoked license, while under the influence of alcohol. He had several previous convictions of driving while under the influence, which resulted in his license being revoked.

I feel my friend's daughter might be alive today if the driver that killed her had been required to prove his privilege to drive and purchase alcohol.

I ask that you support the passage of HB 190 as a measure to preserve lives.

Sincerely,
Brenda Moore

Subject: HOUSE BILL 190

My Dear Representatives,

This Bill is to be heard this afternoon and I ask for your full support for this practical, sensible legislation.

This is legislation which responsible retailers support and thereby will be enforced. Let it be known, that in the great state of Alaska, the right to drive and a drivers license are privileges, which will be revoked for driving crimes.

Thank you.
