HCS CSSB 101(JUD) -- (Revisor's Bill)

Senate bill 101 -- HCS CSSB 101(JUD) -- is the 2005 Revisor's Bill. Under AS 01.05 036, this bill must be prepared annually for the legislature's consideration regarding proposed corrections to the Alaska Statutes as recommended by the revisor.

The changes in the House Judiciary Committee Substitute resulted from the Committee's desire to have the assistant revisor double-check the propriety of certain proposed changes with the Department potentially affected by them (these changes were found in bill secs. 25, 26, 28, and 91). Although the Department had earlier indicated approval of the amendments in question, to be safe, the assistant revisor recommended that the Committee remove these amendments from the bill while that process of double-checking continued. The Committee did so. When the checking process is complete, the amendments will simply be rolled into next year's bill if appropriate. This was the only change.

I encourage the members to vote "yes".

SUBJECT: HCS CSSB 101(JUD) (Work Order No. 24-LS0195M)

TO: Representative Lesil McGuire
Attn: Vanessa Tondini

FROM: James P. Crawford

Enclosed is a new committee substitute that reflects the adoption of Conceptual Amendment No. 1. This amendment removed bill sections 25, 26, and 28 from the bill; it also removed AS 14.08.031(d) from bill sec. 91, the repealer.

The reason for the change was this: The Department most affected by the statutes being corrected by amendment or repeal in these bill sections was not able to respond to questions by the time the bill was moved from committee. Thus, the conservative approach of taking these sections out of the bill was taken, at least until the Department is able to respond. No prejudice results from delaying these corrections for the time being and including them in next year's revisor's bill.

MEMORANDUM

April 28, 2005

SUBJECT: 2005 Revisor's Bill (Work Order No. 24-LS0195M)

TO: Representative Lesil McGuire
Chair, House Judiciary Committee

FROM: James P. Crawford 
Assistant Revisor

The following is a sectional analysis of a draft of the 2005 revisor's bill, which has been referred to the House Judiciary Committee. The bill is prepared under AS 01.05.036, which provides, in part, that the revisor of statutes

shall prepare for submission to the legislature legislation for the correction or removal of the deficiencies, conflicts, or obsolete provisions, or to otherwise improve the form or substance of any portion of the statute law of this state.

To assist the reader in understanding the bill, I have summarized the contents by listing sections that have similar purposes or effects.

Sections that delete, repeal, or update obsolete provisions: Sections 25, 26, 28, 29, 30, 32, 33, 34, 35, 41, 42, 46, 56, 57, 58, 59, 60, 61, 62, 64, 77, and 91 amend or repeal provisions that have become obsolete in whole or in part.

Sections that correct errors or oversights: Sections 2, 20, 21, 36, 38, 39, 47, and 53 correct errors or oversights.

Sections that improve the form or substance of the law: Sections 1, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 22, 23, 24, 27, 31, 37, 40, 43, 44, 45, 48, 49, 50, 51, 52, 54, 55, 63, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, and 90, propose amendments to improve the form or substance of the statutory law of Alaska.

SECTIONAL ANALYSIS

Bill section 1 improves the form of AS 04.11.210(c). The term "includes" incorporates the concept of "is not limited to" under AS 01.10.040(b) and is the preferred usage for legal drafting in this situation.

Representative Lesil McGuire

Page 2

Bill section 2 corrects an error in AS 06.50.020(a)(2)(C). As originally set out in sec 3, ch. 116, SLA 2004, the term "convictions" modified all the items in sub-subparagraphs (i)-(iii). Following the bill's enactment, the Office of Legal Services, the Department of Law, and the administration personnel who administer this area noted that, strictly speaking, the concept of convictions did not fit correctly with the items in (ii) or (iii). The term is moved to (i), where the concept of corrections is most appropriate.

Bill section 3 improves the form of AS 10.06.960(a) in its reference to the Alaska Native Claims Settlement Act ("ANCSA"). At present, ANCSA proper actually consists of sections 1601 - 1629h, which comprise chapter 33 in title 43 of the U.S. Code. The last section, 1629h, was added in 2000. Like many statutes, AS 10.06.960(a)'s citation of the Act includes a spanned reference. However, every time another section is added to the Act, Alaska statutes that cite to it with a spanned reference become incorrect, necessitating their amendment.

An alternate way of referring to the Act avoids this necessity by citing to the first section, which does not change, followed by "et seq." This is the abbreviation for "*et sequentes*", which means "and the following." This citation form, when used in association with the Act, will automatically incorporate new additions to the Act as they occur and will obviate the need for amending each statute citing the Act after each addition.

Accordingly, all statutes in which the legislative intent appears to have been to refer to the Alaska Native Claims Settlement Act are amended to reflect this automatically inclusive citation form.

Bill sections 4, 5, 6, 7, 8, 9, 10, and 11 improve the form of AS 10.06.960(b), (c), (e), (f), (g), (h), (i), and (k), respectively, by capitalizing the first letter of "Act," which is the abbreviated version of the Alaska Native Claims Settlement Act. This is the preferred usage for legal drafting.

Bill section 12 improves the form of AS 10.06.960(n) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 13 improves the form of AS 10.06.960(o) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 14 improves the form of AS 10.06.960(p) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3. It also improves the form of AS 10.06.960(p) by changing the abbreviated reference to that Act to the preferred usage for legal drafting for the reason described in the explanation of bill secs. 4-11.

Bill section 15 improves the form of AS 10.06.961(a) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Representative Lesil McGuire

Bill section 16 improves the form of AS 10.20.007 in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 17 improves the form of AS 13.12.102(b) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 18 improves the form of AS 13.16.705(a) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 19 improves the form of AS 13.16.705(g) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 20 corrects an error in AS 13.26.210, which was repealed and reenacted by sec. 21, ch. 84, SLA 2004. The court system pointed out that the language "incapacitated person" in subsection (g) was not the correct term for use with conservators, that "protected person" was the correct term, and that a substitution should be made. The court system's observation is supported by usage in AS 13.26. Specifically, AS 13.26.090 - 13.26.155, entitled "Article 3. Guardians of Incapacitated Persons," links guardians to "incapacitated persons," as the title of the article suggests. Additionally, AS 13.26.165 - 13.26.320, entitled "Article 4. Protection of the Property of Persons under Disability and Minors," links conservators with "protected persons."

Moreover, the phrasing of this section's other subsections, specifically (d) and (f), which were repealed and reenacted in the same bill as subsection (g), suggest that the "incapacitated person" language was used mistakenly and also support the change from "incapacitated person" to "protected person."

Bill section 21 corrects two oversights in AS 13.26.332, the statutory form power of attorney. As currently written, one part of the section provides that the agent that is being granted a power of attorney may exercise the powers that the principal has "checked below," and a list of specific powers follows. This is not correct. In actuality, the remainder of the section operates in such a way that to give the enumerated powers to the agent in question, the principal does nothing. The powers are conferred automatically. On the other hand, to keep a given power from the agent, the principal must line out the power and initial next to it. In any event, nothing is ever "checked." Accordingly, the first change, substituting "as indicated" for "as I have checked," reflects the way that the section actually operates.

The second change to this section removes the language "and the power to make your health care decisions" in the form's preamble, which generally describes what powers the form may grant to the agent who holds the power of attorney.

Last year, statutory provisions relating to health care decision were consolidated and moved to AS 13.52 by HB 25, enacted as Chapter 83, SLA 2004. As part of this consolidation, HB 25 repealed the specific paragraph in this form relating to the power to

make decisions regarding "health care services" and transplanted it to the new chapter. See AS 13.52.010 and 13.52.300. However, the bill neglected to address the corresponding reference to the repealed paragraph in the introductory material. That oversight is corrected here.

Bill section 22 improves the form of AS 13.26.344(c) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 23 improves the form of AS 13.46.085(a) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 24 improves the form of AS 13.46.085(f) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 25 deletes an obsolete reference to the Bureau of Indian Affairs in AS 14.07.030(2). The Office of Legal Services confirmed with the Department of Law that the reference in paragraph (2) is outdated and should be removed because, as a general matter, the Bureau of Indian Affairs no longer operates or administers schools in Alaska.

Bill section 26 deletes an obsolete reference to the Bureau of Indian Affairs in AS 14.08.101(2) for the reasons set out in the explanation of bill sec. 25.

Bill section 27 improves the form of AS 14.57.210(a) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 28 deletes obsolete language relating to the Bureau of Indian Affairs in AS 14.60.010(6) for the reasons set out in bill sec. 25.

Bill section 29 updates AS 16.05.835(b)'s reference to hair crab. The Department of Law requested this change because the scientific classifying group I.T.I.S., which is the entity used by federal agencies, including the Department of Agriculture, has dropped "Korean" from the species name. This amendment makes the same change.

Bill section 30 deletes obsolete language in AS 16.10.520(e) relating to outdated date references.

Bill section 31 improves the form of AS 16.20.032(b) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 32 deletes obsolete language in AS 16.20.310(c) relating to the Agricultural Development Authority. This section was enacted in 1979, and the act did not create, define, or even otherwise refer to an "Agricultural Development Authority." It does not now exist or ever appear to have existed in statute. The reference to it is removed.

Bill section 33 updates AS 16.43.450(a)'s reference to hair crab for the reason set out in the explanation of bill sec. 29.

Bill section 34 updates AS 16.43.450(b)'s reference to hair crab for the reason set out in the explanation of bill sec. 29.

Bill section 35 updates AS 16.43.460(b) to reflect the repeal of AS 16.43.901 in 1996 and of AS 16.43.906 in 1997.

Bill section 36 corrects an apparent oversight in AS 17.20.330. This section relates to certain entities that disseminate an advertisement of another entity's product that is false.

In particular, the section provides that the disseminating entity is not liable for the dissemination of the false advertising unless the disseminating entity refuses to provide certain identification information about the other entity to the commissioner of health and social services. At the time this section was enacted, the commissioner of health and social services was responsible for the enforcement of the prohibition on the dissemination of false advertising, set out in AS 17.20.290(a)(5).

However, responsibility for enforcing the prohibition on dissemination of false advertising was split last year between two commissioners. See secs. 2 and 3, ch. 151, SLA 2004. The commissioner of health and social services remains responsible for the enforcement of false advertising relating to "drugs or devices" under AS 17.20.290(c). However, the commissioner of commerce, community, and economic development is now responsible for the enforcement of false advertising relating to "food or cosmetics" under AS 17.20.290(b).

Because the commissioner of commerce, community, and economic development now has been given enforcement responsibility, a corresponding reference to the commissioner should have been added as a part of the 2004 amendments to this chapter. It was not. This change corrects that omission.

Bill section 37 improves the form of AS 18.56.097 in its reference to one section of the Alaska Native Claims Settlement Act, which is changed to reflect the codified section number. It also improves the form of the section's reference to the Act generally for the reasons set out in the explanation of bill sec. 3.

Bill section 38 corrects an error in AS 21.34.170(a). This subsection relates to reporting requirements concerning, among other things, allocations of aggregate tax in the surplus lines insurance context. The Department of Law brought to our attention that AS 21.34.150, which is referenced in subsection (a), relates to the different issues of originating or accepting surplus lines insurance. The Department of Law recommended AS 21.34.180, which does relate to surplus lines tax, as the correct cite. We agree.

Representative Lesil McGuire

April 28, 2005

Page 6

Bill section 39 corrects an error in AS 21.34.180(a) in its description of a tax that is imposed under AS 21.09.210. Subsection (a) refers to the tax imposed by AS 21.09.210 as a "premium receipts tax." In fact, AS 21.09.210 describes the tax imposed under its terms simply as a "premium tax." Accordingly, subsection (a)'s reference to this tax is corrected to reflect that.

In other sections, the use of "premium receipts tax" appears correct. "Premium receipts tax" is the description given to the tax imposed under AS 21.33.055(a) and under AS 21.33.061(c). These descriptions of the tax have been unchanged since the sections were enacted 1968. Accordingly, these occurrences of the "premium receipts tax" terminology are left unchanged.

Bill section 40 improves the form of AS 22.10.025(a) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 41 deletes an obsolete reference to AS 26.05.260(c) in AS 26.05.330(e) to reflect the 1981 repeal of AS 26.05.260(c).

Bill section 42 updates AS 26.10.060(a) to reflect the repeal of federal law cited in the subsection. Specifically, subsections (b)-(h) of 50 U.S.C. App. 459, cited in the section, have been repealed by Act of Dec. 3, 1974, as shown in the notes relating to the 1974 amendments in the "History; Ancillary Laws and Directives" section following the text of section 459 in the U.S.C.S. volumes. These repealed subsections contained the re-employment provisions mentioned in the material being deleted. The Department of Law recommends that the section be amended as shown, in light of the federal repeal.

Bill section 43 improves the form of AS 29.45.050(m) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 44 improves the form of AS 34.15.075(b) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 45 improves the form of AS 34.45.760(10) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 46 updates AS 36.30.170(b)(4) to reflect the repeal of the old Uniform Partnership Act, AS 32.05, by sec. 8, ch. 115, SLA 2000 and its replacement in sec. 6 of the same act by AS 32.06, the new Partnership Act.

Bill section 47 corrects an oversight in AS 37.14.410(a) relating to the prohibition on crediting certain funds to oil and hazardous substance ("OHS") release mitigation accounts. Currently, subsection (a) restricts certain money from being credited to "the oil and hazardous substance release mitigation account under AS 46.04.010 or to an account established in AS 46.08.020 or 46.08.025." (Emphasis added).

Representative Lesil McGuire

April 28, 2005

Page 7

Problematically, AS 46.04.010 does not encompass one such account; it encompasses two. One is the OHS **release prevention** mitigation account, which is established in AS 46.08.020. The other is the OHS **release response** mitigation account, which is established in AS 46.08.025. It appears that the restriction was intended to apply to both OHS release mitigation accounts encompassed by 46.04.010, and this amendment, changing "the" to "an," makes that clear.

As originally enacted by sec. 1, ch. 1, FSSLA 1992, this subsection directed the crediting prohibition to "the oil and hazardous substance **release** mitigation account under AS 46.04.010 or AS 46.08.020." At that time there was only one such account. The account was described in AS 37.14.410(a) and in AS 46.04.010 as the "OHS **release** mitigation account," but it was referenced as OHS **release prevention** mitigation account in AS 46.08.020. In any event, because there was only one OHS release mitigation account in existence at the time, the "the" in AS 37.14.410(a) was correct.

However, in 1994 another OHS **release** mitigation account was established. Section 26, ch. 128, SLA 1994 enacted AS 46.08.025, which established the OHS **release response** mitigation account. In the same bill, sec. 19 changed the reference to "OHS **release** mitigation account" in AS 46.04.010 by adding "prevention" so that the reference read the "OHS **release prevention** mitigation account." This change conformed the existing reference in AS 46.04.010 to the reference in AS 46.08.020.

In addition to this change to AS 46.04.010, sec. 19 also inserted a new reference in the section to the "OHS **release response** mitigation account" that elsewhere had been established in AS 46.08.025. Thus, after these changes, AS 46.04.010 encompassed not one but two OHS **release** mitigation accounts. The "the" in 37.14.410(a) became incorrect.

Chapter 128's addition of the new OHS **release** mitigation account was only partially reflected in AS 37.14.410(a). Section 12 added to subsection (a)'s crediting prohibition the reference to accounts in AS 46.08.025 that exists today. This addition shows an intent that the account established there -- the OHS **release response** mitigation account -- was intended to be included in subsection (a)'s crediting restriction along with the OHS **release prevention** mitigation account in AS 46.08.020. Unfortunately, the corollary change -- turning the "the" preceding the reference to AS 46.04.010 to an "an" to reflect that that section now referenced both such accounts, was not made. That oversight is corrected here.

Bill section 48 improves the form of AS 38.05.073(c) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 49 improves the form of AS 38.95.050 in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Representative Lesil McGuire

April 28, 2005

Page 8

Bill section 50 improves the form of AS 41.17.041(b) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 51 improves the form of AS 41.17.900(f) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 52 improves the form of AS 41.21.025(b) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3. It also improves the form of the subsection by capitalizing references to "Native," which is the preferred usage for legal drafting.

Bill section 53 corrects an error in AS 43.50.460(d)(1). This paragraph refers to AS 43.50.530 in the context of a requirement that certain tobacco product manufacturers appoint registered agents.

However, this referenced section, AS 43.50.530, does not relate in any way to providing notice of the appointment of registered agents. It instead relates to sales of cigarette tax stamps by the Department of Revenue. The correct reference is to AS 43.50.475, which does relate to notice of appointments, and paragraph (d)(1) is amended to reflect this.

Bill section 54 improves the form of AS 43.98.015(a) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3. It also improves the form of the subsection by capitalizing a reference to "Native," which is the preferred usage for legal drafting.

Bill section 55 improves the form of AS 43.98.015(b) in the subsection's reference to a particular subsection of the Alaska Native Claims Settlement Act ("ANCSA"), which is changed to reflect the codified version.

Bill section 56 deletes obsolete language in AS 44.27.056 relating to an outdated date reference.

Bill section 57 updates AS 44.29.210(a) to reflect the repeal of federal provisions cited in the subsection and to incorporate the federal provisions that replace the repealed provisions. Subsequent to this section's enactment, the Act of July 10, 1992 repealed 42 U.S.C. sec. 300x-4a and 42 U.S.C. sec. 300x-2. That same act enacted 42 U.S.C. 300x-25, which allows the secretary of the Department of Health and Human Services to make grants to the state if the state sets up a certain type of revolving loan fund relating to alcohol or drug abuse. This is similar to the subject matter of AS 44.29.210 and of repealed 42 U.S.C. 300x-4a, and 42 U.S.C. 300x-25 appears to have been intended as the replacement for repealed sec. 300x-4a.

Although 42 U.S.C. 300x-2 has been repealed by the same act that repealed 300x-4, there is still a 300x-2 in the federal code because, unlike Alaska, the federal code re-uses section numbers. However, the current 300x-2 relates to "children with serious

emotional disturbances" and thus does not appear to have been intended as a replacement for repealed 300x-2. On the other hand, sec. 300x-25 itself cites 42 U.S.C. 300x-21, which was also enacted by the same federal act that repealed 300x-2 and 300x-4 and enacted 300x-25. 42 U.S.C. 300x-21 relates to federal grants for substance abuse and thus appears to have been intended to have been the replacement for repealed 300x-2. These substitutions are made in this section.

Bill section 58 updates AS 44.29.210(c) to reflect the repeal of a federal provision for the reason set out in the explanation of bill sec. 58.

Bill section 64 updates AS 45.57.090 to reflect the 1988 repeal of AS 10.05.597 - 10.05.696, which was the former article on foreign corporations, and the replacement of those sections by AS 10.06.705 - 10.06.788, which is the new article on foreign corporations.

Bill section 65 improves the form of AS 46.03.822(c) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 66 improves the form of AS 46.14.010(b) by conforming a state air quality control term relating to emissions to the term's federal counterpart as required by federal law. In 2003, sec. 59 of HB 160, which was sponsored by the House Rules Committee at the request of the governor, added the definition of "emission unit" to AS 46.14.990. AS 46.14.990 provides the definitions for AS 46.14, which deals with air quality control, and the "emission unit" definition in AS 46.14.990 adopted the federal regulations definition by reference.

As it turns out, the federal definition is in fact "emissions unit" -- with a "s" -- and federal regulations require exact conformity with federal definitions in this area. Furthermore, the Environmental Protection Agency has recently contacted the Department of Law to remind the department of this requirement. At the request of the department, this change is made in this subsection and throughout AS 46.14.

Bill section 89 improves the form of AS 47.08.060(c) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 90 improves the form of AS 47.55.020(d) in its reference to the Alaska Native Claims Settlement Act for the reasons set out in the explanation of bill sec. 3.

Bill section 91 is the repeal section.

The repeal of AS 14.08.031(d) removes obsolete material relating to the Bureau of Indian Affairs. Subsection (d) provided that "U.S. Bureau of Indian Affairs schools shall be included in a regional educational attendance area boundary." and this provision is obsolete for the reasons set out in the explanation of bill sec. 25.

The repeal of AS 18.50.950(4) removes obsolete language from the statutes. Specifically, paragraph (4) is the definition for the term "child adoption agency" for AS 18.50, the Vital Statistics Act. It is being repealed on the recommendation of the Department of Law, which correctly points out that the term "child adoption agency" is not used in the chapter anywhere and thus is extraneous.

The repeal of AS 46.14.250(e) removes obsolete material from AS 46.14.250. Subsection (e) relates to the Department of Environmental Conservation's duty to set an "initial fee rate" for emission fees established in AS 46.14.250 for "the first two years following approval of the permit program" under AS 46.14 by the relevant federal administrator (chapter 46.14 is entitled "Air Quality Control").

The effective date of the approval in question was December 5, 1996, as set out in the Federal Register, Vol. 61, No. 235, Thursday, December 5, 1996, pp. 64463-64475. Obviously, more than two years have passed since the effective date of approval, and this subsection has thus become obsolete.

Bill section 92 provides an immediate effective date for the bill.
