

HB

174

Representative Ralph Samuels

House District 29

HB 174 Sponsor Statement

"An Act relating to commercial fishing permit and vessel license fees; and providing for an effective date."

House Bill 174 would bring the state into compliance with recent rulings in the *Carlson v. State of Alaska* case by charging the nonresident fee differential on a "per person" rather than a "per permit" basis.

Nonresidents who qualify for a reduced permit fee by meeting low income standards will be charged the full allowable nonresident differential.

The bill would remove the arbitrary \$300 cap on the annual permit renewal fee. By statute, the base fee must "reasonably reflect the different rates of economic return for different fisheries." Currently fisheries with high economic returns pay disproportionately low permit fees because of the \$300 cap. Under HB 174, CFEC in concert with full public hearings would be able to assign fees tied to the true value of a fishery.

The existing 6 vessel length categories would be increased by \$15, \$30, \$45, \$60, \$75, and \$90 respectively.

This legislation would authorize CFEC to charge reasonable fees for initial issuance and replacement of the number plates issued to vessels for displaying the vessel's ADF&G number and annual vessel license renewal stickers.

Key Provisions of HB 174

RE: Commercial Fishing Permit and Vessel License Fees

- To comply with recent rulings in *Carlson v. State of Alaska*, clarify that the nonresident fee differential will be charged on a "per person" basis, rather than a "per permit" basis.

Nonresidents who renew more than one permit in a year have been paying an additional amount, above what a resident would pay, for each permit they renew. Under a recent ruling in *Carlson*, the state may only charge the nonresident differential (surcharge) to each nonresident one time per year, regardless of the number of permits they renew.

- Charge nonresidents who qualify for the reduced permit fee (by meeting low income standards) the full allowable nonresident differential

Current law provides that residents and nonresidents who qualify for the reduced fee may pay one-half of the base fee for the fishery, and that nonresidents will also pay an additional amount equal to only one-half of the allowable nonresident differential.

- Remove the \$300 cap on the base fee CFEC may charge for annual renewal of permits.

While current law calls for annual base fees for permits to "reasonably reflect the different rates of economic return for different fisheries," the current \$300 cap places an artificial ceiling on the fee structure. This results in fisheries with a very high economic return being charged fees that are disproportionately low, relative to the fees charged to lower value fisheries. Removing the cap allows for a fairer fee structure that more fully complies with the mandate that fees reflect the value of respective fisheries.

- Slightly increase annual commercial fishing vessel license fees, beginning with 2006.

Fees are currently broken into 6 vessel size categories from smallest (vessels up to 24 feet) to largest (over 250 feet). The bill would maintain the 6 categories and simply increase the fee in the respective categories by \$15, 30, 45, 60, 75, and 90.

- Authorize CFEC to charge reasonable fees for initial issuance and replacement of the number plates issued to vessels for displaying the vessel's ADF&G number and annual vessel license renewal stickers.

ANALYSIS: (Attach a separate page if necessary)

Passage of HB174 will not require additional expenditures or positions. It will provide for increased revenues generated by permit and license fees, though an exact amount cannot be determined at this time.

HB174 maintains the commercial fishing vessel licensing size classes in current law and statutorily establishes slightly higher annual fees for each class. This results in an estimated increase of approximately \$291,000 in annually generated revenue.

For commercial fishing permits, the bill maintains the directive that fees "must reasonably reflect the different

BILL NO. HB174

ANALYSIS CONTINUATION

rates of economic return for different fisheries," and removes the \$300 base fee cap in current law. The current fee cap artificially holds fees down in the highest-earning fisheries and results in those fisheries paying fees that are disproportionately lower.

While passage of HB174 would not, in itself, change annual permit fees, the removal of the \$300 maximum base fee effectively authorizes CFEC to implement a fairer fee schedule that more truly meets the statutory mandate that fees are to reflect the earnings in respective fisheries. By allowing fees for high-end fisheries to fall where they naturally would under a fully proportional formula, the regulatory fee structure CFEC intends to propose under provisions of HB174 would result in an estimated annual increase of approximately \$2.1 million in revenues to the state.

The change from a "per permit" nonresident fee differential to a single annual nonresident surcharge (necessitated by recent rulings in the Carlson v. State of Alaska class action), results in an annual estimated decline of about \$67,000 in revenue.

In combination, the various revisions made by HB174, and the regulatory framework CFEC intends to propose to implement the provisions of the bill, would likely result in an overall annual increase in revenues generated by commercial fishing permits and vessel licenses of about \$2.3 million.

Due to steadily declining revenues, CFEC (a receipt supported agency) expects to be in a deficit situation in FY06 or FY07 without passage of HB174. While passage of the bill will likely increase revenues enough to provide revenues to the General Fund above the current cost of CFEC's budget in the next few years, total revenues generated by CFEC fees are expected to continue declining. This is due to economic difficulties in some fisheries (particularly salmon fisheries) resulting in their falling into lower annual permit fee classes, and to ongoing decreases in the number of permits and vessel licenses issued annually. This decrease in participants is due to many factors, including fewer permits being issued after each fishery limitation; consolidation in federally-managed fisheries licensed by the state; and cancellation of nontransferable permits as holders of those permits die or retire. Thus, the amount of revenue generated by CFEC fees, and the cost of funding CFEC's operating budget, will likely converge again in coming years.

Because of the uncertainty of future events and the downward trend in our revenues, we have shown the anticipated revenue this bill may produce to decrease at 4.86% per year, which is our current calculated rate of decline.

Alaska State Legislature
State Capitol (Mail Stop 3100)
Juneau AK 99801-1182

Dear Representative Samuels,

United Fishermen of Alaska (UFA) represents thirty-one Alaska commercial fishing groups and hundreds of individual fishermen, crew members and related businesses. The UFA Board of Directors recently met and discussed HB 174 regarding Commercial Fisheries Entry Commission (CFEC) fees.

The current cap of \$300 on CFEC permits is projected to leave the CFEC with a net operating budget shortfall by 2007. UFA believes that CFEC should be self-funded entirely through permit fees, not reliant on general funds from the state budget. The potential for raising fees for some fisheries is of concern to fishermen in the fisheries most affected, but the process of establishing the fees for specific fisheries is a subsequent process with public input opportunities for individual fishermen to make their case for equitable fees for their fisheries.

UFA supports the concept of eliminating or raising the CFEC cap to accomplish the same goal - that commercial fishing permit fees fully fund the Commercial Fisheries Entry Commission.

Respectfully,

Mark D. Vinsel
Executive Director

March 21, 2005

The Honorable Ralph Samuels
Alaska State Representative

Dear Representative Samuels:

Passage of HB174 or its companion SB93 will provide the Commercial Fisheries Entry Commission (CFEC) with the means to continue to support commercial fisheries. CFEC is funded by revenue generated permit and license fees paid by the commercial fishing industry. CFEC fees have traditionally generated more revenue than its budget required and those revenues have been used to fund commercial fishing support projects in the Department of Fish and Game. Because of a number of factors, revenues in recent years have declined and there is a real threat in the near future revenues will not be sufficient to cover even CFEC's budgetary obligations.

Lifting the statutory cap on permit fees in HB174/SB93 will require that CFEC revise its annual permit fee schedule through the public hearing process. The public hearing process will provide the opportunity for CFEC and the fishing community to work together to develop a fee structure that reflects the statutory requirement that fees represent the economic return from the different fisheries and the reality that fees must be reasonable and not unduly burden the industry.

CFEC has already heard from fishermen and fishing associations on issues considered important in a new fee proposal which would be developed for public comment. The public hearing process could address, among others, such issues as: (1) a phase-in of fees over time that would provide the benefit of a planned approach; (2) adjustments in permit fees to recognize vessel size in order that reasonable fees are achieved; (3) adjustments in permit fees to reflect fishing capacity restrictions; (4) adjustments in fees where permit values may not be representative if no permit sales have occurred for some time; and other issues identified during the public hearing process.

CFEC will begin to develop a fee proposal and public hearing schedule based on comments received during the legislative hearings. In this way, a timely proposal would be submitted for public comment as soon as possible after passage of HB174/SB93. This will allow sufficient public hearing time for industry comments before calendar year 2006 fees are required to be adopted in the fall of 2005.

CFEC gives its assurance that upon passage of HB174/SB93 we will work with the commercial fishing community to develop a fair and reasonable permit renewal fee structure.

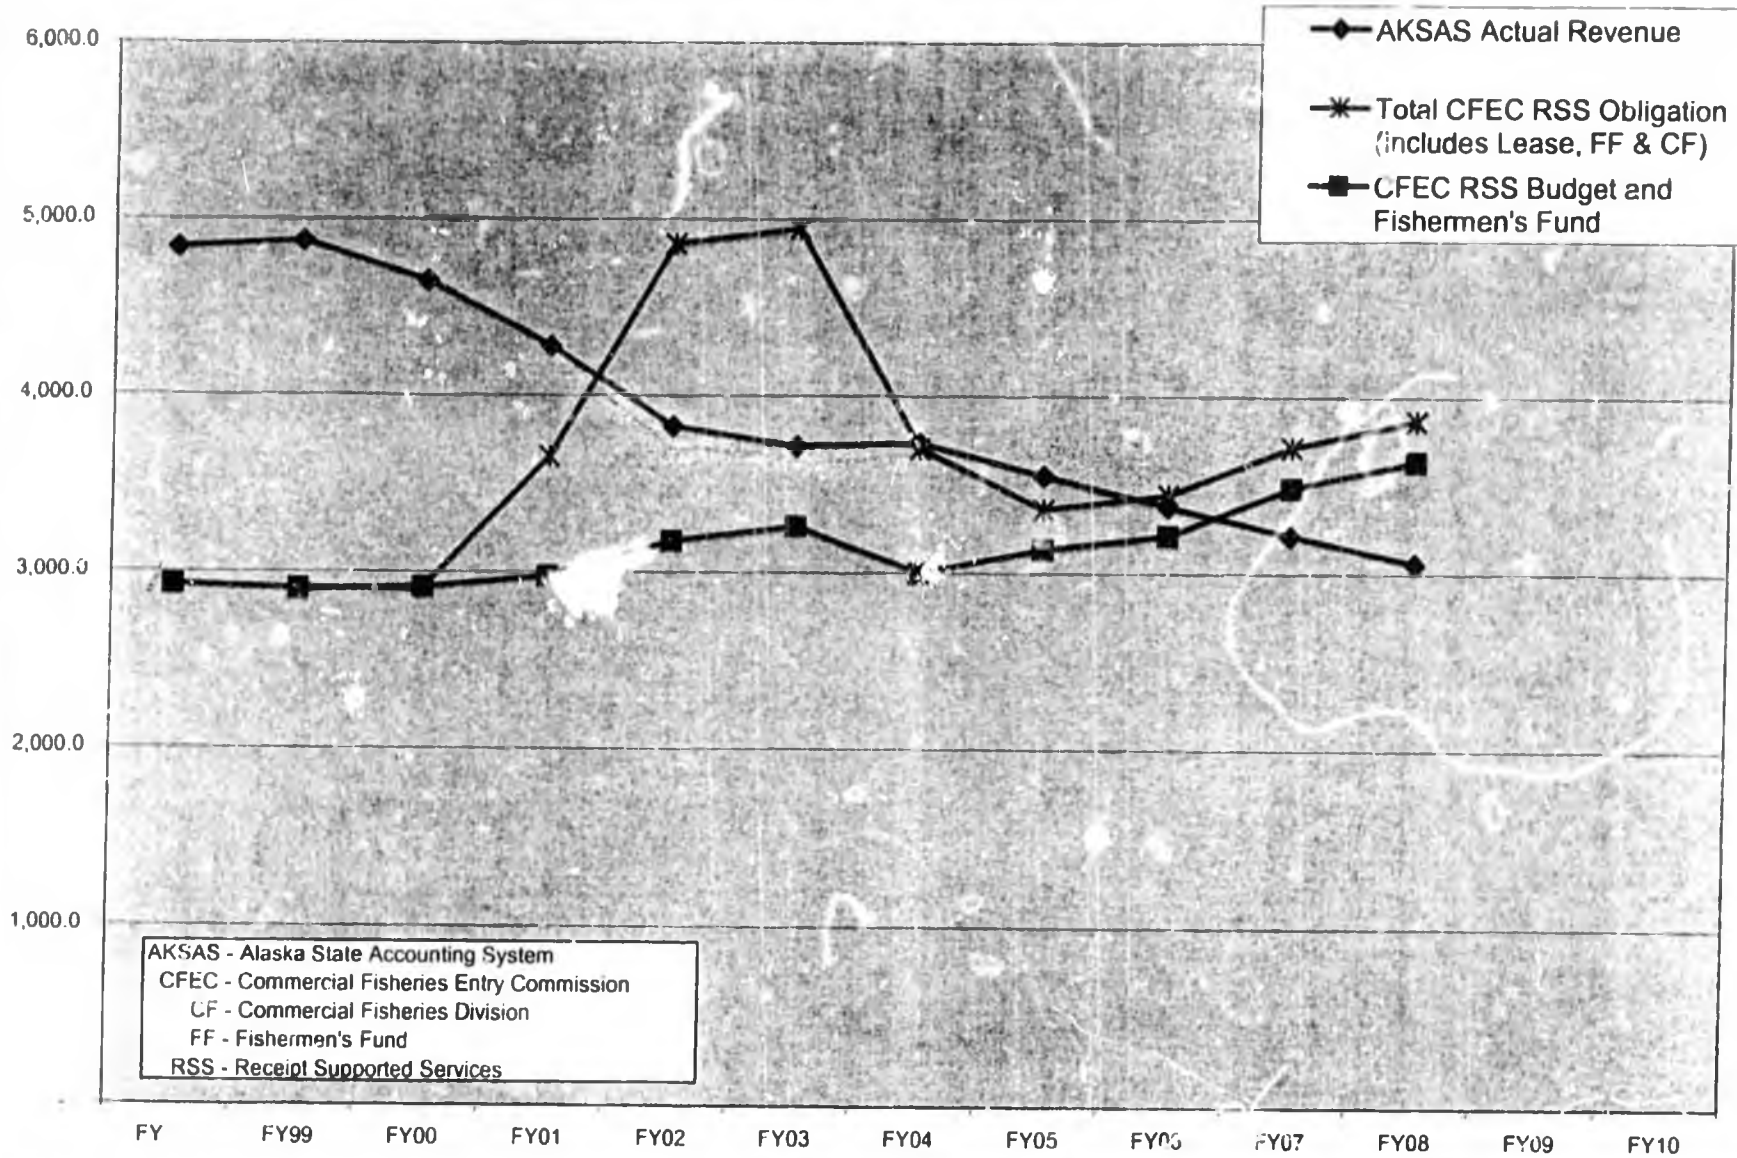

Sincerely,

Frank Homan, Commissioner

CS FOR HOUSE BILL NO. 174(RES)

IN THE LEGISLATURE OF THE STATE OF ALASKA

TWENTY-FOURTH LEGISLATURE - FIRST SESSION

BY THE HOUSE RESOURCES COMMITTEE

**Offered:
Referred:**

Sponsor(s): REPRESENTATIVE SAMUELS

A BILL

FOR AN ACT ENTITLED

1 **"An Act relating to commercial fishing permit and vessel license fees; and providing for**
2 **an effective date."**

3 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

4 *** Section 1.** AS 16.05.520(a) is amended to read:

5 (a) The vessel license includes a permanent number plate. The number plate
6 shall be accompanied by a tab affixed to the number plate [IT] designating the year
7 to be fished. A number plate is not transferable, and the number plate [IT] shall be
8 considered a permanent fixture upon the vessel upon which the number plate [IT] is
9 originally placed. The number plate [IT] shall be securely fastened well forward on
10 the port side in plain sight. On a vessel with a superstructure the number plate shall
11 be fastened on the port side of the superstructure. A number plate remains the
12 property of the state. The Alaska Commercial Fisheries Entry Commission may
13 establish by regulation a reasonable fee for the initial issuance of a permanent
14 number plate. If a permanent number plate is accidentally defaced, mutilated,

1 destroyed, or lost, the person owning or operating the vessel shall immediately apply
 2 for and may obtain a duplicate upon furnishing the Alaska Commercial Fisheries
 3 Entry Commission with the pertinent facts and a payment of a reasonable fee
 4 established by the commission by regulation that is not less than \$2.

5 * **Sec. 2.** AS 16.05.530 is repealed and reenacted to read:

6 **Sec. 16.05.530. Renewal of vessel license.** (a) Upon payment of the vessel
 7 license fee and filing of the name and address of the owner of the vessel or the owner's
 8 authorized agent, the name and number of the vessel, a description of the vessel, the
 9 vessel license number, if any, the areas to be fished, and other reasonable information
 10 required by the Alaska Commercial Fisheries Entry Commission, the commission
 11 shall issue a permanent number plate and a vessel license. If the vessel has a
 12 permanent number plate, the commission shall issue a vessel license and tab
 13 designating the year the license is valid. The tab shall be placed in the space provided
 14 on the permanent number plate.

15 (b) For calendar year 2006 and following years, the annual fee for a vessel
 16 license issued or renewed under this section is set according to the overall length, as
 17 defined by the United States Coast Guard, of the vessel under the following schedule:

18	(1) 0 - 25 feet	\$24
19	(2) over 25 feet - 50 feet	60
20	(3) over 50 feet - 75 feet	120
21	(4) over 75 feet - 150 feet	300
22	(5) over 150 feet - 250 feet	600
23	(6) over 250 feet	900.

24 * **Sec. 3.** AS 16.43.160 is repealed and reenacted to read:

25 **Sec. 16.43.160. Fees.** (a) Except as specifically provided in this section, the
 26 commission shall establish annual fees for the issuance and annual renewal of entry
 27 permits or interim-use permits.

28 (b) The commission may charge interest at a rate not to exceed the legal rate
 29 of interest established in AS 45.45.010 on fees more than 60 days overdue.

30 (c) For an entry permit or an interim-use permit issued or renewed for
 31 calendar year 2006 and following years, the annual base fee for issuance or renewal of

1 an entry permit or an interim-use permit may not be less than \$30 or more than
 2 \$3,000. The annual base fee must reasonably reflect the different rates of economic
 3 return for different fisheries. In addition to the annual base fee established by the
 4 commission under this subsection, a nonresident shall pay an annual nonresident
 5 surcharge for the issuance or renewal of one or more entry permits or interim-use
 6 permits. The commission shall establish the annual nonresident surcharge by
 7 regulation at an amount that is as close as is practicable to the maximum allowed by
 8 law.

9 (d) For an entry permit or an interim-use permit issued or renewed for
 10 calendar year 2006 and following years, the holder of a permit whose household
 11 income, assets, and financial resources fall within the eligibility standards for the food
 12 stamp program under 7 U.S.C. 2011 - 2025, as amended, is subject to an annual base
 13 fee for the issuance or renewal of an entry permit or an interim-use permit that is equal
 14 to 50 percent of the annual base fee that the permit holder would otherwise pay under
 15 (c) of this section. In addition to the reduced annual base fee under this subsection, a
 16 nonresident who qualifies for a reduced fee under this subsection shall pay the annual
 17 nonresident surcharge established under (c) of this section.

18 * Sec. 4. The uncodified law of the State of Alaska is amended by adding a new section to
 19 read:

20 VESSEL LICENSE FEES FOR CALENDAR YEAR 2005. (a) Notwithstanding the
 21 repeal and reenactment of AS 16.05.530, by sec. 2 of this Act, the annual license fee for a
 22 vessel license issued or renewed for calendar year 2005 is set according to the overall length,
 23 as defined by the United States Coast Guard, of the vessel under the following schedule:

24	(1) 0 - 25 feet	\$20
25	(2) over 25 feet - 50 feet	50
26	(3) over 50 feet - 75 feet	100
27	(4) over 75 feet - 150 feet	250
28	(5) over 150 feet - 250 feet	500
29	(6) over 250 feet	750.

30 (b) Notwithstanding the repeal and reenactment of AS 16.05.530, by sec. 2 of this
 31 Act, a vessel license issued or renewed for calendar year 2005 under the former provisions of

1 AS 16.05.530 before the effective date of sec. 2 of this Act is valid for the period for which
2 the license was issued or renewed.

3 * Sec. 5. The uncodified law of the State of Alaska is amended by adding a new section to
4 read:

5 FEES FOR ENTRY PERMITS AND INTERIM-USE PERMITS FOR CALENDAR
6 YEAR 2005. (a) Notwithstanding the repeal and reenactment of AS 16.43.160, by sec. 3 of
7 this Act, for an entry permit or an interim-use permit issued or renewed for calendar year
8 2005, on or after the effective date of sec. 3 of this Act, the annual base fee may not be less
9 than \$10 or more than \$300. The annual base fee must reasonably reflect the different rates of
10 economic return for different fisheries. In addition to the annual base fee established by the
11 Alaska Commercial Fisheries Entry Commission under this subsection, a nonresident shall
12 pay an annual nonresident surcharge for the issuance or renewal of one or more entry permits
13 or interim-use permits. The annual nonresident surcharge shall be established by the
14 commission by regulation at an amount that is as close as is practicable to the maximum
15 allowed by law.

16 (b) Notwithstanding the repeal and reenactment of AS 16.43.160, by sec. 3 of this
17 Act, for an entry permit or an interim-use permit issued or renewed for calendar year 2005,
18 the holder of a permit whose household income, assets, and financial resources fall within the
19 eligibility standards for the food stamp program under 7 U.S.C. 2011 - 2025, as amended, is
20 subject to a maximum annual base fee that is equal to 50 percent of the annual base fee that
21 the permit holder would otherwise pay under (a) of this section. In addition to the annual base
22 fee under this subsection, a nonresident who qualifies for a reduced fee under this subsection
23 shall pay an annual nonresident surcharge of \$57 for the issuance or renewal of one or more
24 entry permits or interim-use permits.

25 (c) Notwithstanding the repeal and reenactment of AS 16.43.160, by sec. 3 of this
26 Act, an entry permit or an interim-use permit issued or renewed for calendar year 2005 under
27 the former provisions of AS 16.43.160 before the effective date of sec. 3 of this Act is valid
28 for the period for which the entry permit or the interim-use permit was issued or renewed.

29 * Sec. 6. This Act takes effect immediately under AS 01.10.070(c).

**State of Alaska
Commercial Fisheries Entry Commission**

**Comparison of Permit Renewal Fees For 2005 Licensing Year Under Current Fee Schedule
and Under CFEC's Proposed Methodology for Implementing HB 174 With \$3000 Cap**

3/31/2005

Fishery	Description	Under Limited Entry?	Resident Permits	Non-Resident Permits	Actual 2005 Base Fee	2005 Base Fee Under Proposed Methodology
M61B*	MISC. SALTWATER FINFISH, LONGLINE VL OVER 89' STW	N	12	54	\$300	\$1,500
K910	KING CRAB, POT GEAR VL OVER 20', DUTCH HAPBOCR	N	9	42	\$300	\$2,025
M07B*	MISC. SALTWATER FINFISH, OTTER TRAWL, VL OVER 59', STATEWIDE	N	45	220	\$300	\$3,000
			16,883	4,880		

Using the methodology proposed in HB 174, CFEC would assess renewal fees based on gross earnings for the M61B and M07B fisheries by splitting each fishery into two separate fisheries based on vessel length:

- * M61B Misc. Saltwater Finfish, Longline VL 30' to 89' STW
- * M61B Misc. Saltwater Finfish, Longline VL OVER 89' STW

- * M07B Misc. Saltwater Finfish, Otter Trawl VL to 59' STW
- * M07B Misc. Saltwater Finfish, Otter Trawl VL OVER 59' STW
