## REPRESENTATIVE JIM ELKINS

House Bill 266 " An Act relating to offenses and penalties for violation of vehicle weight limitations; prohibiting the use of a violation of a vehicle weight limitation for certain personal automobile insurance actions" modifies existing law related to the penalty structure for overweight vehicle violations as well as prohibiting the use of overweight vehicle violations by insurers.

This legislation proposes is the first increase in penalties since the existing provisions were established in the 1970s. Existing provisions do not adequately inhibit commercial shipping companies and others from violating overweight vehicle limitations. The proposed modification establishes a graduated penalty for the amount of weight in excess of the limitations set by statute, regulation and/or permit.

There is also a new offense established to sanction shippers or carriers who commit or allow those working for them to commit a combined total of 12 or more violations during any twelve-month period. The maximum fine for this violation is \$10,000. This modification is expected to result in commercial shippers and carriers being more rigorous toward compliance with overweight vehicle limitations.

Another provision of the bill prohibits the use of overweight vehicle violations for use by insurers to adversely impact decisions related to providing private automobile insurance coverage for drivers. In the majority of cases, the driver has little knowledge or ability to limit the weight of the load placed on the vehicle they are assigned to drive. As a result, the company causes the violation and, if cited, pays the fine imposed.

Currently, overweight vehicle violations are used by insurers as justification to take adverse action in relation to the personal automobile insurance coverage of truck drivers. Section 1 of the bill would prohibit this action.

This legislation will protect drivers who do not know they are in violation and our roads from overweight vehicles in Alaska. The Department of Transportation, Alaska Truckers Association, the Teamsters, and Horizon Shipping Lines all support HB 266, and we urge your support.

**ANALYSIS:** (Attach a separate page if necessary)  
 This bill amends AS 21.36 preventing an automobile insurer from taking adverse action against an insured driver because of a violation relating to an overweight vehicle. The bill repeals and reenacts AS 45.75.380 (b) (Weights and Measures Act - General Provisions) by specifying new violations and fines for certain increments by which a vehicle is found to be overweight. The bill further specifies that a motor carrier who is found to exhibit a pattern or practice of violations under the new sections of AS 45.75.380 (a) or (b) (as amended) is subject to a \$500 dollar fine. The current law simply imposes the \$500 fine for any violation of the vehicle weight limit plus \$.05 for each pound over the weight limit.  
 The Department of Law's Collections section already bears responsibility for collecting any fines imposed under the current structure to the extent they are forwarded for collection by the Court System. There may be an indeterminate change to the amount collected through passage of this

The increased revenue does not come to DOT&PF but rather the court system and there will be little, if any, incremental cost increase as a result of the increase in fines, thus a zero fiscal note. The revenue increase to the court system is estimated to be 88.8 based on a comparison with CY 2004. During CY2004, 57.8 went to the court system in fines and with the new schedule, the amount would have been 147.6 for an increase of 88.8.

### House Bill 266 Sectional Analysis

**Section 1** Adds AS 21.36.307; prohibiting an insurer from taking adverse action relating to the personal automobile insurance of a driver who commits one or more violations relating to overweight vehicles under AS 45.75.380(a)(10) or (11). Defines "adverse action."

**Section 2** Repeals and reenacts AS 45.75.380 (b). Establishes the maximum fines for overweight vehicles according to the weight-range in which the overweight amount falls. Amends Rule 43.6, Alaska Rules of Administration by enacting fines in place of those set under that court rule.

**Section 3** Amends AS 45.75.380 by adding a new subsection providing for a fine under AS 12.55.0359(c)(1)(D) to be imposed on a motor carrier who exhibits a pattern or practice of violating the overweight limitations. Defines "pattern or practice of violation."

**Section 4** Adds a new section to uncodified law to recognize that sec. 2 of the Act amends Rule 43.6, Alaska Rules of Administration, by increasing the maximum fines for overweight vehicles.

**Section 5** Adds a new section to uncodified law to state the applicability of secs. 1, 2, and 3 of the Act. Section 1 applies to an adverse action by an insurer on or after the effective date of the Act based on an overweight vehicle violation occurring before, on, or after the effective date of the Act. Sections 2 and 3 apply to offenses committed on or after the effective date.

**Section 6** Adds a new section to uncodified law stating that sec. 2 of the Act will take effect only if sec. 4 receives the two-thirds majority vote in each house required to make a court rule change under art. IV, sec. 15, Constitution of the State of Alaska.

**Section 7** Provides for an immediate effective date and will require a two-thirds vote in each house.

Dear Representative Elkins :

I am writing you to express Horizon Lines' support for increasing scrutiny of overweight loads on our highways. The safety of Alaska's highways is something that everyone who uses them must be able to expect. As a commercial highway user, Horizon Lines understands its obligation to the public, our drivers and our customers to put only safe loads on our highways. This mirrors our company philosophy, and we are committed to doing this. The provisions outlined in the Intermodal Safe Container Act paragraph 5903(a) help ensure that accurate documentation is always provided when shippers tender loads to carriers. Using violations of this law as a criterion to identify possible willful offenders for further examination makes good sense.

Our drivers and our agents' drivers have told us that overweight violations have been used as a criterion when insurers underwrite their personal automobile policies. This practice is unfair as drivers normally have virtually no control over the loaded weight of the container or trailer they are being asked to pull.

Re: HB 266, Vehicle Weights

Dear Co-Chairpersons Elkins &amp; Gatto:

On behalf of all citizens of Alaska, and specifically those members whom Teamsters Local 959 represents in the trucking industry, I am proud to support HB 266 regarding offenses and penalties for violation of vehicle weight limitations.

As you may be aware, overweight penalties in Alaska have not increased for some 20 or more years. While some would say the penalty charged for running overweight in this day and age is "just another cost of doing business", I believe it is truly a matter to be taken seriously.

For the most part, our Teamster drivers work for employers who follow the rules and abide by state-imposed weight requirements. For those employers that do not, a slight penalty fee is paid and drivers are ticketed. But the consequences the public faces when an overweight truck flips over while going down the highway, causing a major traffic accident, are very critical. Many wonder how many more lives need to be lost in this manner?

We further have the issue of our roadways being damaged by vehicles with overweight loads. These overweight loads cause the tearing up the pavement, as well as the subsurface, because they are only designed to specific standards. If that design standard is exceeded, damage occurs. Each year we ask for funding to correct damages to our highways and roadways because of overweight abuse. This abuse needs to stop.

The passage of HB 266 will certainly help curtail much of the indifference shown in this area today. Its passage will increase penalties for overweight violations, no longer allowing penalties paid to be "just another cost of doing business". This bill also creates a pattern or practice of violation, so those who show no sign of abiding by the law will realize stiffer

penalties. It further prohibits the use of overweight citations as a basis for "adverse action" by an insurance carrier.

We believe this bill will clearly go a long way in protecting the motoring public by reducing wear and tear on the highways. The bill will also establish increased penalties to encourage companies to operate their trucks within proper weight limits.

We ask you and the Transportation Committee members to support moving this bill out of committee.
