REPRESENTATIVE JOHN COGHILL

HB 317 - COMPASSIONATE GIFTS

## SPONSOR STATEMENT

This legislation was requested by the Select Committee on Legislative Ethics as a fix to an unintended consequence of HB 109, the Governor's ethics bill passed by the Legislature last year. An amendment offered to the Ethics Bill on the House Floor by Representative Dahlstrom allowing for compassionate gifts of less than \$250 from the same person in a calendar year was passed unanimously.

After numerous inquiries from legislative staffers during the interim concerning organ donations and frequent flyer miles, Joyce Anderson, administrator for the Select Committee on Legislative Ethics approached me about repealing the \$250 limit from AS 24.60.075(c). She said the limit did prevent a legislative staffer from donating an organ to another legislative staffer or legislator and it prevented either from donating frequent flyer miles to the other.

One safeguard already in place is the requirement that the chair of the Legislative Council or the chair or vice-chair of the Select Committee on Legislative Ethics must approve the compassionate gift exemption before a legislator or legislative staff can accept compassionate gifts.

The question of donating leave came up during mandatory ethics training. AS 39.30.245(b) already allows an officer or employee of the State to donate accrued personal or annual leave to another officer or employee "only for use as leave for medical reasons".

HB 317 eliminates the less than \$250 limit on compassionate gifts from AS 24.60.075(c) and allows unlimited compassionate contributions, including organ and frequent flyer donations. Mandatory reporting of the compassionate gifts is still required.

bill, testimony indicated that this provision was designed to permit legislators to report promptly to their constituents on special legislative sessions held after the regular session and before the next state primary or general election.

Section 21 of the bill would require legislators and legislative employees to disclose to the Select Committee every board of an organization on which they serve. Current law requires disclosure only of service on boards of organizations that regularly have substantial interest in the legislator's or legislative employee's legislative activities. A person affected by this disclosure requirement might claim that it violates the right of privacy under art. 1, sec. 22 of the Alaska Constitution and similar protections under the United States Constitution. Article 1, sec. 22 provides, in part, that "[t]he right of the people to privacy is recognized and shall not be infringed."

The outcome of a constitutional challenge to the disclosure provision on these grounds is uncertain. Although a challenge might succeed, we believe we could defend that provision in good faith.

Section 22 of the bill would require publication of legislators' and legislative employees' disclosures of their own and immediate family members' interests in state contracts and leases. The disclosures would be published in the appropriate journal or supplemental journal not later than the next regularly scheduled publication of ethics disclosures.

Section 23 of the bill would require that disclosures of legislators' and legislative employees' participation in state programs or loans also be published in the appropriate supplemental journal not later than the next regularly scheduled publication of ethics disclosures. The Select Committee could keep any part of a disclosure confidential if the committee determined that making the entire disclosure public would unjustifiably invade personal privacy.

Section 24 of the bill would eliminate an exception to the Legislative Ethics Act's requirements for reporting close economic associations. Legislators and legislative employees currently must disclose their close economic associations with public officials unless the officials are appointed municipal officers. Section 24 of the bill would eliminate that exception.

Section 25 of the bill would make changes to conform to sec. 16's lobbying prohibition on spouses and domestic partners of legislators and legislative employees.

Section 26 of the bill would create an exemption from gift restrictions in the Legislative Ethics Act for "compassionate gifts." The exemption would allow gifts to a legislator or legislative employee to aid or comfort the recipient or a member of the recipient's immediate family because of a catastrophe, tragedy, or health-related emergency. The exemption would apply only if the chair of the Legislative Council and the chair or vice-chair of the Select Committee approved in writing a written request for approval of the gift. The gifts would also be subject to a value limit: the cumulative, fair market value of an individual's compassionate gifts to a particular legislator or legislative employee during a calendar year would be required to be less than \$250.

## What is a “compassionate gift?”

“... a solicited or unsolicited gift intended to aid or comfort a recipient or a member of the recipient’s immediate family in contending with a catastrophe, a tragedy, or a health-related emergency.”
