ANALYSIS:

(Attach a separate page if necessary)

Under this bill family members or representatives (executors, etc.) of deceased veterans may each request one free copy of the veteran's certified death certificate. Because the Bureau of Vital Statistics (BVS) relies substantially on fee revenues to cover its operating costs, any loss of these revenues will have an immediate impact on staffing and quality of service to the public if not replaced by general funds.

About 10% of the proposed FY08 budget for BVS is GF (\$266.6). In contrast, 65% of the BVS budget proposed for FY08 comes from Receipt Supported Services (RSS). Limited flexibility in the BVS budget compounds the problem of relying on fees for operating costs. (Continued on Page 2)

ANALYSIS CONTINUATION
ANALYSIS CONTINUATION

One-third of BVS's annual expenses are fixed costs for items such as lease space, telecommunications services and paper for certificates. Areas where there is some flexibility, such as travel, have been reduced in recent years due to "belt tightening" budget reductions and loss in buying power. Nearly two-thirds of the BVS budget covers personal services.

We project this bill will cost BVS \$50.0 in lost revenue in FY08, increasing to a loss of \$90.0 by FY11. The estimates are based on the \$20 fee for a certified copy of a death certificate and the approximately 900 deaths per year where the decedent was a veteran. Under this version of the bill, receipt of free copies is not restricted - each family member or representative may request one free copy but any number of family members or representatives may request a free copy. It is estimated that veterans' families and representatives will request, on average, five free copies (families have been known to request as many as 30 copies of a death certificate). The fiscal impact will be approximately \$50.0 for the first year the legislation is in effect (\$20 x 2,500 certified copies, assuming just 500 families will request 5 certificates each in the first year), increasing to \$90.0 by FY10 (\$20 x 4,500 certified copies) as more people become aware of the new benefit provided by this law. The Bureau will experience a greater loss of revenue if this bill generates more than five requests per death, or if the number of decedents who are veterans exceeds 900 in a year.

This projected loss of revenue to BVS appears in the Receipt Supported Services line and, if the current level of staffing and service to the public is to be maintained, this lost revenue will have to be replaced with GF. If new GF is not received to offset the lost revenue, the Bureau will have to eliminate one position the first year this bill is in effect, and a second position within the subsequent one to two years. The loss of these positions will limit the Bureau's ability to process requests for vital records in a timely manner by limiting the number of requests that can be processed daily. Previous experience has shown that when BVS is understaffed, the public can expect delays of up to eight weeks for processing vital record requests. At current staffing levels, the average turnaround time is two to three days.

HB 236

Deceased Veteran Death Certificate / Honor

HB 236 provides one certified death certificate, without cost, to a surviving spouse, next of kin, or other eligible relative of a deceased veteran. The bill is modeled after Arizona statute.

HB 236 also creates the Governor's Memorial Certificate Program to allow the Adjutant General to honor deceased veterans who are residents of Alaska, by issuing to their family memorial certificates. The certificate program is modeled after the Presidential Memorial Certificate Program. It is the intent that the Governor's Memorial Certificate Program will simply be a certificate given to surviving family members or other eligible recipients as defined, acknowledging the State's appreciation for the service of the deceased veteran.

Sectional Analysis

Section 1 (7) outlines who is eligible to receive a free death certificate and indicates that one free death certificate be issued to eligible recipient.

Section 2 adds the Governor's Memorial Certificate Program to As 26.10. It outlines the procedure for the program.

(b)(1) This section defines who is an "eligible recipient" of a deceased veteran.

(b)(2) This section defines "veteran" as the meaning given in As 26.10.080
