Subject: RE: Non-public meetings

Denise:

Meals at the Coast Guard Base are being provided to us at the Mess Hall from 12:00 to 1:00; the meeting with the VPSO's is scheduled to start at 1:00. I will be happy to inquire as to the availability of the Mess Hall for your group if this is what you would like, or you can lunch at the Kodiak Inn and I will have a van there by 12:30. After the meeting has concluded, we will be happy to transport everyone to the Airport.

If there is anything else you need please let me know!

Subject: Non-public meetings

Good afternoon everyone,

Yesterday I sent out the memo regarding the public meetings so I thought I should remind everyone that in addition to those public meetings, we will meet with the VPSOs in Kodiak on 11/5 and also meet in Anchorage on 11/19 and 11/20 to wrap everything up and generate the recommendations and report.

I also wanted to share some travel information since I will be making the arrangements for Senator Olson, Loretta Bullard and Myron Naneng; but the rest of you will have your staff make the arrangements. From the rest of this email, this is really information intended to be helpful for those who will be making the travel arrangements for you.

Nome - intend to fly into Nome out of Anchorage on flight 152 at 9:26 AM on 9/25; returning to Anchorage from Nome on flight 153 at 10:09 PM on 9/26. Staying at the Aurora Inn, 800-354-4606, on 9/25. I believe we will need to taxi to and from airport and hotel, and the charter. We will charter to Savoonga and Gambell on Hageland. As I understand it, the meeting places in both locations are a short walk from where we will land when we come in on the charter.

8/10/2007

Bethel - intend to fly into Bethel out of Anchorage on flight 43 at 12:00 PM on 10/4; returning to Anchorage from Bethel on flight 46 at 8:36 PM on 10/5. Staying at Bentley's Porter House Bed & Breakfast, 543-3552, on 10/4. I believe we will need to taxi to and from airport and hotel, and the charter. We will charter to Emmonak and Mountain Village on Grant Air. I am still working on how we will get from the charter to the meeting place in Emmonak; but in Mountain Village, they will send a shuttle and it will cost \$5 per person (each way, I assume).

Kodiak - You could fly in the day before and stay the night, or you could fly into Kodiak in the morning. If you fly in to Kodiak in the morning, the flight leaves Anchorage at 6 AM and it is not a jet. I have made reservations for those for whom I am responsible to come in the night before on 11/4 and stay at the Kodiak Inn, 800-563-4254, since that is where the public meeting will be in the morning. We will be done in time to make the afternoon jet out of Kodiak on 11/5, flight #33 leaves at 4:58 pm. The Kodiak Inn provides a courtesy shuttle from the airport to the hotel.

The meeting with the VPSOs is being coordinated with Val Maxwell. He is going to arrange transportation for all of us from the Kodiak Inn to the Coast Guard Facility where the training will be held. We will probably want to have lunch before the training, but again, Val is still working out the details and we may be able to lunch at the training. (I'll let you know the details later when they have been finalized and it is closer.) He will also arrange shuttles to take all of us to the airport.

Anchorage - those coming from out of town will fly in the night before on 11/18 so that we can meet essentially all day Monday and Tuesday if needed, leaving Anchorage after work on Tuesday 11/20. Our meeting place is at the LIO, room 220, for 11/19 and 11/20. I'm assuming that two days will be enough, but please speak up if anyone thinks it will take longer; if it takes less, no harm done.

Let me know if you have any other questions and I hope this is helpful information for the travel arrangers!

Subject: RE: VPSO Task Force reservations

Ok, I'll attach this to the travel approval that I give to Ginger. Thanks, Ladies! ~Denise

From: Karla Schofield

To: Denise Liccioli; Brandi Billings
Subject: RE: VPSO Task Force reservations

This looks excellent Denise!

The travel approvals by person will be approved through Senator Green's office as you stated. Ginger can approve either the actual invoice for the room rental or you can have her approve this email.

Or, send her another approval email re: the room rental and have her approve that.

Thanks for all your work on this.

Karla

Subject: VPSO Task Force reservations

Hi,

Thought I would let you know that I plan to make arrangements for some things that will cost so they will somehow need to go through you.

First is the charters. I got two quotes for each of the two charters we plan to take.

The first is out of Nome, going to Savoonga and Gambell, returning to Nome on September 26. We plan to use Hageland for that one. They quoted us \$5,500 depending on the ground time it may be higher or lower. This quote was based on about 7 hours of ground time. The other quote was from Bering. They quoted us between \$3,818.75 and \$5,818.75, depending on which aircraft they had to use. Although they could be cheaper, they may not be; and since Hageland gave us a quote for both charters and we plan to use Grant for the other one, we decided to promote competition by using Hageland out of Nome.

The other charter is out of Bethel, going to White Mountain and Emmonak, returning to Bethel on October 5. Grant quoted us \$5,152 including 7 hours ground time; and Hageland quoted us \$7,300 for 7 hours ground time. When we got the quotes, I asked for it going to Hooper Bay and Emmonak, rather than White Mountain and Emmonak; but I do not expect that to change the amount since it won't change the ground time and if anything the flight time should be less.

The final amounts in each case will depend on the actual ground time and flight time, but they should be pretty close to these amounts.

The other reservation I am making is for the conference room at the Kodiak Inn on November 5th. We need a place for the public meeting and this is the only place that it will cost something for the room. They quoted me \$200 for 9 to 11 am on November 5th. The quote includes set up and take down, microphones, coffee and water service for a maximum of 105 people. We will also reserve guest rooms for task force members to stay the night before, but those will be addressed through the travel process. It will just make it more convenient for having the meeting where we will be staying.

OK to pay
