ANALYSIS: (Attach a separate page if necessary)

Last fall we estimated that 10,188 individuals would have received a 2007 dividend, had it not been for conviction or incarceration as a felon or multiple misdemeanor.

1,499 were sentenced felons

8,689 were incarcerated convicted felons and/or incarcerated convicted multiple misdemeanants

**STATE OF ALASKA

BILL NO. HB 366

ANALYSIS CONTINUATION

An amount equal to what would have been paid to these individuals as dividends is appropriated to the Departments of Corrections and Public Safety each year to offset the cost of incarceration and to provide for programs for victims of crimes. House Bill 366 would add grants to the children of incarcerated parents to the permitted uses of what are commonly called "PFD Felon Funds."

There are approximately 5,000 individuals incarcerated that owe child support for their children. Most of these people have a \$50 per month child support order on which they pay very little. Unlike other citizens of Alaska, these incarcerated individuals can not apply for a Permanent Fund Dividend which Child Support Services Division would garnish and provide to the custodial parent and child. Therefore these families receive very little in the way of child support while the non-custodial parent is incarcerated.

This bill would have no impact on the number of individuals eligible to apply for the dividend nor to the amount of the dividend.

Representative Chenault
Representative Meyer,
Representative Stoltze,
House Finance Committee,

First, thank you Representative Crawford, for sponsoring this legislation which recognizes the children and family of those in prison. Thank you also for the other co-sponsors! So often, no one thinks of the rest of the family. I'm all for getting "the bad guys" and hopefully providing for their reform with counseling and education, but no one thinks about the kids when they lock up "the bad guys." If I had transportation I would go down to the LIO and voice my wishes, but since I can't, please consider this with the same vigor as you would a live testimony.

Children of the incarcerated become double XX victims. That is the best expression I can use. They have a bad behaving parent, the parent is not there for any support, and there is no monetary fund available for the courts to get at to use for the kids.

In addition to the stigma of a jailed parent the kids have no positive role model in that parent. These kids need a lot of help to be set on a right path. The remaining parent, most often a woman, finds it difficult to provide ordinary needs for the child/children on her income.

With HB 366 allowing the Department of Revenue to provide grants to minor children of incarcerated individuals there is some measure of help. In doing so, this bill ensures that minor children of incarcerated individuals do not lose out on the child support they depend on.

In addition, they need more support in school; and after school they need help from someone like Big Brothers/Sisters for a role model.

Please pass this bill!
