Senator Les McGuire, Chair
Senate State Affairs Committee
Alaska State Legislature
State Capitol, Room 125
Juneau, AK 99801-1182

Dear Senator McGuire:

The Governor's Legislative Office has transmitted HB 344 on my behalf, and I request consideration and passage of this bill in the House Community and Regional Affairs Committee.

The bill was generated in response to feedback I have received from local governments who do not use or wish to receive paper copies of the Alaska Administrative Code that I currently distribute at state expense. With electronic access available at no charge, many local governments believe that these materials are obsolete and an unnecessary use of limited office space.

The bill allows local governments to opt-out of receiving paper copies of the Alaska Administrative Code and its quarterly supplements. If, in the future, local officials wish to resume receiving these materials, the bill also affords provisions for opting-in.

Responding to local concerns and conserving state resources are two benefits of this legislation. I urge your support of these goals in the passage of SB 257. If I can provide any information, please contact me or Jason Hooley in my office at 465-4082. Thank you for your consideration.

Sincerely,

Sean Parnell
Lieutenant Governor

OFFICE OF THE GOVERNOR
JUNEAU

The Honorable Lyda Green
President of the Senate
Alaska State Legislature
State Capitol, Room 111
Juneau, AK 99801-1182

Dear President Green:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill to change the Alaska Administrative Procedure Act to provide for better and more cost-effective access to administrative information.

The bill stems from requests of some local governments to stop receiving paper copies of the Alaska Administrative Code and the Alaska Administrative Register. Space in some local government offices is limited and the storage and disposal of these documents can be problematic.

Under current law, the Lieutenant Governor, at state expense, is required to supply a complete set of the Alaska Administrative Code, the Alaska Administrative Register, and each supplement to the code or register to the clerk of each local government unit. Many local governments have indicated that paper copies of these publications are neither utilized nor desired.

The bill allows the clerk of a local governmental unit to choose to forego receipt of the paper copies. Paper copies would continue to be supplied to governmental units that do not request cessation of the deliveries.

Because electronic access to the Alaska Administrative Code is currently available through the Legislature's website, and through links to that website from various state agency websites, we anticipate that many local governments would prefer this "no-cost" option for electronic access to the information, and paper copies would not be needed.

The Honorable Lyda Green

The bill also provides an easy method for the local government to "opt back in" to start receiving paper copies of the documents if the local government's needs changed.

I urge your prompt consideration and passage of this bill.

Sincerely,

ANALYSIS: (Attach a separate page if necessary)

Reduced distribution of the Alaska Administrative Code and Register should result in savings to the state. It is not possible at this time to estimate the number of local governments that would opt out, nor to estimate the amount of savings that would be realized.
