REPRESENTATIVE WES KELLER DISTRICT 14

CS for House Bill 226- Naming Veterans' Way in Mat-Su

Sponsor Statement

Alaska has one of the nation's largest per-capita populations of veterans. These are the true heroes of Alaska, men and women who have served in the armed forces of our great country to keep us free.

CS for House Bill 226 is an opportunity for us as a legislature to say thank you for keeping America and Alaska free. Thank you for interrupting your life to serve at home and abroad. Thank you for offering to make the supreme sacrifice for your country.

Upon passage of CSHB 226, Bogard, Seldon and East Colony Schools Roads will become Veteran's Way. In addition to honoring our veterans the name change will also provide an easier understanding of directions as this one road will have one name rather than the current three names. We urge your passage of this bill in support of our veterans.

Valley Veterans For "Veterans Way"

Thank you for taking the time to read our petition. The purpose of this committee is to obtain your support in renaming one of the most confusing roadways located in the Wasilla/Palmer area. Some know it as Seldon or Bogard or a variation of those two names. Sometime in the next two years the Borough and the State will extend this roadway from Colony Schools drive down Colony way crossing the intersection of 49th state street near Colony High School. This roadway will continue on to Arctic Avenue near Palmer High school providing an alternate route for all valley residents who might normally use the Palmer/Wasilla Highway. The completion of this bypass is a much needed alternative to the Palmer Wasilla highway. This will help alleviate congestion and provide an alternate route for traffic whenever there is emergency shutdowns. We propose to name the thoroughfare from Palmer to Church Road "Veterans Way" in honor of all of those who have served our nation. The roadway currently has over 6 names for all of the different segments, Bogard, Bogard extension, Seldon, Seldon extension, Colony Schools drive, Colony way, and Arctic Avenue. We hope that you will support our efforts by signing our petition to show support for all of our valley, state and nations veterans. Please sign the line below to attest to your support of the road name "Veterans Way" Also by signing please share this idea with 3 friends or co-workers to get the word out

Valley Veterans For "Veterans Way"

Thank you for taking the time to read our petition. The purpose of this committee is to obtain your support in renaming one of the most confusing roadways located in the Wasilla/Palmer area. Some know it as Seldon or Bogard or a variation of those two names. Sometime in the next two years the Borough and the State will extend this roadway from Colony Schools drive down Colony way crossing the intersection of 49th state street near Colony High School. This roadway will continue on to Arctic Avenue near Palmer High school providing an alternate route for all valley residents who might normally use the Palmer/Wasilla Highway. The completion of this bypass is a much needed alternative to the Palmer Wasilla highway. This will help alleviate congestion and provide an alternate route for traffic whenever there is emergency shutdowns. We propose to name the thoroughfare from Palmer to Church Road "Veterans Way" in honor of all of those who have served our nation. The roadway currently has over 6 names for all of the different segments, Bogard, Bogard extension, Seldon, Seldon extension, Colony Schools drive, Colony way, and Arctic Avenue. We hope that you will support our efforts by signing our petition to show support for all of our valley, state and nations veterans. Please sign the line below to attest to your support of the road name "Veterans Way" Also by signing please share this idea with 3 friends or co-workers to get the word out

Subject: Veterans Way Bill - Support

Dear Representative Wilson,

My name is John G. Davies. I first came to Alaska in 1970 with the US Army. I am a Viet Nam veteran, a life member of the Veterans of Foreign Wars, and a Charter Member of the American Legion Post 35. I practiced law in the Matanuska Valley for about 30 years before joining the Alaska State Legislature as a staff member for the District 14 Representative.

I am very familiar with the Veterans Way road corridor and support the Bill changing the road name. The old name, Bogard Road is confusing, and the name change will clarify and simplify matters, especially with the new extensions to be built on each end of the road way. Right now Bogard turns into Sledon Rd. at a 4 way stop sign where there used to be a sharp turn in Bogard Rd. If you now are traveling west on Bogard and stop at the stop sign, when you cross the intersection the road turns into Seldon Rd. You have to turn left in order to proceed on Bogard. Also at the Palmer end of the roadway new construction is planned, and extension of the present Bogard will take up a few other street names. So, renaming the entire east to west roadway and the new extensions all Veterans Way will not only honor all the Valley veterans, but clarify and simplify matters a lot.

Thank you for considering my opinion.

Very Truly Yours,

John G. Davies
Voter # 1000659

3/17/2010

I talked with Janet from your office a bit and understand that you are working on a draft bill to designate the Bogard-Seldon Corridor as Veteran's Way. We at the Borough have been discussing this since last year and think that this name would be appropriate in regard to completely re-naming the road corridor. It would make giving directions much easier in that you would no longer have to say, "travel up Arctic Avenue for X distance until it turns into Bogard Extension, then travel X distance until it becomes Colony Way, then travel X distance until it becomes Bogard Road, then travel X distance until it becomes Seldon Road, then travel X distance until it becomes Beverly Lakes Road.

Let me know what we can provide that would be helpful to you in supporting the name change. We may be able to provide a resolution from the MSB Transportation Advisory Board, Planning Commission or Assembly. I also talked to the Community Transportation Coalition (with representatives from Palmer and Wasilla present) about this and they are also willing to provide a resolution.

ALASKA STATE LEGISLATURE

MAT-SU VALLEY DELEGATION

March 1, 2010

Representative Peggy Wilson
Chair, House Transportation Committee

Re: House Bill 226 - Naming Veterans' Way in Mat-Su

Dear Representative Wilson:

As members of the Mat-Su delegation, we urge you to schedule HB 226, legislation establishing Veterans' Way in the Mat-Su Borough. The heroic service of Alaskan veterans is recognized in this bill, which renames the collective corridor of Seldon Road and a segment of Bogard Road to "Veterans' Way," while maintaining the individual road names. This is an excellent opportunity for the State of Alaska to pay tribute to the multitude of Alaskans who have served in the armed forces in defense of our liberties. We express our deepest thanks to the men and women who have selflessly put themselves at risk in the service of our country, and ask for the scheduling and favorable consideration of this legislation as a sign of our gratitude and respect to Alaskan veterans.

Respectfully,

Bill Stoltz *Mark Hanna*
Wes Keller *CR Huggins*
Carl O'Atto *Linda J. Guard*

I talked with Janet from your office a bit and understand that you are working on a draft bill to designate the Bogard-Seldon Corridor as Veteran's Way. ANALYSIS: (Attach a separate page if necessary)

The department will install 10 brown Cultural Interest area signs. These brown signs are a distinctive size and color and are designed to point out to travelers areas of cultural interest or recreational significance.

Attached is an example of the signs that will be posted.

Prepared by: Mary Siroky, Legislative Liaison
Division: Department of Transportation and Public Facilities
Approved by: Frank Richards, Deputy Commissioner
Department of Transportation and Public Facilities
