Letter in Support of Increasing Minimum Wage

Name: FRANCENE LILLEY  
Address: 4314 San Roberto Ave. #6  
An/AK, 99508  
Phone Number: 929-5296

During the 2009 State Legislature, Senate Bill 1 is sponsored by Senators Bill WIELECHOWSKI, Johnny ELLIS, Joe THOMAS, and Bettye DAVIS. This very important Bill could increase Alaska's minimum hourly wage from it's current \$7.15 to a potential \$8.75 per hour. Once increased, the minimum wage will be adjusted annually (every year) according to a determined rate of inflation. I support this piece of legislation and would like the Senate sponsors, and other like-minded Senators, to vote for this increase. Here are my reasons why:

*I'm working hard and  
am barely making it at  
\$10.00 p/hr I can't imagine how  
you do it on minimum  
wage.*

Thank you for taking my thoughts into consideration. ~~I am a registered voter.~~ If you have any questions, please call me at the above number.

*As someone committed to confronting poverty, however it manifests, I desire to see a living wage adopted in Alaska. This increase to \$8.75 is a step in the right direction. In the Fairview community, 1 out of 3 citizens exist at the federal definition of poverty. Access to resources is the number one contributor to personal success. Please increase the minimum wage!*

I support this piece of legislation and would like the Senate sponsors, and other like-minded Senators, to vote for this increase. Here are my reasons why:

People work hard and receive little recognition let alone compensation for their labors. It is not acceptable to have a population of "working poor" in Alaska. We are too valuable a community to be treated as less than. It costs more to live here; the pay of our workers should reflect our worth as a state.

There is a lot of things going on with the economy these days and we all have to suffer for it. Prices are being raised and 7.15 is not going to cut it, also if this raises maybe that'll decrease the population of teenagers shoplifting.

Alaska's cost of living is high

This very important Bill could increase Alaska's minimum hourly wage from it's current \$7.15 to a potential \$8.75 per hour. Once increased, the minimum wage will be adjusted annually (every year) according to a determined rate of inflation. I support this piece of legislation and would like the Senate sponsors, and other like-minded Senators, to vote for this increase. Here are my reasons why:

I have seen many college students working  
minimum-wage and struggling to pay off all their  
expenses and educational costs, not to mention food or  
housing. An increase to \$8.75 would greatly help  
young adults who <sup>are</sup> struggling financially ~~with~~ and balancing  
school with work. Since they will provide the future workforce  
in Alaska, I strongly support an increase in minimum wage.

**Letter in Support of Increasing Minimum Wage**

Name: Michelle King

Address: 4200 San Roberto #1

Anchorage, Ak ~~99508~~, 99508

Phone Number: (907) 310-7956

During the 2009 State Legislature, Senate Bill 1 is sponsored by Senators Bill WIELECHOWSKI, Johnny ELLIS, Joe THOMAS, and Bettye DAVIS. This very important Bill could increase Alaska's minimum hourly wage from it's current \$7.15 to a potential \$8.75 per hour. Once increased, the minimum wage will be adjusted annually (every year) according to a determined rate of inflation. I support this piece of legislation and would like the Senate sponsors, and other like-minded Senators, to vote for this increase. Here are my reasons why:

It would help a lot of people have kids to  
support and are only able to get minimum  
wage paying jobs.

Thank you for taking my thoughts into consideration. I am a registered voter. If you have any questions, please call me at the above number.

During the 2009 State Legislature, Senate Bill 1 is sponsored by Senators Bill WIELECHOWSKI, Johnny ELLIS, Joe THOMAS, and Bettye DAVIS. This very important Bill could increase Alaska's minimum hourly wage from it's current \$7.15 to a potential \$8.75 per hour. Once increased, the minimum wage will be adjusted annually (every year) according to a determined rate of inflation. I support this piece of legislation and would like the Senate sponsors, and other like-minded Senators, to vote for this increase. Here are my reasons why:

During the 2009 State Legislature, Senate Bill 1 is sponsored by Senators Bill WIELECHOWSKI, Johnny ELLIS, Joe THOMAS, and Bettye DAVIS. This very important Bill could increase Alaska's minimum hourly wage from it's current \$7.15 to a potential \$8.75 per hour. I support this piece of legislation and would like the Senate sponsors, and other like-minded Senators, to vote for this increase. Here are my reasons why:

Once increased, the minimum wage will be adjusted annually (every year) according to a determined rate of inflation. I support this piece of legislation and would like the Senate sponsors, and other like-minded Senators, to vote for this increase. Here are my reasons why:

I lived in a retirement community in Oregon and the low min. wage was not well correlated w/ the economy causing lots of low income situations and poor economy, and people didn't take care of the area. I do not want that to happen to ~~Alaska~~

**Letter in Support of Increasing Minimum Wage**

Name: Cliff Jvey Jr

Address: 17000

Anchorage, AK, 995

Phone Number: (907) 868-3159

During the 2009 State Legislature, Senate Bill 1 is sponsored by Senators Bill WIELECHOWSKI, Johnny ELLIS, Joe THOMAS, and Bettye DAVIS. This very important Bill could increase Alaska's minimum hourly wage from it's current \$7.15 to a potential \$8.75 per hour. Once increased, the minimum wage will be adjusted annually (every year) according to a determined rate of inflation. I support this piece of legislation and would like the Senate sponsors, and other like-minded Senators, to vote for this increase. Here are my reasons why:

Cell phone, internet plays a huge  
part in our growing technology age. Every  
one needs more money these days for  
all communication. How these necessity  
become <sup>true</sup> in each individual's life.

Once increased, the minimum wage will be adjusted annually (every year) according to a determined rate of inflation. I support this piece of legislation and would like the Senate sponsors, and other like-minded Senators, to vote for this increase. Here are my reasons why:

Letter in Support of Increasing Minimum Wage

Name: Kyle Yan  
Address: 3031 Horizon St.  
Anchorage, AK 99517  
Phone Number: (907) 240-0944

During the 2009 State Legislature, Senate Bill 1 is sponsored by Senators Bill WIELECHOWSKI, Johnny ELLIS, Joe THOMAS, and Bettye DAVIS. This very important Bill could increase Alaska's minimum hourly wage from it's current \$7.15 to a potential \$8.75 per hour. Once increased, the minimum wage will be adjusted annually (every year) according to a determined rate of inflation. I support this piece of legislation and would like the Senate sponsors, and other like-minded Senators, to vote for this increase. Here are my reasons why:

I have seen many college students working minimum-wage and struggling to pay off all their expenses and educational costs, not to mention food or housing. An increase to \$8.75 would greatly help young adults who <sup>are</sup> struggling financially ~~with~~ and balancing school with work. Since they will provide the future workforce in Alaska, I strongly support an increase in minimum wage.

**Letter in Support of Increasing Minimum Wage**

During the 2009 State Legislature, Senate Bill 1 is sponsored by Senators Bill WIELECHOWSKI, Johnny ELLIS, Joe THOMAS, and Bettye DAVIS. This very important Bill could increase Alaska's minimum hourly wage from it's current \$7.15 to a potential \$8.75 per hour. Once increased, the minimum wage will be adjusted annually (every year) according to a determined rate of inflation. I support this piece of legislation and would like the Senate sponsors, and other like-minded Senators, to vote for this increase. Here are my reasons why:

Cost of Fuel rises makes it hard  
to afford to drive to work & pay for  
Rent + Utilities

I would like to see it increased as this would  
really help the population of Anchorage to  
avoid the crisis affecting the rest of our  
nation.
