MEMORANDUM

February 24, 2010

SUBJECT: CSHB 7(TRA) by the House Transportation Committee -- editorial change made in assigned codified section for bill (Work Order No. 26-LS0033\AR)

TO: Representative Peggy Wilson
Chair of the House Transportation Committee

FROM: Jack Chenoweth
Assistant Revisor 

House Bill 7 (naming a bridge over the Kasilof River the Robert E. Bush, Jr., Veterans' Memorial Bridge) was introduced in 2009 a first regular session bill. The committee that you chair yesterday adopted a committee substitute that eliminates reference to "Veterans" in both the bill title and in the measure's substantive language and reported the bill from committee. In preparing the committee substitute to reflect these changes, we've also amended the codified section number assigned to the new material, from "AS 35.40.220" to "AS 35.40.225", to reflect that, during the course of the first regular session, the legislature passed and Governor Palin signed into law ch. 11, SLA 2009 (naming the Thomas B. Stewart Legislative Office Building), in which the codified section number assigned in the drafting of the original version of HB 7 was used for another provision.

REPRESENTATIVE MIKE CHENAULT SPEAKER OF THE HOUSE SPONSOR STATEMENT

HOUSE BILL 7: *"An Act naming the bridge over the Kasilof River on the Sterling Highway the Robert E. Bush, Jr., Veterans' Memorial Bridge."*

House Bill 7 was introduced at the request of the uncle of Robert Bush. Robert Bush passed away on July 12, 2007. He served with the United States Army and served his country in Operation Desert Storm. Upon his discharge he returned home and was diagnosed with Type 1 diabetes. This disease eventually claimed his life.

His children drive over the Kasilof River daily and naming the bridge in Robert's honor would remind his family and the public of his contribution to his community and his country.

Obituary

Lifelong Kasilof resident Robert E. Bush Jr. died Thursday, July 12, 2007, at Providence Alaska Medical Center in Anchorage. He was 41.

Services will be held at 7 p.m. Thursday, July 19, at Immanuel Baptist Church, Mile 15 Kalifornsky Beach Road. Burial will take place at 1 p.m. Friday, July 20, in the family cemetery in Kasilof.

Born Oct. 30, 1965, Mr. Bush graduated from Soldotna High School in 1984. He went on to serve in the U.S. Army, including one tour during Desert Storm.

Mr. Bush loved baseball, football, darts, ice racing and camping with his family and friends. "We will all love him and will miss him very much," his family said.

He is survived by his children, Blade J. Bush, Lacy N. Bush, John F. Bush and Matanya L. Bush; daughter-in-law, Sarah Bush; grandson, Blade J. Bush Jr.; parents, Robert E. Bush Sr., Wilda (Buttons) Bush; sister, Karen Burger and her family; grandfather, Frank Bush; and many uncles, aunts and cousins in Alaska and Washington.

Donations may be made to the Kidney or Diabetes Foundation of Alaska.

Arrangements were made by Evergreen Memorial Chapel in Anchorage.

Dear Governor Palin,

Not really knowing where to send this, I lost my nephew on July 12th of this year, after a long bout with type 1 diabetes. Robert E. Bush Jr. was born and raised in Kasilof, Alaska and remained here his entire life.

Robert worked pretty much every industry we have from fishing to oil. He joined the US Army I believe it was in 1999, and served his country in Operation Desert Storm in Iraq. He was diagnosed with diabetes on his release from the service and digressed from that point on. He spent the last few years of his life at home with his father (Robert Sr.), mother (Wilda) and daughter (Mattania), where he found most of his time transferring fluid as part of his kidney dialysis.

I know it's a long shot, but bridges have been known to be dedicated after veterans, and the Kasilof River Bridge is on my mind.

He left behind 4 children, and it's on there behalf I write you. Robert was to turn 42 years of age on Oct. 31st, he stepped up to the plate when his country needed soldiers and he returned home only to become, as he put it to me before his death, " a shell of a man" and not being able to do for his children as his parents had done for him.

I'm not sure where to send such a request, but hope this will land in the right hands. His untimely death, as in many other families, has shaken our lives. We laid him to rest in our Family cemetery on the Bush Homestead in Kasilof. I leave his parents name and contact number as listed.

Governor Palin, this would be such a just honor to a Mother and Father who had to bury their son.

Thank You for Listening,
David A. Bush

Dear Senator Wagoner and Representative Chenault,

I had written you both letters with direction from the Governors office that this would be the proper path in which to seek the sponsoring of a bill to have a bridge in Kasilof, Alaska dedicated to a fallen Veteran.

I never heard back from Representative Chenault (email or US mail) and Senator Wagoner shot me back a few E-mails, and finally telling me that we needed buy in from the community and our local Borough, well enclosed are petitions with several names from our area and as far as the Borough, I contacted the Director of planning and they informed me that this wasn't their area, but that of the State Of Alaska.

So once again I write you both, on behalf of the children and parents that Robert E. Bush Jr. left behind on 7/12/07. Robert Bush Jr. was born in 1965 to Robert Sr. & Wilda Bush, here in Kasilof. Robert Bush Jr. Graduated High School at SOHI in Soldotna and worked several professions and then enlisted in the United States Army and served his country in Operation Desert Storm.

Sirs, Robert Jr. (My Nephew) was more of a brother to me than most of real brothers, and I will not let this go. This man returned home from Kuwait to only be diagnosed with type 1 Diabetes, which eventually claimed his kidneys and then his life.

All I expect, is that the request for John, Blade, Lacey and Mattania's father that passed away on 7/12/07 (Robert E. Bush Jr.) be moved forward please. These kids and parents of his, drive over the Kasilof Bridge daily and to see their son/fathers name on a Veterans sign would mean the world to them, obviously with the enclosed signatures, this would also mean something to the whole community.

I have also sent s copy of this letter to the Alaskan Veterans Affairs and also filed if appropriate, a Veterans Landmark Application. Please understand, I will not stop my efforts for this proper recognition to my Nephew whom served his country, this is of a small favor to request, after all he gave for us

**Petition to have the Kasilof Bridge
Dedicated to the name:
Robert Bush Jr.
Veterans
Memorial Bridge**

Robert Bush Jr. was born here in Kasilof in 1965 and lived his entirety here. Robert completed high school at SOHI and worked several professions, he enlisted in the United States Army and served his country in Iraq in Operation Desert Storm And finished his tour there. He returned home only to be diagnosed with type 1 Diabetes which eventually claimed his kidneys and then his life on 7/12/07. Robert left behind two sons and two daughters. This would come as a great honor to his children and parents. It is pretty much up to our community whether this goes through. Thanks for your support.
