PROFESSIONAL EXPERIENCE

Executive Director 2003 to 2009

Office of Economic and Community Development, Municipality of Anchorage

For the past six years served as an executive to the Mayor, responsible for promoting public and private economic development projects for the Municipality of Anchorage. Highlights have included the new Dena'ina Civic and Convention Center completed in September of 2008, the transfer of the Museum from a public to private non-profit entity, the Library Renewal Initiative, reorganization of the Parks and Recreation Department and the creation of the Parks and Library Foundations which raised more than \$30 million combined. Supervised the completion of the Downtown Comprehensive Plan and helped spearhead the revitalization of one of our most underserved neighborhoods, Mountain View. Responsible for seven departments including the Planning Department, Heritage Land Bank and Real Estate Services, Libraries, Parks and Recreation, the Department of Neighborhoods, the Port of Anchorage, and the Anchorage Community Development Authority. Responsibilities also included formulating and approving budgets, departmental reorganizations, multimillion dollar grant writing, real estate, capital improvement project planning and local, state, and federal requests.

Executive Director and CEO 1999 to 2003

Anchorage Neighborhood Housing Services

Executive Director for Anchorage Neighborhood Housing Services (ANHS) a non-profit community development corporation dedicated to promoting affordable housing and neighborhood revitalization. ANHS is affiliated with the National Neighborhood Reinvestment Corporation and is certified as a Community Financial Institution. From 1998 to 2003 ANHS loaned \$18 million and leveraged \$34 million in first mortgages. Of the 545 loans made to low to moderate income families, 91 of those borrowers were persons with a disability. Additionally, ANHS owned and managed 1,150 units of affordable rental housing in twelve locations citywide. Total assets at the time were \$62.2 million. Other responsibilities included overall management, legislative affairs, and grant writing.

Executive Director 1981 to 1999

The ARC of Anchorage

For 18 years served as the Executive Director for The Arc of Anchorage. The agency grew from a budget of \$180,000 a year to \$12 million serving more than 400 individuals. Programs included an array of services for children and adults with developmental and other disabilities including a day activity center, 24 hour residential care, case management, in-home family services, respite, and specialized services for persons with

dual diagnosis and emotional disturbances. Responsible for securing the funding, purchased, renovated and/or constructed more than 60 housing units, single and multifamily, to ensure safe, affordable housing. Worked with the Governor's Office and the legislature on many issues facing persons with disabilities throughout the State of Alaska. Other duties included assets management, program development, grant writing, public relations, fundraising, legislative affairs, and advocacy.

KOOTZNOOWOO INCORPORATED

1998 – 2001

TAQUAN AIR SERVICES

1998 – 2001

Chief Executive Officer

Took on challenge of leading and crafting the comprehensive turnaround of an overextended ANCSA native organization and a cash-poor airline subsidiary. Analyzed existing assets, opportunities, organizational strengths and weaknesses, human capital investment and a diverse investment portfolio. Developed and executed a two-prong strategy that instituted cuts and *near-term profits/sufficient cash flow restoration in just 20 months* and overhauled operational/investment practices, creating *ample long-term income* for sustained growth and solvency.

Led leadership team, 22 staff, and 2 field offices. Worked closely with Finance Officer, finance staff, and external auditors to strengthen audit standards, corporate governance, analysis of new investment opportunities, and establishment/monitoring of portfolio performance standards. Used trusts/legal vehicles to avoid foreclosures.

- **Strategic Leadership & Organizational Development**

- **Redesigned the corporate staffing structure** to better establish direct reporting relationships and accountability for specific corporate functions with new individual position descriptions company-wide.
- **Brought portfolio management oversight in-house, cutting costs 50% and upping returns.** Promoted the Vice President of Finance to Senior Vice President of Finance to provide direct oversight for Portfolio consultants, money managers, and Real Estate financing and refinancing activities.
- **Bred accountability: Implemented quarterly/semiannual /annual personnel evaluations.**
- **Formalized quality service delivery, leading creation of procedures, policies, and manuals.** Structured and led development of personnel manual and office procedures manual for corporate and subsidiary employees, including the addition of updated policies on company security, use of computers, and corporate ethics. Developed job categories/supporting job descriptions for all positions.

- **Financial Management:**

- **Executed the creation of Kootznoowoo, Inc.'s commercial real estate portfolio,** achieving profitability for the parent corporation in 20 months. Formulated short- and long-term strategies for acquisition, management, and disposition of a real estate portfolio valued at \$12 million.
- **Maintained exceptional returns for a \$10M portfolio** and slashed overhead costs. Stringently introduced a prudent asset reallocation/balanced investment strategy, replacing former high-risk practices. Established formal investment policy to support Board's strategic vision and mission.
- **Successfully restructured debt** with Wells Fargo Bank and all major creditors, avoiding foreclosure.

MOST RECENT ACCOMPLISHMENT IN ORGANIZATION:

In March of 2006, the Valdez Youth Awareness Coalition (YAC), a Drug-Free Communities Support Program (DFCSP), funded through the Substance Abuse and Mental Health Services Administration (SAMHSA), achieved its non-profit status with the State of Alaska.

This success was the result of a year-long effort to organize a discussion-based community council into an action-oriented vehicle for community mobilization around the issues of youth substance-use and other negative risk taking behaviors in the City of Valdez.

As DFCSP Grant Coordinator and *ex officio* representative of the grant's fiscal agent I was able to serve a critical role organizing and facilitating all aspects of YAC's transformation into a coalition and non-profit organization.
