

4/7/10

**CONFIRMATIONS:
BOARD
OF
FISHERIES**

Claude V. Webster (Vince)
P.O. Box 121
King Salmon, AK 99613

Background:

I was raised on a farm in Indiana. My life dream was to go to Alaska. I joined the Air Force to support my family and was rewarded by a transfer to King Salmon, Alaska in 1978. There I was introduced to commercial fishing in Bristol Bay and the greatest Rainbow Trout fishing in the world. I was transferred to Elmendorf Air Force Base from 1979-1982 where I continued to enjoy the great outdoors. I was offered a job, in the maritime ship yards, on the west coast from 1982-1988. I purchased my first Bristol Bay set net permit in 1984. My wife (Sherry) and I moved our family (Troy and Derek) back to King Salmon in 1989 for a more intimate education. Our sons went on to graduate from Eastern Connecticut and Yale University with honors. We continue to reside in King Salmon and enjoy sharing our fishing operation with our sons and grand daughter every summer.

Work Experience:

1984-Present...Set gillnet operator in the Kvichak District of Bristol Bay.

2000-Present...Facilities & Maintenance Director for Lake & Peninsula School District.

2004-Present...Drift Gillnet Operator in the Naknek District of Bristol Bay.

1997-2000...Maintenance & construction for Katmia National Park.

1989-1990...Cannery construction for BKR & Associates at Cordova, Kodiak, Petersburg & Naknek.

1982-1988...Ship Repair Coordinator & Branch Manager for Donco Inc. in California & Washington.

1975-1982...US Air Force.

1978...Managed Air Force boat dock & operated Air Force charter boat at King Salmon.

Other Fisheries Experience:

Togiak Herring, Cinder River Salmon, Chignik Salmon, Bristol Bay Halibut and numerous sport fisheries throughout the state.

Volunteer Work:

Naknek/Kvichak Fish and Game Advisory Committee, over 15 years, Co-Chair.
Numerous fish committees & task forces.

Education:

Graduated Jennings Co. High School, Indiana 1974.
Versailles Vocational School, Indiana 1973 (While attending High School).
Air Force Aircraft Weapon's Release Systems Tech School 1976.

Career Synopsis

Tom was elected to the Mat-Su Borough Assembly in October 2006 after serving two years on the Mat-Su Planning Commission. While on the Assembly, Tom Chaired the Mayor's Blue Ribbon Sportsman's Committee, and contributed his knowledge of the Department of Transportation and Public Facilities as a member of the Mayor's Blue Ribbon Road Service Area Task Force.

Alongside positions in local government, Tom owns and operates the Fireweed Station Inn at Sunshine, south of Talkeetna, with his wife. Originally built in 1946, their Inn is listed on the National Historic Register and was thoroughly reconstructed under Tom's direction between 1993 and 2003 when it opened.

He also served as financial and part-time operating partner in an equipment rental, greenhouse/nursery, and dirt-work business with his brother in the Talkeetna area from 1998 - 2000.

Since 1973 Tom has been handed complex business challenges, analyzed their component issues, spelled-out alternatives to management for resolving those issues, guided the team responsible for resolving the challenge to consensus in choosing the best alternative, and, managed numerous such projects to completion.

In April, 1994 he joined a team of eight people with a good idea to create a network simulation and management software package. By August 1996, Netsys Technologies Inc. was selling a million dollars worth of software a month throughout the world. The company was sold to Cisco in Nov. '96 for \$85M.

In 1991 as Director of Information Systems at the Alaska DOT&PF, Tom was responsible for implementing the State of Alaska's first Internet-like computer network interconnecting fourteen local networks in three Alaskan Cities. This implementation was designed and modeled on a computer before being implemented to ensure success.

As a consultant with Alaska's Department of Administration Information Resource Management Division Tom was involved in hundreds of information technology and networking projects in all aspects from technical and administrative reviews, to conducting full RFP processes and project management.

Independent Consultant – dba Denali SoftWorks (1995 - 2003)

- Assisted GCI with Cable Modem product launch, analyzing the multitude of issues surrounding integration of broadband internet into their Cable TV organization
- Sat on Technical Advisory Board of Palo Alto based software development company that developed and sold large scale internetwork management and simulation software.
- Prepared initial U.S. Patent document for internetwork management and simulation software package
- Assisted AIDEA in for with various computing-related projects
- * Performed Process Review of technology acquisition cycle for ARCO Alaska Inc

NETSYS Technologies Inc. (3/94 - 8-95)

Director, Market Research & Third Party Vendor Relationships

- * Responsible for establishing strategic relationships with Third Party consulting firms selected for demonstrated expertise in computer network
