Governor Palin,

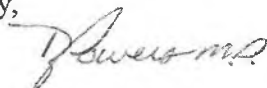

Recently Frank Bailey contacted me regarding the possibility of serving on the Alaska State Medical Board, and I am writing to let you know that if appointed, I will gladly accept the position.

I came to Alaska in 1984 as a Commissioned Officer in the United States Indian Health Service. Since then, I have practiced in various sites throughout the State, including Anchorage, Juneau, Nome, Barrow, St Paul Island, and for the past 15 years in Dillingham.

Long distance medicine is part of our daily routine, as we work with Community Health Aides and Mid-Level practitioners in approximately 30 outlying villages.

If appointed, I will endeavor to contribute from this rural prospective while working with other members of the Board on pertinent issues.

Thank you for your consideration,
Sincerely,

Honorable Sarah Palin

Governor Palin,

Recently Frank Bailey contacted me regarding the possibility of serving on the Alaska State Medical Board, and I am writing to let you know that if appointed, I will gladly accept the position.

I came to Alaska in 1984 as a Commissioned Officer in the United States Indian Health Service. Since then, I have practiced in various sites throughout the State, including Anchorage, Juneau, Nome, Barrow, St Paul Island, and for the past 15 years in Dillingham.

Long distance medicine is part of our daily routine, as we work with Community Health Aides and Mid-Level practitioners in approximately 30 outlying villages.

If appointed, I will endeavor to contribute from this rural perspective while working with other members of the Board on pertinent issues.

Thank you for your consideration,
Sincerely,
