## MEMORANDUM

February 16, 2011

**SUBJECT:** 2011 Revisor's Bill, Section 3  
(SB 61 (Work Order No. 27-LS0152\B.1))

**TO:** Senator Bill Wielechowski  
Chair of the Senate State Affairs Committee  
Attn: Michelle Sydeman

**FROM:** Kathryn L. Kurtz   
Assistant Revisor

At Tuesday's hearing on SB 61, you raised a question as to the effect of sec. 3, and whether it makes a substantive change in the law.

In my response, I believe I indicated that the change was intended to bring the language of AS 08.29.200(b) into line with that of AS 47.24, as amended in 1994. I have since had a chance to look further into the history of the two provisions, and noticed that AS 08.29.200(b) was not enacted until 1998. It is not clear to me why it was not drafted using terminology consistent with AS 47.24. However, on further reflection, I believe it is possible that it was a deliberate drafting choice, and that changing the language of this provision might have a substantive effect.

For this reason, I recommend removing section 3. An amendment to do this is enclosed.

Thank you for your careful reading of the bill.

1 insurance official affirmatively finds that the insurer is in a failing condition, there are  
 2 no feasible alternatives to improving this condition, the public benefits of improving

4 \* **Sec. 21.** AS 21.45.300(k) is amended to read:

5 (k) All adjusted premiums and present values referred to in this section shall  
6 for all policies of ordinary insurance be calculated on the basis of the Commissioner's  
7 1958 Standard Ordinary Mortality Table, except that for any category or ordinary  
8 insurance issued on female risks, adjusted premiums and present values may be  
9 calculated according to an age not more than six years younger than the actual age of  
10 the insured. Except as provided in (l) [(1)] of this section, the calculations for all  
11 policies of industrial insurance shall be made on the basis of the 1941 Standard  
12 Industrial Mortality Table. All calculations shall be made on the basis of the rate of  
13 interest specified in the policy for calculating cash surrender values and paid-up  
14 nonforfeiture benefits. The rate of interest specified in the policy may not exceed three  
15 and one-half percent a year except that (1) a rate of interest not exceeding five and  
16 one-half percent a year may be used for policies issued on or after July 1, 1978, and  
17 (2) a rate of interest not exceeding six and one-half percent a year may be used for a

20 as a nonforfeiture benefit, the rates of mortality assumed in the case of a policy of  
21 ordinary insurance, may be not more than those shown in the Commissioner's 1958  
22 Extended Term Insurance Table. In the case of a policy of industrial insurance, the  
23 rates of mortality may be not more than 130 percent of the rates of mortality according  
24 to the 1941 Standard Industrial Mortality Table. The calculation of the adjusted  
25 premiums and present values for insurance issued on a substandard basis may be based  
26 on another table of mortality as may be specified by the insurer and approved by the  
27 director. This subsection does not apply to policies issued on or after the operative  
28 date of (w) of this section.

29 \* **Sec. 22.** AS 21.45.300(m) is amended to read:

30 (m) Except as provided in (s) of this section, the adjusted premiums for a  
31 policy shall be calculated on an annual basis and shall be a uniform percentage of the

1        respective premiums specified in the policy for each policy year, excluding amounts  
 2        payable as extra premiums to cover impairments or special hazards and also excluding  
 3        a uniform annual contract charge or policy fee specified in the policy in a statement of  
 4        the method to be used in calculating the cash surrender values and paid-up  
 5        nonforfeiture benefits, that the present value, at the date of issue of the policy, of all  
 6        adjusted premiums shall be equal to the sum of (1) the then present value of the future  
 7        guaranteed benefits provided for by the policy; (2) one percent of either the amount of  
 8        insurance, if the insurance be uniform in amount, or the average amount of insurance  
 9        at the beginning of each of the first 10 policy years; and (3) 125 percent of the  
 10       nonforfeiture net level premium as defined in (n) - (t) of this section. In applying the  
 11       percentage specified in (3) of this subsection [PARAGRAPH] a nonforfeiture net

**Section 1.** Changes a reference in AS 03.22.050 from "United States Soil Conservation Service" to "United States Department of Agriculture Natural Resources Conservation Service" to reflect the renaming of the service in 1994.

**Section 2.** Defines "department" for purposes of AS 08.02 as the Department of Commerce, Community, and Economic Development (DCCED). The term "department" is used but not defined in AS 08.02.010 and 08.02.050.

In AS 08.02.010, the effect of adding the definition will be to clarify that it is DCCED and not some other department that is responsible for enforcing compliance with professional designation requirements outlined in that section if there is a violation by a person who is not regulated by a board. Currently, only three of the affected professional groups are not regulated by boards: acupuncturists (AS 08.06), audiologists and speech pathologists (AS 08.11), and dietitians and nutritionists (AS 08.38). Chapters AS 08.06, AS 08.11, and AS 08.38 each define "department" as DCCED, so the addition of the definition in AS 08.02 is consistent with existing law.

For AS 08.02.050, the legislature's intent was explicit in the title of the Act enacting the section: "Authorizing the *Department of Community and Economic Development* to issue permits to certain agencies. . . ." Ch. 62, SLA 2002 (emphasis added).

Section 3. Amends AS 08.29.200(b) to use the term "vulnerable adult" rather than "elderly or disabled adult" for consistency with the terminology in AS 47.24.010 (as amended by sec. 2, ch. 129, SLA 1994).

Section 4. Changes two references to the "American Standards Association" in AS 08.40.120 to "American National Standards Institute" to reflect the current name of that organization.

Section 5. Amends AS 08.42.060(a) to change a reference to "Conference of Funeral Services Examining Boards" to "International Conference of Funeral Service Examining Boards" to reflect the change in that organization's name.

Section 6. Redesignates the last clause of AS 08.86.180(b)(4) as paragraph (b)(5), to correct an error in ch. 26, SLA 2010 (which showed two paragraphs designated (4), that were then combined into one editorially).

Section 7. Amends AS 09.20.050(a) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 8. Amends AS 09.20.050(c) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 9. Amends AS 09.20.080(b) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 10. Changes "math" to "mathematics" in AS 14.07.020(a)(16)(B) to conform to the usage found elsewhere in the Alaska Statutes.

Section 11. Removes the requirement in AS 14.40.809(b) that the University of Alaska Board of Regents enter into a reciprocal agreement with Sheldon Jackson College.

Sheldon Jackson College closed in 2007. Also changes "to annually report" to "to report annually" to remove the split infinitive.

Section 12. Amends AS 14.42.015(a) to remove Sheldon Jackson College from the selection process for the member of the Alaska Commission on Postsecondary Education representing private higher education. Sheldon Jackson College closed in 2007.

Section 13. Amends AS 14.42.015(d) to remove Sheldon Jackson College students from the selection process for the postsecondary student member of the Alaska Commission on Postsecondary Education. Sheldon Jackson College closed in 2007.

Section 14. Corrects a typographical error in Executive Order 114 in a cross-reference in AS 16.20.070. Until Executive Order 114, AS 16.20.070 correctly referred to AS 16.20.050 and 16.20.060, and not to AS 16.05.060.

Section 15. Amends AS 18.56.855(j) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 16. Deletes obsolete date reference in AS 21.09.210(e).

Section 17. Corrects an erroneous paragraph reference in AS 21.22.065(j)(2). This should have been changed in 1992 when paragraphs were added to AS 21.22.220 by ch. 67, SLA 1992.

Section 18. Deletes reference in AS 21.34.900(6) to AS 21.34.210, which has been repealed. This corrects an error in ch. 67, SLA 1992 (which repealed and reenacted AS 21.34.900(6) and repealed AS 21.34.210).

Section 19. Deletes obsolete date reference in AS 21.39.040(k)(2).

Section 20. Deletes obsolete date reference in AS 21.40.010.

Section 21. Changes a reference in AS 21.45.300(k) from "(1) of this section" to "(l) of this section" to correct an error in ch. 28, SLA 1984. Subsections in the Alaska Statutes are lettered, not numbered.

Section 22. Changes a reference in AS 21.45.300(m) from "(3) of this paragraph" to "(3) of this subsection" to correct an error in ch. 28, SLA 1984. In the Alaska Statutes, paragraphs are numbered subparts of lettered subsections. Also changes "shall not" to "may not" to conform to the drafting manual's style for imposing a prohibition.

Section 23. Deletes a reference in AS 21.96.070(f) to AS 14.03.126, which has been repealed, and inserts instead the text of the definition from former AS 14.03.126.

Section 24. Amends AS 22.15.100(10) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 25. Amends AS 22.15.250 in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 26. Amends AS 22.20.037(a) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 27. Amends AS 22.20.037(c) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 28. Amends AS 22.20.037(d) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 29. Amends AS 22.20.300 in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 30. Amends AS 22.20.310 in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 31. Amends AS 22.20.320 in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 32. Amends AS 22.20.430 in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 33. Amends AS 22.25.090(f) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 34. Amends AS 24.08.330(a) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 35. Amends AS 33.05.030(b) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 36. Amends AS 36.30.030 in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 37. Changes a reference in AS 38.07.010 from "United States Soil Conservation Service" to "United States Department of Agriculture Natural Resources Conservation Service" to reflect the renaming of the service in 1994.

Section 38. Changes a reference in AS 38.07.050 from "United States Soil Conservation Service" to "United States Department of Agriculture Natural Resources Conservation Service" to reflect the renaming of the service in 1994.

Section 39. Changes "cropped" to "crop" in AS 38.07.060, a definitions section, to match the usage in AS 38.07.020(b). The word "cropped" is not used in the chapter to which the definitions apply.

Section 40. Amends AS 39.35.680(22) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 41. Amends AS 40.25.123(c) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 42. Deletes obsolete date reference in AS 42.04.080(b).

Section 43. Changes a reference in AS 42.06.430(7)(A) from "49 U.S.C. 1-1240 (Interstate Commerce Act)" to "Interstate Commerce Act." The enacting law, sec. 5, ch. 6, FSSLA 1973, simply referred to "pipelines subject to the Interstate Commerce Act or the Natural Gas Act", without offering specific numbered citations to federal statutes. The specific U.S.C. references were apparently added editorially. Since then, the U.S.C. sections that comprised the Interstate Commerce Act have been revised, renumbered, and in some cases, repealed, so the spanned reference to the previous location of those sections is no longer useful.

Section 44. Amends AS 43.55.023(a)(2) to insert the word "and" between subparagraphs (A) and (B). This change is suggested at the request of the Department of Law. Although "and" can be inferred from the structure and content of the paragraph, and "or" would not make sense in this context, adding the word "and" is consistent with usage elsewhere in the section (for example, in subsection (1)(2)) and is intended to facilitate ease of use.

Section 45. Amends AS 44.37.025(c) in an effort to create uniformity among statutory references to the administrative director of the Alaska Court System.

Section 46. Amends a reference to federal law in AS 45.68.120(a). The cite to 26 U.S.C. 6033(a)(2)(A) was correct when enacted. However, that paragraph was renumbered in 2006 as 26 U.S.C. 6033(a)(3)(A). The text of the provision did not change.

Section 47. Provides an immediate effective date.
