FISCAL NOTE ANALYSIS

STATE OF ALASKA
2014 LEGISLATIVE SESSION

BILL NO. HB 298

Analysis

Last year CSHB 30 (FIN) was enacted into law to require Departmental performance reviews. During the course of the first review, Legislative Audit discovered that performance review records are not accorded the same statutory protection as audit records. This technical amendment is necessary to afford performance review records the same confidentiality as audits records.

SPONSOR STATEMENT HB 298

Last year CSHB 30 (FIN) was enacted into law to set up an effective and regular system of conducting performance reviews of Departments. During the course of the first review, Legislative Audit discovered a slight difference between the confidentiality requirements for performance review and audits. This technical amendment makes the reviews and audits the same and protects both Legislative Audit and the Departments during the course of the reviews.
