First Session of the 28th Alaska State Legislature
Conference Committee on the Operating and Mental Health
Appropriation Bills, HB 65 and HB 66
Meeting 1

(Section 770 Masons, Paragraph 3 – Chair is from the Body of Bill Origination)
By tradition, the House chairs the meetings during the first session and the Senate chairs the meetings during the second session.

Representative Austerman:

CALL THIS MEETING of the CONFERENCE COMMITTEE ON THE OPERATING AND MENTAL HEALTH APPROPRIATION BILLS, HB 65 and HB 66, TO ORDER. It is 4:00 p.m., Thursday, April 4, 2013.

MEMBERS PRESENT:

House:

Representative Alan Austerman (Chair, pending election)
Representative Bill Stoltze, Member
Representative Les Gara, Member

Senate:

Senator Pete Kelly (Vice-Chair, pending election)
Senator Kevin Meyer, Member
Senator Lyman Hoffman, Member

1. ELECTION OF CHAIR:

Senator Kelly

I move that Representative Austerman serve as presiding chair of the FY2014 operating budget Conference Committee.

Is there any objection? Seeing none, Representative Austerman is Chair of the Conference Committee.

Representative Austerman:

I move that Senator Kelly serve as Vice-Chair of the FY2014 operating budget Conference Committee.

Is there any objection? Seeing none, Senator Kelly is Vice-Chair of the Conference Committee.

2. OPENING COMMENTS:

Representative Austerman:

As Chair of the Conference Committee, I would like to review the process we will follow for these meetings:

1. Both the House and Senate budget processes allowed for public testimony. That portion of the process is now concluded; the Conference Committee will not be accepting public testimony.
2. Unless invited by the Chair, only members of the Conference Committee may take part in discussion or sit at the table.

(By tradition, the director of Legislative Finance is invited to sit at the head of the table beginning with Meeting 2.)

3. Legislative Finance has been directed to prepare the “motion sheets” we will be using at the table. These sheets summarize the differences between the two versions of the bills that are the business of this Conference Committee. The “motion sheets” will be posted on Legislative Finance’s website after this meeting and will be updated after each subsequent meeting.

4. The Conference Committee will operate under Uniform Rule 42. Adopting any motion or taking any action requires a majority vote from each body. A copy of Uniform Rule 42 and a May 3, 2007 Legislative Legal opinion is in each member's packet.

3. ADOPT IDENTICAL ITEMS:

Representative Austerman:

At this point I would like to obtain a motion to adopt all identical items.

Senator Kelly:

I move that all appropriations and language that are identical in both the House and Senate version of HB 65 and HB 66 be adopted.

Representative Austerman:

Seeing no objection, those items are adopted.

4. REQUEST LIMITED POWERS:

Representative Austerman:

I would entertain a motion to request "limited powers" for budget allocations for which differences exist. I have distributed a letter for this purpose dated April 4, 2013, addressed to the Speaker of the House and the Senate President. Under limited powers, the Conference Committee can adopt any amount between zero and the higher of the House or Senate version of each item subject to conference.

Senator Kelly:

I move to adopt the letter requesting limited powers of conference for items that are not identical.

Representative Austerman:

Seeing no objection, the letter is adopted.

Each member will sign two originals of the letter requesting limited powers, one for each body, at the end of this meeting.

5. FUTURE CONFERENCE COMMITTEE MEETINGS:

Representative Austerman:

The Committee will be meeting to complete action on the operating budget once limited powers have been received. Meetings will be posted on BASIS under the 24-hour rule.

Is there any other business or any questions or comments from the members?

6. MOTION TO ADJOURN

Representative Austerman:

Senator Kelly, may I have a motion to adjourn?

Senator Kelly:

I move that this meeting of the Conference Committee be adjourned.

Representative Austerman:

Without objection, we are adjourned. Each member needs to sign the two letters before leaving.

UNIFORM RULES

RULE 42. CONFERENCE AND FREE CONFERENCE COMMITTEES.

(a) If one house refuses to concur in the amendments of the other it so notifies the amending house and requests that it recede from its amendments. The vote on receding from amendments is taken by the calling of the roll and the recording of the yeas and nays in the journal. A house recedes from its amendments only by a majority vote of the full membership of the house. If the house refuses to recede, the presiding officer of each house appoints three members to sit as a Conference Committee. The committee meets when mutually agreeable to its members. If the committee reaches agreement on previously adopted amendments to a bill adopted by either house, the committee then submits an identical report to each house. The report is not subject to amendment in either house. If the report is adopted by each house the bill is enrolled, signed, and transmitted to the governor. If the members of the Conference Committee cannot agree on amendments, or if on or both houses refuses to adopt the committee report, the Conference Committee submits an identical written report to each house listing the specific points of disagreement for which the committee requests powers of free conference. The presiding officer of each house may then give limited powers of free conference only on the specific points listed. If the members of a Conference Committee with limited powers of free conference cannot agree on amendments, or one or both houses refuses to adopt the committee report, it is then in order to appoint a Free Conference Committee. A member who served on a Conference Committee or a Conference Committee with limited powers of free conference may not be appointed to a subsequent Conference Committee or Free Conference Committee concerning the same measure. The vote on adoption of a conference committee report is taken by the calling of the roll and the recording of the yeas and nays in the journal. Adoption requires a majority vote of the full membership of each house.

(b) A Free Conference Committee is appointed in the same manner as a Conference Committee and may suggest in its report any new amendments clearly germane to the question. When a majority of the membership of the committee from each house agrees on amendments, the amendments are attached to the bill and reported back to each house in an identical report. The report is not subject to amendment in either house. If the report is adopted in each house, the bill is then ordered enrolled by its house of origin. If the members of a Free Conference Committee fail to agree on amendments or one or both houses refuses to adopt the free conference report, a second Free Conference Committee may be appointed, but no member of the first committee may be reappointed. A free conference report on a measure other than an appropriation bill may not be voted on by the house until at least 24 hours after the report is duplicated and delivered to the chief clerk or secretary of the house for distribution to each member. The chief clerk or secretary shall certify the time of delivery of the report for recording in the journal. The vote on adoption of a free conference committee report is taken by the calling of the roll and the recording of the yeas and nays in the journal. Adoption requires a majority vote of the full membership of each house.

(c) A Conference Committee with limited powers of free conference or a Free Conference Committee may not include in its report on an appropriation bill an item which was not included in a version of that appropriation bill adopted in third reading by a house and the amount appropriated by an item may not exceed the higher amount appropriated by that item in a version of the bill adopted in third reading by a house. An item in an appropriation bill includes a line item, an allocation, and an appropriation. The report on an appropriation bill of a Conference Committee, a Conference Committee with limited powers of free conference, or a Free Conference Committee may not be voted on by the house until at least 24 hours after the report is duplicated and delivered to the chief clerk or secretary of the house for distribution to each member. The chief clerk or secretary shall certify the time of delivery of the report for recording in the journal.

(d) Notwithstanding the provisions of (c) of this rule, a Free Conference Committee may consider and include in its report on an appropriation bill appropriations as requested by attached fiscal notes on new legislation and resolutions that have been passed by both houses.

(e) A Conference Committee, a Conference Committee with limited powers of free conference, or a Free Conference Committee may not adopt a report that requires a change in the title of a bill other than a clerical or technical change.

MEMORANDUM

May 3, 2007

SUBJECT: Notice for conference committee meetings; notice required for vote on a conference committee report

TO: Representative Mike Chenault
Co-chair of the House Finance Committee
Attn: Louanne Christian

FROM: Tamara Brandt Cook
Director

TBC

(1) What notice requirements apply to meetings of conference committees?

The notice requirements of Uniform Rule 23 apply to standing, special, and joint committees. It appears that the Rule is intended to apply to special and joint committees of the types formed under Uniform Rule 21 rather than to conference committees which are actually separate committees that meet jointly. (Mason's Manual, sec. 770(2)) There is no provision in the Uniform Rules that addresses a notice requirement applicable to conference committees. Nonetheless, the open meetings guidelines set in the legislative ethics law apply to conference committees, so meetings of conference committees are subject to open meetings requirements, including some form of notice. (AS 24.60.037(g)(2)(A)(iv)) Under the open meetings statute applicable to the executive branch and to municipalities, reasonable public notice of meetings is required and the notice must include the date, time, and place of the meeting. (AS 44.62.310(e)) This is the notice requirement that the legislature has applied to meetings of conference committees for many years, so, as a matter of past practice, it is reasonable to assume that this is the notice requirement that continues to apply to conference committee meetings. Obviously, what is reasonable notice will depend upon the circumstances under which a conference committee is meeting. If there is ample time remaining in a legislative session, it may be reasonable to provide several days' notice. On the other hand, in the face of an imminent adjournment, a notice provided only a few hours, or even minutes, in advance of a conference committee meeting may constitute reasonable notice.

(2) What are notice requirements for a concurrence vote on a conference committee report?

Under Uniform Rule 42(b), a free conference committee report may not be voted on until at least 24 hours after the report is duplicated and delivered to the chief clerk or secretary for distribution to each member. Under Rule 42(c), a report on an appropriation bill from a Conference Committee, with or without limited powers of free conference, or from a Free Conference Committee may not be voted on until at least 24 hours after the report is

duplicated and delivered for distribution to the chief clerk or secretary. Note that the chief clerk and secretary are required to certify the time of delivery of a report and record that time in the journals. There is no provision for waiving the 24-hour rules imposed under Uniform Rule 42, although those requirements could be suspended under Rule 54 by concurrent resolution concurred in by two-thirds vote of the full membership of each house. Nonetheless, I have noted one instance when the 24-hour requirement of Rule 42(c) was unanimously suspended upon a motion to do so made in the Senate. (Senate Journal, page 568, March 16, 1999)
