Subject: HB 13 Top Two Primary

Dear Legislator Lynn,

I would like to register the concern of many regarding HB 13, the Top Two Primary Bill. This bill seeks to needlessly and radically alter Alaska's Election Codes. This will not serve the best interests of Alaskans, who value their diverse political choices. I ask you to vote against HB 13, as it will degrade our political system.

Honoring Our Heritage, Pioneering Our Future,
J.R.Myers, Chairman Alaska Constitution Party
