Rep. Bob Lynn, Chairs of the House State Affairs Committee,  
State Capitol Room 108  
Juneau AK, 99801

Dear Mr. Lynn

On behalf of Hmong SGU in Alaska, I am writing this letter to support the **HB. NO. 330** for veteran designation for Hmong veterans on driver's licenses and ID cards.

In 1960, The Central Intelligence Agency and the United States recruited Hmong people to fight against the Vietnam War. The Hmong SGU missions were:

1. To block the Ho Minh Trail to prevent North Vietnamese troops for going into South Vietnam to fight the US troops.
2. To rescues all American pilots who were shot down over Vietnam air space, dead or life,
3. To protect the Radar Navigation Tour 40 Kilometer board from North Vietnam to navigating all American pilots (without the Radius Communication Tour, all the US Pilots do not where to fly).

All the Hmong SGU veterans who have served during Vietnam War now -a-day are dying-out in a daily basic to see such recognition opportunity to honor their service and scarifications.

The Hmong SGU veterans were proud to defend and served as the US Armed Forces during the Vietnam War in Laos and our scarifications were never being regretted.

We Hmong Thank you the United States for keeping their promised and accepting Hmong to settle in the United States. We will intend to be good citizens of the United States and willing to bear arms to protect this Nation with all other American citizens to keep America a safe place for our families and children.

Again, thank you very much for your Leaderships and for what you have done to Hmong SGU veterans. If there is any question please contact me at (907) 764-3634. Thank you

Respectfully Yours,

Arthur Yang, Secretary of
