HOUSE CONCURRENT RESOLUTION 10: Proposing an amendment to the Uniform Rules of the Alaska State Legislature relating to the jurisdiction of standing committees.

House Concurrent Resolution 10 is being offered in conjunction with House Bill 168, repeal of the Administrative Regulation Review Committee.

The change in Uniform Rule 20, offered in HCR 10, allows standing committees of jurisdiction to include oversight over regulations proposed or adopted to implement agency or departmental programs and activities. This change in the Legislature's Uniform Rules would replace the function provided by the Administrative Review Regulation Committee.

Rule 20. Standing Committees.

(a) Each house has the following standing committees with the jurisdiction indicated:

Education (the programs and activities of the Department of Education and Early Development and of the University of Alaska)

Finance (all appropriation, revenue, capital improvement, and bonding measures, the executive budget, and the programs and activities of the Department of Revenue)

Health and Social Services (the programs and activities of the Department of Health and Social Services)

Judiciary (the programs and activities of the Alaska Court System and the Department of Law, and the legal and substantive review of bills referred to it for that purpose)

Labor and Commerce (the programs and activities of the Department of Labor and Workforce Development relating to labor-management relations, industrial safety, unemployment compensation, and workers' compensation and the programs and activities of the Department of Commerce, Community, and Economic Development that do not primarily relate to local government or to government services or functions in the unorganized borough)

Community and Regional Affairs (the programs and activities of the Department of Commerce, Community, and Economic Development that primarily relate to local government and government services or functions in the unorganized borough, and other matters relating to political subdivisions)

Resources (the programs and activities of the Departments of Fish and Game, Natural Resources, and Environmental Conservation)

Rules (interpretation of the Uniform Rules, calendar, the internal administration of the house and matters pertaining to the management of the legislature as a whole)

State Affairs (programs and activities of the Office of the Governor and the Departments of Administration, Military and Veterans' Affairs, Corrections, and Public Safety, and programs and activities of the Department of Transportation and Public Facilities relating to public facilities)

Transportation (programs and activities of the Department of Transportation and Public Facilities relating to transportation and other legislative matters relating to transportation).

(b) The committee chairmen are authorized to form such subcommittees as they determine to be necessary.
