Attached is a copy of Committee Substitute for House Bill No. 290, an Act creating a child care facility revolving loan fund.

Loan term provisions in the bill indicate a loan to a child care facility may not exceed \$10,000; the rate of interest at 6% a year on the unpaid balance and duration not to exceed 10 years.

The Committee Substitute, unlike the original bill, provides that the Department of Revenue shall purchase the mortgages and notes offered until the current principal amount of all mortgages and notes purchased and held by the Department of Revenue equals \$300,000.

Please review the proposed legislation and prepare a memorandum to the writer advising of effect on Treasury and costs or problems of administration.

The following are my comments or suggestions regarding CS for House Bill No. 290 - Child care facility revolving loan fund.

Sec. 44.33.230 - Loan Terms

- (b) Would prefer an interest rate of at least 7%
- (d) Should be changed to read: "All principal and interest payments on loans held by the Department of Commerce and Economic Development under secs. 200-270 of this chapter shall be paid into the child care facility revolving loan fund."

It does not allow for service charge on loans held by Revenue, which is fine with me, but I imagine Commerce will request it.

HOUSE COMMUNITY & REGIONAL AFFAIRS COMMITTEE

March 10, 1976

The meeting was called to order at 9:00 am for discussion of HB's 290/291.  
Present were:

Rep. Cotten	Harvey Pitts, C&RA
Rep. Davis	Susan Clark, League of Women Voters
Rep. Ostrosky	Rosalee Walker, Dept. of Education
Rep. Rudd	Larry Eppenbach, Dept. of Revenue
Rep. Freeman	Barbara Englert Thomas, Staff
Rep. Hershberger	Vicci Hansen, Staff
Rep. Hackney	
Rep. Jim Duncan	

Side 1

0000

Rep. Jim Duncan was asked to briefly explain the bills. HB 291 would establish a child care facility revolving loan fund and the purpose of that loan fund would be to make loans for construction, renovation or equipping child care facilities. It provides that the maximum amount any one facility can receive for one loan would be \$10,000.00 so this bill does not involve a large amount of money. Rep. Duncan explained that after it is determined whether or not a facility would qualify for a loan, the loan could be made by the Department which is determining if the loan is needed, determines that the day care facility, if it qualifies, would make that loan. The mortgages and notes shall be purchased by the Dept. of Revenue. The Department of C&RA would determine the eligibility and perhaps issue the Certificate of Need and then they could come to the Dept. of Commerce and draw the \$10,000.00 and the Dept. of Commerce would go to Dept. of Revenue and sell them that note and then at that time they would be able to replenish their fund and they would then have \$50,000.00 in their fund.

0165

0244

Rep. Ostrosky brought out the fact that she was reviewing the notes from last year and she found that Eppenbach had made the point that "revolving" is not an appropriate term because it is misleading. Eppenbach agreed and stated that the concept of "revolving" implies that somehow this is sitting within a self-contained fund and loans are made from it and they are paid back and new loans are made. Somehow these loans turn over within some confined area. That is not really the case.

0402

The language of the bill was discussed within the committee.

0472

Chairman Cotten asked the question that of the other loan funds that are operated in the same manner, are there limits on any of those? Eppenbach said that there is no set rule but most of them do have limits.

0540

Susan Clark testified and stated that the reason they are suggesting the loan is because day care is not a "make money" proposition. It is low income. People who are doing the day care are frequently on poverty wages or below minimum wages. They are not the kind of people who are going to child care to make money. The people who are going into child care to make money are doing a pretty poor job at child care. This bill is to aid those people who for the most part need simply a small renovation in their homes. Rep. Hershberger misunderstood the term of day care.

There was discussion as to the difference between Foster care and day care.

0591 Susan Clark explained that a Day Care Center is different than a Day Care Home. This bill is aimed toward Day Care Homes. The regulations for Day Care have different requirements than Foster Care.

0616 Clark explained the problems of Day Care in Alaska.

0756 Harvey Pitts from C&RA stated that he felt that a realistic figure for start up for this bill would be \$250,000.00.

Susan Clark felt that \$10,000.00 was a sufficient amount for minor renovations.

0819 Rosalee Walker from Dept. of Education was asked to testify. She stated that \$10,000.00 would be sufficient in that this way you would not be tempting the people to lie. She stated that in Anchorage last week were four homes closed down simply because they had not planned and did not follow through with paying the taxes that they withheld from the salaries. She felt that \$10,000.00 was sufficient for any renovation on a home.

0950 Meeting adjourned at 10:00 am.
