8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9 Section 1. AS 14.09 is amended by adding a new section to read:

10 Sec. 14.09.015. COMPETITIVE BIDS: AWARD OF CONTRACTS FOR TRANSPOR-
11 TATION OF PUPILS. (a) A contract for the transportation of pupils under
12 sec. 10 of this chapter, awarded either by the department or by a school
13 district, must be based on at least three competitive bids. An award
14 shall be made to the lowest responsible bidder after advertising for
15 bids, taking into consideration conformity with the specifications, terms
16 of delivery of the pupil transportation services, and other conditions
17 imposed in the call for bids. However, competitive bids need not be
18 required where no competition for the pupil transportation service con-
19 tract exists. In that instance the department or a school district may
20 negotiate directly if it finds that it is in the best interest of the
21 state or the district.

22 (b) Bids shall be solicited, when practicable, by publication in a

27 notices by mail to all active prospective bidders known to it. All bids
28 shall be sealed when received and shall be opened in public at the hour
29 stated in the notice.

1 (c) Bids may be rejected. A bid shall be rejected if
2 (1) it contains a material alteration or erasure; or
3 (2) the bidder failed to perform on a previous pupil transpor-
4 tation contract with the department or a school district.

5 (d) When competitive bids are required and if all bids are
6 rejected, new bids shall be called for as in the first instance.

7 (e) An aggrieved bidder may within five days after an award of
8 contract appeal to the department or a school district for hearing, with
9 notice to interested parties, for redetermination and final award in
10 accordance with law.

11 (f) All bids with the names of the bidders and the amounts of the
12 bids, together with all documents pertaining to the award of a contract,
13 shall be made a part of a file or record and retained by the department

15 and these files or records are open to public inspection at all reason-
16 able times.

17 (g) The department shall promulgate regulations in accordance with
18 the Administrative Procedure Act (AS 44.62) to implement the provisions
19 of this section.

26 accordance with AS 14.09.015 and regulations promulgated by the Board
27 of Education, and, at the discretion of the board [BOARD OF EDUCATION],
28 may be awarded for periods of three years or less;

12 of Alaska and that adequate housing cannot be provided by the private
13 sector due to the economic depression which exists in most villages of
14 Alaska. It is the purpose and intent of the legislature to provide a
15 means for certain native associations to form public corporations with
16 the powers and duties comparable to the Alaska State Housing Authority

6 For an Act entitled: "An Act relating to the creation of a housing develop-
7 ment revolving loan fund; and providing for an effec-
8 tive date."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 * Section 1. AS 18 is amended by adding a new chapter to read:

11 CHAPTER 100. HOUSING DEVELOPMENT REVOLVING LOAN FUND.

12 Sec. 18.100.010. DECLARATION OF PURPOSE. There exists within the
13 state a serious shortage of decent, safe and sanitary residential housing
14 available at low or moderate prices or rentals to persons of lower and
15 moderate income. There also exists in the state organizations whose
16 purposes are to provide the kinds of housing needed to alleviate this
17 shortage. Development work to provide such housing involves substantial
18 expense which is often beyond the resources of the organizations.
19 Further, there are occasions when projects that are sound in initial
20 conception turn out to be not feasible or financing is not available.
21 There is therefore a risk that expenditures for initial development and
22 studies may be lost. It is in the interest of the state to make housing
23 development loans recognizing that in a certain proportion of instances
24 the loans cannot be repaid.

25 Sec. 18.100.020. FUND ESTABLISHED. There is created in the Depart-
26 ment of Community and Regional Affairs a housing development revolving
27 loan fund to be administered by the division of community and regional
28 planning.

29 Sec. 18.100.030. POWERS AND DUTIES OF THE DEPARTMENT. The depart-

1 ment may:

2 (1) make loans to sponsors, builders and developers of resi-
3 dential housing for the costs approved by the division as appropriate
4 expenditures which may be incurred by sponsors, builders and developers
5 of residential housing, before commitment and initial advance of the
6 proceeds of a construction loan or of a mortgage loan, including but not
7 limited to

8 (A) payments for options to purchase properties on the
9 proposed residential housing site;

10 (B) legal and organizational expenses, including pay-
11 ments of attorney fees, project manager, clerical and other staff
12 salaries, office rent and other incidental expenses;

13 (C) payment of fees for preliminary feasibility studies
14 and advances for planning, engineering and architectural work;

15 (D) expenses for tenant surveys and market analyses; and

16 (E) necessary application and other fees;

17 (2) designate agents and delegate powers to them as is neces-
18 sary;

19 (3) adopt regulations necessary to carry out the purposes of
20 this chapter;

21 (4) determine the eligibility of applicants for loans under
22 this chapter;

23 Sec. 18.100.040. REPAYMENT OF LOAN. The repayment of a loan made
24 under this chapter shall be at such time as the department designates but
25 not later than final closing of a permanent loan on the project. The
26 department may not require payment if construction of the contemplated
27 project does not commence.

9 § Section 1. AS 18.55.995 is amended to read:

10 Sec. 18.55.995. PURPOSE AND INTENT. The legislature finds that an
11 acute shortage of housing and related facilities exists in the villages
12 of Alaska and that adequate housing cannot be provided by the private
13 sector due to the economic depression which exists in most villages of
14 Alaska. It is the purpose and intent of the legislature to provide a
15 means for certain native associations to form public corporations with
16 the powers and duties comparable to the Alaska State Housing Authority
17 [FOR THE SPECIFIC PURPOSE OF IMPLEMENTING THE PRESIDENT'S NATIONAL INDIAN
18 PROGRAM FOR INDIAN HOUSING, UNDER WHICH THE STATE OF ALASKA'S SHARE

21 § Sec. 2. AS 18.55.996(b) is amended to read:

22 (b) There is created with respect to each of the associations

25 the regional housing authority of the associations possessing all powers
26 rights and functions now or subsequently specified for the Alaska State

3 agreements with local government, other political subdivisions of the
4 state, the state or the federal government for the exercise of a function
5 or power relating to construction, operation and maintenance of public
6 facilities or public utilities. Upon execution of such an agreement and
7 for the period of the agreement the authority shall have the same powers
8 and functions relating to the subject matter of the agreement as those
9 which may legally be exercised by the governmental unit with whom the
10 agreement is made including the authority to separately or together with
11 the other unit borrow money and issue notes, bonds or other evidence of
12 indebtedness to finance a project within the scope of the agreement
13 subject to the express limitations, if any, contained in the agreement.
14 All obligations or liabilities of the regional housing authorities shall

6 For an Act entitled: "An Act relating to the creation of a housing develop-
7 ment revolving loan fund; and providing for an effec-
8 tive date."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 * Section 1. AS 18 is amended by adding a new chapter to read:

11 CHAPTER 100. HOUSING DEVELOPMENT REVOLVING LOAN FUND.

12 Sec. 18.100.010. DECLARATION OF PURPOSE. There exists within the
13 state a serious shortage of decent, safe and sanitary residential housing
14 available at low or moderate prices or rentals to persons of lower and
15 moderate income. There also exists in the state organizations whose
16 purposes are to provide the kinds of housing needed to alleviate this
17 shortage. Development work to provide such housing involves substantial
18 expense which is often beyond the resources of the organizations.
19 Further, there are occasions when projects that are sound in initial
20 conception turn out to be not feasible or financing is not available.
21 There is therefore a risk that expenditures for initial development and
22 studies may be lost. It is in the interest of the state to make housing
23 development loans recognizing that in a certain proportion of instances
24 the loans cannot be repaid.

25 Sec. 18.100.020. FUND ESTABLISHED. There is created in the Depart-
26 ment of Community and Regional Affairs a housing development revolving
27 loan fund to be administered by the division of community and regional
28 planning.

29 Sec. 18.100.030. POWERS AND DUTIES OF THE DEPARTMENT. The depart-

1 ment may:

2 (1) make loans to sponsors, builders and developers of resi-
3 dential housing for the costs approved by the division as appropriate
4 expenditures which may be incurred by sponsors, builders and developers
5 of residential housing, before commitment and initial advance of the
6 proceeds of a construction loan or of a mortgage loan, including but not
7 limited to

8 (A) payments for options to purchase properties on the
9 proposed residential housing site;

10 (B) legal and organizational expenses, including pay-
11 ments of attorney fees, project manager, clerical and other staff
12 salaries, office rent and other incidental expenses;

13 (C) payment of fees for preliminary feasibility studies
14 and advances for planning, engineering and architectural work;

15 (D) expenses for tenant surveys and market analyses; and

16 (E) necessary application and other fees;

17 (2) designate agents and delegate powers to them as is neces-
18 sary;

19 (3) adopt regulations necessary to carry out the purposes of
20 this chapter;

21 (4) determine the eligibility of applicants for loans under
22 this chapter;

23 Sec. 18.100.040. REPAYMENT OF LOAN. The repayment of a loan made
24 under this chapter shall be at such time as the department designates but
25 not later than final closing of a permanent loan on the project. The
26 department may not require payment if construction of the contemplated
27 project does not commence.

28 Sec. 18.100.050. ELIGIBILITY FOR LOANS. Only public or nonprofit
29 private corporations are eligible for loans under this chapter. The non-

this chapter shall be set by the department at a rate sufficient to pay
the administrative costs of the fund but the interest rate may not
exceed three per cent.

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

The Department estimates the loan fund established under this bill will require the services of one professional staff member, four to six weeks during the first year with clerical support of approximately two weeks. Regulations as deemed necessary by the Department will be drafted, applications received and reviewed, eligibility determined and loans awarded. Administrative costs are to be covered by the interest rate charged and no funds from interest are expected to be generated during the first year of operation. Given the limited workload created by this bill in the initial year of operations, it is felt the Community Planning FY '76 budget will allow absorption of the program without additional staff if it is a legislative priority.

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

If HB 332 authorizing an appropriation of \$70,000 to the Department of Community and Regional Affairs is adopted, the Department would implement it as follows. A central Housing Services Office would be established in Anchorage to promote full use of federal, state and private sector resources to meet housing needs. The Office would stress provision of a variety of housing development services to private developers, housing authorities, nonprofit sponsors and local governments, including housing market analysis, finance sources, federal and state programs and other technical and planning services in support of housing development. The Office would be staffed with a Housing Development Specialist and half-time Clerk-Typist III, with access to staff support from the Division of Community Planning. In addition to position costs, approximately \$18,000 in residual funds would be reserved for housing studies as necessary to support the program. Associated position costs for FY 77 are outlined below, with subsequent years projected on the premise of a 10 percent annual cost inflation.

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

The Department estimates the loan fund established under this bill will require the services of one professional staff member, four to six weeks during the first year with clerical support of approximately two weeks. Regulations as deemed necessary by the Department will be drafted, applications received and reviewed, eligibility determined and loans awarded. Administrative costs are to be covered by the interest rate charged and no funds from interest are expected to be generated during the first year of operation. Given the limited workload created by this bill in the initial year of operations, it is felt the Community Planning FY '76 budget will allow absorption of the program without additional staff if it is a legislative priority.
