LTC/76/11

To determine the increase in the Tri-trades salaries for the period January 1, 1976 through June 30, 1976 begin with the adjusted FY 76 salary base, and add benefits of 21%. This amount is multiplied by 7% -- the estimated cost increase of the newly negotiated contract. The 7% increase is then divided by 12 to arrive at a monthly cost. The monthly cost is taken times 6 to arrive at the 6 month cost for the given period. An estimated 18.55% is removed from the 6 month cost to account for salaries attributable to capital improvement projects. The remaining figure is the adjusted 6 month total to be funded as shown on the prior page.
