JAY S. HAMMOND, GOVERNOR

## DEPT. OF HEALTH AND SOCIAL SERVICES

DIVISION OF PUBLIC ASSISTANCE

POUCH H-07  
JUNEAU, ALASKA 99811

January 23, 1979

Refer to: FM 8-3

Reference: Confirmation of FY 78 unpaid claims

Enclosed with this letter you will find a computer listing and/or a hand listing of invoices that we have on hand to include in our FY 78 supplemental budget request. Your assistance is requested to:

1. Verify that we have listed all invoices that you show as not having been paid for the period prior to June 30, 1978, and
2. Review the dollar amounts shown on the computer run for accuracy and reasonableness. On the computer run there are three dollar amounts. The amount billed, amount allowed and the amount paid. The amount billed should be equal to what you submitted on your invoice billing. The amounts allowed and the amounts paid should reflect the amount allowable under Medicaid. Differences may occur as a result of third-party payments ( i.e. Medicare ) or due to a processing error. We ask that you review these dollar amounts and indicate where you feel there may have been an error made.

Please send all replies to:

Division of Public Assistance  
Attention: FY 78 Supplemental Budget  
Pouch H-07  
Juneau, Alaska 99811

Where you find that an invoice has been omitted, please bring it to our attention immediately so we may assure that all bills are included in our Supplemental Budget Request. If you have questions concerning these listings, Vicki Brown will be coordinating this confirmation process. She may be reached at 465-3055. Or you can contact me at 465-3365. It is important that we receive word on any missing invoice or dollar amount no later than Thursday, January 30. Again, your assistance is necessary to assure final and proper payment of our FY 78 unpaid claims.

Sincerely,

Tom Haas

DEPT. OF HEALTH AND SOCIAL SERVICES

OFFICE OF THE COMMISSIONER

JAY S. HAMMOND, GOVERNOR

POI'CH H 01 - JUNEAU 52911

RE: FY 78 Delinquent Payments

The Division of Public Assistance has experienced an unexpected increase in utilization of services in the medical programs - Medicaid and General Relief Medical - in the fiscal year ending June 30, 1978. As a result of the increased growth rate in utilization, we have exhausted certain appropriations. With the tight legislative controls placed on movement of appropriations, we will have to await legislative action on additional appropriations for unpaid bills with a service date prior to July 1, 1978.

When the Legislature convenes in January, the first order of business of this administration will be to request an appropriation to pay the amount owed you. Because appropriated funds are not available to pay your billings in the regular course of business, the request will include a sum for interest at the rate of one percent a month from the approximate date each billing would normally have been paid until the date it is actually paid. It is our hope that the Legislature will act promptly and favorably on our request so that you can be paid. You may be assured that the Department of Health and Social Services will promptly process your billing as soon as the special appropriation is passed.

Claims that we have received with service dates on or after July 1, 1978, are being processed as expediently as possible. Without exception, they will be processed on a first in, first paid basis. An Ad Hoc advisory committee, made up of members of the Alaska State Medical Association and the Division of Public Assistance, will be meeting in the immediate future to deal with the new payment system. We hope to be ready to implement an automated payment procedure by the first of the year, which would assure in most cases that you would be paid within 30 days of our receipt of your claim on future claims.

Your patient understanding and support, not only in our effort to overcome our current financial crunch but also in our efforts to make payment more timely in the future, will be appreciated. For those of you that, due to a large dollar amount owed to you by the State for activity billed prior to July 1, 1978, find it necessary to borrow from a lending institution, we will provide an acknowledgement letter

as outlined in the attachment, "Prior Year Debt Acknowledgment."  
Regardless, we will be sending you an acknowledgement of your prior year  
billings by invoice number and amount.

I want you to know that I deeply regret the inconvenience this may cause  
you.

If you have any questions concerning this situation, please feel free to  
contact Tom Haas at 465-3365 or Pouch H-07, Juneau, Alaska 99811.

Sincerely,

*Helen D. Beirne*

Helen D. Beirne  
Commissioner

#### PRIOR YEAR DEBT ACKNOWLEDGEMENT

Due to the need to await Legislative action on an additional appropriation to pay unpaid bills with service dates prior to July 1, 1978, we realize that this situation may create a need for you to borrow against the amounts owed you. Although we cannot at this time make payment to you, we will make available for you a letter of debt acknowledgement to provide you support in borrowing from a lending institution.

If you find yourself in this situation, submit to my attention via letter, the dollar amount owed to you for services rendered prior to July 1, 1978, and the approximate percentage of your usual and customary charges that you normally receive from Medicaid. From this information, we will send to you an acknowledgment letter stating the approximate dollar amount you can expect to receive from the Medicaid or General Relief Medical programs as appropriate.

Again, we regret the inconvenience this may cause. Please be assured that we stand ready to assist you in any way possible.

SUBJECT: SCS for CSHB 147 (Finance) am S

HB 147 as amended by the Senate (attached) provides in Sections 9 and 10 that certain license plate fees collected during 1979 be paid back in FY 1979. The fiscal note attached to the bill shows no fiscal or appropriation impact. The approximately \$80,000 required to be paid back under the bill as transmitted to the House came from a Senate Floor movement.

The fiscal note can easily be revised to reflect the \$80,000 appropriation requirement, but the requirement is in FY 1979 and, therefore, would require the inclusion of the \$80,000 in some supplemental appropriation currently before the Legislature.

HB 147 as amended by the Senate (attached) provides in Sections 9 and 10 that certain license plate fees collected during 1979 be paid back in FY 1979. The fiscal note attached to the bill shows no fiscal or appropriation impact. The approximately \$80,000 required to be paid back under the bill as transmitted to the House came from a Senate Floor movement.

The fiscal note can easily be revised to reflect the \$80,000 appropriation requirement, but the requirement is in FY 1979 and, therefore, would require the inclusion of the \$80,000 in some supplemental appropriation currently before the Legislature.
