19 death benefits to or on behalf of the employees.

20 * Sec. 28. AS 39.35.050(a) is amended to read:

21 (a) The commissioner shall appoint an administrator in charge of
22 [THE DETAILED AFFAIRS OF] the system. [THE COMMISSIONER MAY APPOINT
23 THE PERSONNEL DIRECTOR OF THE PERSONNEL DIVISION OF THE DEPARTMENT OF

1 in the system he and his employer are liable for contributions whenever
2 he is a qualified elected official of an employer.

3 * Sec. 31. AS 39.35.125(c) is amended to read:

4 (c) After an elected official has been included in the system,
5 prior service as an [AN] elected official with an employer may be
6 included retroactively in the system if he makes retroactive contribu-
7 tions equal to what he would have made if he had elected to be included
8 when he became eligible under (a) of this section.

9 * Sec. 32. AS 39.35.300(a) is amended to read:

10 (a) An active employee is entitled to credited service for
11 periods of employment with the state after January 1, 1961, regardless
12 of the office, department, division, or agency of the state in which
13 he was employed. For purposes of this chapter, the University of
14 Alaska is not an office, department, division, or agency of the state.
15 No service credit may be granted under this chapter for service which
16 is creditable under the Teachers' Retirement System, AS 14.25.

17 * Sec. 33. AS 39.35.340(b) is amended to read:

18 (b) In order to obtain credited service under this section, an
19 employee shall make an election to do so and shall verify his period
20 of military service [BEFORE JULY 1, 1977 OR WITHIN ONE YEAR FOLLOWING
21 THE DATE WHEN THE EMPLOYEE FIRST BECOMES VESTED UNDER THIS CHAPTER, IF
22 LATER]. When eligibility for credited service for military service
23 has been established, an indebtedness shall be determined as follows:
24 (1) the employee's actual compensation, or the calculated annual
25 compensation for those employees working less than 12 months, during
26 the calendar year 1976 or the year in which an employee first becomes
27 vested under this chapter, whichever is later, multiplied by (2) six
28 per cent, this product multiplied by (3) the number of years of mili-
29 tary service credited under this section. Interest as prescribed by

1 regulation accrues on this indebtedness commencing on July 1, 1977 or
2 one year following the date a person first becomes vested, whichever
3 is later. Any outstanding indebtedness which exists at the time a
4 person is appointed to retirement will necessitate an actuarial adjust-
5 ment to the benefits payable based upon that military service.

6 * Sec. 34. AS 39.35.340(c) is amended to read:

7 (c) A retired employee on July 1, 1976 is eligible to receive
8 increased benefits based upon military service as described in (a) of
9 this section. To receive credited service for military service, a
10 retired employee must verify his military service [BEFORE JULY 1,
11 1977]. When verified, a retired employee is entitled to receive an
12 increased benefit which shall be actuarially adjusted to reflect his
13 indebtedness for such credit. The indebtedness shall be calculated in
14 the same manner as described in (b) of this section except that it
15 shall be based on the average monthly compensation used in calculating
16 the benefit. The effective date of this increased benefit is the
17 beginning of the month following that in which eligibility has been
18 established.

19 * Sec. 35. AS 39.35.340(e) is amended to read:

20 (e) A deferred vested employee on July 1, 1976 is eligible to
21 claim credited service under (a) of this section. In order to obtain
22 credited service under this section, such an employee must make an
23 election to do so and must verify his period of military service
24 [BEFORE JULY 1, 1978]. When eligibility for military service has been
25 established, an indebtedness shall be determined as follows: the
26 employee's actual compensation, or the calculated annual compensation
27 for those employees working less than 12 months, during the calendar
28 year the employee terminated, shall be multiplied by six per cent;
29 this product shall then be multiplied by the number of years of mili-

1 tary service credit under this section. Interest as prescribed by
2 regulation accrues on this indebtedness commencing July 1, 1978. Any
3 outstanding indebtedness which exists at the time a person is appointed
4 to retirement will necessitate an actuarial adjustment to the benefits
5 payable based upon that military service.

6 * Sec. 36. AS 39.35.340(f) is amended to read:

7 (f) An employee cannot be credited with a period of active mili-
8 tary service in the armed forces of the United States under this section
9 if credit for that military service was granted under AS 14.25.

10 * Sec. 37. AS 39.35.340(g) is amended to read:

11 (g) A surviving spouse receiving or entitled to receive a sur-
12 viving spouse's pension under AS 39.35.440 [SEC. 440 OF THIS CHAPTER]
13 or benefits under a joint and survivor option filed under AS 39.35.450
14 [SEC. 450 OF THIS CHAPTER] is eligible to receive increased benefits
15 based upon military service as described in (a) of this section. To
16 receive credited service for military service, the surviving spouse
17 must verify the employee's military service [WITHIN ONE YEAR OF THE
18 EFFECTIVE DATE OF THIS ACT]. When verified, the surviving spouse is
19 entitled to receive an increased benefit which shall be actuarially
20 adjusted to reflect his or her indebtedness for that credit. The
21 indebtedness shall be calculated in the same manner as described in
22 (b) of this section except that it shall be based on the average
23 monthly compensation used in calculating the benefit. Benefits payable
24 under this subsection are effective the first day of the month follow-
25 ing that in which eligibility has been established [PAYABLE RETRO-
26 ACTIVELY TO JULY 1, 1977].

27 * Sec. 38. AS 39.35.340 is amended by adding a new subsection to read:

28 (h) The combined period of military service claimed under this
29 section and AS 14.25 may not exceed five years.

1 * Sec. 39. AS 39.35.385(c) is amended to read:

2 (c) Credited service for which contributions were refunded is
3 not creditable under this section unless the refunded contributions
4 have been repaid. For purposes of this section, a member or former
5 member does not have to be re-employed under this system in order to
6 pay refunded contributions. Compound interest at the rate prescribed
7 by regulation must be added to the reinstatement indebtedness from the
8 date of the refund to the date of repayment.

9 * Sec. 40. AS 39.35.410(h) is amended to read:

10 (h) A disabled [RETIRED] employee's occupational disability
11 pension shall terminate when the disabled employee first attains eligi-
12 bility for normal retirement. At that time, his retirement benefit
13 will be calculated under the provisions of AS 39.35.370(c) [SEC.
14 370(c)].

15 * Sec. 41. AS 39.35.430(c) is repealed and re-enacted to read:

16 (c) The first payment of the surviving spouse's pension or of a
17 dependent child's pension must be made for the month following the
18 month in which the employee dies and payment must cease to be made
19 beginning with the month in which there is no surviving spouse or
20 dependent child.

21 * Sec. 42. AS 39.35 is amended by adding a new section to read:

22 Sec. 39.35.495. TIME LIMIT FOR APPLICATION. If no application
23 for benefits or for refund has been filed with the administrator by
24 July 1 following the date on which an inactive member (except an
25 employee on leave-without-pay status or layoff status) would attain
26 age 75, or if no application for benefits or for refund has been filed
27 with the administrator within the 50 years following the most recent
28 date on which the employee was an active member, no benefits or refunds
29 may be paid under this chapter and the member's records may be destroyed

1 * Sec. 43. AS 39.35.522(a) is amended to read:

2 Sec. 39.35.522. WAIVER OF ADJUSTMENTS. (a) Upon appeal by an
3 affected member or beneficiary under (b) of this section, the board
4 may waive an adjustment or any portion of an adjustment made under
5 AS 39.35.520 [SEC. 520 OF THIS CHAPTER] if

6 (1) the adjustment or portion of the adjustment will, in
7 the opinion of the board, cause undue hardship to the member or bene-
8 ficiary;

9 (2) the member is retired or has submitted notification of
10 impending retirement to his employer to be effective no later than 180
11 days after the adjustment was made, or the beneficiary was eligible to
12 receive or was receiving benefits under this chapter prior to the
13 adjustment;

14 (3) the adjustment will result in a loss of eligibility for
15 benefits [RETIREMENT] for the member or beneficiary or result in a
16 reduction of benefits being [ALREADY] received by the member or bene-
17 ficiary of \$50 per month or more;

18 (4) the adjustment was not the result of erroneous informa-
19 tion supplied by the member or beneficiary;

20 (5) before the adjustment was made, the member or benefi-
21 ciary received confirmation from the administrator that his records
22 were correct; and

23 (6) the member or beneficiary had no reasonable grounds to
24 believe his records were incorrect before the adjustment was made.

25 (b) In order to obtain consideration of a waiver under this sec-
26 tion, the affected member or beneficiary must appeal to the board in
27 writing within 30 days after receipt of notice that his records have
28 been adjusted. The board shall rule on his appeal in writing within
29 120 days after its receipt.

1 (c) The board may, at its discretion, conduct a hearing on an
2 appeal under this section. In reaching a decision on an appeal, the
3 board may issue subpoenas, administer oaths, compel the attendance and
4 testimony of witnesses, compel the taking of depositions and the
5 submission of affidavits, and compel the production of documents and
6 records.

7 (d) The board may impose conditions on the granting of a waiver
8 which it considers equitable. These conditions may include requiring
9 the member or beneficiary to make additional contributions to the
10 system.

11 (e) The board may reconsider a ruling under this section upon
12 request of the member or beneficiary or the administrator if the
13 request is received within 30 days after the initial ruling. Any
14 modification of the initial ruling must be made within 30 days after
15 receipt of a request for reconsideration.

16 (f) Rulings and modifications of rulings under this section
17 shall be by a majority of a quorum of the board.

18 (g) Rulings on appeals and requests for reconsideration under
19 this section may be appealed by an aggrieved member or beneficiary to
20 the superior court for abuse of discretion.

21 * Sec. 44. AS 39.35.547 is repealed and re-enacted to read:

22 Sec. 39.35.547. EFFECT OF AMENDMENTS. (a) An amendment of this
23 chapter is not retroactive unless its retroactivity is expressly
24 stated within the amendment.

25 (b) The monthly amount of any benefit payable under this chapter
26 must be determined in accordance with the provisions of this chapter
27 in effect on the date of termination of the member's last segment of
28 employment.

29 * Sec. 45. AS 39.35.620(e) is amended to read:

1 (e) Each employee who elects to obtain a refund shall receive
2 a refund of the balance, determined as of the date of his employer's
3 termination of participation, of (1) his employee contribution account
4 and (2) his employee savings account. The vesting in accrued benefits
5 for each employee who elects to receive a refund is voided upon his
6 receipt of his refund and corresponding credited service may not be
7 reinstated under this chapter. No partial refund may be allowed under
8 this section.

10 (4) "average monthly compensation" means the result obtained
11 by dividing the compensation earned by an employee during a considered
12 period by the number of months, including fractional months, for which
13 compensation was earned; the considered period consists of the three
14 consecutive calendar years during the period of credited service which
15 yields the highest average, or if the employee does not have three
16 consecutive calendar years, his period of credited service; an employee
17 must have at least 115 [120] days of credited service in the last
18 calendar year in order to be used as part of the three consecutive

The Honorable Terry Gardiner
Speaker of the House
Alaska State Legislature
Juneau, Alaska 99811

Dear Mr. Speaker:

Under the authority of art. III, sec. 18 of the Alaska Constitution, I am transmitting a bill relating to the Teachers' Retirement System, AS 14.25, and the Public Employees' Retirement System, AS 39.35.

The major thrust of the legislation relating to the Teachers' Retirement System is the revision of the definition section to establish a set of terms which may be used uniformly throughout the remainder of the chapter. Presently, several different terms are used to convey one meaning, single terms are used for more than one purpose, and there are no definitions for other terms appearing in the chapter.

In addition to changes in the definitions, certain sections have been consolidated and rearranged to clarify the numerous options available to a teacher seeking benefits under the chapter.

These clarifying amendments are patterned in both format and intent after the amendments to the Public Employees' Retirement System (PERS) enacted by the legislature in 1977.

Some of the amendments to the Teachers' Retirement System, however, go beyond mere housekeeping. One such change is in the definition of the term "actuarial adjustment." This term is used to describe the reduction in benefits stemming from either the nonpayment of an individual's indebtedness to the system or the individual's desire to retire before the normal retirement date. The present law specifies certain actuarial factors to be applied to the calculation of benefits. To maintain a financially sound retirement system and avoid the problems which have plagued similar systems, I believe that our actuary should be given more

flexibility in making actuarial adjustments to take into account increases and decreases in the fund's resources. Another change is the removal of a deadline for claiming and verifying military service. The bill also adds a waiver-of-adjustments statute similar to the one passed last session for the Public Employees' Retirement System. Both of these provisions will include the availability of relief to beneficiaries as well as members.

The bill also would provide additional benefits in the Teachers' Retirement System, including:

(1) removal of the "55 year old" requirement for receipt of a spouse's pension;

(2) provision of a benefit for a surviving spouse with minor children whose spouse was on deferred vested status;

(3) an increased benefit for the beneficiary of a teacher who dies while receiving a disability benefit;

(4) repurchase of credit in the TRS without re-employment in that system if a person is vested in the PERS.

The amendments to the Public Employees' Retirement System, AS 39.35, are all of a minor nature. The bill would remove the current deadline for claiming and verifying military service within one year of vesting. It would also permit former members to reinstate segments of prior credited service in the Public Employees' Retirement System if they are now vested in the Teachers' Retirement System.

Sincerely,

S/JSH

4 ELEVENTH LEGISLATURE - SECOND SESSION

5 A BILL

6 For an Act entitled: "An Act relating to teachers' and public employees'
7 retirement; and providing for an effective date."

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9 * Section 1. AS 14.25 is amended by adding new sections to read:

10 Sec. 14.25.012. PURPOSE AND EFFECTIVE DATE. (a) The purpose of
11 this chapter is to encourage qualified teachers to enter and remain in
12 service with participating employers by establishing a system for the
13 payment of retirement, disability, and death benefits to or on behalf of
14 the members.

15 (b) The system created became effective as of July 1, 1955, at
16 which time contributions by the participating employers and members
17 began.

18 Sec. 14.25.015. ADMINISTRATOR. The commissioner shall appoint an
19 administrator of the system.

20 * Sec. 2. AS 14.25.030 is amended to read:

21 Sec. 14.25.030. DUTIES OF THE ADMINISTRATOR. The administrator
22 shall

23 (1) establish and maintain an adequate system of accounts for
24 the retirement fund;

25 (2) approve or disapprove claims for retirement benefits
26 [SALARY];

27 (3) serve as secretary of the board and keep an official
28 record of all proceedi. gs;

29 (4) publish annually a report showing the financial con-

1 dition of the retirement fund; and

2 (5) do whatever else may be necessary to carry out the pur-
3 poses of this chapter.

4 * Sec. 3. AS 14.25.035(e) is amended to read:

5 (e) The board shall serve as an appeal board and shall hold hear-
6 ings at the request of an employer, member [EMPLOYEE], annuitant, or any
7 beneficiary on [IN REGARD TO RULINGS OR] decisions made by the adminis-
8 trator [OF THE TEACHERS' RETIREMENT SYSTEM]. The board shall submit its
9 findings to the administrator. The board shall hold annually one or
10 more public hearings to discuss proposed changes in the [TEACHERS'
11 RETIREMENT] system and to consider and adopt resolutions which might
12 apply to this system.

13 * Sec. 4. AS 14.25 is amended by adding a new section to read:

14 Sec. 14.25.043. REEMPLOYMENT OF RETIRED MEMBERS. If a retired
15 member again becomes an active member, benefit payments may not be made
16 during the period of reemployment. The retirement benefit must be
17 suspended for the entire school year if the teacher is reemployed as an
18 active teacher for a period equivalent to a year of service. During the
19 period of reemployment, deductions from the member's salary will be made
20 in accordance with AS 14.25.050. Upon subsequent retirement, the re-
21 tired member is entitled to receive an additional benefit based on the
22 credited service and the average base salary during the period of re-
23 employment in accordance with AS 14.25.110.

24 * Sec. 5. AS 14.25.055 is amended to read:

25 Sec. 14.25.055. SUPPLEMENTAL CONTRIBUTIONS BY TEACHERS. If a
26 teacher is married or has a minor child and wishes to make his spouse or
27 minor child eligible for a spouse's pension or a survivor's allowance,
28 he may elect to make a supplemental contribution of an additional one
29 per cent of his base salary within 90 days of his entry into parti-

1 cipation in the system, or within 90 days of his marriage, or within 90
2 days of the birth or adoption of a child dependent upon him, or during
3 any open enrollment period authorized by the Teachers' Retirement System
4 Board. Once an election is made under this section, supplemental contri-
5 butions must be made whenever contributions are required under AS 14.25.
6 050 unless the teacher executes a written waiver with the administrator.
7 The execution of a waiver relinquishes all rights and benefits pre-
8 viously accrued under AS 14.25.162 and 14.25.164.

9 * Sec. 6. AS 14.25.060(a) is amended to read:

10 (a) If a member has military service or Alaska Bureau of Indian
11 Affairs (BIA) service, or if a member joined the system before July 1,
12 1978 [1977] and has creditable outside service, [OR IF A MEMBER HAS
13 MILITARY SERVICE OR ALASKA BUREAU OF INDIAN AFFAIRS (BIA) SERVICE,] the
14 member is indebted to the retirement fund as follows:

15 (1) At the time of first becoming a member of the system, the
16 arrearage indebtedness is seven per cent of the base salary multiplied
17 by the total number of years of creditable outside, military and Alaska
18 BIA service. Compound interest at the rate prescribed by regulation
19 shall be added to the arrearage indebtedness beginning July 1, 1963, or
20 at the time of first becoming employed as a member, whichever is later,
21 to the date of payment or the date of retirement, whichever occurs
22 first.

23 (2) If a member terminates from the system and is subse-
24 quently reemployed as a member, the arrearage indebtedness to the retire-
25 ment fund for outside, military, or Alaska BIA service accumulated in
26 the interim is seven per cent of the base salary upon reentering member-
27 ship service, multiplied by the number of years of interim outside,
28 military, and Alaska BIA service. Compound interest at the rate pre-
29 scribed by regulation shall be added to the arrearage indebtedness

1 beginning July 1, 1963, or the date of reemployment as a member, which-
2 ever is later, to the date of payment or the date of retirement, which-
3 ever occurs first.

4 * Sec. 7. AS 14.25.060(b) is amended to read:

5 (b) If a member joins the system on or after July 1, 1978 and has
6 creditable outside service, the member may claim this service. If
7 claimed, the member is indebted to the retirement fund as follows:

8 (1) The arrearage indebtedness is the full actuarial cost of
9 providing benefits for the service being claimed. Compound interest at
10 the rate prescribed by regulation shall be added to the arrearage in-
11 debtedness beginning the date the actuarial cost is established to the
12 date of payment or the date of retirement, whichever occurs first.

13 (2) If a member terminates from the system and is subse-
14 quently reemployed as a member, the arrearage indebtedness for outside
15 service during the interim is the full actuarial cost of providing
16 benefits for the interim service being claimed. Compound interest at
17 the rate prescribed by regulation shall be added to the arrearage in-
18 debtedness beginning the date the actuarial cost is established to the
19 date of payment or the date of retirement, whichever occurs first.

20 (3) A member who joins the system on or after July 1, 1978
21 [AND CLAIMS ALASKA BIA SERVICE IS EXEMPT FROM (1) AND (2) OF THIS SUB-
22 SECTION WITH RESPECT TO THAT SERVICE. HIS ARREARAGE INDEBTEDNESS FOR
23 THE ALASKA BIA SERVICE SHALL BE CALCULATED UNDER (a) OF THIS SECTION.
24 HOWEVER, SUCH A MEMBER] may claim no more than five years Alaska BIA
25 service. A [THIS PARAGRAPH DOES NOT APPLY TO A] member who has, at the
26 time he claims Alaska BIA service, a vested military or federal retire-
27 ment benefit, or a [. A] member who acquires a vested military or
28 federal retirement benefit after claiming Alaska BIA service [UNDER THIS
29 PARAGRAPH] shall have his arrearage indebtedness for that service recal-

1 culated under (1) or (2) of this subsection, as appropriate, retroactive
2 to the date he claimed the service.

3 * Sec. 8. AS 14.25.061(a) is amended to read:

4 (a) A member who was not subject to the provisions of this chap-
5 ter, but who becomes subject to them because of a legislative change,
6 may elect to receive credit for retroactive membership [CREDITABLE]
7 service by contributing to the retirement fund an amount equal to the
8 contributions the member [HE] would have made had the member [HE] been
9 subject to the provisions of this chapter for those years of retroactive
10 [CREDITABLE] service after June 30, 1955. Retroactive contributions are
11 not required for retroactive membership [CREDITABLE] service before
12 July 1, 1955. Compound interest at the rate prescribed by regulation
13 shall be added to the retroactive indebtedness from July 1, 1966 or the
14 time of first becoming eligible under this chapter, whichever is later,
15 to the date of payment or the date of retirement, whichever occurs
16 first.

17 * Sec. 9. AS 14.25.061(b) is amended to read:

18 (b) If retroactive indebtedness contributions have been made for
19 retroactive [CREDITABLE] service before July 1, 1955, the member is
20 entitled to a refund of those retroactive membership indebtedness contri-
21 butions.

22 * Sec. 10. AS 14.25.062 is amended to read:

23 Sec. 14.25.062. REINSTATEMENT INDEBTEDNESS. A [IF A] teacher who
24 has received a refund of contributions in accordance with AS 14.25.150
25 is [REEMPLOYED IN MEMBERSHIP SERVICE, HE IS] indebted to the retirement
26 fund in the amount of the total refund. Compound interest at the rate
27 prescribed by regulation shall be added to the reinstatement indebted-
28 ness from the date of the refund to the date of repayment or the date of
29 retirement, whichever occurs first.

1 * Sec. 11. AS 14.25 is amended by adding a new section to read:

2 Sec. 14.25.063. PAYMENT OF INDEBTEDNESS. (a) For purposes of
3 this chapter, a member does not have to be reemployed under this system
4 in order to make indebtedness payments. However, a former member must
5 be reemployed under this system in order to make indebtedness payments.
6 Payments apply first to accrued interest and then to principal.

7 (b) If the member has not paid the full amount of indebtedness
8 owing to the system by the date of application for retirement, he may
9 elect either:

10 (1) option one -- to have any retirement benefit which be-
11 comes due the member withheld until the total amount withheld is equal
12 to the outstanding indebtedness due the system; or

13 (2) option two -- to cancel the outstanding indebtedness to
14 the system by accepting an actuarially reduced annuity for life.

15 (c) If a member elects option one under (b)(1) of this section,
16 the member may pay all or any part of the outstanding indebtedness at a
17 later date. However, option two under (b)(2) of this section, if
18 elected by a member, is irrevocable.

19 * Sec. 12. AS 14.25.065(b) is amended to read:

20 (b) The contributions of employers under AS 14.25.070 must [SHALL]
21 be transmitted [BY A SCHOOL DISTRICT] to the administrator at the close
22 of each pay period. If the contributions are not submitted within 15
23 days of the close of each payroll period, interest must be assessed on
24 the outstanding contributions at one and one-half times the most recent
25 actuarially determined rate of earnings for the system from the date
26 that contributions were originally due. In addition, the amount of the
27 contributions and interest may [SHALL] be deducted by the Department of
28 Education from the state funds due the school district and the amount so
29 deducted [SHALL BE] transmitted to the administrator for deposit in the

1 retirement fund. Amounts due from the [THE] University of Alaska and
2 interest as prescribed in this section may [SHALL FORWARD ITS CONTRIBU-
3 TION TO THE ADMINISTRATOR WITHIN 15 DAYS OF THE CLOSE OF EACH PAYROLL
4 PERIOD FOR DEPOSIT IN THE RETIREMENT FUND. IF THE CONTRIBUTIONS ARE NOT
5 SUBMITTED WITHIN 15 DAYS OF THE CLOSE OF EACH PAYROLL PERIOD, THE AMOUNT
6 OF THE CONTRIBUTIONS SHALL] be deducted by the commissioner of adminis-
7 tration from any state funds due the University of Alaska and the amount
8 deducted [SHALL BE] transmitted to the administrator for deposit in the
9 retirement fund.

10 * Sec. 13. AS 14.25.100 is amended to read:

11 Sec. 14.25.100. CREDIT FOR SERVICE IN THE ARMED FORCES. (a) A
12 member [TEACHER] who served as an active member of the armed forces of
13 the United States [AFTER DECEMBER 31, 1939] may receive creditable
14 service under this [RETIREMENT] system up to a maximum of five years.
15 Each 12 months of military service equals one school year, and lesser
16 military periods will be determined for credit purposes in a proportion-
17 ate ratio to a year. To receive creditable service under this section,
18 the member [TEACHER] must have received a discharge other than dishonor-
19 able. Credit for service in the armed forces shall be granted only if
20 the member [TEACHER] makes contributions for the service in the same
21 manner as required for outside service under AS 14.25.060. The military
22 service credited under this section shall be included in the 10-year
23 limitation of outside service as specified in AS 14.25.060, except if
24 entry into the armed forces is immediately preceded by Alaska membership
25 service and following discharge is continued by Alaska membership ser-
26 vice within one year thereafter, service may not be counted for purposes
27 of determining the applicability of the 10-year limitation on outside
28 service.

29 (b) Where a member [TEACHER] is unable to resume teaching in a

1 public school within one year following discharge because of hospitali-
2 zation, rehabilitation training, a disability derived while in the armed
3 forces, or other like circumstances, the administrator shall determine
4 the allowance or disallowance of any service in the armed forces.

5 (c) (repealed)

6 (d) (repealed)

7 (e) A member [TEACHER] may not be credited with the same period of
8 service in the armed forces under this section if credit for that mili-
9 tary service was granted under the public employee's retirement system
10 (AS 39.35). The combined period of military service claimed under this
11 section and AS 39.35 may not exceed five years.

12 * Sec. 14. AS 14.25.110 is repealed and re-enacted to read:

13 Sec. 14.25.110. RETIREMENT BENEFITS. (a) A member is eligible
14 for a normal retirement benefit if he

15 (1) was first hired before July 1, 1975, has attained the age
16 of 55 years, and has at least 15 years of credited service, the last
17 five of which have been membership service;

18 (2) has attained the age of 55 years and has at least eight
19 years of membership service;

20 (3) has attained the age of 55 years, has at least five years
21 of membership service, and has at least three years of Alaska BIA ser-
22 vice;

23 (4) has at least 25 years of credited service, the last five
24 of which have been membership service;

25 (5) has at least 20 years of membership service; or

26 (6) has at least 20 years of combined membership service and
27 Alaska BIA service, the last five of which have been membership service.

28 (b) A member is eligible for an early retirement benefit upon
29 completing any one of the service requirements in (a)(1), (2), or (3) of

1 this section and attaining the age of 50 years.

2 (c) The burden is on the applicant to prove eligibility for re-
3 tirement benefits to the full satisfaction of the administrator.

4 (d) The monthly amount of a retirement benefit for a member who
5 has paid the full amount of any indebtedness is two percent of the
6 member's average base salary during any three school years of membership
7 service times the years of credited service, including credited frac-
8 tional years, divided by 12. An actuarial adjustment must be made for
9 early retirement.

10 (e) The monthly amount of a retirement benefit must be determined
11 in accordance with (d) of this section as it is in effect on the date of
12 termination of the retiring member's last segment of employment.

13 (f) The annual amount of retirement benefits for a retiring member
14 who was a member of the retirement system established by the Retirement
15 Act of 1945 may not be less than \$975 plus 10 percent of the total
16 contribution made by the member to the retirement fund of 1945.

17 (g) A member who is eligible for a service retirement salary under
18 this chapter or under the Retirement Act of 1945 is entitled to a bene-
19 fit of at least \$20 per month for each year of credited service, ex-
20 cluding adjustments made under AS 14.25.142 or 14.25.143. If the member
21 elected option two under AS 14.25.063(b)(2) for payment of any indebted-
22 ness when he initially applied for a retirement benefit, or if he
23 elected to receive an early retirement benefit under (b) of this sec-
24 tion, the resulting benefit reduction continues in effect.

25 (h) The monthly retirement benefit for a member who was receiving
26 a retirement benefit on July 1, 1955 is \$50 a month if the member was at
27 least 55 years of age on July 1, 1955.

28 (i) Benefits payable under this section accrue from the first day
29 of the month after which all of the following requirements are met: (1)

1 the member meets the eligibility requirements of this section; (2) the
2 member terminates employment; and (3) the member applies for retirement.
3 Benefits are not payable under this section during a school year in
4 which credit for a full year of service is granted. The benefits are
5 payable the last day of the month. If payment is delayed, a retroactive
6 payment must be made for the month in which a benefit is payable under
7 this section.

8 * Sec. 15. AS 14.25.125(c) is amended to read:

9 (c) Membership service for which contributions were refunded is
10 not creditable under this section unless the refunded contributions have
11 been repaid. For purposes of this section, a member or former member
12 does not have to be reemployed under this system in order to repay
13 refunded contributions. Compound interest at the rate prescribed by
14 regulation must be added to the reinstatement indebtedness from the date
15 of the refund to the date of repayment.

16 * Sec. 16. AS 14.25.130 is amended to read:

17 Sec. 14.25.130. DISABILITY BENEFITS [ELIGIBILITY FOR DISABILITY
18 RETIREMENT]. (a) A member [TEACHER IN MEMBERSHIP SERVICE] who has
19 become permanently disabled, as defined in AS 14.25.220, after July 1,
20 1966, before age 55 and who has [HAD] five or more [MEMBERSHIP] years
21 of membership service may be retired by the administrator as of the
22 first day of the month following the permanent disability. After [THE
23 ADMINISTRATOR, AFTER] a report of medical examination of the member, an
24 application [TEACHER] and other requested information [THE ADMINISTRATOR
25 MAY REQUEST] has been submitted, the administrator shall determine if
26 [CERTIFY THAT] the member [TEACHER] is physically or mentally incapacitated
27 for [THE] further performance of duty, and if [THAT] the incapacity
28 is likely to be permanent and whether [THAT] the member [TEACHER]
29 should receive disability benefits [BE RETIRED].

1 [(b) A TEACHER RETIRED BECAUSE OF DISABILITY UNDER THIS SECTION
2 WHO SUBSEQUENTLY RECOVERS FROM THE DISABILITY IS NOT ENTITLED TO ANY
3 DISABILITY RETIREMENT SALARY FROM THE FIRST DAY OF THE MONTH FOLLOWING
4 RECOVERY.]

5 (c) Once each year during the first five years following appoint-
6 ment to [RETIREMENT OF A TEACHER FOR] disability under this section, and
7 once every three-year period thereafter, the administrator may require a
8 disabled member [TEACHER] who has not attained eligibility for normal
9 retirement to undergo a medical or mental examination by a competent
10 physician. The administrator shall suspend any disability benefit
11 [RETIREMENT ALLOWANCE] for a disabled member [TEACHER] who refuses to
12 undergo a physical or mental examination when requested [BY THE ADMINIS-
13 TRATOR] under this section.

14 (d) The amount of the disability benefit is equal to 50 percent
15 of the member's base salary immediately before becoming disabled. The
16 disability benefit is increased by 10 percent for each dependent child,
17 up to a maximum of four dependent children.

18 (e) Benefits payable under this section accrue from the first day
19 of the month after which the following requirements are met: (1) the
20 member meets the eligibility requirements of this section; and (2) the
21 member terminates employment. The benefits are payable the last day of
22 the month. If payment is delayed, a retroactive payment must be made to
23 cover the period of deferment. The last payment for a dependent child
24 shall be for the month in which the child ceases to be a dependent child.
25 The last payment for the disabled member shall be made for the month in
26 which the disabled member recovers from his disability, dies, or is
27 eligible for normal retirement.

28 * Sec. 17. AS 14.25.143(a) is amended to read:

29 (a) When the administrator determines that the cost of living has

1 increased and that the financial condition of the retirement fund per-
2 mits, the administrator [HE] may increase all annuitant's [SERVICE
3 RETIREMENT] and survivor's benefits [SALARIES] to reflect this cost of
4 living increase.

5 * Sec. 18. AS 14.25.160 is repealed and re-enacted to read:

6 Sec. 14.25.160. DEATH BENEFITS. (a) Upon receipt of a valid
7 claim and proof of the death of a member who has not made supplemental
8 contributions or whose supplemental contributions under AS 14.25.055
9 were made for less than one year of membership service, a death benefit
10 will be paid to the beneficiaries the member has designated in a written
11 designation filed with the administrator. If the member failed to
12 designate a beneficiary, or if no designated beneficiary survives the
13 member, the benefits will be paid as follows:

14 (1) to the surviving spouse;

15 (2) if there is no surviving spouse, to the surviving children
16 in equal amounts;

17 (3) if there is no surviving child, to the surviving parents
18 in equal amounts; or

19 (4) if there is no surviving parent, to the member's estate.

20 (b) Upon the death of an active member who meets the conditions
21 specified in (a) of this section, the amount of the death benefit is the
22 sum of the following less any retirement benefit previously received by
23 the member:

24 (1) the member's mandatory contribution account;

25 (2) \$100 times the years of membership service;

26 (3) \$1,000; and

27 (4) \$500 if the deceased member is survived by one or more
28 dependent children at the time of death.

29 (c) If the sum of (b)(2) and (3) of this section exceeds \$3,000,

1 only \$3,000 may be added to amounts under (b)(1) and (4) in calculating
2 the death benefit under (b) of this section.

3 (d) Upon the death of an inactive member who meets the conditions
4 specified in (a) of this section, the death benefit is the amount deter-
5 mined in (b)(1) of this section.

6 (e) Upon the death of a disabled member who is not eligible for
7 normal retirement and who meets the conditions specified in (a) of this
8 section, the death benefit is the amount determined in (b) of this
9 section.

10 (f) Upon the death of a retired member who meets the conditions
11 specified in (a) of this section, the death benefit is the amount deter-
12 mined in (b)(1) of this section less all retirement benefits paid to the
13 deceased member.

14 (g) If supplemental contributions have been made under AS 14.25.-
15 055, benefits may be payable under AS 14.25.162 or 14.25.164 if the
16 deceased member meets the eligibility requirements of one of those
17 sections.

18 (h) Payment made to a beneficiary under this section is in place
19 of any other benefit under this chapter.

20 * Sec. 19. AS 14.25.162 is repealed and re-enacted to read:

21 Sec. 14.25.162. SURVIVOR'S ALLOWANCE. (a) If an active or dis-
22 abled member dies and leaves a dependent child, and supplemental contri-
23 butions have been made under AS 14.25.055 for at least one year of
24 credited service, a survivor's allowance is payable under (b) of this
25 section. If a retired member or a deferred vested member dies and
26 leaves a dependent child, and supplemental contributions have been made
27 under AS 14.25.055 for at least five years of credited service, a sur-
28 vivor's allowance is payable under (b) of this section. Application for
29 the survivor's allowance must be made in writing to the administrator.

1 (b) A survivor's allowance is payable under this section as
2 follows:

3 (1) an allowance of 10 percent of the member's base salary
4 immediately before the member's death, retirement, or disability shall

9 (a) An employee of the state shall be included in this system upon
10 commencement of his employment with the state, or on January 1, 1961,

17 (a) An active employee is entitled to credited service for periods
18 of employment with the state after January 1, 1961, regardless of the

20 employed. For purposes of this chapter, the University of Alaska is not
21 an office, department, division, or agency of the state. Service credit
22 may not be granted under this chapter for service which is creditable
23 under the teachers' retirement system, AS 14.25.

24 * Sec. 30. AS 39.35.310 is amended to read:

25 Sec. 39.35.310. EMPLOYMENT WITH OTHER EMPLOYERS. (a) An active
26 employee is entitled to credited service for periods of employment with
27 a political subdivision or a public [OR QUASI-PUBLIC] organization
28 beginning with the effective date of the employer's participation in the
29 system. The employee is also entitled to credited service for periods

1 of employment as designated in the employer's participation agreement.

2 (b) A permanent part-time employee of a political subdivision or a
3 public [OR QUASI-PUBLIC] organization receives credited service on a
4 basis proportionate to that which would have been earned as a permanent
5 full-time employee.

6 * Sec. 31. AS 39.35.340(b) is amended to read:

7 (b) In order to obtain credited service under this section, an
8 employee shall make an election to do so and shall verify his period of
9 military service [BEFORE JULY 1, 1977 OR WITHIN ONE YEAR FOLLOWING THE
10 DATE WHEN THE EMPLOYEE FIRST BECOMES VESTED UNDER THIS CHAPTER, IF
11 LATER]. When eligibility for credited service for military service has
12 been established, an indebtedness shall be determined as follows: (1)
13 the employee's actual compensation, or the calculated annual compensa-
14 tion for those employees working less than 12 months, during the calen-
15 dar year 1976 or the year in which an employee first becomes vested
16 under this chapter, whichever is later, multiplied by (2) six percent,
17 this product multiplied by (3) the number of years of military service
18 credited under this section. Interest as prescribed by regulation
19 accrues on this indebtedness commencing on July 1, 1977 or one year
20 following the date a person first becomes vested, whichever is later.
21 Any outstanding indebtedness which exists at the time a person is ap-
22 pointed to retirement will necessitate an actuarial adjustment to the
23 benefits payable based upon that military service.

24 * Sec. 32. AS 39.35.340(c) is amended to read:

25 (c) A retired employee on July 1, 1976 is eligible to receive
26 increased benefits based upon military service as described in (a) of
27 this section. To receive credited service for military service, a
28 retired employee must verify his military service [BEFORE JULY 1, 1977].
29 When verified, a retired employee is entitled to receive an increased

1 benefit which shall be actuarially adjusted to reflect his indebtedness
2 for such credit. The indebtedness shall be calculated in the same manner
3 as described in (b) of this section except that it shall be based on the
4 average monthly compensation used in calculating the benefit. The effec-
5 tive date of this increased benefit is the beginning of the month follow-
6 ing that in which eligibility has been established.

7 * Sec. 33. AS 39.35.340(e) is amended to read:

8 (e) A deferred vested employee on July 1, 1976 is eligible to claim
9 credited service under (a) of this section. In order to obtain credited
10 service under this section, such an employee must make an election to do
11 so and must verify his period of military service [BEFORE JULY 1, 1978].
12 When eligibility for military service has been established, an indebted-
13 ness shall be determined as follows: the employee's actual compensation,
14 or the calculated annual compensation for those employees working less
15 than 12 months, during the calendar year the employee terminated, shall
16 be multiplied by six percent; this product shall then be multiplied by
17 the number of years of military service credit under this section. In-
18 terest as prescribed by regulation accrues on this indebtedness commenc-
19 ing July 1, 1978. Any outstanding indebtedness which exists at the time
20 a person is appointed to retirement will necessitate an actuarial adjust-
21 ment to the benefits payable based upon that military service.

22 * Sec. 34. AS 39.35.340(f) is amended to read:

23 (f) An employee cannot be credited with a period of active mili-
24 tary service in the armed forces of the United States under this section
25 if credit for that military service was granted under AS 14.25.

26 * Sec. 35. AS 39.35.340(g) is amended to read:

27 (g) A surviving spouse receiving or entitled to receive a sur-
28 viving spouse's pension under AS 39.35.440 or benefits under a joint and
29 survivor option filed under AS 39.35.450 is eligible to receive in-

1 creased benefits based upon military service as described in (a) of this
2 section. To receive credited service for military service, the sur-
3 viving spouse must verify the employee's military service [WITHIN ONE
4 YEAR OF THE EFFECTIVE DATE OF THIS ACT]. When verified, the surviving
5 spouse is entitled to receive an increased benefit which shall be actu-
6 arially adjusted to reflect his or her indebtedness for that credit.
7 The indebtedness shall be calculated in the same manner as described in
8 (b) of this section except that it shall be based on the average monthly
9 compensation used in calculating the benefit. Benefits payable under
10 this subsection are effective the first day of the month following that
11 in which eligibility has been established [PAYABLE RETROACTIVELY TO
12 JULY 1, 1977].

13 * Sec. 36. AS 39.35.340 is amended by adding a new subsection to read:

14 (h) The combined period of military service claimed under this
15 section and under AS 14.25 may not exceed five years.

16 * Sec. 37. AS 39.35.385(c) is amended to read:

17 (c) Credited service for which contributions were refunded is not
18 creditable under this section unless the refunded contributions have
19 been repaid. For purposes of this section, a member or former member
20 does not have to be reemployed under this system in order to pay re-
21 funded contributions. Compound interest at the rate prescribed by
22 regulation must be added to the reinstatement indebtedness from the date
23 of the refund to the date of repayment.

24 * Sec. 38. AS 39.35.410(h) is amended to read:

25 (h) A disabled [RETIRED] employee's occupational disability pen-
26 sion shall terminate when the disabled employee first attains eligi-
27 bility for normal retirement. At that time, his retirement benefit will
28 be calculated under the provisions of AS 39.35.370(c).

29 * Sec. 39. AS 39.35.430(c) is repealed and re-enacted to read:

1 (c) The first payment of the surviving spouse's pension or of a
2 dependent child's pension shall be made for the month following the
3 month in which the employee dies and payment shall cease to be made
4 beginning with the month in which there is no surviving spouse or no
5 dependent child.

6 * Sec. 40. AS 39.35 is amended by adding a new section to read:

7 Sec. 39.35.495. TIME LIMIT FOR APPLICATION. If no application for
8 benefits or for refund has been filed with the administrator by July 1
9 following the date on which an inactive member (except an employee on
10 leave-without-pay status or on layoff status) would attain age 75, or if
11 no application for benefits or for refund has been filed with the ad-
12 ministrator within the 50 years following the most recent date on which
13 the employee was an active member, no benefits or refunds may be paid
14 under this chapter and the member's records may be destroyed.

15 * Sec. 41. AS 39.35.522 is amended to read:

16 Sec. 39.35.522. WAIVER OF ADJUSTMENTS. (a) Upon appeal by an
17 affected member or beneficiary under (b) of this section, the board may
18 waive an adjustment or any portion of an adjustment made under AS 39.35.-
19 520 if

20 (1) the adjustment or portion of the adjustment will, in the
21 opinion of the board, cause undue hardship to the member or beneficiary;

22 (2) the member is retired or has submitted notification of
23 impending retirement to his employer to be effective no later than 180
24 days after the adjustment was made, or the beneficiary was eligible to
25 receive or was receiving benefits under this chapter before the adjust-
26 ment;

27 (3) the adjustment will result in a loss of eligibility for
28 benefits [RETIREMENT] for the member or beneficiary or result in a
29 reduction of benefits being [ALREADY] received by the member or bene-

1 ficiary of \$50 per month or more;

2 (4) the adjustment was not the result of erroneous informa-
3 tion supplied by the member or beneficiary;

4 (5) before the adjustment was made, the member or beneficiary
5 received confirmation from the administrator that his records were
6 correct; and

7 (6) the member or beneficiary had no reasonable grounds to
8 believe his records were incorrect before the adjustment was made.

9 (b) In order to obtain consideration of a waiver under this sec-
10 tion, the affected member or beneficiary must appeal to the board in
11 writing within 30 days after receipt of notice that his records have
12 been adjusted. The board shall rule on his appeal in writing within 120
13 days after its receipt.

14 (c) The board may, at its discretion, conduct a hearing on an
15 appeal under this section. In reaching a decision on an appeal, the
16 board may issue subpoenas, administer oaths, compel the attendance and
17 testimony of witnesses, compel the taking of depositions and the sub-
18 mission of affidavits, and compel the production of documents and
19 records.

20 (d) The board may impose conditions on the granting of a waiver
21 which it considers equitable. These conditions may include requiring
22 the member or beneficiary to make additional contributions to the
23 system.

24 (e) The board may reconsider a ruling under this section upon
25 request of the member or beneficiary or the administrator if the request
26 is received within 30 days after the initial ruling. Any modification
27 of the initial ruling must be made within 30 days after receipt of a
28 request for reconsideration.

29 (f) Rulings and modifications of rulings under this section shall

1 be by a majority of a quorum of the board.

2 (g) Rulings on appeals and requests for reconsideration under this
3 section may be appealed by an aggrieved member or beneficiary to the
4 superior court for abuse of discretion.

5 * Sec. 42. AS 39.35.547 is repealed and re-enacted to read:

6 Sec. 39.35.547. EFFECT OF AMENDMENTS. (a) An amendment of this
7 chapter is not retroactive unless its retroactivity is expressly stated
8 in the amendment.

9 (b) The monthly amount of a benefit payable under this chapter
10 shall be determined in accordance with the provisions of this chapter in
11 effect on the date of termination of the member's last segment of em-
12 ployment.

13 * Sec. 43. AS 39.35.560 is amended to read:

14 Sec. 39.35.560. REQUEST BY PUBLIC ORGANIZATION TO PARTICIPATE AND
15 ADOPTION OF RESOLUTION. A public [OR QUASI-PUBLIC] organization created
16 wholly or partly by, or deriving its powers from, the legislature of the
17 state may request to become an employer in this system. The request
18 shall be made after adoption of a resolution by the governing body of
19 the public organization. A certified copy of the resolution shall be
20 filed with the administrator. If the administrator approves the request
21 for participation, the public organization is an employer of the system.

22 * Sec. 44. AS 39.35 is amended by adding a new section to read:

23 Sec. 39.35.615. AMENDMENT OF AGREEMENT. (a) If a political sub-
24 division or public organization amends its participation agreement so as
25 to terminate coverage of a department, group, or other classification of
26 employees, each employee whose coverage is so terminated, regardless of
27 his employment status at the date of termination, shall be considered
28 fully vested in his actuarially adjusted accrued retirement benefits as
29 of the date of termination, unless his contributions have been refunded.

1 (b) Each employee whose coverage is terminated must, within 60
2 days after the date of termination, inform the administrator, in writ-
3 ing, whether he wishes to obtain a refund or a vested benefit.

4 (c) Each employee who elects to obtain a refund shall receive a
5 refund of the balance of (1) his employee contribution account and (2)
6 his employee savings account. The vesting in accrued benefits for each
7 employee who elects to obtain a refund is voided upon his receipt of the
8 refund, and the corresponding credited service may not be reinstated
9 under this chapter. A partial refund may not be allowed under this
10 section.

11 (d) For each employee who elects to obtain a vested benefit, the
12 amount actuarially determined as necessary to fully fund the benefits to
13 be received shall be transferred first from the employee contribution
14 account and, after the employee contribution account has been exhausted,
15 then from the employer contribution account into the retirement reserve
16 account.

17 (e) After all of the employees whose coverage is terminated have
18 either received refunds or have been vested in their accrued benefits,
19 the remaining funds in the employer contribution account attributable to
20 those employees shall be refunded to the employer.

21 (f) Termination of coverage of a department, group, or other
22 classification of employees does not bar future coverage of that depart-
23 ment, group, or classification. If coverage of a department, group, or
24 classification is terminated under (a) of this section and the employer
25 later amends its participation agreement to provide renewed coverage of
26 that department, group, or classification, an affected employee may be
27 credited only with future service.

28 * Sec. 45. AS 39.35.620(e) is amended to read:

29 (e) Each employee who elects to obtain a refund shall receive a

1 refund of the balance, determined as of the date of his employer's
2 termination of participation, of (1) his employee contribution account
3 and (2) his employee savings account. The vesting in accrued benefits
4 for each employee who elects to receive a refund is voided upon his
5 receipt of his refund and corresponding credited service may not be
6 reinstated under this chapter. No partial refund may be allowed under
7 this section.

8 * Sec. 46. AS 39.35.650 is amended to read:

9 Sec. 39.35.650. REFUNDS TO EMPLOYERS. In no event may an employer
10 receive an amount from the pension fund, except as provided under
11 AS 39.35.615(e) and 39.35.620(g) [THAT, UPON TERMINATION OF PARTICIPA-
12 TION, THE EMPLOYER SHALL RECEIVE THE AMOUNT WHICH REMAINS AFTER THE
13 SATISFACTION OF ALL LIABILITIES OF THE SYSTEM TO THE EMPLOYEES OF THE
14 EMPLOYER AND ARISING OUT OF VARIATIONS BETWEEN ACTUAL REQUIREMENTS AND
15 EXPECTED ACTUARIAL REQUIREMENTS].

16 * Sec. 47. AS 39.35.680(4) is amended to read:

17 (4) "average monthly compensation" means the result obtained
18 by dividing the compensation earned by an employee during a considered
19 period by the number of months, including fractional months, for which
20 compensation was earned; the considered period consists of the three
21 consecutive calendar years during the period of credited service which
22 yields the highest average, or if the employee does not have three
23 consecutive calendar years, his period of credited service; an employee
24 must have at least 115 [120] days of credited service in the last calen-
25 dar year in order to be used as part of the three consecutive calendar
26 years;

27 * Sec. 48. AS 39.35.680(17) is amended to read:

28 (17) "employer" means the State of Alaska or a political
29 subdivision or public [OR QUASI-PUBLIC] organization of the state which

1 participates in the system;

2 * Sec. 49. (a) This section applies to a unified municipality which is
3 an employer under AS 39.35 and which, in reliance on erroneous representa-
4 tions by a former administrator, provided by ordinance, before the effective
5 date of this Act, that a particular classification of credited service earned
6 in the Public Employees' Retirement System of Alaska for service with that
7 municipality or its predecessors be transferred to a public employees'
8 retirement system operated by the municipality.

9 (b) A unified municipality to which this section applies may provide,
10 in a resolution adopted under AS 39.35.550, that a department, group, or
11 other classification of its employees under the Public Employees' Retirement
12 System of Alaska be transferred to a public employees' retirement system
13 operated by the municipality and may provide by ordinance that a particular
14 classification of credited service earned in the Public Employees' Retirement
15 System of Alaska for service with that municipality or its predecessors also
16 be transferred to the municipal retirement system, except that credited
17 service may not be transferred unless the affected employee has consented to
18 that transfer in writing.

19 (c) Each employee who is transferred to a municipal retirement system
20 must, before September 1, 1980, inform the administrator in writing whether
21 he wishes to transfer his credited service as provided in the municipal
22 ordinance, obtain a refund, or obtain a vested benefit in the Public
23 Employees' Retirement System of Alaska. The administrator shall transmit to
24 the municipal retirement system the balance of the employee contribution and
25 savings accounts associated with the transferred service, determined as of
26 the date the balance is transmitted, of each employee who elects to transfer
27 his credited service as provided in the municipal ordinance. Transferred
28 credited service may not be reinstated under AS 39.35. If an employee elects
29 to obtain a vested benefit, or if he fails to inform the administrator of his

1 election, he shall be considered fully vested in his actuarially adjusted
2 accrued retirement benefits under the Public Employees' Retirement System of
3 Alaska as of the date of his transfer to the municipal retirement system.

4 (d) Each employee who elects to obtain a refund shall receive a refund
5 of the balance of his employee contribution and employee savings accounts in
6 the Public Employees' Retirement System of Alaska. The amount actuarially
7 determined as necessary to fully fund the benefits to be received should the
8 employee return to the Public Employees' Retirement System of Alaska and
9 reinstate his credited service shall be retained in the employer contribution
10 account of the unified municipality. A partial refund may not be allowed
11 under this section.

12 (e) For each employee who elects to obtain a vested benefit, the amount
13 actuarially determined as necessary to fully fund the benefits to be received
14 shall be transferred first from the employee contribution account and, after
15 the employee contribution account has been exhausted, then from the employer
16 contribution account into the retirement reserve account.

17 (f) The administrator shall transmit to the municipal retirement system
18 the balance of the unified municipality's employer contribution account
19 associated with the transferred service of those employees transferred to the
20 municipal retirement system, determined as of the date the balance is trans-
21 mitted, less any amount which has been transferred to the retirement reserve
22 account under (e) of this section or which has been retained under (d) of
23 this section.

24 (g) As used in this section,

25 (1) "administrator" means the administrator of the Public
26 Employees' Retirement System of Alaska;

27 (2) "employee contribution account", "employee savings account",
28 "employer contribution account", and "retirement reserve account" refer to
29 accounts within the Public Employees' Retirement System of Alaska;

1 (3) "predecessors" means the political subdivisions which are
2 dissolved in the formation of a unified municipality.

3 * Sec. 50. AS 14.25.120, 14.25.135, 14.25.137, 14.25.138, 14.25.140;
4 AS 39.35.020(6), and 39.35.050(b) are repealed.

5 * Sec. 51. This Act takes effect July 1, 1980, except that

6 (1) the definitions of "military service" and "outside service"
7 contained in AS 14.25.220(21) and (25), and the definitions of "membership
8 service" and "teacher or member" contained in AS 14.25.220(20) and (38) to
9 the extent that they apply to part-time teachers at the University of Alaska,
10 as repealed and re-enacted in sec. 24 of this Act, take effect immediately in
11 accordance with AS 01.10.070(c) and are retroactive to July 1, 1955;

12 (2) the definition of "average monthly compensation" contained in
13 AS 39.35.680(4), as amended in sec. 47 of this Act, takes effect immediately
14 in accordance with AS 01.10.070(c) and is retroactive to July 1, 1977;

15 (3) section 49 of this Act takes effect immediately in accordance
16 with AS 01.10.070(c), is retroactive to September 15, 1975, and terminates on
17 December 31, 1980.

SUMMARY OF HOUSE BILL NO. 243

Retirement systems affected: PERS and TRS

The following is a copy of the governor's transmittal letter submitted when House Bill No. 243 was introduced. It is presented here in lieu of a summary.

February 16, 1979

The Honorable Terry Gardiner
Speaker of the House
Alaska State Legislature
Juneau, Alaska 99811

Dear Mr. Speaker:

Under the authority of art. III, sec. 18 of the Alaska Constitution, I am transmitting a bill relating to the Teachers' Retirement System, AS 14.25, and the Public Employees' Retirement System, AS 39.35.

The major thrust of the legislation relating to the Teachers' Retirement System is the revision of the definition section to establish a set of terms which may be used uniformly throughout the remainder of the chapter. Presently, several different terms are used to convey one meaning, single terms are used for more than one purpose, and there are no definitions for other terms appearing in the chapter.

In addition to changes in the definitions, certain sections have been consolidated and rearranged to clarify the numerous options available to a teacher seeking benefits under the chapter.

These clarifying amendments are patterned in both format and intent after the amendments to the Public Employees' Retirement System (PERS) enacted by the legislature in 1977.

Some of the amendments to the Teachers' Retirement System, however, go beyond mere housekeeping. One such change is in the definition of the term "actuarial adjustment." This term is used to describe the reduction in benefits stemming from either the nonpayment of an individual's indebtedness to the system or the individual's desire to retire before the normal retirement date. The present law specifies certain actuarial factors to be applied to the calculation of benefits. To maintain a financially sound retirement system and avoid the problems which have plagued similar systems, I believe that our actuary should be given more

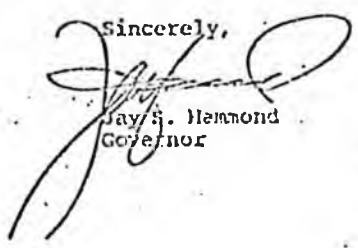

flexibility in making actuarial adjustments to take into account increases and decreases in the fund's resources. Another change is the removal of a deadline for claiming and verifying military service. The bill also adds a waiver-of-adjustments statute similar to the one passed last session for the Public Employees' Retirement System. Both of these provisions will include the availability of relief to beneficiaries as well as members.

The bill also would provide additional benefits in the Teachers' Retirement System, including:

- (1) removal of the "55 year old" requirement for receipt of a spouse's pension;
- (2) provision of a benefit for a surviving spouse with minor children whose spouse was on deferred vested status;
- (3) an increased benefit for the beneficiary of a teacher who dies while receiving a disability benefit;
- (4) repurchase of credit in the TRS without re-employment in that system if a person is vested in the PERS.

The amendments to the Public Employees' Retirement System, AS 39.35, are all of a minor nature. The bill would remove the current deadline for claiming and verifying military service within one year of vesting. It would also permit former members to reinstate segments of prior credited service in the Public Employees' Retirement System if they are now vested in the Teachers' Retirement System.

Sincerely,

Jay S. Hammond
Governor

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

- Fiscal impact on the Public Employees' Retirement System is due primarily to the removal of the one year limit in which to clear and verify military service.
- Increase in State contribution rate would be .082% of covered payroll each year based on an estimated FY 83 covered State payroll of 224,000,000 increasing to 10% annually.

MEMORANDUM

April 30, 1979

SUBJECT: Proposed SCS CSHB 243
TO: Senator Sackett
FROM: Jim McKenzie *JM*

The proposed Senate Committee Substitute for CSHB 243 is different from the version passed by the House in two respects. First, it makes the definition of "credited service" apply as well to "creditable service" for purposes of the teachers' retirement system (proposed SCS CSHB 243, p. 20, line 8). This is necessary because of a House floor amendment which neglected to change the definition section. Second, it changes the definition of "base salary," "employer," and "membership service" for purposes of the teachers' retirement system and changes the effective dates applicable to these terms (proposed SCS CSHB 243, p.19, line 19; p. 20, line 27; p. 21, line 20; and p. 36, line 22) so as not to conflict with provisions in SCS CSHB 260 (Rules) allowing state legislators to participate in the teachers' retirement system under certain conditions.

Francis M. Flavin

Dear Mr. Flavin:

In the absence of Garrey Peska, who is on leave, I am taking the liberty of answering your request concerning HB 243. Enclosed are copies of a page from the index to the minutes of the Senate Finance Committee (xiv) and page 4 of the last weekly listing of Bills in Committee. Referring first to the index, there is no reference to HB 243, indicating that the measure was never discussed in committee. The Bills in Committee listing shows an asterik opposite the measure under "Further Referred", indicating simply that this bill, like most other House pieces of legislation, was not assigned to any member for review.

Referring to Paul Arnoldt's letter, it is difficult to "pin" lack of movement of this legislation on any letter, since the legislation has absolutely no written history with regard to Senate Finance. In all probability, the measure failed to move from committee because no one asked for it (note that it was referred April 24, less than two weeks prior to adjournment of the legislature). And in the closing days of a legislature, especially one with a "60 day limit" on legislation, if no one asks, no one gets.

Sincerely yours,

J. W. Hogan, Director
Legislative Finance Division

Dear Garrey:

The attached letter concerning Ms. Judith Holden of our office raises questions which can only be answered by the legislators involved.

It was my understanding that HB 243 was more than "housekeeping" which was the reason it was kept in Senate Finance during the interim.

I have cleared the release of this letter to you with Judy.

If you feel that Ms. Holden unfairly prejudiced the Committee against the Division of Retirement and Benefits I would appreciate hearing from you.

I am sorry that I have to bring up a matter of this nature, but must, of course, determine if the Division is putting Ms. Holden on the spot because she did something improper or was just too effective for the Division's comfort.

Thank you for your consideration.

Sincerely,

Ombudsman Complaint J-78-0544

ANCHORAGE
OFFICE OF THE OMBUDSMAN

Dear Mr. Flavin:

In reviewing the course of the complaint named above, which was investigated by Judith Holden of your office, responded to by this office, and followed up by a memorandum from Ms. Holden directed to Senator John Sackett, Chairman of the Senate Finance Committee (with copies to the other members of the Senate Finance Committee and Senator Bradley), I am struck by the essence of doubt which was cast on the character and credibility of this Division by Ms. Holden. Her actions culminated in the interruption of the passage of our "housekeeping" bill, HB 243, by the first session of the 11th Legislature.

As evidenced by past performance, I am sure you know that the collective effort of the employees of this Division is directed toward maintaining the trust of the members of the retirement systems for which we are responsible, while at the same time administering the statutes within our purview in a fair and impartial manner. Our relationship with your office has heretofore been one of a cooperative effort to resolve all complaints in an equitable manner and it is our earnest intent to maintain that favorable association for the benefit of those we serve.

In the course of the Taylor matter, in my view, Ms. Holden implied doubt concerning our integrity to the extent that it might hinder our future working relationship with your office. I strongly feel her implications were unjustified, and I respectfully suggest that you may find it mutually beneficial to assign another member of your staff to this Division when complaints are registered with you in the future.

With best wishes, I remain

STATE OF ALASKA

JAY S. HAMMOND, Governor

DEPARTMENT OF ADMINISTRATION

DIVISION OF RETIREMENT & BENEFITS

POUCH CR
JUNEAU, ALASKA 99811

February 7, 1980

The Honorable John Sackett
Senator
Alaska State Legislature
Pouch V
Juneau, AK 99811

Dear Senator Sackett:

I concur with the committee that the term "quasi-public" should be removed from Ch. 39.35. In addition to the deletion of this term from Sec. 27, page 26, line 6 of CSHB 243am, the word "quasi-public" should properly be removed from other sections of the chapter that are not contained in this bill. These sections are as follows: Secs. 39.35.120(a), 310(a) and (b), 560, and 680(17).

We have been advised by the Attorney General's Office that the deletion of the word "quasi-public" seems appropriate due to the ambiguity of the term.

Sincerely,

Paul B. Arnoldt

ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

Fiscal impact on the Teachers' Retirement System due to the following:

- a. Removes the "55 years old" age requirement before a spouse's pension can be paid. 14,25,144(b).
- b. Provides a benefit for a surviving spouse with minor children whose spouse was on deferred vested status. 14,25,142(e).
- c. Increases from 75% to 100% the benefit for the beneficiary of a teacher receiving a disability benefit who dies. 14,25,162(d).

Increase in combined TRS State Match and district contribution rate would be .02% of covered payroll each year based on an estimated FY 80 covered TRS payroll of \$33,025,000 increasing at 10% annually.

Administrative costs as attached (Page 3).

The Honorable John Sackett
Senator
Alaska State Legislature
Pouch V
Juneau, AK 99811

Dear Senator Sackett:

Certain bills that passed during the first legislative session contained portions of our housekeeping bill (HB 243). To make CSHB 243am consistent with the current statutory language, we suggest the following changes.

1. Deletion of Secs. 4 and 22, which were passed verbatim last year (Ch 81 SLA 1979). Additionally the deletion of lines 22 and 23 on page 36 in Sec. 49, which establish effective dates for Secs. 4 and 22.
2. Corrections of effective dates in two sections.
 - a. Sec. 47, page 34, line 27 change September 1, 1979 to September 1, 1980.
 - b. Sec. 49, page 36, line 12, change July 1, 1979 to July 1, 1980.
 - c. Sec. 49, page 36, line 26, change December 31, 1979 to December 31, 1980.

Jim McKenzie of the Legislative Affairs Agency has suggested other corrections which would make CSHB 243am in accord with legislation passed in Ch. 82

SLA 1979 in regard to state legislators. We concur with Mr. McKenzie's proposals and submit them to you for your approval. These changes are as follows:

Sec. 26 page 19, line 19 "base salary," page 20, line 22 "employer" and page 21, line 14 "membership services," amend as follows:

(6) "base salary"

(A) means the total remuneration payable under contract for a full year of membership service, including addenda to the contract;

(B) has the same meaning as "compensation" under AS 39.35.680(8) when applied to a state legislator who elects membership under AS 14.25.040(b);

(15) "employer" means a public school district, the Board of Regents of the University of Alaska, the Department of Education, the National Education Association of Alaska, the Regional Resource Centers, or the state legislature with respect to a state legislator who elects membership under AS 14.25.040(b);

(20) "membership service" means

(A) full or part-time service as a teacher in a public school in the Territory or State of Alaska, or both, under the supervision and control of the Territorial Board of Education or the Department of Education or the school board of any city, regional educational attendance area, or borough school district;

DRAFT

(B) full-time or part-time teaching at the University of Alaska or a full-time administrative position at the University of Alaska which requires academic standing and which has been approved for inclusion in the system by the administrator;

(C) any period during which the teacher receives a disability benefit under this system or is on an approved sabbatical leave granted in accordance with AS 14.20.310; or

(D) continuous service as a state legislator when performed by a state legislator who elects membership under AS 14.25.040(b), subject to the requirements of AS 14.25.040(c);

Finally, it has been suggested by Senator Bill Ray that the word "quasi-public" be inserted in Sec. 43, page 32, line 6, pending the outcome of our discussion on the definition of that term.

Sincerely,

Paul B. Arnoldt
Director

The primary goal of the Division of Retirement and Benefits is to administer specific benefit programs established by statute for the State of Alaska and participating political subdivisions. The secondary goal is to provide information to the legislative process, collective bargaining process, and administrative process. Some of the primary functions of the division are: to maintain records; to disseminate information and provide counseling to members of the various retirement systems regarding programs, retirement, social security, health and life insurance programs and the deferred compensation plan; to analyze and recommend statutory changes to the legislature for all benefit programs in order to remain competitive with those programs offered by other employers; to testify before the legislature on proposed legislation affecting the various benefit programs; and to ensure that correct benefit payments or refunds are made to employees or beneficiaries in a timely manner. The FY 81 request includes funding to administer the State Supplemental Benefits Program, which replaced the Federal Social Security program on January 1, 1980.

The Honorable John C. Sackett
Senator, Alaska State Legislature

Dear Senator Sackett:

Upon further review of CS HB 243 am, I have located another section of the law that is inconsistent with current statutes as amended during the first legislative session. AS 14.25.220 (38) should include the following:

(D) A state legislator who elects membership under AS 14.25.040 (b);

Chapter 82 SLA 1979 amended the definition of "teacher" or "member" to include state legislators.

I sincerely regret this oversight in our review.

Sincerely,

Paul B. Arnoldt
