January 30, 1979

The Honorable Clem Tillion  
President of the Senate  
Alaska State Legislature  
Juneau, Alaska 99811

Dear Mr. President:

Under the authority of art. III, sec. 18 of the Alaska Constitution, I am transmitting a bill relating to occupational licensing fees.

The bill deletes references to specific fees in each of the chapters of AS 8 for which the Division of Occupational Licensing, Department of Commerce and Economic Development, is responsible and in their stead grants authority to the department to set fees and fee periods for each of the regulated occupations and professions.

These changes will permit a systematic fee schedule to be developed by the department -- a schedule that more accurately reflects the true costs of license administration. They will also provide necessary flexibility for processing applications for and renewals of the thousands of occupational licenses in Alaska, in order to avoid undue backlogs at certain times.

Section 86, enacting AS 08.80.116, and sec. 103's repeal of AS 08.80.117 correct an error made by sec. 40, ch. 177 SLA 1978's repeal of AS 08.80.115 instead of AS 08.80.117. The new AS 08.80.116 is essentially the same as the former AS 08.80.115 except with regard to the fee provisions in (a) and (b).

Sincerely,

*JSH*

January 30, 1979

The Honorable Clem Tillion  
President of the Senate  
Alaska State Legislature  
Juneau, Alaska 99811

Dear Mr. President:

Under the authority of art. III, sec. 18 of the Alaska Constitution, I am transmitting a bill relating to occupational licensing fees.

The bill deletes references to specific fees in each of the chapters of AS 8 for which the Division of Occupational Licensing, Department of Commerce and Economic Development, is responsible and in their stead grants authority to the department to set fees and fee periods for each of the regulated occupations and professions.

These changes will permit a systematic fee schedule to be developed by the department -- a schedule that more accurately reflects the true costs of license administration. They will also provide necessary flexibility for processing applications for and renewals of the thousands of occupational licenses in Alaska, in order to avoid undue backlogs at certain times.

Section 86, enacting AS 08.80.116, and sec. 103's repeal of AS 08.80.117 correct an error made by sec. 40, ch. 177 SLA 1978's repeal of AS 08.80.115 instead of AS 08.80.117. The new AS 08.80.116 is essentially the same as the former AS 08.80.115 except with regard to the fee provisions in (a) and (b).

Sincerely,

*S/JS*

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

The passage of S.B. 117 will result in a reduction in revenue to the general fund based on the following assumptions:

4000 personalized plates x \$20 reduction : \$80,000  
 350 occasional use plates x \$20 reduction : \$ 7,000  
 \$87,000

These estimates use the class of pickup trucks as being the primary vehicles to obtain occasional use plates.

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

The passage of CSSB 96 will result in a reduction in revenue to the general fund based on the following assumptions:

4000 personalized plates x \$20 reduction :	\$80,000
350 occasional use plates x \$20 reduction :	<u>\$ 7,000</u>
	\$87,000

These estimates use the class of pickup trucks as being the primary vehicles to obtain occasional use plates.
