IN THE LEGISLATURE OF THE STATE OF ALASKA

ELEVENTH LEGISLATURE - FIRST SESSION

A BILL

For an Act entitled: "An Act exempting spouses of members of the armed forces from the requirement of obtaining a driver's license".

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

* Section 1. AS 28.15.021(3) is amended to read:

(3) a member of the armed forces of the United States, or the spouse of a member of the armed forces of the United States, so long as said spouse does not receive income taxable under AS 43.20 Alaska Net Income Tax Act, who has a valid driver's license issued by another jurisdiction and who maintains his permanent residence in that jurisdiction;

TO: GUY VAN DOREN

DATE: FEBRUARY 26, 1979

FROM DIANE SIMONSON FOR SENATOR KELLY

RE: SB 181

Spouses of Military Personnel have voiced dissatisfaction over the law that requires them to obtain an Alaska Driver's License within 30 days of arrival in Alaska while holding a valid Driver's License from another state.

This bill proposes to change the situation so that SPOUSES (not all dependents), may retain their Driver's License from another state while their husband or wife is stationed in Alaska.

Military spouses maintain that certain states honor the validity of their license from a different state.

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

The bill discriminates against spouses of others who are transferred from other states. It also raises the question of dependents who accompany the military member, i.e. 16 year-old son/daughter who have out-of-state drivers license.

Fiscal impact is minimal; probably Driver License Revenue would decrease by \$5,000 or less.

The language we added for Div. Directors keeps their salary at the existing level and further says that none of them may earn more than \$50,000 per year (Step E, Range 26 = \$50,000)

It does not cut them though if they're already over \$50K.
No fiscal impact.

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

This fiscal note shows the funds needed to add to the FY 80 budget for the impact of SB 182 on executive and judicial branches only. Impact on the legislature would be prepared by the legislative affairs agencies. Funds in this fiscal note would be appropriated to the Governor's Office for further distribution.

By contrast, the FY 80 impact of HCR 2 on the executive and judicial branches, fully implementing Salary Commission recommendations, is \$509,200. The salary schedule used in calculating the figures herein is the schedule proposed in HB 220. The fiscal note for HCR 2 assumed a 7.0% COLA adjustment effective 1/1/80. If a similar assumption is made for SB 182, so that all salaries expressed as a percentage of range 24 E are increased by 7% on 1/1/80, then this fiscal note would be increased by \$166,100 to a total of \$399,000 for FY 80 and subsequent years.

SUBJECT: Provisions for Director's Salaries relating to SB 182

Will director's salaries be addressed if the current CSSB 182 is adopted? Legislative Affairs opinion is that since the Alaska Salary Commission recommends that director's salaries remain on the state pay plan that by not addressing their salaries, CSSB 182 will have a "no change effect" in the review of director's salaries.

Bill Barris
Senator Finance writes

Comments on CS for SB 182
Kay Diebels, Chairman Salary Commission
March 15, 1979

① + written up in amend.
② form for the Comm.
to discuss yet this P.M.

①

Directors salaries

- 1) not addressed in bill
- 2) if Salary Commission abolished, will have to set directors salaries by statute, in this bill or another
- 3) when addressed, if decision made to leave on pay schedule, strongly urge continuation of previously adopted recommendation of appointing at A step. This reduces possibilities of directors earning more than superiors, but will take more years for full effect to be felt.

Sorry for
the Rush
job 😊
Samy

②

Deputy Commissioners

- 1) only category not raised by Chapter 205 in 1975 (later repealed)
- 2) not raised by Salary Commission recommendations in 1977 in effort to maintain equitable relationships
- 3) salary still same as in 1974 - possibly only state employee in that position
- 4) many subordinates earn more - depth of problem became evident after 1977 recommendations adopted and put into practice

Governor

- 1) in 1978 60 employees earned more than Governor (\$52,992)
- 2) in 1978 150+ employees earned more than \$50,000 (salary proposed by this bill for Governor)
- 3) salary cannot be reduced while in office (constitutional prohibition)

No problem with abolishment of Salary Commission, though reasons not clear: 1) "take the heat" 2) politicized

Nothing in budget for Salary Commission meetings, in previous years.

If salaries set by statute at 1977 level, equitable relationships will be maintained except for what is not considered to have been an error on Deputy Commissioners' salaries.

Comments on CS for SB 182
Kay Diebels, Chairman Salary Commission
March 15, 1979

Directors salaries

- 1) not addressed in bill
- 2) if Salary Commission abolished, will have to set directors salaries by statute, in this bill or another
- 3) when addressed, if decision made to leave on pay schedule, strongly urge continuation of previously adopted recommendation of appointing at A step. This reduces possibilities of directors earning more than superiors, but will take more years for full effect to be felt.

Deputy Commissioners

- 1) only category not raised by Chapter 205 in 1975 (later repealed)
- 2) not raised by Salary Commission recommendations in 1977 in effort to maintain equitable relationships
- 3) salary still same as in 1974 - possibly only state employee in that position
- 4) many subordinates earn more - depth of problem became evident after 1977 recommendations adopted and put into practice

Governor

- 1) in 1978 60 employees earned more than Governor (\$52,992)
- 2) in 1978 150+ employees earned more than \$50,000 (salary proposed by this bill for Governor)
- 3) salary cannot be reduced while in office (constitutional prohibition)

No problem with abolishment of Salary Commission, though reasons not clear; 1) "take the heat" 2) politicized

Nothing in budget for Salary Commission meetings, in previous years.

If salaries set by statute at 1977 level, equitable relationships will be maintained except for what is not considered to have been an error on Deputy Commissioners' salaries.

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

This fiscal note shows the funds needed to add to the FY 80 budget for the impact of SB 182 on executive and judicial branches only. Impact on the legislature would be prepared by the legislative affairs agencies. Funds in this fiscal note would be appropriated to the Governor's Office for further distribution.

By contrast, the FY 80 impact of HCR 2 on the executive and judicial branches, fully implementing Salary Commission recommendations, is \$509,200. The salary schedule used in calculating the figures herein is the schedule proposed in HB 220. The fiscal note for HCR 2 assumed a 7.0% COLA adjustment effective 1/1/80. If a similar assumption is made for SB 182, so that all salaries expressed as a percentage of range 24 E are increased by 7% on 1/1/80, then this fiscal note would be increased by \$166,100 to a total of \$399,000 for FY 80 and subsequent years.

* Calculations for Deputy Commissioners made on individual basis because several positions currently exceed maximum.

** SLA 78, CH 80 allowed up to 5 pay steps of 3.5% each for judge and justices pay differential. Only positions located outside Anchorage, Ketchikan, and Juneau receive this differential.

*** All salaries (except Governor and Lt. Governor) are expressed in SB 182 as a percentage of Range 24E. The schedule used in preparation of this fiscal note is the one included in HB 220. If HB 220 fails to pass, all salaries expressed as a percentage of Range 24E would be reduced to an amount based on the current schedule in AS 39.27.011, and the fiscal note would be reduced accordingly by \$109,000 to a total of \$137,100.
