III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

There are two parts of this act which will have substantial impact on prosecution activities. The first is Sec. 04.16.040 which provides a misdemeanor penalty for an intoxicated person to knowingly enter or remain on premises licensed under Title 4. The extent to which this provision may be enforced is unknown. The impact, however, could be felt statewide and would be substantial if a program of selective enforcement were adopted as a local policy matter. Because the extent to which this provision may be enforced is unknown, the fiscal impact cannot be calculated at this time. The second part having an impact is that which provides for both misdemeanor and felony penalties for the possession and transportation of alcoholic beverages within local jurisdictions which have prohibited the sale and distribution of alcoholic beverages under the local option provisions

### III. ANALYSIS (cont'd)

of Title 4. This strengthening of the local option penalties, found in Sec. 04.16.200(e)(f), has a valuable social purpose, but, it is one which will have a price. The major impact of this change will be felt in the Bethel judicial services area where the majority of communities having local option ordinances are located. This area is currently served by two attorneys, one bilingual paralegal and one secretary. The addition of new cases and an increase in the severity of cases will place a substantial new burden on the Bethel Office. This burden will be felt particularly by the single support staff person. Although the attorneys and the paralegal should be able to cope with this change in Title 4, at least until the full impact of the change is felt by the end of FY 81, there will be immediate impact on available clerical services. For this reason we are requesting the addition of a clerk/typist III at Bethel to handle the additional services which will be required by this part.

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

This fiscal note should be read in conjunction with our comments provided in the fiscal note to SB 239. We originally provided a fiscal note for SB 365 on January 29, 1980. Since that date, the bill has been revised to provide for additional prohibitions concerning possession and transportation of intoxicating liquors. These new provisions will have a fiscal impact on prosecution activities which are detailed in our fiscal note to SB 239.

\*Section 1. FINDINGS AND INTENT. The legislature finds that the abuse of intoxicating liquor is inflicting very deleterious effects on individuals, families, and the public at large. The legislature intends that the manufacture, distribution, and sale of intoxicating liquor be controlled and regulated under the police power of the state in such a manner as to mitigate the deleterious effects of intoxicating liquor on the health, safety and welfare of the people of the state. The legislature finds, in furtherance of that intention, that the health, safety and welfare of the public will be well served by placing a person on the Alcoholic Beverage Control Board who is trained to recognize the deleterious effect of alcohol in society and who will be in a position to influence the development of a state policy competent to mitigate or neutralize those effects.

Sec. 04.06.020 is amended to read:

APPOINTMENT AND QUALIFICATIONS. The board consists of six (FIVE) members appointed by the governor and confirmed by a majority of the members of the legislature in joint session. A member of the board may not hold any other state or federal office, either elective or appointive. Two members of the board shall be persons actively engaged in the alcoholic beverage industry, except that no member may hold a wholesale license or be an officer, agent, or employee of a wholesale alcoholic beverage enterprise. One member of the board must have training or experience in the epidemiology of alcoholism. No three members of the board may be engaged in the same business, occupation, or profession.

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

There are two parts of this act which will have substantial impact on prosecution activities. The first is Sec. 04.16.040 which provides a misdemeanor penalty for an intoxicated person to knowingly enter or remain on premises licensed under Title 4. The extent to which this provision may be enforced is unknown. The impact, however, could be felt statewide and would be substantial if a program of selective enforcement were adopted as a local policy matter. Because the extent to which this provision may be enforced is unknown, the fiscal impact cannot be calculated at this time. The second part having an impact is that which provides for both misdemeanor and felony penalties for the possession and transportation of alcoholic beverages within local jurisdictions which have prohibited the sale and distribution of alcoholic beverages under the local option provisions

### III. ANALYSIS (cont'd)

of Title 4. This strengthening of the local option penalties, found in Sec. 04.16.200(e)(f), has a valuable social purpose, but, it is one which will have a price. The major impact of this change will be felt in the Bethel judicial services area where the majority of communities having local option ordinances are located. This area is currently served by two attorneys, one bilingual paralegal and one secretary. The addition of new cases and an increase in the severity of cases will place a substantial new burden on the Bethel Office. This burden will be felt particularly by the single support staff person. Although the attorneys and the paralegal should be able to cope with this change in Title 4, at least until the full impact of the change is felt by the end of FY 81, there will be immediate impact on available clerical services. For this reason we are requesting the addition of a clerk/typist III at Bethel to handle the additional services which will be required by this part.

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

This fiscal note should be read in conjunction with our comments provided in the fiscal note to SB 239. We originally provided a fiscal note for SB 365 on January 29, 1980. Since that date, the bill has been revised to provide for additional prohibitions concerning possession and transportation of intoxicating liquors. These new provisions will have a fiscal impact on prosecution activities which are detailed in our fiscal note to SB 239.

6 For an Act entitled: "An Act relating to alcoholic beverages; and providing  
7 for an effective date."

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9 \*Section 1. AS 04 is amended by adding a new chapter to read:

10 CHAPTER 06. ALCOHOLIC BEVERAGE CONTROL BOARD.

11 Sec. 04.06.010. ESTABLISHMENT OF BOARD. The Alcoholic Beverage  
12 Control Board is established as a regulatory and quasi-judicial agency.  
13 The board is in the Department of Revenue, but for administrative pur-  
14 poses only.

15 Sec. 04.06.020. APPOINTMENT AND QUALIFICATIONS. The board con-  
16 sists of five members appointed by the governor and confirmed by a  
17 majority of the members of the legislature in joint session. A member  
18 of the board may not hold any other state or federal office, either  
19 elective or appointive. Two members of the board shall be persons  
20 actively engaged in the alcoholic beverage industry, except that no  
21 member may hold a wholesale license or be an officer, agent, or employee  
22 of a wholesale alcoholic beverage enterprise. No three members of the  
23 board may be engaged in the same business, occupation, or profession.

24 Sec. 04.06.030. TERMS OF OFFICE. (a) Members of the board shall  
25 be appointed for overlapping terms of three years.

26 (b) A vacancy occurring in the membership of the board shall be  
27 filled within 30 days by appointment of the governor for the unexpired  
28 portion of the vacated term.

29 (c) The board shall select a chairman from among its members.

1           Sec. 04.06.040. PER DIEM AND EXPENSES. Members of the board  
2 receive no salary, but are entitled to per diem and travel expenses  
3 authorized by law for other boards and commissions.

4           Sec. 04.06.050. MEETINGS. The board shall meet at the call of the  
5 chairman. The board shall also meet at least once each year in each  
6 judicial district of the state to study this title and to modify exist-  
7 ing board regulations in light of statewide and local problems.

8           Sec. 04.06.060. QUORUM AND MAJORITY. Three members of the board  
9 constitute a quorum for the conduct of business, except that a majority  
10 of the whole membership of the board must approve all applications for  
11 new licenses, and all renewals, transfers, suspensions and revocations  
12 of existing licences. If a majority of the board is present and voting,  
13 the director, with the consent of the members present, may cast a tie-  
14 breaking vote.

15           Sec. 04.06.070. APPOINTMENT AND REMOVAL OF DIRECTOR. The governor  
16 shall appoint a director to serve as the executive officer of the board.  
17 The board may remove the director at its pleasure, and the governor may  
18 remove the director for misconduct, misfeasance or malfeasance in office.  
19 The governor may not remove the director unless the director is given a  
20 copy of the charges against him and afforded an opportunity to be  
21 publicly heard, in person or by counsel, in his own defense upon at  
22 least 10 days notice. If the director is removed for cause, the governor  
23 shall file with the lieutenant governor a complete statement of all  
24 charges made against the director and the findings based on the charges,  
25 together with a complete record of any hearing.

26           Sec. 04.06.075. AUTHORITY OF DIRECTOR. The director shall enforce  
27 this title and regulations adopted by the board.

28           Sec. 04.06.080. DELEGATION OF AUTHORITY. The director shall  
29 issue, renew, transfer, suspend, or revoke all licenses and permits at

1 the direction of the board. However, notwithstanding AS 04.11.070, the  
2 board may delegate authority to the director to temporarily grant or  
3 deny the issuance, renewal, or transfer, of licenses and permits. The  
4 director's temporary grant or denial of the issuance, renewal, or trans-  
5 fer of a license or permit is not binding on the board. The board may  
6 delegate to the director any duty imposed by this title except its power  
7 to propose and adopt regulations.

8 Sec. 04.06.090. POWERS AND DUTIES. (a) The board shall control  
9 the manufacture, barter, and sale of alcoholic beverages in the state.

23 premises or is otherwise in the best interests of the public.

24 (d) The board may employ, directly or through contracts with other  
25 departments and agencies of the state, enforcement agents and staff it  
26 considers necessary to carry out the purposes of this title. The  
27 salaries of personnel of the board in the exempt service shall be set by  
28 the Department of Administration.

29 (e) The board shall promptly notify all licensees and municipali-

2 this title. However, if changes only affect specific classifications of  
3 licenses and permits, the board need only notify those licensees and  
4 municipalities directly affected by the changes. Current copies of this  
5 title and current copies of the regulations adopted under it shall be  
6 made available at all offices of the Department of Revenue and the  
7 detachment headquarters and posts maintained by the division of Alaska  
8 state troopers, Department of Public Safety, in the state.

9 Sec. 04.06.100. REGULATIONS. (a) The board shall adopt regula-  
10 tions governing the manufacture, barter, sale, consumption, and posses-  
11 sion of alcoholic beverages in the state which are consistent with this  
12 title and necessary to carry out the purpose of this title in a manner  
13 that will protect the public health, safety, and welfare. The regula-

29 and renewal of licenses;

1 (8) manner of giving any notice required by law or regulation  
2 when not provided for by statute;

3 (9) requirements relating to the qualifications of licensees,  
4 the conditions upon which a license may be issued, the accommodations of

15 provided for in this title;
