7 ing for an effective date."

8 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

9 * Section 1. AS 23.30.005(a) is amended to read:

10 (a) The Alaska Workers' Compensation Board shall consist of nine
11 [SEVEN] members, including a southern panel of three members sitting
12 for the first judicial district, a northern panel of three members
13 sitting for the second and fourth judicial districts, [AND] a south-
14 central panel of three members sitting for the third judicial district,
15 and one panel of three members which may sit in any judicial district.

16 Each panel shall include the commissioner of labor or his designated
17 representative, a representative of industry and a representative of
18 labor. The latter two members of each panel shall be appointed by the
19 governor. All panel members are subject to confirmation by a majority
20 of the members of the legislature in joint session.

21 * Sec. 2. AS 23.30.040 is repealed and reenacted to read:

22 Sec. 23.30.040. SECOND INJURY FUND. (a) There is created a
23 second injury fund, administered by the commissioner of labor. Money
24 in the second injury fund may only be paid for the benefit of those
25 persons entitled to payment of benefits from the second injury fund
26 under this chapter. Payments from the second injury fund must be made
27 by the commissioner of labor in accordance with the orders and awards
28 of the board.

29 (b) If an employee suffers a compensable injury which results in

1 temporary total disability, temporary partial disability, permanent
 2 partial disability, or permanent total disability, the employer or
 3 insurance carrier shall contribute to the second injury fund. The
 4 contribution shall be made by one year from the date of the injury or
 5 on termination of the employee's claim, whichever is sooner. If the
 6 claim is not terminated within one year, subsequent contributions shall
 7 be made yearly until the termination of the employee's claim. The
 8 amount of the contribution is the product of the compensation to which
 9 the employee is entitled for temporary total disability, temporary
 10 partial disability, permanent partial disability, permanent total
 11 disability, or for rehabilitation under AS 23.30.191 and the applicable
 12 contribution rate set out in column A of this subsection. By
 13 December 15 of each year the commissioner shall determine and make
 14 available to the public the applicable contribution rate for the follow-
 15 ing calendar year according to the reserve rate of the second injury
 16 fund in Column B of this subsection:

 29 death and the employee is not survived by a widow, widower, child, or

1 dependent relative eligible to receive death benefits under AS 23.-
2 30.215, the employer or insurance carrier shall pay \$10,000 to the
3 second injury fund.

4 (d) The board may refund a payment made into the second injury
5 fund if the employer or insurance carrier shows that it made the pay-
6 ment by mistake or inadvertence, or if it shows there existed at the
7 time of the death of the employee a beneficiary entitled to benefits
8 under AS 23.30.215.

9 (e) The board may direct and provide the vocational retraining
10 and vocational rehabilitation of a permanently disabled person whose
11 condition is a result of an injury compensable under this chapter by
12 making cooperative arrangements with insurance carriers, private organ-
13 izations and institutions, or state or federal agencies. The person
14 being retrained or rehabilitated is entitled to receive additional
15 compensation from the second injury fund for maintenance during the
16 period of retraining and rehabilitation in the sum which the board
17 considers necessary, not to exceed \$200 a month. The total expendi-
18 tures for maintenance, retraining, rehabilitation, and necessary trans-

29 under this chapter shall be paid periodically, promptly, and directly

1 to the person entitled to it, without an award, except where liability
2 to pay compensation is controverted by the employer. To controvert a
3 claim the employer must file a notice, on a form prescribed by the
4 board, stating

5 (1) that the right of the employee to compensation is
6 controverted;

7 (2) the name of the employee;

8 (3) the name of the employer;

9 (4) the date of the alleged injury or death; and

10 (5) the type of compensation and all grounds upon which the
11 right to compensation is controverted.

12 (b) The first installment of compensation becomes due on the 14th
13 day after the employer has knowledge of the injury or death. On this
14 date all compensation then due shall be paid. Subsequent compensation
15 shall be paid in installments, every 14 days [SEMIMONTHLY], except
16 where the board determines that payment in installments should be made
17 monthly or at some other period.

18 (c) Upon making the first payment, and upon an increase, reduc-
19 tion, termination, suspension, resumption or a change in rate or type
20 of compensation paid [OF PAYMENT FOR ANY CAUSE], the employer shall
21 [IMMEDIATELY] notify the board within 14 days, on [IN ACCORDANCE WITH]
22 a form prescribed by the board, that payment of compensation has begun
23 or has been increased, reduced, terminated, resumed, changed, or sus-
24 pending, as the case may be. If the employer fails to notify the board
25 within 14 days, the board shall assess against the employer a civil
26 penalty of \$100 plus \$25 for each day in excess of 14 days that the
27 employer fails to give notice. Total penalties under this section may
28 not exceed \$2,500 for each failure to file a required report.

29 (d) If the employer controverts the right to compensation he

1 shall file with the board on or before the 14th day after he has knowl-
2 edge of the alleged injury or death or on or before an installment of
3 compensation payable without an award is due, a notice of controversion
4 on [, IN ACCORDANCE WITH] a form prescribed by the board [, STATING
5 THAT THE RIGHT TO COMPENSATION IS CONTROVERTED, THE NAME OF THE CLAI-
6 MANT, THE NAME OF THE EMPLOYER, THE DATE OF THE ALLEGED INJURY OR
7 DEATH, AND THE GROUNDS UPON WHICH THE RIGHT TO COMPENSATION IS CONTRO-
8 VERTED].

9 (e) If any installment of compensation payable without an award
10 is not paid within 14 days after it becomes due, as provided in (b) of
11 this section, there shall be added to the unpaid installment an amount
12 equal to 20 percent of it, which shall be paid at the same time as, and
13 in addition to, the installment, unless notice is filed under (d) of
14 this section or unless the nonpayment is excused by the board after a
15 showing by the employer that owing to conditions over which he had no
16 control the installment could not be paid within the period prescribed
17 for the payment.

18 (f) If compensation payable under the terms of an award is not
19 paid within 14 days after it becomes due, there shall be added to that
20 [SUCH] unpaid compensation an amount equal to 20 percent of it, which
21 shall be paid at the same time as, but in addition to, the compen-
22 sation, unless review of the compensation order making the award is had
23 as provided in AS 23.30.125 and an interlocutory injunction staying
24 payments is allowed by the court.

25 [(g) WITHIN 16 DAYS AFTER FINAL PAYMENT OF COMPENSATION HAS BEEN
26 MADE, THE EMPLOYER SHALL SEND TO THE BOARD A NOTICE IN ACCORDANCE WITH
27 A FORM PRESCRIBED BY THE BOARD STATING THE FACT THAT FINAL PAYMENT HAS
28 BEEN MADE, THE TOTAL AMOUNT OF COMPENSATION PAID, THE NAME OF THE
29 EMPLOYEE AND OF ANY OTHER PERSON TO WHOM COMPENSATION HAS BEEN PAID,

1 THE DATE OF THE INJURY OR DEATH, AND THE DATE TO WHICH WHICH COMPENSA-
2 TION HAS BEEN PAID. IF THE EMPLOYER FAILS TO SO NOTIFY THE BOARD WITHIN
3 THIS TIME, THE PJARD SHALL ASSESS AGAINST THE EMPLOYER A CIVIL PENALTY
4 IN THE AMOUNT OF \$100.]

5 (h) The board may upon its own initiative at any time in a case
6 in which payments are being made with or without an award, [AND SHALL
7 IN A CASE] where right to compensation is controverted, or where pay-
8 ments of compensation have been increased, reduced, terminated, changed,
9 [STOPPED] or suspended, upon receipt of notice from a person entitled
10 to compensation, or from the employer, that the right to compensation
11 is controverted, or that payments of compensation have been increased,
12 reduced, terminated, changed, [STOPPED] or suspended, make the investi-
13 gations, cause the medical examinations to be made, or hold the hear-
14 ings, and take the further action which it considers will properly
15 protect the rights of all parties.

16 (i) When the board considers it advisable it may require an
17 employer to make a deposit with the Department of Revenue to secure the
18 prompt and convenient payment of the compensation, and payments from
19 the deposit upon an award shall be made upon order of the board.

20 (j) If an employer has made advance payments of compensation, he
21 is entitled to be reimbursed out of any unpaid installment or install-
22 ments of compensation due.

23 (k) An injured employee or in case of death his dependents or
24 personal representative, shall give receipts for payment of compensation
25 to the employer paying it and the employer shall produce them for
26 inspection by the board, whenever required.

27 (l) (repealed)

28 (m) An employer shall file on or before the date one year from
29 the date of injury or upon termination of the claim, whichever is

1 sooner, a report on a form prescribed by the board, showing the total
2 amount of all compensation, medical and related benefits, legal fees,
3 and penalties paid ig the period since the injury including the
4 name of the claimant, the date of injury, and the claim number. If the
5 claim is not terminated within one year, subsequent reports shall be
6 made yearly until the termination of the claim.

7 * Sec. 4. AS 23.30.265 is amended by adding a new paragraph to read:

8 (28) "reserve rate" means the unencumbered second injury fund
9 balance on October 31 of each year as a percentage of disbursements
10 from the second injury fund during the 12-month period ending on June 30
11 of the same calendar year.

12 * Sec. 5. The amount of a payment to the second injury fund and the
13 conditions under which a payment is required of an employer or insurance
14 carrier must be in accordance with the version of AS 23.30.040(b) in effect
15 on the date that the injury to the employee occurred.

16 * Sec. 6. Notwithstanding the provisions of AS 23.30.040(b) as reenacted
17 in sec. 2 of this Act, the contribution rate for the second injury fund is
18 six percent from July 1, 1981, until December 31, 1982.

20 Labor shall undertake a comprehensive study of vocational rehabilitation of
21 injured workers to include the following topics: (1) the organizational

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

Projected Fund Balance reports for both current and new legislation are attached.

Also attached is an analytic statement.

The Fund receives no federal or state funding and is supported entirely by contributions made by employers/carriers in compliance with decisions and awards of the Workers' Compensation Board. Under currently existing law, the employer or its insurance carrier is required to pay into the Fund a lump sum equal to eight percent of the total compensation to which the injured worker is entitled for permanent partial disability and \$10,000 in cases of death where the employee is not survived by eligible dependents. This present method of funding does not generate adequate revenues to meet the Fund's current obligations.

Because of a short fall in revenues the Fund has accumulated approximately \$500.0 in unpaid obligations as of December 15, 1980. Failure to pay these obligations as they become due is in violation of As 23.30.205, which requires the Fund to reimburse the employer/carriers in full for compensation paid to injured workers under certain prescribed conditions.

This BRU has submitted a Supplemental Budget request for \$600.0 from General Funds. This will allow the Fund to meet its current obligations for FY '81 and provide for any additional awards that may be made by the Workers' Compensation Board during the remainder of this fiscal year.

In the department's estimation, the proposed bill will provide adequate revenues for the Second Injury Fund to meet its statutory obligations to the Alaskan worker, employer and insurance carrier and preclude the use of State General Funds in future years.

III. ANALYSIS (See Fiscal Note Preparation Instructions, Section III)

1) The FY '82 General Fund request will allow the Fund to meet its outstanding obligations. Because of a shortfall in revenues the Fund has accumulated approximately \$600.0 in unpaid obligations. Failure to pay these obligations as they become due is in violation of AS 23.30.205, which requires the Fund to reimburse the employer/carrier in full for compensation paid to injured workers under certain prescribed conditions. Since enactment of the Second Injury Fund statutes in 1959, total operating costs of the program have been paid from revenues contributed by employers/carriers. During recent hearings held by the Workers' Compensation Study Commission, employers and their carriers voiced strong concern as to why administrative costs of the program are being paid from the Second Injury Fund rather than out of the State General Fund. Present Second Injury Fund statutes provide for payments to be made to the Fund and disbursements to be made from the Fund under certain prescribed conditions. There is no provision however, that addresses the payment of administrative costs.

IV. DATE April 27, 1981 PREPARED BY *Nico Bus*

 cc: Budget and Management
 Prime Sponsor (First Legislator Named)

This fiscal note reflects the impact on the General Fund and the Second Injury Fund when administrative cost will be paid out of General Funds for FY 1982 through FY 1986.

Assumes an inflation factor of 8%.

Assumes an effective date of July 1, 1981.

- 2) Assumes an annual increase of 20% as a result of the raise in the maximum from \$5,000 to \$10,000 for vocational retraining and rehabilitation benefits.

In the department's estimation, the proposed bill will provide adequate revenue for the Second Injury Fund to meet its statutory obligations to the Alaskan worker, employer and insurance carrier and preclude the use of State General Funds in future years.

9 * Section 1. AS 34 is amended by adding a new chapter to read:

10 CHAPTER 14. LAND PURCHASE LOANS.

11 Sec. 34.14.010. FUNDS CREATED. (a) The land purchase revolving
12 loan fund is created in the Department of Commerce and Economic Develop-
13 ment. The loan fund consists of money appropriated to that fund by the
14 legislature.

15 (b) The land purchase loan guarantee fund is created in the
16 Department of Commerce and Economic Development. The loan guarantee
17 fund consists of money appropriated to that fund by the legislature.

18 (c) The commissioner is the administrator of the funds created in
19 this section.

20 Sec. 34.14.020. POWERS OF THE DEPARTMENT. The department may

21 (1) adopt regulations necessary to carry out the purposes of
22 this chapter;

23 (2) establish amortization plans for repayment of loans,
24 which may include an extension for a borrower who is unable to comply
25 with the loan agreement because of personal hardship;

26 (3) enter into agreements with private lending institutions,
27 other state agencies, or agencies of the federal government to carry
28 out the purposes of this chapter.

29 Sec. 34.14.030. LAND PURCHASE LOANS. The department may make

1 loans for the purchase of unimproved land located in the state to an
2 individual who is eligible under AS 34.14.040. A loan under this sec-
3 tion may not exceed \$30,000 or 90 percent of the appraised value of the
4 land, whichever is less. A loan may not be for a period longer than 20
5 years or bear interest which exceeds the prevailing interest rate for
6 loans made by the Alaska Housing Finance Corporation, and the loan
7 shall be secured by a first lien, mortgage or deed of trust, except
8 that the state may subordinate its security interest to that of a
9 lending institution which makes a loan for the construction of a resi-
10 dence on the land, if sufficient security is retained by the state
11 after subordination to secure the balance of the land purchase loan.

12 Sec. 34.14.040. ELIGIBILITY. (a) An individual is eligible for
13 a loan or loan guarantee under this chapter if he

14 (1) submits proof, as required by regulation, that he has
15 been a state resident for at least one year before the loan application
16 is made;

17 (2) is at least 18 years of age;

18 (3) has not previously received a loan or a loan guarantee
19 under this chapter;

20 (4) is able to repay the loan; and

21 (5) certifies that he is purchasing the land for his residen-
22 tial use.

23 (b) An individual is eligible to receive a loan under this chapter
24 even if the individual has no history of other credit transactions.

25 Sec. 34.14.050. LOAN GUARANTEE. (a) The department may guarantee
26 the payment of loans for the purchase of unimproved land located in the
27 state made by lending institutions and persons to individuals who are
28 eligible under AS 34.14.040. A loan guarantee may not exceed 90 percent
29 of the amount loaned, and the loan must be secured by a first lien,

1 mortgage, or deed of trust.

2 (b) The department shall pay a lender the unpaid principal and
3 interest due on any loan guaranteed under this section upon which there
4 is a default by the borrower. Payments made under this subsection must
5 be from the loan guarantee fund.

6 (c) The commissioner may not guarantee loans under this
7 section if the balance of the loan guarantee fund is less than 20 per-
8 cent of the unpaid balance of all outstanding loans guaranteed under
9 this section.

10 Sec. 34.14.060. CONDITIONS FOR LOANS AND GUARANTEES. A loan
11 which is made or guaranteed under this chapter must contain the follow-
12 ing conditions:

13 (1) the borrower may prepay the principal of the loan without
14 penalty;

15 (2) the loan obligation may only be assumed by a person who
16 is eligible under AS 34.14.040; and

17 (3) the loan balance and interest become immediately due if

18 (A) the borrower constructs improvements on the land
19 for use other than residential use, or

20 (B) the borrower conveys the land to a person who is
21 not eligible under AS 34.14.040.

10 (12) not later than January [MARCH] 31 of each year, provide
11 to the commissioner of revenue the names of those fish and shellfish
12 species which he designates as developing commercial fish species for
13 that calendar year [THE FOLLOWING FISCAL YEAR OF THE STATE]; a fish or
14 shellfish species is a developing commercial fish species if, within a
15 specified geographical region,

16 (A) the optimum yield from the harvest of the species
17 has not been reached;

18 (B) a substantial portion of the allowable harvest of
19 the species has been allocated to fishing vessels of a foreign
20 nation; or

28 (a) Interest shall be allowed and paid on any overpayment of a tax
29 under this title at the rate prescribed in AS 43.05.225 [OF EIGHT PER-

2 * Sec. 4. AS 43.40.010 is amended by adding a new subsection to read:

3 (1) If a dealer has a reasonable belief at the time of sale
4 or transfer that fuel that is sold or transferred is not to be used as
5 motor fuel, the dealer need not collect the motor fuel tax. If the tax
6 is not collected, the dealer shall obtain a certificate of use from the
7 buyer or transferee stating that the fuel that has been or will be pur-
8 chased or received is not intended for use as motor fuel. The Depart-
9 ment of Revenue may not collect the motor fuel tax from a dealer for
10 fuel for which a certificate of use has been properly obtained under

22 The commissioner may require any additional information which he con-
23 siders necessary for the administration of this subsection [AS 43.40.-

27 filed within one year from the date of the purchase of the motor fuel as

29 is a waiver of the right to the refund. A claim is considered to be

1 filed when the claim is mailed or personally presented to an office of
2 the Department of Revenue.

3 * Sec. 9. AS 43.40.050 is amended by adding a new subsection to read:

4 (c) A reseller who claims a refund or credit under AS 43.40.035
5 shall present the refund claim to the Department of Revenue or to the

18 electrical energy for private residential consumption;

19 (J) fuel used to heat private or commercial buildings or
20 facilities;

21 (K) fuel used for other nontaxable purposes as prescribed
22 by regulations adopted by the Department of Revenue;

23 * Sec. 11. AS 43.40.100(3) is amended to read:

24 (3) "user" means a person consuming or using motor fuel, who
25 either

26 (A) purchases the fuel out of the state and ships it

28 (B) [OR] manufactures the fuel in the state; or

29 (C) purchases or receives fuel in the state that is not

1 taxed at the time of purchase or receipt.

3 (4) "qualified dealer" means a person who (A) refines, (B)
4 imports, (C) manufactures, (D) produces, (E) compounds, or (F) whole-
5 sales motor fuel, who satisfies criteria for qualified dealers estab-
6 lished by the Department of Revenue by regulation and who obtains a
7 qualified dealer's license from the Department of Revenue.

8 * Sec. 13. AS 43.55.060 is amended to read:

9 Sec. 43.55.060. DELINQUENCY. When the tax provided for in this
10 chapter becomes delinquent, it bears interest at the rate prescribed in
11 AS 43.05.225 [OF SIX PERCENT A YEAR]. If any person fails to make a
12 report required by this chapter, within the time prescribed by law for
13 the report, the department shall examine the books, records and files of
14 the person to determine the amount and value of the production to compute
15 the tax, and the department shall add to the tax the cost of the examina-
16 tion, together with any penalties accrued.

17 * Sec. 14. The designation of developing commercial fish species required
18 to be made not later than January 31, 1983, under AS 16.05.050(12), as amended
19 in sec. 1 of this Act, supersedes the designation of developing commercial
20 fish species for the fiscal year ending June 30, 1983.

21 * Sec. 15. Those changes to the investment tax credit provisions of
22 sec. 38 of the Internal Revenue Code (26 U.S.C. sec. 38) enacted by the
23 Economic Recovery Tax Act of 1981 (P.L. 93-34) are effective at the time
24 prescribed by federal law, notwithstanding the fact that the provisions will
25 be made retroactive to the effective dates in the federal law and notwith-
26 standing the delayed incorporation provisions of AS 43.20.021(a). Nothing in
27 this section modifies the limitations and conditions on the Alaska investment
28 tax credit set out in AS 43.20.036(b).

29 * Sec. 16. The Department of Revenue may not collect the motor fuel tax

1 from a dealer, as defined in AS 43.40.100(1), on a sale or transfer of motor
2 fuel that occurs before the effective date of this Act if the dealer did not
3 collect the tax from a purchaser or transferee because of a reasonable belief
4 that the fuel was not to be used as motor fuel, as that term is defined in
5 AS 43.40.100(2), or if the dealer relied upon the purchaser's representation
6 that the fuel would not be used as motor fuel. This section is intended to
7 clarify ambiguities in the existing language of AS 43.40 concerning the party
8 responsible for collecting the tax and to resolve an administrative dispute
9 between certain fuel dealers and the Department of Revenue. For this reason,
10 this section serves the general public interest in the fair and equitable
11 administration of AS 43.40.

12 * Sec. 17. AS 43.20.172 and AS 44.62.330(a)(20) are repealed.

13 * Sec. 18. Sections 2, 3, and 13 of this Act take effect July 1, 1982.

14 * Sec. 19. Sections 1 and 14 of this Act take effect January 1, 1983.

15 * Sec. 20. Sections 4 - 12 and 15 - 17 of this Act take effect immediately
16 in accordance with AS 01.10.070(c).

(b) The entire tax levied by this chapter shall be refunded to the purchaser on that part of the motor fuel used in a foreign country on which the tax has been [DUTY IS] paid when the fuel is sold and delivered in the state for non-highway use in a foreign country.

*Sec. 5 AS 43.55.060 is amended to read:

Sec. 43.55.060. DELINQUENCY. When the tax provided for this chapter becomes delinquent, it bears interest at the rate prescribed in AS 43.05.225 [OF SIX PERCENT A YEAR]. If any person fails to make a report required by this chapter, within the time prescribed by law for the report, the department shall examine the books, records and files of the person to determine the amount and value of the production to compute the tax, and the department shall add to the tax the cost of the examination, together with any penalties accrued.

Sec. 6 AS 43.20.172 and AS 44.62.330(a) (20) are repealed.

Sec. 7. The designation of developing commercial fish species required to be made not later than January 31, 1983, under AS 16.05.050(12), as amended in sec. 1 of this Act, supersedes the designation of developing commercial fish for the fiscal year ending June 30, 1983.

Sec. 8. Those changes to the investment tax credit provisions of sec. 38 of the Internal Revenue Code (26 U.S.C. sec. 38) enacted by the Economic Recovery Tax Act of 1981 (P.L. 93-94) are effective at the time prescribed by federal law, notwithstanding the fact that the provisions will be made retroactive to the effective dates in the federal law and notwithstanding the delayed incorporation provisions of AS 43.20.021(a). Nothing in this section modifies the limitations and conditions on the Alaska investment tax credit set out in AS 43.20.036(b).

*Sec. 9 AS 43.40.010 is amended by adding new subsection after subsection (k) to read:

"(1) If a dealer has a reasonable belief at the time of sale or transfer that fuel that is sold or transferred is not to be used as motor fuel, the dealer need not collect the motor fuel tax. If the tax is not collected, the dealer shall obtain a certificate of use from the buyer or transferor stating that the fuel that has been or will be purchased or received is not intended for use as motor fuel. The Department of Revenue may not collect the motor fuel tax from a dealer for fuel for which a certificate of use has been properly obtained under this subsection. The dealer shall retain a copy of each certificate of use obtained under this subsection for examination or audit on request by the Department of Revenue. The form of a certificate of use may be prescribed by regulation adopted by the Department of Revenue."

*Sec. 10 A new section as follows is added immediately following AS 43.40.030:

Sec. 43.40.035. OTHER REFUNDS AND CREDITS FOR CERTAIN USES OF MOTOR FUEL.

(a) A person who resells fuel upon which the tax prescribed by Sec. 43.40.010(a) or Sec. 43.40.010(b) has previously been paid shall be entitled to a full or partial credit or refund of the tax previously paid if the fuel resold is exempt from tax under AS 43.40.100(2) and if a certificate is acquired under AS 43.40.010(1). The amount of the credit or refund shall be equal to the amount of tax prescribed for in Sec. 43.40.010(a) or Sec. 43.40.010(b) subtracted from the amount of tax previously paid on the fuel being resold. A reseller may elect, with the express written consent of his supplier, to receive the credit or refund directly from the supplier rather than filing a claim for refund with the Department of Revenue. When such election is properly made, the supplier may then claim the credit or refund directly from the Department of Revenue. In order to be effective, such election is to be signed in quadruplicate by both the reseller and the supplier. The reseller and the supplier shall each file one copy of the election, containing original signatures, with the Department of Revenue. The reseller and supplier shall each retain a copy of the election containing original signatures, for subsequent review upon audit by the Department of Revenue. Such election once made cannot be revoked without the express written consent of the supplier.
