13 Sec. 42.40.170. EXECUTIVE SESSIONS. (a) The question of hold-  
14 ing an executive session shall be determined in accordance with  
15 AS 42.40.160. A subject may not be considered at an executive session

17 or is auxiliary to a subject mentioned. An action may not be taken at  
18 an executive session.

19 (b) Only the following subjects may be discussed in an executive  
20 session:

21 (1) matters, the immediate knowledge of which would clearly  
22 have an adverse effect upon the finances of the corporation;

23 (2) unless the person has requested to have the subjects  
24 discussed in public, subjects that tend to prejudice the reputation  
25 and character of a person;

26 (3) matters that, by law or municipal charter or ordinance,  
27 are permitted to be kept confidential from public disclosure;

2 (7) proprietary or other information of a type treated as  
3 confidential under the standards and practices of the United States  
4 Interstate Commerce Commission, including practices that protect  
5 information associated with specific shippers, divisions, and contract  
6 rate agreements.

7 Sec. 42.40.180. RULES. (a) The board shall adopt rules to  
8 carry out its functions and the purposes of this chapter, including  
9 rules to safeguard property owned, managed, or transported by the  
10 corporation and to protect employees and persons using the corpora-  
11 tion's property or services. At least 15 days before the adoption of  
12 a rule, the board shall give public notice of the proposed action by  
13 publishing a notice in at least three newspapers of general circula-  
14 tion in the state and by mailing a copy of the notice to each person  
15 who has requested notice of proposed rules. The notice must state the  
16 time, place, and nature of the proceedings and must contain a summary  
17 of the subject of the proposed change.

18 (b) On the date and at the time and place designated in the  
19 notice required under (a) of this section the board shall provide each  
20 interested person an opportunity to present statements in writing  
21 concerning the proposed rule and shall give members of the public an  
22 opportunity to present oral statements for a total period of at least  
23 one hour.

24 (c) The board shall consider all relevant matters presented to  
25 it before adopting a rule. The board may take action on a rule that  
26 varies in content from the summary provided with the notice of the  
27 proposed rule if the subject of the rule was reflected in the summary  
28 and it provided reasonable notice to the public as to whether their  
29 interests could be affected by the board's action on that subject.

1 (d) The board shall establish in the bylaws of the corporation  
2 additional procedures for adopting rules if necessary.

3 Sec. 42.40.190. EMERGENCY RULES. (a) The board shall establish  
4 in the bylaws of the corporation a procedure for the adoption of a  
5 rule on an emergency basis. An emergency rule may be adopted only  
6 when necessary for the orderly operation of the corporation's facil-  
7 ities or programs. The requirements of AS 42.40.180 do not apply to  
8 actions taken under this section. However, within 10 days after the  
9 adoption of a rule on an emergency basis the board shall give notice  
10 of its action that substantially complies with the notice requirements  
11 of AS 42.40.180(a).

12 (b) An action taken under this section remains in effect for not  
13 more than 120 days. To prevent an emergency rule from lapsing the  
14 board may adopt the same rule under AS 42.40.190 before the end of the  
15 120-day period.

16 Sec. 42.40.200. VALIDITY OF RULES. (a) Failure to mail notice  
17 to a person under AS 42.40.180(a) or 42.40.190(a) does not invalidate  
18 an action taken by the board.

19 (b) An interested person may challenge a rule adopted by the  
20 board by bringing an action in the superior court. In addition to  
21 other grounds, a court may declare a rule invalid

22 (1) for substantial failure by the board to comply with  
23 AS 42.40.180 or 42.40.190; or

24 (2) if the rule was adopted under AS 42.40.190, upon the  
25 grounds that the emergency rule was not necessary for the orderly  
26 operation of the corporation's facilities or programs.

27 Sec. 42.40.205. APPLICATION. Adoption of a rule is not subject  
28 to AS 42.40.180 or 42.40.190 if it

29 (1) relates only to the internal management of the

1 corporation;

2 (2) relates to specific rates, tariffs, divisions, and  
3 contract rate agreements;

4 (3) relates to service schedules of the railroad;

5 (4) is directed to a specifically named person or to a  
6 group of persons and does not apply to the general public; or

7 (5) relates to the use of public works under the jurisdic-  
8 tion of the corporation if the effect of the order is indicated to the  
9 public by means of signs or signals.

10 Sec. 42.40.210. PREVIOUSLY ADOPTED RULES AND ORDERS. (a) The  
11 board may provide by resolution that rules and orders in effect on the  
12 date of transfer remain in effect until amended or repealed by the  
13 board. The board may adopt the substance of former federal rules or  
14 orders relating to the Alaska Railroad and this may not be considered  
15 a continuation of the federal rules or orders if adopted by the board  
16 in accordance with procedural requirements of this chapter or other  
17 law.

18 (b) AS 42.40.180 does not apply to actions taken under this  
19 section.

20 Sec. 42.40.220. PUBLIC DISCLOSURE OF INFORMATION. (a) Except  
21 as provided under (b) of this section, information in the possession  
22 of the corporation is public and is open to public inspection at  
23 reasonable times.

24 (b) The corporation may by rule designate as confidential and  
25 withhold public disclosure of matters of a nonpublic, privileged, or  
26 proprietary nature. Those matters include personnel records, communi-  
27 cations with and work product of legal counsel, and, consistent with  
28 the standards and practices of the United States Interstate Commerce  
29 Commission for the protection of these matters, other information

1 including proprietary information associated with specific shippers,  
2 divisions and contract rate agreements.

3 Sec. 42.40.230. CONFLICTS OF INTEREST. (a) Except as provided  
4 in this section, a board member or executive officer of the corpora-  
5 tion may not participate in a decision of the corporation in which  
6 that person or a member of that person's immediate family has a direct  
7 or indirect financial interest unless the financial interest is a  
8 remote financial interest and participation is approved under (b) of  
9 this section.

10 (b) A board member or executive officer may participate in a  
11 decision if that person or a member of that person's immediate family  
12 has only a remote interest, the fact and extent of the interest is  
13 disclosed to the board in a public meeting and is noted in the minutes  
14 of the board before any participation by the member or in the deci-  
15 sion, and thereafter in a public meeting the board by vote authorizes  
16 or approves the participation. If the person whose participation is  
17 under consideration is a board member, that person may not vote under  
18 this subsection. For purposes of this subsection, "remote interest"  
19 means an interest that in good faith is defined as remote by rules  
20 adopted by the corporation.

21 (c) A board member or executive officer is not considered to be  
22 financially interested in a decision when the decision could not  
23 affect that person in a manner different from its effect on the public  
24 or community.

25 (d) Within 120 days of the first meeting of the board, the board  
26 shall adopt and may subsequently amend rules implementing this sec-  
27 tion, providing additional conflict of interest and ethical rules it  
28 considers appropriate, and providing for the removal by the board of a  
29 board member or executive officer who intentionally violates a

1 prohibition contained in this section.

2 (e) For purposes of this section

3 (1) "participate in a decision" includes all discussions,  
4 deliberations, preliminary negotiations, and votes;

5 (2) "immediate family" means

6 (A) spouse;

7 (B) dependent parent, parent-in-law, child, son-in-  
8 law, daughter-in-law, sibling, uncle, aunt, niece, or nephew.

9 Sec. 42.40.240. COMPLAINT PROCEDURE. The board shall provide by  
10 rule for a formal procedure for the receipt and consideration of  
11 complaints or suggestions regarding activities of the corporation.

21 preparing the plans. The long range program plan shall explain the  
22 manner in which the corporation intends to accomplish the purposes of  
23 this chapter during each of the five years after the plan is adopted.  
24 The capital improvement plan shall present and explain the corpora-  
25 tion's anticipated capital improvements for each of the five years  
26 after the plan is adopted and shall reflect efforts to upgrade the  
27 railroad and develop safer, more cost-effective rail operations.

28 (b) The board shall annually review and update the long range  
29 program and capital improvement plans. The board shall provide copies

1 of the updated plans to the governor and the legislature by December 1  
2 of each year.

3 Sec. 42.40.300. USE OF CORPORATION ASSETS. The corporation  
4 shall apply all money, property, other assets, and credit of the

9 other assets, or credit of the corporation for a purpose not author-  
10 ized by law by a person having the possession or control of it is  
11 prohibited.

12 Sec. 42.40.310. INDEMNIFICATION. (a) The corporation may

15 ments, and liabilities, including attorney's fees, incurred by or  
16 imposed upon that person in connection with a civil or criminal action  
17 in which the person is involved by affiliation with the corporation,  
18 if the person acted in good faith on behalf of the corporation and  
19 within the scope of official duties or powers.

20 (b) The corporation may purchase insurance to protect and hold  
21 personally harmless its employees, agents, and board members from an  
22 action, claim, or proceeding arising out of the performance, purported  
23 performance, or failure of performance, in good faith, of duties for,  
24 or employment with, the corporation and to hold them harmless from  
25 expenses connected with the defense, settlement, or monetary judgments  
26 from that action, claim, or proceeding. The purchase of insurance is  
27 discretionary with the board and insurance is not considered to be  
28 compensation to the insured person.

29 ARTICLE 5. CORPORATION PROPERTY.

1           Sec. 42.40.350. LAND. (a) The corporation shall take title in  
2 its own name to all land transferred under 45 U.S.C. 1201 - 1214  
3 (Alaska Railroad Transfer Act of 1982). All land that is transferred  
4 or acquired by the corporation is designated as follows:

5           (1) railroad rights-of-way are railroad utility corridors;

6           (2) land outside the railroad utility corridors is rail  
7 land.

8           (b) A railroad utility corridor shall be of a width at least 100  
9 feet on both sides of the centerline of the extended main or branch  
10 line, unless the corporation does not own or control sufficient land  
11 for a corridor of that width. A railroad utility corridor may be  
12 surveyed by the metes and bounds method. The corporation may not  
13 convey its entire interest in land within a railroad utility corridor  
14 except as provided in AS 42.40.285, 42.40.370(d), and 42.40.400. The  
15 corporation may lease, grant easements or permits, or otherwise autho-  
16 rize use of portions of a utility corridor for transportation, commu-  
17 nication, and transmission purposes, including pipelines and support  
18 functions associated with those purposes and for commercial and other  
19 uses if the use does not restrict other parallel uses of the utility  
20 corridor.

21           (c) The corporation may lease, grant easements or permits, or  
22 otherwise authorize use of portions of rail land. However, the corpo-  
23 ration may not convey its entire interest in rail land except as  
24 provided in AS 42.40.285, 42.40.370(d), and 42.40.400.

25           (d) A lease by the corporation to a party other than the state  
26 shall be made at fair market value as determined by appraisal by a  
27 qualified appraiser or by competitive bid.

28           Sec. 42.40.360. REQUEST FOR LAND. (a) The board may nominate  
29 federal land it determines may be useful for railroad purposes and

1 request the commissioner of natural resources to select the land for  
2 the state through the federal land selection process.

3 (b) The board may identify and request the commissioner of  
4 natural resources to convey land necessary or useful for present or  
5 future railroad purposes owned by or tentatively approved for transfer  
6 to the state, including land not contiguous to land already held by  
7 the corporation. The request must include a statement of and justi-  
8 fication for the present or future railroad use. Upon receipt of a  
9 request, the commissioner shall temporarily reserve the land iden-  
10 tified in the request for railroad purposes and defer disposal or  
11 lease of that land under other laws to a party other than the corpo-  
12 ration. The temporary reservation of land is subject to valid exist-  
13 ing rights and remains in effect for 180 days.

14 Sec. 42.40.370. CONVEYANCE OF STATE LAND. (a) Within 90 days  
15 after receiving a request under AS 42.40.360(b) the commissioner of  
16 natural resources shall by written decision

17 (1) designate the identified land for railroad purposes  
18 and, subject to valid existing rights, convey the state's interests in  
19 the land to the corporation;

20 (2) notify the corporation of reasons for refusal to desig-  
21 nate the identified land for railroad purposes; or

22 (3) approve in part and deny in part the request for desig-  
23 nation of the identified land and convey as appropriate.

24 (b) A conveyance of land under this section may be for less than  
25 fair market value as determined by the commissioner of natural re-  
26 sources.

27 (c) In the absence of a reservation to the contrary, a convey-  
28 ance of land under this section vests in the corporation ownership,  
29 control of the surface, material, and mineral estate, including the

1 right to extract or use timber and other construction materials, sand,  
2 gravel, rock, and the right to tunnel, ditch, recontour, excavate, or  
3 otherwise use the land for railroad, transportation, transmission, or  
4 communication services.

5 (d) The corporation may reconvey to the state land received  
6 under this section, under 45 U.S.C. 1201 - 1214 (Alaska Railroad  
7 Transfer Act of 1982), by eminent domain, or otherwise that the corpo-  
8 ration and the commissioner of natural resources jointly identify as  
9 unnecessary or unsuitable for the corporation's purposes.

10 Sec. 42.40.380. USE OF STATE LAND. When emergency conditions  
11 require that track or other right-of-way fixtures of the corporation  
12 be moved from the existing location and relocated on state land adja-  
13 cent to or in the vicinity of the existing right-of-way and the chief  
14 executive officer determines that relocation is necessary to maintain  
15 safe and adequate rail operations, the corporation may effect the  
16 relocation with the concurrence of the Department of Natural Re-  
17 sources. The relocation must affect only the amount of state land  
18 necessary to adequately restore or continue safe rail operations at a  
19 normal level.

20 Sec. 42.40.390. EMINENT DOMAIN. (a) The corporation may exer-  
21 cise the power of eminent domain under AS 09.55.240 - 09.55.460 to  
22 acquire land for railroad purposes consistent with this chapter.  
23 Notwithstanding AS 09.55.250, the corporation may acquire a fee simple  
24 title whenever, in the judgment of the board, ownership of a fee  
25 simple title is necessary to carry out the purposes of this chapter.

26 (b) The corporation may file a declaration of taking in the
