SUBJECT: Sectional analysis of CSHB 611
(Dentists and Dental Hygienists)

TO: Representative Mae Tischer
Chairman, Health, Education and Social Services

FROM: Teresa B. Cramer *TBC*
Legislative Counsel

You have asked for a sectional analysis of CSHB 611 (HESS). The bill can be considered in three parts. Sections 1 - 16 amend AS 08.32, regulating the practice of dental hygienists. Many of the amendments transfer regulations applying to hygienists but codified in AS 08.36, regulating dentists, into AS 08.32.

The second group of amendments, found in sections 17 - 21, relate to the Board of Dental Examiners which regulates both dental hygienists and dentists.

The third part of the bill amends the regulation of dentists and is contained in sections 22 - 40.

Sections Relating to Dental Hygienists

Section 1 Clarifies the requirement that a dental hygienist be registered as well as licensed.

Section 2 Corrects reference to the Joint Commission on National Dental Examinations and permits an applicant to apply before graduating from school if the applicant will have graduated by the time of the examination.

Section 3 Makes changes to correct references.

Section 4 Permits dental hygienists licensed in another state to apply for a temporary license to pending receipt of the Alaska licensing examination results.

Representative Mae Tischer

Section 5 Adds reference to licensing by credentials, created in section 4, and corrects reference to the fee section.

Section 6 Clarifies the composition and content of the licensing examination and permits the board to administer a laboratory examination as a prerequisite to the clinical examination.

Section 7 Renewal of registration is deleted from this section because the next section addresses the subject.

Section 8 Adds a new section to AS 08.32 to transfer provisions found in AS 08.36.250 for registration requirements for dental hygienists.

Section 9 The penalty established under AS 08.01.100(b) for late renewals \$10.

Section 10 Gives the board power to set licensing fees by regulation. AS 08.36.190 currently lists fees for dental hygienists and dentists.

Section 11 Paragraph (6) adds reference to the board's certification process for administering local anesthetic agents.

Section 12 Permits the board to regulate functions, both intra-oral and extra-oral, that may be performed by a licensed dental hygienists.

Section 13 Paragraph (1) adds reference to registrations. Paragraph (2) adds fraudulent billing for services as a basis for imposing discipline. Paragraph (6)(A) substitutes "dependence" for "severe dependence." Paragraph (6)(B) adds failure to keep informed of or use current professional theories and practices as a ground for imposing discipline.

Section 14 Adds a new section to AS 08.32 to transfer provisions found in AS 08.36 that apply to dental hygienists. In subsection (c), the board is given power to suspend the license of a dental hygienist who refuses to submit to a physical or mental examination.

Section 15 A class B misdemeanor is punishable by a fine of no more than \$1000 (AS 12.55.035) or imprisonment for no longer than 90 days (AS 12.55.135).

Section 16 Adds new provisions modeled on AS 08.36.350, which applies to dentists only, to permit hygienists in the categories listed to practice without a state license.

Sections relating to the Board of Dental Examiners

Section 17 Requires that the dental hygienist on the Board of Dental Examiners have practiced in Alaska for five years.

Section 18 Adds language to suspend a dentist or dental hygienist from the board if an accusation is filed against the person under the Administrative Procedure Act. The suspension lasts until the decision of the board is final under AS 44.62.520.

Section 19 Permits a majority of the board to call a meeting in the absence of a call of the president.

Section 20 Adds specific authorization for the department to reimburse board members for expenses.

Section 21 Paragraph (3) expands the required content of the board's annual report. Paragraph (a)(10) requires that the board publish information about its disciplinary decisions annually. Paragraph (a)(11) allows the board to set standards for specific procedures requiring training and education beyond the basic training provided to all dental hygienists and dentists and requires the board to issue certificates or permits to those who meet the requirements. Paragraph (a)(12) clarifies existing powers of the board.

Paragraph (b)(1) allows the board to order a professional to submit to a physical or mental examination if capacity to practice safely is at issue. Paragraph (b)(2) permits the board to authorize the inspection of records to monitor compliance with the licensing chapter for dental hygienists or for dentists.

Sections relating to Dentists

Section 22 Deletes reference to permits because the section allowing dentists to practice by permit instead of by license is repealed.

Section 23 Requires that all applicants for licensing as dentists pass the national board examination before taking the state exam. It also permits applicants to apply before

graduating if they will have graduated by the time of the examination.

Section 24 Requires that applications be signed and filed 45 days before the examination is given.

Section 25 Clarifies the composition and structure of the dentist licensing examination.

Section 26 The penalty established under AS 08.01.100(b) for late renewal is \$10.

Section 27 Requires that dentists licensed in another state who are seeking licensure in this state have passed the national licensing examination.

Section 28 Deletes the requirement that dentists register with the clerk of the superior court.

Sections 29 and 30 Require that applicants for specialist licenses be eligible for diplomate status with a specialty board and that a licensed specialist take part in the licensing procedures.

Section 31 Adds subsection (b) requiring that dentists who are renewing their registrations report to the board any suits filed against them based on the quality of their professional services.

Section 32 Rewrites the fee section to allow the board to set fees by regulation instead of providing specific fee amounts by statute.

Section 33 Paragraph (2) adds fraudulent billing for services as a basis for imposing discipline. Paragraph (5) deletes "intentionally or negligently" from the paragraph permitting discipline for dentists who perform patient care below minimum professional standards. Paragraph (7)(C) permits disciplining dentists whose "dependence," rather than "severe dependency", on drugs or alcohol impairs their ability to practice. Paragraph (10) permits the board to discipline a dentist who fails to report a death that occurred at the office.

Section 34 Deletes reference to imposing discipline on dental hygienists (AS 08.32) because new sections were added to that chapter relating to discipline.

Section 35 Adds language to permit the board to suspend the license of a dentist who refuses to submit to a mental or physical examination.

Section 36 A class B misdemeanor carries a maximum fine of \$1000 (AS 12.55.035) or imprisonment for no more than 90 days (AS 12.55.135).

Section 37 Paragraph (a)(5) exempts from licensing requirements licensed clinicians from other states who are providing limited instruction in this state. Paragraph (a)(6) exempts dentists providing emergency care from the state licensing requirements. Subsection (b) holds dentists exempt from licensing to the same standard of care as licensed dentists.

Section 38 Paragraph (7) defines the practice of dentistry to exclude owners and managers of dental facilities.

Section 39 Adds a new section to provide rights to dentists. Paragraphs (3) and (4) permit dentists supervising research in a research institution chartered with the state or in a school accredited by the American Dental Association to perform procedures that would otherwise violate the licensing chapter. Paragraph (4) requires that the dentist notify the board of any procedures to be performed on patients. The board may disapprove the procedures.

Section 40 Repeals five sections of the law.

08.36.140 permits the board to hold a licensing examination outside the state.

08.36.150 permits students in their last year of dental school to take the licensing examination and permits the board to give the exam in an out-of-state dental school.

08.36.170 permits students who are at least 19 years old to take section I of the state examination and then take the rest of the examination after graduation.

08.36.200 permits the board to waive the state written examination for applicants who have passed the national board examination.

PRIMARILY FOR THE PATIENTS WELLBEING IE. LEVEL OF COMFORT AND THOROUGHNESS OF
THE HYCIENE SERVICE. THE ABSENCE OF INDIRECT SUPERVISION DURING ADMIN-
ISTRATION GREATLY REDUCES THE LIKELIHOOD THAT ANESTHETIC WOULD BE USED. THE
FEASIBILITY OF A DENTIST STANDING OVER EVERYTIME THE HYGIENIST ADMINISTERED
WOULD NEGATE THE HYGIENIST HAVING THE ABILITY TO ADMINISTER THE ANESTHETIC.
HYGIENISTS ARE WELL QUALIFIED TO ADMINISTER WITHOUT DIRECT SUPERVISION.

NOTES TO DECISIONS

The function of former AS 08.36.310 (see now AS 08.36.315), which specified the grounds for disciplinary action by the board, was to detail the scope of the power to revoke, annul, or suspend licenses given to the board by paragraph (6) of this section. State v. Southrup, 114 P.2d No. 1900 (Alaska, 1942), 1942-1-51, 65-19329.

Practice of dentistry by persons committing acts listed in AS 08.36.310 not per se illegal. — Under former AS 08.36.310 (see now AS 08.36.315), the board could, after a hearing, revoke a dentist's license or take other disciplinary action to prevent that he conducted himself in a manner described in one of the enumerated provisions. Since the power

was discretionary and since the board could impose penalties less drastic than license revocation, it was clear that the legislature did not intend that it be per se illegal for persons who have committed the

listed transgressions to continue to practice dentistry. *State v. Smith*, Sup. Ct. Op. No. 18018 (File Nos. 3707, 38030, 5931 P.2d 625 (1979)).
