STATE OF ALASKA  
OFFICE OF THE GOVERNOR  
JUNEAU

April 2, 1984

The Honorable Joe Hayes  
Speaker of the House  
Alaska State Legislature  
Pouch V  
Juneau, AK 99811

Dear Speaker Hayes:

Subject: SCS CSHB 691 (Fin) -- Making Special Appropriations for Capital Projects (Chapter 24, SLA 1984)

Under Article II, Section 15, of the Alaska Constitution, I have signed into law Senate Committee Substitute for Committee Substitute for House Bill No. 691 (Fin), making special appropriations for capital projects.

I have found it necessary but extremely difficult to veto approximately \$108,000,000 worth of projects from this measure. It was difficult because I felt I had to strike or reduce school projects, health facilities, road and airport projects -- things that I would normally like to approve. But, I had to do this because the combined total of approved projects -- projects enacted into law this session in seven capital appropriations -- is slightly more than \$700 million, the amount I recommended for such projects this past January.

In reviewing these seven bills, I was impressed by the breadth and depth of work put into the budgets by members of the House and Senate, as well as community and municipal leaders. I believe Alaska will be a better place to live and work as a result of the \$700 million in public improvements adopted by the Alaska Legislature and signed into law during the first 85 days of this session.

Unfortunately, you had only 65 days, and I had only 15 days in which to act on a total of nearly \$950 million in appropriations. As a result, not every community or statewide priority was encompassed by this package of legislation. For that reason, some community priorities were overlooked by the Legislature and others fell to my

vetoed. Where mistakes or omissions were made, I look forward to working with you and the Senate leadership to rectify the situation.

Toward that end, I suggest we need to sit down and identify the necessary projects that must be funded by the State during this session, subject to available revenue and local or statewide importance. I firmly believe we have more than enough time remaining under the deadlines established by you and President Kerttula to work cooperatively on vitally important issues of public policy and finances.

Sincerely,
