POSITION PAPER

SENATE BILL 323

"An Act relating to suspension and revocation of a minor's license to drive and the definition of driver license; and providing for an effective date."

Discussion

Senate Bill 323 will attempt to reduce drinking and drug use by minors, persons under age eighteen, by placing time restrictions on the minor's privilege to obtain or retain a driver's license, if the minor is convicted of misconduct involving a controlled substance or possession or consumption of alcohol. The suspension period for a first offense is one year or until a person reaches the age of 17, whichever is longer, and the suspension period for a second offense is one year or until a person reaches the age of 18, whichever is longer.

This bill is patterned after an Oregon law that was enacted in July, 1983. In 1985, 1510 Oregon youth were denied driving privileges under the provision of this law. Of this number, 94% or 1414 denials were for the offense of possession of alcohol or drugs; 46 denials were for open container violations, 14 for driving under the influence, and 36 were for miscellaneous offenses. Of the 1510 convictions, 1352 were first offenses. 1985 was the second year of experience with this law. It has been reported in the Oregon press that judges in metropolitan areas have been ignoring this law because of heavy case loads or a belief that the penalty is too harsh for the offense.

Drinking and drug use among youth is a serious problem in Alaska. In the six year period of 1979-1984, 42 youth 0-18 years of age have died as a result of alcohol related motor vehicle accidents. According to the 1983 Crime in Alaska report, 1146 minors were arrested for liquor law violations; 336 for drug offenses; 234 for vandalism; and 97 for driving under the influence. Drinking and drug use account for a high number of school suspensions and family discord.

Position

The Department of Health and Social Services is supportive of the approach taken in SB 323 towards the prevention of drinking and drug use by Alaska youth. The privilege to obtain or retain a driver's license is held in high regard by this age group and it is hoped that this strategy will be an effective deterrent indiscriminate use of chemicals. The Department recognizes that the majority of youth drinking and drug use is experimental in nature, nevertheless the strong influence of "peer pressure" upon this age group often results in unplanned use during social interactives. This legislation may serve as a constant reminder that the privilege driving must be earned through responsible behavior. There are statistical indications that a number of Alaska youth have serious problems with chemicals. In 1985, 882 youth 17 years of age and younger had diagnosed problems severe enough to warrant treatment for alcoholism and drug abuse in State funded programs. The Department would like the committee to consider one

possible addition to the bill, a provision that convicted youth be required to undergo a screening process to determine the need for education or treatment. A process similar to the present Alcohol Safety Action Program (ASAP) and state treatment system could be used for this purpose. This process would impact the high risk youth with a more intensive response while providing relevant education to an offender.

The Department will be pleased to provide additional information on drinking and drug use among youth upon request.

INFORMATION

It has been learned that of the total number of youth ages 13 to 17 who are arrested for offenses outlined in AS 28.15.185(a)(1) & (2), an estimated 300 to 400 will be convicted or adjudicated by a juvenile court. Therefore, a full time position will not be required to process the additional workload, and the fiscal note has been revised downward for a part-time position only.

With the effective date being September 1, 1986, documents will not start being received from the Court until around October 1, 1986. Therefore, personal services for FY87 reflect a nine month period with the employee being hired October 1, 1986. Other items are budgeted accordingly with the first full year being FY88.

FY88 and subsequent years reflect a 5% inflation factor

REVENUE

Statutes require payment of a \$100.00 reinstatement fee prior to issuance of a driver's license following a suspension or revocation. The revenue indicated is based on an estimation of the number of minor's whose driving privileges were taken away under this legislation who would not have otherwise lost those privileges, and who will apply for a license and pay the \$100.00 fee.

CS SB 323 (Judiciary)

This bill is modeled after the State of Oregon law titled "Youth Substance Abuse and Driving Accident Prevention". A young person (between the ages of 13-17) is denied driving privileges for alcohol or controlled substance violations.

Section 1

Adds new language-after an adjudicative hearing (all minors do not go to court for violations) for specific violations, a minor's drivers license, permit, or privilege to obtain a license, will be suspended.

Section 2

Adds new language-the court can revoke a minor's drivers license, permit, or privilege to obtain a license for specific violations.

Section 3

Adds new language-to the definition of driver's license of license. (Fixes a loophole in the definition a license, because of the successful lawsuit of Roberts vs the State of Alaska, the state could not suspend the right to drive if there is no license to suspend).

Section 4

Adds new language-that the court can forward the names of juveniles who are adjudicated for certain violations to the Department of Public Safety. Traffic offenses and driver's license action may not be disclosed without the court's permission if taken under this section.

Section 5

Effective date clause

POSITION PAPER

SENATE BILL 323

"An Act relating to suspension and revocation of a minor's license to drive and the definition of driver license; and providing for an effective date."

Discussion

Senate Bill 323 will attempt to reduce drinking and drug use by minors, persons under age eighteen, by placing time restrictions on the minor's privilege to obtain or retain a driver's license, if the minor is convicted of misconduct involving a controlled substance or possession or consumption of alcohol. The suspension period for a first offense is one year or until a person reaches the age of 17, whichever is longer, and the suspension period for a second offense is one year or until a person reaches the age of 18, whichever is longer.

This bill is patterned after an Oregon law that was enacted in July, 1983. In 1985, 1510 Oregon youth were denied driving privileges under the provision of this law. Of this number, 94% or 1414 denials were for the offense of possession of alcohol or drugs; 46 denials were for open container violations, 14 for driving under the influence, and 36 were for miscellaneous offenses. Of the 1510 convictions, 1352 were first offenses. 1985 was the second year of experience with this law. It has been reported in the Oregon press that judges in metropolitan areas have been ignoring this law because of heavy case loads or a belief that the penalty is too harsh for the offense.

Drinking and drug use among youth is a serious problem in Alaska. In the six year period of 1979-1984, 42 youth 0-18 years of age have died as a result of alcohol related motor vehicle accidents. According to the 1983 Crime in Alaska report, 1146 minors were arrested for liquor law violations; 336 for drug offenses; 234 for vandalism; and 97 for driving under the influence. Drinking and drug use account for a high number of school suspensions and family discord.

Position

The Department of Health and Social Services is supportive of the approach taken in SB 323 towards the prevention of drinking and drug use by Alaska youth. The privilege to obtain or retain a driver's license is held in high regard by this age group and it is hoped that this strategy will be an effective deterrent indiscriminate use of chemicals. The Department recognizes that the majority of youth drinking and drug use is experimental in nature, nevertheless the strong influence of "peer pressure" upon this age group often results in unplanned use during social interactives. There are statistical indications that a number of Alaska youth have serious problems with chemicals. In 1985, 882 youth 17 years of age and younger had diagnosed problems severe enough to warrant treatment for alcoholism and drug abuse in State funded programs. The Department would like the committee to consider one

possible addition to the bill, a provision that convicted youth be required to undergo a screening process to determine the need for education or treatment. A process similar to the present Alcohol Safety Action Program (ASAP) and state treatment system could be used for this purpose. This process would impact the high risk youth with a more intensive response while providing relevant education to an offender.

The Department will be pleased to provide additional information on drinking and drug use among youth upon request.

Senator Bill Ray

Dear Senator Ray:

What can we do to help stop our youth from drinking and driving?

The state of Oregon has found the answer! In 1984 they adopted a law called "Youth Substance Abuse and Driving Accident Prevention". Since the law was adopted in September of 1984 the Division of Motor Vehicles of Oregon has denied driving privileges to more than 1,292 youths. (See attachments)

As supervisor of the local alcohol/drug abuse clinic I know there is an extremely high correlation between youths receiving minor consuming charges and a year or two later showing up at the clinic with a DWI. I feel this type of legislation has a twofold beneficial effect: it will initially make our roads safer and secondly it will help to impact the severity of drinking and driving on our youth.

Please give this legislation your careful attention!

If I can be of any assistance please call on me!

Sincerely,

W J PIATTE

(2) If a court has issued an order of denial of driving privileges under this section, the court, upon petition of the person, may review the order and may withdraw the order at any time the court deems appropriate except as provided in the following:

(a) A court may not withdraw an order for a period of 90 days following the issuance of the order if it is the first such order issued with respect to the person.

SECTION 3. (1) In addition to any other authority to suspend driving privileges under this chapter, the division shall suspend all driving privileges of any person upon receipt of an order of denial of driving privileges under section 1 of this 1983 Act. The suspension shall be imposed without hearing. The driving privileges of the person shall be suspended as provided in the following:

(a) Upon receipt of the first order denying driving privileges, the division shall impose a suspension for one year, or until the person so suspended reaches 17 years of age, whichever is longer.

(b) Upon receipt of a second or subsequent order denying driving privileges, the division shall suspend for one year or until the person reaches 18 years of age, whichever is longer.

(2) If the division receives notice from a court that it has withdrawn an order issued under section 1 of this 1983 Act, the division shall immediately reinstate any driving privileges that have been suspended under this section because of the issuance of the order.

SECTION 4. ORS 482.470 is amended to read:

When necessary to give full effect to this section, the court shall issue a temporary operator's permit, on a form provided by the division, to the convicted person which shall be valid until midnight of the day of the conviction. At the end of the period of suspension upon a license so surrendered, it shall be returned to the licensee upon request being made to the division by the licensee. However, the division may require the licensee to furnish evidence to the effect that the licensee is qualified to continue as an operator or chauffeur under this chapter, before returning the license.

SECTION 5. Section 6 of this Act is added to and made a part of ORS chapter 482.

SECTION 6. Notwithstanding any suspension of driving privileges under section 3 of this 1983 Act, the division may issue a special temporary permit described under ORS 482.160 (2) to a person whose driving privileges are suspended under section 3 of this 1983 Act if the person qualifies for the special temporary permit. For purposes of this section an emergency situation that leaves the applicant with no alternative means to travel to and from school is an emergency for purposes of ORS 482.160 (2) in addition to other emergency situations.

SECTION 7. If House Bill 2965 becomes law, section 9 of this Act is repealed and section 8 of this Act is enacted in lieu thereof.

SECTION 8. Notwithstanding any suspension of driving privileges under section 3 of this 1983 Act or ORS 165.805 or 471.430, the division may issue a special temporary permit described under ORS 482.160 (2) to a person whose driving privileges are suspended under section 3 of this 1983 Act or under ORS 165.805 or 471.430 if the person qualifies for the special temporary permit. 600 denied privileges

More than 600 Oregon youths between the ages of 13 and 17 were denied driving privileges during the first six months in 1985, according to Motor Vehicles Division.

Denials are based on court convictions involving alcohol or drug

possession, use or abuse. Courts then order DMV to deny licenses.

Most of the 627 denials ordered during the first six months of this year were for alcohol offenses. Minors in possession of alcohol or drugs accounted for 577, or 92 percent of the total. Twenty-seven denials were for having an open container or drinking alcohol in a motor vehicle, and eight were for driving under the influence.

Fifteen denials were ordered for miscellaneous alcohol and drug offenses, such as theft, delivery or manufacturing of a controlled substance.

Males accounted for 74 percent of the 627 total.

Denials of driving privileges for first offenders is one year or until the person becomes 17, whichever is longer. Repeat offenders are suspended for a year or until the person becomes 18, whichever is longer.

DMV statistics show 62 second denials and four third denials (all males) during the first six months of 1985.

Licenses revoked

Myrtle Point, Oregon 10/31/54

Seventy-one young people were denied driving privileges by court order during September. Denials were based on violations of alcohol or drug laws by young people between the ages of 13 and 17.

Most of the young people (48) who were denied driving privileges last month were males. The most frequent reason for denial was "minor

in possession of alcohol" which, alone, accounted for 76 percent (54) of the court ordered denials.

The Motor Vehicles Division's administrator, David P. Moonaw, said that the September figure brings the number of denials so far this year to 692. The law took effect late in 1933.

Other grounds for denial last month were minor in possession of drugs, 11; having an open container of an alcoholic beverage in a motor vehicle, 4; and intoxicated minor (not related to driving), 2.

Three denials were for 13-year olds. Five were 14 years old; 10 were 15 years old; 21 were 16 years old and 32 were 17 years old.

Under the law, denial means no license can be issued or a license already issued must be taken away for one year or until the person becomes 17, whichever is longer. Repeat offenders, however, are suspended or denied a license for one year or until the person becomes 18, whichever is longer.

6 For an Act entitled: "An Act relating to suspension and revocation of a
7 minor's license to drive and the definition of driv-
8 er's license; and providing for an effective date."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 * Section 1. AS 28.15 is amended by adding a new section to read:

11 Sec. 28.15.163. ADMINISTRATIVE SUSPENSION OF A MINOR'S LICENSE.

12 (a) In addition to any other authority in this chapter to cancel,
13 suspend or revoke a driver's license, the department shall suspend a
14 minor's license to drive upon receipt of a record of conviction or
15 adjudication of a violation of an offense listed in AS 28.15.185(a).

16 The department shall impose the suspension as follows:

17 (1) for a first conviction or adjudication, the suspension
18 shall be for one year or until the person reaches 17 years of age,
19 whichever is longer.

20 (2) for a second or subsequent conviction or adjudication,
21 the suspension shall be for one year or until the person reaches 18
22 years of age, whichever is longer.

23 (b) If the department receives notice from a court that it has
24 restored a minor's license to drive under AS 28.15.185(b), the depart-
25 ment shall immediately reinstate a driver's license that has been
26 suspended under this section.

27 * Sec. 2. AS 28.15 is amended by adding a new section to read:

28 Sec. 28.15.185. COURT REVOCATION OF A MINOR'S LICENSE TO DRIVE.

29 (a) A person who is at least 13 years of age, but not older than 17

1 years of age who is convicted, or adjudicated by a juvenile court, of
2 having committed one of the following offenses shall have the person's
3 driver's license revoked:

4 (1) misconduct involving a controlled substance (AS 11.71);

5 (2) possession or consumption of alcohol (AS 04.16.050).

6 (b) Upon conviction or adjudication of an offense listed in (a)
7 of this section the court may, upon petition of the person, review the
8 revocation and may restore the driver's license, except a court may

13 * Sec. 3. AS 28.40.100(a)(5) is amended to read:

14 (5) "driver's license" or "license" when used in relation
15 to driver licensing, means a license, permit or privilege to obtain a
16 driver's license, whether or not a person holds a valid license issued
17 in this or another jurisdiction, to drive a motor vehicle under the
18 laws of this state;

19 * Sec. 4. AS 47.10.080(g) is amended to read:

20 (g) Except for purposes of driver's licensing under AS 28.15.-

24 afterward be considered a criminal by the adjudication, nor may the
25 adjudication be afterward deemed a conviction, nor may a minor be
26 charged with or convicted of a crime in a court, except as provided in
27 this chapter. The commitment and placement of a child and evidence
28 given in the court are not admissible as evidence against the minor in
29 a subsequent case or proceedings in any other court, nor does the

1 commitment and placement or evidence operate to disqualify a minor in
2 a future civil service examination or appointment in the state.

3 * Sec. 5. AS 47.10.090(a) is amended to read:

4 (a) The court shall make and keep records of all cases brought

21 mation and social records pertaining to that minor, as well as records
22 of all criminal proceedings against the minor and punishments assessed
23 against the minor except for traffic offenses. A person may not use
24 these sealed records for any purpose except that the court may order
25 their use for good cause shown or may order their use by an officer of
26 the court in making a presentencing report for the court.

Fiscal Note Analysis - SSSB 331
January 22, 1986

Assumptions:

1. The new effective date (March 15, 1986) makes the Olympic Fund check off effective for the 1986 Permanent Fund Dividend Year.
2. The Department of Revenue will accumulate the total of contributions made under AS 05.35.100 and transmit this information to the Department of Administration as the 1986 PFD checks are paid.
3. An election made under AS 05.35.100 is irrevocable for the year of application.
4. There will be no DP chargeback in FY87 and thereafter.

Program Summary:

The Permanent Fund Dividend system is run on the mainframe computer of the Department of Administration. Section 1 of this bill will require several changes in the PFD program:

- 1) The PFD application will need revision to provide the donation options envisioned, and the instruction booklet will require changes. This has been done in anticipation of this amendment, at the request of the sponsor.
- 2) The Document Processing group will need to review applications for the donation option and the data entry section will be keying additional information on each application. This will be accomplished by extending a seasonal Data Entry, Clerk I by three months.
- 3) The data processing programs of the PFD system will require major revisions. Specifically, the data capture programs, the warrant writing stream of programs, the screen-print programs, the history file programs and the on-line inquiry programs will need to be revised. In addition, new programs will be needed to gather the information on donations by PFD applicants to provide the information to the Treasury Division of the Department of Revenue and the Department of Administration. As indicated on the attached analysis by the Data Processing Manager, approximately 300 man-hours will be required. We will accomplish this by extending a seasonal programmer position.

1. Positions

1 PFT Analyst/Programmer IV, R 19 at \$3,966.42/Mo.
including salary and benefits for 2 months = \$7.9

This position will augment the regular DP staff to perform the system analysis and programming required, as described above. This funding would be needed for design and programming only, with maintenance of the changes and new programs to be done by current staff.

1 PPT Data Entry Clerk I, R 8 at \$2,058.61/Mo
including salary and benefits, for 3 months = \$6.2

This position would perform the equivalent additional data capture (ongoing requirement)

SECTIONAL ANALYSIS FOR SENATE BILL 331

An Act relating to Winter Olympic funding and providing for an effective date

Section 1

Last year, the Legislature passed Senate Bill 283 which created a Winter Olympic account in the general fund to allow people to designate \$5.00 of their Permanent Fund Dividend to this account. As currently written, this bill is effective on July 1, 1986. Section 1 would amend the original effective date to March 15, 1986 in order to allow the public to contribute a portion of their 1986 Permanent Fund Dividend.

Section 2

Repeals the entire Winter Olympic account contingent upon the effective date in section 3 of this bill.

Section 3

The repealer in section 2 of this bill takes effect on January 1, 1987 if Anchorage is not selected as the site of the 1992 Winter Olympic Games.

Section 4

This act takes effect immediately.
