5 (e) The commissioner shall enter into agreement with the En-  
6 vironmental Protection Agency, and may enter into agreements with  
7 other persons and municipalities, in order to

8 (1) facilitate a coordinated and effective hazardous sub-

4 FOURTEENTH LEGISLATURE - SECOND SESSION

5 A BILL

6 For an Act entitled: "An Act relating to the release of oil and hazardous  
7 substances; repealing the oil spill mitigation ac-  
8 count; and providing for an effective date."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 \* Section 1. AS 46 is amended by adding a new chapter to read:

11 CHAPTER 08. OIL AND HAZARDOUS SUBSTANCE RELEASES.

12 Sec. 46.08.005. PURPOSE. The legislature finds and declares  
13 that the release of oil or hazardous substances into the environment  
14 presents a real and substantial threat to the public health and wel-  
15 fare, to the environment, and to the economy of the state. The legis-  
16 lature therefore concludes that it is in the best interest of the  
17 state and its citizens to provide a readily available fund for the  
18 payment of the expenses incurred by the Department of Environmental  
19 Conservation in the protection of the environment of the state from  
20 the release of oil or hazardous substances.

21 Sec. 46.08.010. FUND ESTABLISHED. (a) There is established in  
22 the state general fund the oil and hazardous substance release re-  
23 sponse fund. The fund shall be administered by the commissioner of  
24 environmental conservation.

25 (b) Money from an appropriation made to the fund remaining in  
26 the fund at the end of a fiscal year remains available for expenditure  
27 in successive fiscal years.

28 (c) The fund shall be used for actual expenses incurred under  
29 AS 46.08.040. The fund may not be used for capital improvements.

1           Sec. 46.08.020. FINANCING OF THE FUND. (a) The legislature may  
2 appropriate from the following sources to the fund:

4 from a private donor;

5           (2) money recovered or otherwise received from parties  
6 responsible for the containment and cleanup of oil or a hazardous  
7 substance at a specific site, but excluding funds from performance  
8 bonds and other forms of financial responsibility held in escrow  
9 pending satisfactory performance of a privately financed response  
10 action;

11           (3) fines, penalties, or damages recovered under this  
12 chapter or other law for costs incurred by the state as a result of  
13 the release or threatened release of oil or a hazardous substance.

14           (b) Money received by the state under (a)(2) and (a)(3) of this  
15 section shall be deposited in the general fund and credited to a  
16 special account called the "oil and hazardous substance release miti-  
17 gation account." The legislature may annually appropriate to the fund  
18 from this account a sum equal to the amount received under (a)(2) and  
19 (a)(3) of this section during the calendar year preceding the legisla-  
20 tive session in which the appropriations are to be made.

21           Sec. 46.08.030. FINANCING THE ABATEMENT OF OIL OR HAZARDOUS  
22 SUBSTANCE RELEASES. It is the intent of the legislature and declared  
23 to be the public policy of the state that funds for the abatement of a  
24 release of oil or a hazardous substance will always be available.

25           Sec. 46.08.040. PURPOSES OF THE FUND. The commissioner may use  
26 money from the fund to

27           (1) contain, clean up, and take other necessary action,  
28 such as monitoring, assessing, investigating, and evaluating the  
29 release or threatened release of oil or a hazardous substance that

1 poses an imminent and substantial threat to the public health or  
2 welfare, or to the environment;

3 (2) provide matching funds for participation in federal oil  
4 discharge cleanup activities and under 42 U.S.C. 9601 - 9657 (Compre-  
5 hensive Environmental Response, Compensation, and Liability Act of  
6 1980); and

7 (3) recover the cost to the state or to a municipality of a  
8 containment and cleanup resulting from the release or the threatened  
9 release of oil or a hazardous substance.

10 Sec. 46.08.050. RECORDS OF THE FUND. (a) The department shall  
11 maintain accounting records showing the income and expenses of the  
12 fund.

13 (b) The department shall develop procedures governing the expen-  
14 diture of, and accounting for, money expended from the fund, and may  
15 not delay implementation of this chapter pending the effective date of  
16 the procedures.

17 Sec. 46.08.060. REPORT TO THE LEGISLATURE. (a) The commis-  
18 sioner shall submit a report to the legislature not later than the  
19 10th day following the convening of each regular session of the legis-  
20 lature. The report may include information considered significant by  
21 the commissioner but must include:

22 (1) the amount of money expended under AS 46.08.040 during  
23 the preceding fiscal year;

24 (2) the amount and source of money received and money  
25 recovered during the preceding fiscal year as specified in AS 46.08.-  
26 020;

27 (3) a summary of municipal participation in responses  
28 funded by the fund;

2 ing response descriptions and statements outlining the nature of the  
3 threat; and

4 (5) the projected cost for the next fiscal year of monitor-  
5 ing, operating, and maintaining sites where response has been com-  
6 pleted or is expected to be continued during the fiscal year.

7 (b) As part of the department's on-going identification efforts  
8 associated with oil spill or hazardous waste sites, the commissioner  
9 shall include in the report under this section

10 (1) a summary of the sites identified by the department;

11 (2) the immediate and long-term threats to the public  
12 health or welfare or to the environment posed by these sites; and

13 (3) the appropriate actions needed to abate these threats,  
14 and their estimated cost.

15 Sec. 46.08.070. REIMBURSEMENT FOR CONTAINMENT AND CLEANUP. (a)

17 AS 46.03.760(e), or federal law for the cost incurred in the cleanup  
18 or containment of oil or a hazardous substance that has been released.

19 (b) The attorney general, at the request of the commissioner,  
20 may seek to recover money expended by the department under this chap-  
21 ter or other law to contain and clean up oil or a hazardous substance  
22 that has been released or to control the threatened release of oil or  
23 a hazardous substance.

24 (c) The department may reimburse a municipality for actual  
25 expenses, other than normal operating expenses, incurred in the abate-  
26 ment of a release or threatened release of oil or a hazardous sub-  
27 stance if

28 (1) the municipality has entered into an agreement with the  
29 commissioner under AS 46.09.020(e) before incurring the expenses for

1       which reimbursement is sought; and

2               (2) the commissioner determines that the expenses were for  
3 a necessary emergency first response to a release or threatened re-  
4 lease that posed an imminent and substantial threat to the public  
5 health or welfare, or to the environment.

6               Sec. 46.08.080. REGULATIONS. The commissioner may adopt regu-  
7 lations necessary to implement the provisions of this chapter.

8               Sec. 46.08.900. DEFINITIONS. In this chapter

26 presents an imminent and substantial danger to the public health  
27 or welfare, or to fish, animals, vegetation, or any part of the  
28 natural habitat in which fish, animals, or wildlife may be found;  
29 or

1 (B) a substance defined as a hazardous substance under  
2 42 U.S.C. 9601 - 9657 (Comprehensive Environmental Response,  
3 Compensation, and Liability Act of 1980);

4 (7) "oil" means petroleum products of any kind and in any  
5 form, whether crude, refined, or a petroleum by-product, including  
6 petroleum, fuel oil, gasoline, lubricating oils, oily sludge, oily

22 Sec. 46.09.020. CONTAINMENT AND CLEANUP OF A RELEASED HAZARDOUS  
23 SUBSTANCE. (a) A person who causes a release of a hazardous sub-  
24 stance shall make reasonable efforts to contain and clean up the  
25 hazardous substance promptly after learning of the release, unless the  
26 commissioner determines

27 (1) after consulting the Environmental Protection Agency or  
28 appropriate public safety agencies, that containment or cleanup is  
29 technically infeasible;

1           (2) that containment or cleanup would cause greater en-  
2           vironmental damage than the release would cause if unabated; or

3           (3) that containment or cleanup would pose a greater threat  
4           to human life or health than the release itself.

5           (b) The commissioner shall develop guidelines prescribing gen-  
6           eral procedures and methods to be used in the containment and cleanup  
7           of a hazardous substance.

8           (c) If the commissioner determines that the containment or

16          and cleanup of the release unless the commissioner determines

17                 (1) after consulting the Environmental Protection Agency or  
18                 appropriate public safety agencies, that containment or cleanup is  
19                 technically infeasible;

20                 (2) that containment or cleanup would cause greater en-  
21                 vironmental damage than the release would cause if unabated; or

22                 (3) that containment or cleanup would pose a greater threat  
23                 to human life or health than the release itself.

24          (e) The commissioner shall enter into agreement with the En-  
25          vironmental Protection Agency, and may enter into agreements with

29                 (2) provide for cooperative hazardous substance release

1 notification procedures; or

2 (3) provide for cooperative review of hazardous substance  
3 release response contingency plans submitted to the department.

4 Sec. 46.09.030. DISASTER EMERGENCIES. The commissioner may  
5 request the governor to determine that an actual or imminent release  
6 of a hazardous substance constitutes a disaster emergency under  
7 AS 26.23. If the governor declares a disaster emergency under AS 26.-  
8 23, the commissioner may assist the adjutant general in the relief of  
9 the emergency.

10 Sec. 46.09.040. HAZARDOUS SUBSTANCES CONTAINMENT AND CLEANUP.  
11 The commissioner may contract with a person or a municipality for  
12 personnel, equipment, or services that may be useful to carry out the  
13 requirements of this chapter. If the commissioner determines that it  
14 is infeasible to contract with a person or a municipality, the commis-  
15 sioner may establish and maintain containment and cleanup personnel,  
16 equipment, and supplies necessary to carry out the requirements of  
17 this chapter.

18 Sec. 46.09.050. COMPACTS AUTHORIZED. The governor may enter  
19 into supplementary agreements, reciprocal arrangements, and compacts

March 12, 1986

### COMMITTEE ON RESOURCES LETTER OF INTENT FOR CSSB 375 (Resources)

To encourage responsible, experienced Alaskan companies to enter the oil and hazardous substance cleanup business and to facilitate the goals of cleaning up these substances, it is the intent of the Legislature to clarify the definition of "construction contracts" in AS 45.45.900. The provision in CSSB 375 (Resources) addresses an ambiguity in the current statute which prohibits indemnification agreements in construction contracts by specifically exempting hazardous waste cleanup contracts from this definition.

The provision does not require any entity, public or private, to enter into an indemnification agreement. It is not intended to hold any party harmless or exempt parties from liability for mishandling of oil or hazardous substances. The intent is to provide a mechanism for the allocation of liability among parties by allowing them to enter into contracts which provide protections and clear lines of responsibility.
