5 * Sec. 444. The sum of \$3,100 is appropriated from the general fund to
6 the Department of Administration, Office of the Commissioner, to develop
7 financing alternatives for Spring Creek Correctional Facility.

8 It is the intent of the legislature that the state's correctional
9 system continues to cope with inmate population pressures and that the
10 greatest need is for housing high security, long-term prisoners.
11 General Fund revenue available to the 14th legislature is insufficient
12 to construct the necessary facility by direct appropriation. Partial
13 funding for a long-term facility at Seward has already been
14 appropriated by the 13th legislature. The City of Seward has agreed
15 to use its best efforts to obtain financing to complete the
16 construction of the facility and lease whatever portions are
17 constructed by the city to the state on a long-term lease basis.

18 The legislature understands that in future years it will be asked to
19 appropriate funds for annual lease payments to the City of Seward for
20 portions of the facility and that the future operating budgets of the
21 Department of Corrections may be impacted by those annual rentals.
22 The legislature indicates its present intent to appropriate the lease
23 payments, so long as they do not exceed the amount required to pay the
24 city's annual cost of retiring its indebtedness.

25 * Sec. 445. The sum of \$20,000 is appropriated from the general fund to
