4 FIFTEENTH LEGISLATURE - FIRST SESSION

5 A BILL

6 For an Act entitled: "An Act relating to reports of missing persons; and  
7 creating a missing persons information clearing-  
8 house."

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

10 \* Section 1. AS 18.65 is amended by adding new sections to read:

11 ARTICLE 7. MISSING PERSONS INFORMATION CLEARINGHOUSE.

12 Sec. 18.65.600. MISSING PERSONS INFORMATION CLEARINGHOUSE.

13 There is in the Department of Public Safety the missing persons infor-  
14 mation clearinghouse.

15 Sec. 18.65.610. DUTIES OF MISSING PERSONS INFORMATION CLEARING-  
16 HOUSE. (a) The missing persons information clearinghouse is estab-  
17 lished as a central repository of information regarding missing per-  
18 sons.

19 (b) The clearinghouse shall

20 (1) establish within the state a system and appropriate  
21 procedures for communication of information regarding missing persons;

22 (2) collect, maintain, and disseminate accurate and com-  
23 plete information on missing persons for the purpose of identifying,  
24 locating, and returning them;

25 (3) provide for exchange of information on missing persons  
26 within the state;

27 (4) cooperate with private citizens, local law enforcement  
28 agencies, and other state and federal agencies in investigations con-  
29 cerning missing persons;

1           (5) maintain communication with the National Crime Informa-  
2           tion Center for exchange of information on persons suspected of inter-  
3           state travel;

4           (6) provide training and assistance to law enforcement  
5           agencies to promote effective use of the clearinghouse.

6           Sec. 18.65.620. DUTY OF LAW ENFORCEMENT AGENCIES. In addition  
7           to the requirements of AS 47.10.141 regarding reports of missing  
8           minors, a local or state law enforcement agency shall submit to the  
9           clearinghouse all missing person reports received by the law enforce-  
10          ment agency that relate to a person who is not located within 48 hours  
11          after the first report concerning that person was filed.

12          Sec. 18.65.630. MEDICAL AND DENTAL RECORDS OF MISSING PERSONS.

13          (a) When a person files a report of a missing person with a law  
14          enforcement agency or with the clearinghouse, a form authorizing the  
15          release of medical and dental records to the law enforcement agency  
16          and to the clearinghouse shall be supplied to the family, next of kin,  
17          or legal guardian of the missing person. The family, next of kin, or  
18          legal guardian of the missing person may complete the release form and  
19          deliver the release form to the physician or dentist of the missing  
20          person. The physician or dentist who receives a release form signed  
21          by the family, next of kin, or legal guardian of the missing person  
22          may only release to the law enforcement agency and the clearinghouse  
23          that information that is necessary to identify the missing person.

24          (b) When the family, next of kin, or legal guardian of a missing  
25          person cannot be located or does not exist, a law enforcement agency  
26          may execute a written declaration stating that an active investigation  
27          is being conducted and that medical and dental records are required  
28          for the exclusive purpose of furthering the investigation. Notwith-  
29          standing AS 09.25.120 and AS 17.30.155, the declaration signed by a

1 peace officer under this subsection is sufficient authority for the  
2 physician or dentist to release information necessary to aid in the  
3 identification of the missing person. The physician or dentist may  
4 only release that information that is necessary to identify the miss-  
5 ing person.

6 (c) Medical and dental records obtained under this section shall  
7 be provided to the clearinghouse.

8 (d) When a missing person is found, the law enforcement agency

12 who has filed a missing person report with the clearinghouse or a law  
13 enforcement agency shall immediately notify the clearinghouse or the  
14 law enforcement agency when the location of the missing person is  
15 determined.

16 Sec. 18.65.650. CIVIL PENALTY. The commissioner of public

21 Sec. 18.65.660. DEFINITION. In AS 18.65.600 - 18.65.660 "clear-  
22 inghouse" means the missing persons information clearinghouse estab-  
23 lished in AS 18.65.600.

24 \* Sec. 2. AS 18.60.170 is amended to read:

25 Sec. 18.60.170. REPORT AND INVESTIGATION OF DISAPPEARANCE. The  
26 commissioner of public safety or a designee shall file each notifica-  
27 tion of disappearance with the missing persons information clearing-

29 COMMISSIONER OR DESIGNEE], and shall notify the peace officer in the

1 district where the disappearance occurred or in the nearest districts

3 disappearance. If the circumstances give reasonable grounds for  
4 suspicion that a murder has been committed or that a person has met  
5 with foul play, the peace officer shall report all the facts to the  
6 district attorney in the peace officer's district or the assistant  
7 district attorney living nearest the place where the peace officer  
8 resides. The district attorney or the assistant district attorney

12 minor's legal custodian or to locate a minor otherwise missing, a law  
13 enforcement agency shall make reasonable efforts to locate the minor  
14 and shall immediately complete a missing person's report containing  
15 information necessary for the identification of the minor. As soon as  
16 practicable, but not later than 24 hours after completing the report,  
17 the agency shall transmit the report for entry into the Alaska Public  
18 Safety Information Network and the National Crime Information Center  
19 computer system. The report shall also be submitted to the missing  
20 persons information clearinghouse under AS 18.65.620. As soon as  
21 practicable, but not later than 24 hours after the agency learns that  
22 the minor has been located, it shall request that the Department of  
23 Public Safety and the Federal Bureau of Investigation remove the  
24 information from the computer systems.

### MEMORANDUM

TO: Senator John Binkley, Co-Chairman  
Senate Finance Committee

FROM: Senator Jan Faiks   
President of the Senate

SUBJECT: Background on Senate Bill 102  
An Act relating to reports of missing persons;  
and creating a missing persons information  
clearinghouse.

Senate Bill 102 has been referred to your committee for consideration. The purpose of this bill is to establish a statewide system for handling information about missing persons.

The locating of missing persons has been hampered in the state by the lack of consistent procedures for receiving, processing and sharing information about lost persons. Each law enforcement agency seems to have its own method for handling reports of missing persons, for dealing with relatives of the victim, and for coordinating search efforts with others.

Often, this lack of consistency has resulted in undue expense to the government and needless anxiety for friends and relatives. The problem is aggravated by the vastness of our state. A body washed up on the shores of the Bering Sea is not matched with a missing persons report filed in Ketchikan. Village officials continue to investigate the disappearance of a teenager long after she has been found by authorities in Fairbanks.

OUT OF SESSION

6060 YUKON DRIVE ANCHORAGE, ALASKA 99516 907-274-6611

By creating a central repository for collecting and handling information about missing persons, Senate Bill 102 should relieve these problems.

Senate Bill 102 proposes the following:

Section 1. Amends AS 18.65 by adding AS 18.65.600 - 18.65.660.

Sec. 18.65.600. Establishes the Missing Persons Information Clearinghouse.

Sec. 18.65.610. Requires the Clearinghouse to create a statewide system for handling information about missing persons. The Clearinghouse will collect and disseminate this information throughout Alaska. It will communicate with the National Crime Information Center about missing persons cases, and will train officials on how to best use the Clearinghouse.

Sec. 18.65.620. Places a duty on all law enforcement agencies to send to the Clearinghouse all reports of missing persons who have not been found within forty-eight hours.

Sec. 18.65.630. Allows agencies to obtain medical and dental records that will help identify bodies. If relatives of the missing persons are available, these records cannot be obtained by a government agency unless they are requested by family members. If no relatives are available, the law enforcement agencies can obtain records on their own initiative. When the agencies obtain these records, they must forward them to the Clearinghouse. Upon the location of the missing person, the law enforcement agency and the clearinghouse shall destroy all records in their files.

Sec. 18.65.640. Requires a person who files a missing person report to notify the clearinghouse or law enforcement agency once the person who has been reported missing has been found.

Sec. 18.65.650. The committee substitute prepared by the Senate Judiciary Committee provides that a failure to notify the Clearinghouse or law enforcement agency when the person is found may be punishable by a civil fine of not more than \$1,000.

Section 2 Amends AS 18.60.170 which deals with procedures for handling missing persons reports within the Department of Public Safety. This section adds the additional duty of filing these reports with the Clearinghouse. If murder or foul play is suspected in a case, a report must be filed with the district attorney.

Section 3. Amends AS 47.10.141(a) to require the filing of reports of missing minors with the Clearinghouse.

A similar bill was passed by the Senate during the last session, but time ran out before it was able to get through the legislative process. This bill has passed out of its first committee of referral, the Senate State Affairs Committee.

I would appreciate the committee's consideration of the legislation at its earliest convenience. Should you need any additional information, please let me know.

Thank you. .

10 \* Section 1. AS 18.65 is amended by adding new sections to read:  
11 ARTICLE 7. MISSING PERSONS INFORMATION CLEARINGHOUSE.  
12 Sec. 18.65.600. MISSING PERSONS INFORMATION CLEARINGHOUSE.  
13 There is in the Department of Public Safety the missing persons infor-  
14 mation clearinghouse.  
15 Sec. 18.65.610. DUTIES OF MISSING PERSONS INFORMATION CLEARING-  
16 HOUSE. (a) The missing persons information clearinghouse is estab-  
17 lished as a central repository of information regarding missing per-  
18 sons.  
19 (b) The clearinghouse shall  
20 (1) establish within the state a system and appropriate  
21 procedures for communication of information regarding missing persons;  
22 (2) collect, maintain, and disseminate accurate and com-  
23 plete information on missing persons for the purpose of identifying,  
24 locating, and returning them;  
25 (3) provide for exchange of information on missing persons  
26 within the state;  
27 (4) cooperate with private citizens, local law enforcement  
28 agencies, and other state and federal agencies in investigations con-  
29 cerning missing persons;

1           (5) provide training and assistance to law enforcement  
2 agencies to promote effective use of the clearinghouse.

3           Sec. 18.65.620. DUTY OF LAW ENFORCEMENT AGENCIES. In addition  
4 to the requirements of AS 47.10.141 regarding reports of missing  
5 minors, a local or state law enforcement agency shall submit to the  
6 clearinghouse all missing person reports received by the law enforce-  
7 ment agency that relate to a person who is not located within 48 hours  
8 after the first report concerning that person was filed.

9           Sec. 18.65.630. MEDICAL AND DENTAL RECORDS OF MISSING PERSONS.

10          (a) When a person files a report of a missing person with a law  
11 enforcement agency or with the clearinghouse, a form authorizing the  
12 release of medical and dental records to the law enforcement agency  
13 and to the clearinghouse shall be supplied to the family, next of kin,  
14 or legal guardian of the missing person. The family, next of kin, or  
15 legal guardian of the missing person may complete the release form and  
16 deliver the release form to the physician or dentist of the missing  
17 person. The physician or dentist who receives a release form signed  
18 by the family, next of kin, or legal guardian of the missing person  
19 shall release to the law enforcement agency and the clearinghouse only  
20 that information that is necessary to identify the missing person.

21          (b) When the family, next of kin, or legal guardian of a missing

25 for the exclusive purpose of furthering the investigation. Notwith-  
26 standing AS 09.25.120 and AS 17.30.155, the declaration signed by a  
27 peace officer under this subsection is sufficient authority for the  
28 physician or dentist to release information necessary to aid in the  
29 identification of the missing person. The physician or dentist may

1           only release that information that is necessary to identify the miss-  
2           ing person.

3           (c) Medical and dental records obtained under this section shall  
4           be provided to the clearinghouse.

5           (d) When a missing person is found, the law enforcement agency  
6           and the clearinghouse shall destroy all records in their files ob-  
7           tained under this section.

8           Sec. 18.65.640. REPORTS UPON FINDING A MISSING PERSON. A person  
9           who has filed a missing person report with the clearinghouse or a law  
10          enforcement agency shall immediately notify the clearinghouse or the

12          determined.

13          Sec. 18.65.650. CIVIL PENALTY. The commissioner of public  
14          safety, or a person designated by the commissioner of public safety,

18          Sec. 18.65.660. DEFINITION. In AS 18.65.600 - 18.65.660 "clear-  
19          inghouse" means the missing persons information clearinghouse estab-

21          \* Sec. 2. AS 18.60.170 is amended to read:

22          Sec. 18.60.170. REPORT AND INVESTIGATION OF DISAPPEARANCE. The  
23          commissioner of public safety or a designee shall file each notifica-

2 with foul play, the peace officer shall report all the facts to the  
3 district attorney in the peace officer's district or the assistant  
4 district attorney living nearest the place where the peace officer  
5 resides. The district attorney or the assistant district attorney

9 minor's legal custodian or to locate a minor otherwise missing, a law  
10 enforcement agency shall make reasonable efforts to locate the minor  
11 and shall immediately complete a missing person's report containing  
12 information necessary for the identification of the minor. As soon as  
13 practicable, but not later than 24 hours after completing the report,  
14 the agency shall transmit the report for entry into the Alaska Public  
15 Safety Information Network and the National Crime Information Center  
16 computer system. The report shall also be submitted to the missing  
17 persons information clearinghouse under AS 18.65.620. As soon as  
18 practicable, but not later than 24 hours after the agency learns that

20 Public Safety and the Federal Bureau of Investigation remove the  
21 information from the computer systems.

BILL NO: SB 102

DATE: 2/23/87

TITLE: "An Act relating to reports  
of missing persons..."

CONTACT: Maj. Walter J. Gilmour  
Acting Director

DEPARTMENT OF  
PUBLIC SAFETY

The purpose of this bill is to establish, by statute, a Missing Persons Clearinghouse. In previous years, a missing persons unit has been maintained within the division of Alaska State Troopers without specific funding. Due to reduced budgets, this is no longer possible.

This bill requires all state and local law enforcement agencies to coordinate missing persons' reports through one central clearinghouse operated by the Department of Public Safety. The effect is the establishment of a central storage area for the collection, maintenance and dissemination of information relating to the identification, locating and return of missing persons.

In order to comply with this legislative mandate, we are conservatively requesting a part-time Clerk IV and the necessary equipment for this individual to perform the required tasks.

The Division of Alaska State Troopers supports passage of this legislation.

MEMORANDUM

TO: Representative Al Adams, Chairman  
House Finance Committee

FROM: Senator Jan Faiks  
President of the Senate 

SUBJECT: Background on Senate Bill 102  
An Act relating to reports of missing persons;  
and creating a missing persons information  
clearinghouse.

HCS CSSB 102 (Jud) has been referred to the House Finance Committee for consideration. The purpose of this bill is to establish a statewide system for handling information about missing persons.

The locating of missing persons has been hampered in the state by the lack of consistent procedures for receiving, processing and sharing information about lost persons. Each law enforcement agency seems to have its own method for handling reports of missing persons, for dealing with relatives of the victim, and for coordinating search efforts with others.

Often, this lack of consistency has resulted in undue expense to the government and needless anxiety for friends and relatives. The problem is aggravated by the vastness of our state. A body washed up on the shores of the Bering Sea is not matched with a missing persons report filed in Ketchikan. Village officials continue to investigate the disappearance of a teenager long after she has been found by authorities in Fairbanks.

By creating a central repository for collecting and handling information about missing persons, Senate Bill 102 should relieve these problems.

HCS CSSB 102 (Jud) proposes the following:

Section 1. Amends AS 18.65 (Police Protection) by adding AS 18.65.600 - 18.65.660.

Sec. 18.65.600. MISSING PERSONS INFORMATION CLEARINGHOUSE. Establishes the Missing Persons Information Clearinghouse.

Sec. 18.65.610. DUTIES OF MISSING PERSONS INFORMATION CLEARINGHOUSE. Requires the Clearinghouse to create a statewide system for handling information about missing persons. The Clearinghouse will collect and disseminate this information throughout Alaska. It will train officials on how to best use the Clearinghouse.

Sec. 18.65.620. DUTY OF LAW ENFORCEMENT AGENCIES. Places a duty on all law enforcement agencies to send to the Clearinghouse all reports of missing persons who have not been found within forty-eight hours.

Sec. 18.65.630. MEDICAL AND DENTAL RECORDS OF MISSING PERSONS. Allows agencies to obtain medical and dental records that will help identify bodies. If relatives of the missing persons are available, these records cannot be obtained by a government agency unless they are requested by family members. If no relatives are available, the law enforcement agencies can obtain records on their own initiative. When the agencies obtain these records, they must forward them to the Clearinghouse. Upon the location of the missing person, the law enforcement agency and the clearinghouse shall destroy all records in their files.

Sec. 18.65.640. REPORTS UPON FINDING A MISSING PERSON. Requires a person who files a missing person report to notify the clearinghouse or law enforcement agency once the person who has been reported missing has been found.

Sec. 18.65.650. CIVIL PENALTY. Failure to notify the Clearinghouse or law enforcement agency when the missing person is found may be punishable by a civil fine of not more than \$1,000.

Section 2 REPORT AND INVESTIGATION OF DISAPPEARANCE. Amends AS 18.60.170 which deals with procedures for handling missing persons reports within the Department of Public Safety. This section adds the additional duty of filing these reports with

the Clearinghouse. If murder or foul play is suspected in a case, a report must be filed with the district attorney.

Section 3. Amends AS 47.10.141(a) to require the filing of reports of missing minors with the Clearinghouse.

I would appreciate the committee's consideration of this bill at its earliest convenience. Should you need additional information, please let me know.

Thank you.

### MEMORANDUM

TO: Representative Al Adams, Chairman  
House Finance Committee

FROM: Senator Jan Faiks   
President of the Senate

SUBJECT: Background on Senate Bill 103  
An Act relating to the disposal of property  
forfeited under federal drug enforcement laws.

The House Judiciary Committee Substitute to Senate Bill 103 has been referred to your committee for consideration.

This bill will permit Alaska law enforcement agencies to accept property, including money, from the United States Attorney General which has been forfeited under the Federal Controlled Substances Act, 21 U.S.C. 881(e). It further enables the Department of Public Safety and local law enforcement agencies to use those funds for the enforcement of state drug laws.

The amount of funds which can be anticipated under this plan will vary with the amount of property that is seized in any given year and the amount of participation from the state and local law enforcement agencies.

The Department of Public Safety estimates that in 1986 it was allocated nearly \$150,000 in cash from drug-related investigations from the federal government. Although the funds have been allocated, the state has not been able to accept them, as there is not statutory authority to do so. Presently, the money reverts to the federal government.

OUT OF SESSION

6060 YUKON DRIVE ANCHORAGE, ALASKA 99516 907-274-6611

However, the Department has been able to use property which is forfeited in these cases. Automobiles comprise the majority of the property that is confiscated. The property which has been allocated to Alaska from 1986 forfeitures has a value between \$50,000-72,000.

Not only will this bill enable Alaska to accept the \$150,000 from the federal government, but that amount will count towards the 20% state match required to receive an additional \$800,000 from the federal government to be used for drug enforcement purposes.

The committee substitute prepared by the House Judiciary Committee broadens the language of the original bill by enabling local law enforcement agencies, as well as the Department of Public Safety to accept such forfeited property, including funds. This language is consistent with the provisions of the federal law.

Additionally, the committee substitute provides a retroactive clause to enable Alaska law enforcement agencies to accept such property as was allocated to it in 1985, should it still be available from the federal government. The committee substitute relates to that year, as the federal statute allowing such allocations went into effect in 1985.

Senate Bill 103 does not appear to violate the Dedicated Funds clause of the Alaska Constitution, as the dedication of those funds is required by relevant federal law which enable such allocation to the states.

Specifically, the dedicated funds clause contained in Article IX, sec. 7 of the state constitution provides that

The proceeds of any state tax or license shall not be dedicated to any special purpose, except...when required by the federal government for state participation in federal programs.

The relevant federal law in this area, 21 U.S.C. 881 (e), provides that

Whenever property is civilly or criminally forfeited under this subchapter the Attorney General may  
(1) retain the property for official use or transfer the custody of ownership of any forfeited property to any Federal, State, or local agency . . .

The United States Attorney General has issued guidelines

which spell out the procedures for transferring property seized and forfeited under 21 U.S.C. 881 which provide that

Property will be transferred [to a state law enforcement agency] only in cases where the tangible property or cash will be credited to the budget of the state or local agency that directly participated in the seizure or forfeiture, resulting in an increase of law enforcement resources for that specific state or local agency.

These guidelines make it clear that the dedication of funds received by the state under 21 U.S.C. 881 appears to be required for state participation in a federal program, and is not in violation of the dedicated funds clause of the state constitution.

Attached is a copy of the analysis of the dedicated funds clause issue which was prepared by Legal Services, and the relevant federal law.

I would appreciate the committee's consideration of this legislation at its earliest convenience. Should you need any additional information, please let me know.

Thank you.

#### ATTORNEY GENERAL'S GUIDELINES ON SEIZED AND FORFEITED PROPERTY

##### I. Statement of Policy

The following guidelines are designed to implement certain asset forfeiture provisions of the Comprehensive Crime Control Act of 1984 pertaining to the disposition of forfeited property, the management and use of the Department of Justice Assets Forfeiture Fund, and the discontinuance of federal forfeiture actions to permit forfeiture by State or local procedures.

The statute directs, "The Attorney General shall ensure the equitable transfer . . . of any forfeited property to the appropriate State or local law enforcement agency so as to reflect generally the contribution of any such agency participating directly in any of the acts which led to the seizure or forfeiture of such property."

This authority is consistent with the Department of Justice's purpose of promoting cooperative law enforcement efforts in drug trafficking and other investigations. The Department intends to manage its asset forfeiture program in a manner designed to enhance this Federal, State and local cooperation.

Title 21, United States Code (U.S.C.), section 881(e), authorizes the Attorney General to dispose of forfeited property by (1) retaining the property for official use; (2) transferring custody or ownership of the property to any Federal, State or local agency pursuant to the Tariff Act of 1930, Title 19, USC, Section 161F; or (3) placing the forfeited cash or proceeds of sale of forfeited property in an appropriation called the Department of Justice Assets Forfeiture Fund (hereinafter "the Fund"). A decision of the Attorney General regarding placing the forfeited property into official use or transferred the property to another agency is not subject to judicial review.

The Law Enforcement Coordinating Committee program will inform State and local law enforcement agencies as to the procedures for requesting an equitable transfer of forfeited property, help facilitate the application for transfer of such property, and see that the spirit and letter of the forfeiture provisions of the Comprehensive Crime Control Act of 1984 are implemented in each Federal district.

##### II. Definitions

A. "Department of Justice investigative bureau" refers to the investigative unit within the Department of Justice that participated in the investigation and seizure of property and is responsible for the processing of the forfeiture arising from the seizure.

B. "Head of the Department of Justice investigative bureau" means the head of that bureau or his headquarters-level designee.

C. "Placing property into official use" means use of forfeited property by a Department of Justice bureau for any official purpose.

D. "Property" means tangible property and cash.

E. "Cash" means currency, negotiable instruments and securities.

F. "State and local agencies" means State and local law enforcement agencies.

G. "Appraised value" means fair market value.

##### III. Use and Transfer of Forfeited Property

###### A. Retention of Property for Official Use

a. The Attorney General has the authority to retain any civilly or criminally forfeited tangible property for official use by any Department of Justice bureau.

2. No forfeited cash, nor any proceeds from sales of forfeited property may be transferred to, or retained by, federal law enforcement agencies under the provisions of 21 U.S.C. 881(e) for disposition of forfeited property.

3. Payment of liens and mortgages pursuant to an authorization to place property into official use.

a. Liens and mortgages cumulatively amounting to less than one third of the appraised value of the asset and totalling less than \$50,000 will be paid from the Fund at the request of the head of the Department investigative bureau.

b. Payments of liens or mortgages that, in the aggregate, total \$50,000 or greater or exceed one third of the appraised value of the asset, will be paid from the Fund at the request of the Department of Justice investigative bureau subject to the concurrence of the Deputy Attorney General.

###### B. Official Use by Department of Justice Investigative Bureau

1. The Attorney General's authority to place tangible property into official use is delegated to the head of the Department of Justice investigative bureau.

a. In making a decision concerning placing forfeited property into official

use, the head of the Department of Justice Bureau must consider the financial status of the Department of Justice Forfeiture Fund.

b. Exercise of this delegation of authority is subject to concurrence by the Deputy Attorney General for all property appraised at \$750,000 or more.

#### C. Official Use by Other Department of Justice Bureaus

1. If the Department investigative bureau does not choose to place the forfeited property into official use, the Director, United States Marshals Service will determine appropriate disposal, including screening any remaining property suitable for official use by other Department of Justice bureaus.

a. A decision to place such property into official use is subject to concurrence by the Deputy Attorney General for all property appraised at \$750,000 or more.

2. If more than one Department of Justice component wants to retain for official use the same piece of seized and forfeited property, the Deputy Attorney General will determine which component may place such property in official use.

#### D. Transfer of Property to State or Local Law Enforcement Agencies

##### 1. Attorney General's Authority for Equitable Transfer of Seized Property

a. The Act authorizes the Attorney General to transfer forfeited property to state or local law enforcement agencies that directly participated in the acts which led to the seizure or forfeiture.

b. Tangible property not retained for official use by the Department of Justice investigative bureau is eligible for equitable transfer.

c. Where a participating law enforcement agency petitions for a share in the forfeited property, the Attorney General shall determine an equitable transfer of the property that generally reflects the relative contribution of the participating agencies.

##### 2. Procedure for Determining Equitable Transfer

a. Any state or local law enforcement agency that participates in the acts leading to a Department of Justice seizure for forfeiture may file a request for an equitable transfer of the property.

b. The criteria for determining the equitable transfer of the property will be the same for all requests.

c. In all cases the final decision-making authority rests with the Attorney General or his designee.

##### 3. Requests from Participating Law Enforcement Agencies

a. Within thirty days following the seizure for forfeiture, a state or local

agency should submit a written request for an equitable transfer of the property subject to forfeiture.

b. This request must be filed with the local or regional office of the Department investigative bureau responsible for processing the forfeiture.

c. The request must include the following information:

(1) Identification of the property against which the claim is made;

(2) Details regarding the requesting agency's participation, including the amount of money and manpower expended by the state or local agency in pursuing the case;

(3) A statement of the intended use for the property;

(4) A designation of the proper fiscal officer to whom cash or check disbursements can be made;

(5) A designation of the proper official to whom transfer documents should be delivered by the United States;

(6) A designation of the proper party to whom possession should be delivered;

(7) A statement indicating that the transfer is not prohibited under the applicable state or local law;

(8) In instances of a joint application by several state or local agencies, the relative share of each state or local agency; and

(9) A statement that all fees and expenses necessary to effect transfer of title will be paid by or on behalf of the requesting agency not later than the time of transfer.

d. The requesting agency must certify that the information contained in 3(c)(4-7) above is true and correct.

e. Property will be transferred only in cases where the tangible property or cash will be credited to the budget of the state or local agency that directly participated in the seizure or forfeiture, resulting in an increase of law enforcement resources for that specific state or local agency.

f. An information copy of any request will be forwarded to the United States Attorney in the district where the transfer request originated.

##### 4. Procedure for Processing Requests for Equitable Transfer

a. In all cases, the Department investigative bureau field unit receiving the request will prepare a written report that will evaluate the degree of assistance provided by the requesting agency or agencies in the underlying investigation.

b. The equitable share for a participating state or local agency should generally reflect the contribution of the agency participating directly in any of the acts which led to the seizure

or forfeiture of the property, including, but not limited to, the following factors:

(1) Which agency initiated the case;

(2) Which agency identified the asset;

(3) The amount of money and manpower expended by the state or local agency in pursuing the case;

(4) Whether or not the state or local agency seized other assets during the course of the same investigation and whether such seizures were made pursuant to state or local law; and

(5) Whether or not the state or local agency could have achieved forfeiture under state law, with favorable consideration given to a state or local agency which could have forfeited the asset(s) on its own but joined forces with the United States to make a more effective investigation.

c. The head of the Department investigative bureau may place tangible property forfeited administratively or judicially into official use in cases in which a state or local agency has filed a request for an equitable share of that property.

(1) In making this decision, the head of the Department investigative bureau must consider the following factors:

(a) The relative needs of both the requesting law enforcement agency and the Department investigative bureau for the particular asset;

(b) The uniqueness of the asset and the likely ability to secure such an asset by other seizures in the near future;

(c) The relative significance of the requesting law enforcement agency's participation in the case, as well as all the other factors pertinent to the determination of equitable distribution as set forth in Part III.B.4.c. above;

(d) The potential of, or likelihood that, the requesting agency will be eligible for an equitable share of property from additional seizures arising from the same investigation or from other seizures in the near future; and

(e) The impact that a decision to place the property into official use might have on Federal, state and local relations in that District.

##### 5. Decision-Making Authority for Determining Equitable Transfer

a. The equitable distribution of an asset forfeited administratively with an appraised value of \$100,000 or less will be determined by the head of the Department investigative bureau.

(1) The Department investigative bureau's field unit shall forward its report and recommendation to the bureau head for decision.

(2) In making this decision, the head of the Department investigative bureau will consider the report and recommendation forwarded by the field

unit and issue to the requesting agency a written ruling on the request.

(3) A copy of the decision document will be forwarded to the United States Attorney, or to the Criminal Division section chief in a Criminal Division case, and to the Director, United States Marshals Service.

(4) A copy of the decision document will be made available upon request to the Director, Asset Forfeiture Office.

b. In the case of all administratively forfeited property with an appraised value greater than \$100,000 and with all judicially forfeited property, the evaluation and recommendation will be forwarded to the appropriate United States Attorney or to the Criminal Division section chief in a Criminal Division case.

(1) The equitable distribution of an asset forfeited judicially with an appraised value of \$100,000 or less will be determined by the United States Attorney or the Criminal Division section chief.

(2) In making this decision, the United States Attorney or section chief will consider the reports and recommendations forwarded by the head of the Department of Justice investigative bureau and will consult with the United States Marshals Service.

(3) A copy of the decision document will be forwarded to the Department of Justice investigative bureau, the Director, United States Marshals Service and the Director, Asset Forfeiture Office.

c. In the case of all property with an appraised value greater than \$100,000, the United States Attorney or section chief will forward the evaluation and recommendation of the Department of Justice investigative bureau, along with his own recommendation, to the Director, Asset Forfeiture Office, who will determine the equitable distribution of those assets.

(1) In making this decision, the Director will consider the reports and recommendations forwarded by the head of the Department of Justice investigative bureau and the United States Attorney or section chief and will consult with the United States Marshals Service.

(2) A copy of the decision document will be forwarded to the Department of Justice investigative bureau, the United States Marshals Service and the United States Attorney or section chief.

d. The Deputy Attorney General will make the final determination of equitable distribution of any asset with an appraised value of \$750,000 or greater.

(1) The request will be processed as in 5.c. above.

(2) A copy of the decision document will be forwarded to the Director, Asset Forfeiture Office, the Director, United States Marshals Service, the United States Attorney or section chief and the Department of Justice investigative bureau.

e. In all cases in which judicially forfeited property is located in a judicial district other than where the judicial proceedings are taking place, the party determining the equitable distribution must consult with the respective United States Attorney prior to determining equitable distribution.

6. Proceeds Placed in the Department of Justice Assets Forfeiture Fund

a. If the federal forfeiture action is not deferred, and the property is not placed into official use or transferred to a state or local agency, it will be sold and the net proceeds of sale will be placed in the Assets Forfeiture Fund.

b. Forfeited cash will be placed in the Assets Forfeiture Fund.

c. All Department of Justice bureaus will promptly notify the United States Marshals Service of any facts affecting seized property. Some relevant facts would include bills, invoices, orders of mitigation and remission, orders of sharing with state or local agencies, orders of designation for official use by Department of Justice components, and appraisals. Based upon these and other factors, the United States Marshals Service should appropriately dispose of the property.

7. Disposition of Forfeited Property

a. State or local agencies may share in seized and forfeited tangible property, and seized and forfeited cash.

b. Any property that cannot be used for law enforcement purposes must be liquidated.

c. Where tangible property is transferred to qualifying state or local agencies, monies from the Assets Forfeiture Fund will not be used to pay liens or mortgages on the property, to equip the property for law enforcement purposes, or to pay salaries.

d. The recipient state or local agency must pay the valid liens and mortgages on the forfeited tangible property prior to the transfer of such property.

e. The recipient state or local agency may be required to pay direct expenses pertaining to the seizure prior to the transfer of tangible property.

f. In the event of an interlocutory sale of property pending forfeiture, the Director, United States Marshals Service first must consult with the United States Attorney, Criminal Division section chief or the Director of the Asset Forfeiture Office in the case of judicially forfeited property, or the head of the pertinent Department investigative

bureau in the case of administrative forfeitures, to determine the status of any state or local law enforcement agency requests for equitable sharing.

#### IV. Department of Justice Assets Forfeiture Fund

TITLE: "An Act relating to the disposal of property forfeited under federal drug enforcement laws."

DEPARTMENT OF  
PUBLIC SAFETY

The purpose of this legislation is to allow the Department of Public Safety to receive property forfeited to the Federal Government as a result of charges under the Federal Controlled Substances Act (2 U.S.C. 881).

The authorization of the Department of Public Safety to receive property, including money, and to use it in supporting law enforcement activities, will be of great assistance. While the unpredictability of such receipts prevents any accurate estimate of the impact of this statute change, the reduction in the budget of the Division of Alaska State Troopers as a result of the revenue crisis can be partially offset by such receipts.

The Department of Public Safety supports SB 103.
