STEVE COWPER
GOVERNOR

STATE OF ALASKA
OFFICE OF THE GOVERNOR
JUNEAU

April 9, 1987

The Honorable Ben Grussendorf
Speaker of the House
Alaska State Legislature
P.O. Box V
Juneau, AK 99811

Dear Representative Grussendorf:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill that makes changes in existing law to clarify the status of and accounting for money received for goods and services provided by state agencies.

The purpose of the bill is the same as that of ch. 138, SLA 1986: namely, to expressly authorize setting and receiving fees and other charges by state agencies for the performance of functions prescribed by law. As with ch. 138, SLA 1986, this bill includes provisions requiring separate accounting for these program receipts and provisions suggesting legislative appropriation to the respective programs that produced the receipts. This bill attempts to include the amendments that ch. 138, SLA 1986 missed.

Perhaps the most significant provisions of this bill are in secs. 1 and 95. Section 1 defines "program receipts" as "fees, charges, income earned on assets, and other state money received by a state agency in connection with the performance of its functions" and identifies those receipts that are not general fund program receipts.

Section 95 is a "grandfather clause" that protects from any unintentional invalidation fees charged by agencies under regulations that were adopted before July 1, 1987, notwithstanding last year's amendments of AS 37.10.050(a) which take effect on July 1, 1987.

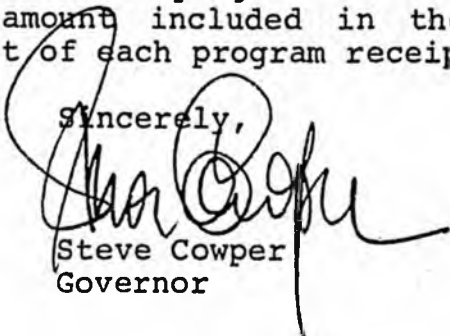

The remaining sections of the bill either (1) expressly authorize the assessment of fees, or the provision of services already impliedly authorized by existing law; or (2) prescribe a method for accounting for and using money generated by state programs.

This bill has a July 1, 1987 effective date, to coincide with the effective date of sec. 1, ch. 138, SLA 1986's amendment of AS 37.10.050(a).

The amendments set out in this bill will make clear the permissible handling of program receipts. Although my Administration believes that the most appropriate use of program receipts is for the expenses of the activities that earned them, it is within the legislature's discretion to determine the purpose for which those program receipts may be spent. The power of the legislature to appropriate program receipts is no different from its power to appropriate other money in the general fund.

For the legislature's convenience, I have forwarded to the House Finance Committee a draft of the bill, the margin of which identifies the department and program affected by each section, along with the amount included in the revised budget (SSHB 75) as a result of each program receipt.

Sincerely,

Steve Cowper
Governor

This program was funded at \$484,400 during fiscal year 1987. A budget decrement for \$304,000 has been submitted in the FY88 budget bringing the revised funding level to \$180,400. This decrement has been submitted based on the elimination of the reenlistment bonus program for the National Guardsmen with over twelve years of service. The program will be maintained for those members in the seven to twelve year group where the program has proven most effective in retaining members.

RE: House Bill 264; National Guard Reenlistment Bonus

Dear Chairman Adams:

The proposed FY 88 budget for the Department of Military and Veterans Affairs (DMVA) was submitted in anticipation that HB 264 would be enacted into law. HB 264 would eliminate certain classes of recipients from the bonus program. More importantly however the Bill would make payment of the bonus conditioned upon the appropriation of funds for that purpose. This Bill is important for the vitality of the reenlistment program in FY 88.

I understand that this Bill is now before the House Finance Committee. As this Bill was proposed to give a statutory basis to the proposed cuts in the program which are part of the Departments FY 88 budget submission, I request that this matter be scheduled for hearing in the House Finance Committee at the earliest opportunity. Prompt action by the House will be required if there is going to be any chance for Senate action on this Bill before this session of the Legislature ends.

Dear Representative Grussendorf:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill relating to the reenlistment bonus for members of the Alaska National Guard and Alaska Naval Militia. The bill reduces the pool of members eligible to receive a reenlistment bonus, most significantly by eliminating from eligibility full-time employees of the National Guard and full-time employees of the Department of Military and Veterans' Affairs.

AS 26.05.265, as amended in 1983, provides for payment of a \$500 bonus annually for each year of reenlistment, up to \$3,000 for a member's entire service. AS 26.05.265(b). Certain members who were receiving the pre-1983 type of bonus, which was equal to 10 days' pay, were "grandfathered" into that bonus until they retired, resigned, or were otherwise discharged. Sec. 2, ch. 62, SLA 1983.

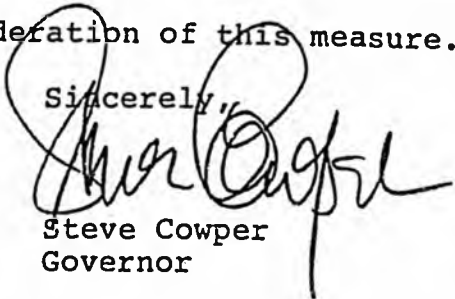

Section 1 of this bill makes federal employees who are full-time technicians or active guard reserve employees, and full-time employees of the Department of Military and Veterans' Affairs, ineligible to receive a reenlistment bonus. AS 26.05.265(c). Additionally, the bill amends AS 26.05.-265(b) to provide for pro rata payment of an annual bonus when a member becomes ineligible due to other amendments made by this bill, or when a member dies, is disabled, or is discharged from enlisted status to accept a warrant or commission as an officer.

Section 2 of the bill repeals the "grandfather" language of sec. 2, ch. 62, SLA 1983, finally discontinuing payment of the 10-days'-pay bonus.

Hon. Ben Grussendorf

I urge your favorable consideration of this measure.

STEVE COWPER
GOVERNOR

STATE OF ALASKA
OFFICE OF THE GOVERNOR
JUNEAU

The Honorable Ben Grussendorf
Speaker of the House
Alaska State Legislature
P.O. Box V
Juneau, AK 99811

Dear Representative Grussendorf:

Under the authority of art. III, sec. 18, of the Alaska Constitution, I am transmitting a bill relating to unemployment insurance.

AS 23.20 contains a comprehensive scheme for both the collection of unemployment insurance contributions from employers and employees and for the payment of unemployment insurance benefits to unemployed workers in the State of Alaska. The economic conditions in the State of Alaska over the past couple of years have created a situation in which, at the same time that employee and employer contributions to the unemployment compensation fund have decreased, the payment of benefits out of that fund has dramatically increased. The result will be that by or near the end of 1987, the ability of the state to pay unemployment insurance benefits will be in jeopardy because the fund balance will be reduced to near zero.

Therefore, in accordance with existing AS 23.20.140, the state will need to obtain advances from the federal government in order to support the payment of unemployment insurance benefits until such time as the economic conditions in the State of Alaska turn around and employer and employee contributions once again are sufficient to keep the fund solvent.

Since 1982, the federal government has charged interest on the advances it makes to states. Under federal law (42 U.S.C. 1322(b)(5)), the interest may not be paid from employer contributions, nor may it be paid from the unemployment compensation fund. The Department of Labor has determined that interest can, however, be paid from a portion of employee contributions to the fund. This bill clarifies the Department of Labor's authority to pay the interest on advances by using employee contributions.

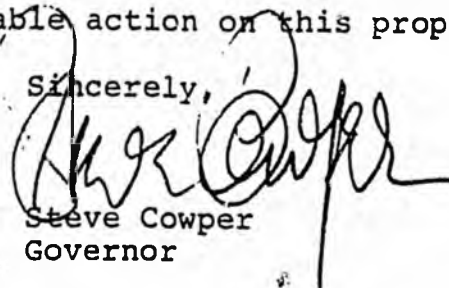

Hon. Ben Grussendorf

Section 2 of the bill is a housekeeping measure that simply makes a related provision make sense.

I recommend prompt and favorable action on this proposal.

Sincerely,
