

LEGISLATIVE FINANCE - HOUSE / SENATE FINANCE COMM. FILES 8879

SB 73 cont. 603

194

AUDITOR'S CONCLUSIONS

Comparing the salaries of employees participating in the Retirement Incentive Program (RIP) with the salaries of replacement employees and positions remaining vacant shows the State benefited in a reduction of personal service costs. Taking into consideration the employer's cost to credit the retired employees with three years of service produces an estimated net savings of \$14,449,000 over three years. (See Schedule of RIP Cost Savings/(Loss) on page 9 of this report.)

Except for the Department of Corrections and the Department of Community and Regional Affairs, all executive branch agencies we reviewed showed a net savings to the State. For the most part this exception was due to OMB allowing agencies to calculate their savings over a four-year time period whereas our calculations were based over a three-year period. (See Report Objectives, Scope, and Methodology section of this report.) In addition, provisions were made by OMB that agencies could demonstrate savings by keeping open a vacated position even though the employee did not retire through the RIP program. We did not identify these positions or follow that methodology for calculating savings.

Net cost savings by state agency were mainly generated by the replacement of employees whose salary was based on longevity with employees paid at lower rates, the reclassification of positions to lower pay ranges, and leaving positions vacant. Positions employees retired from and currently occupied by an employee resulted in lower annual salaries for all agencies, except for the Office of the Governor. Current salaries in the Governor's Office were greater by \$1,000 in those positions where employees retired. We believe this variance is due to the retiring employee's salary reflecting a 10 percent pay cut while the current occupant's salary is after the pay cuts were restored.

Review of some individual significant variances in pay between the retired employee's salary and the current employee's salary indicated the variances were mainly caused by position reclassifications. We did not determine the justification for these position reclassifications.

MEMORANDUM

MARCH 21, 1989

TO: SENATOR RICK UEHLING, CO-CHAIR
SENATE FINANCE COMMITTEE

FROM: SENATOR JIM DUNCAN

SUBJECT: CS SENATE BILL 73 (HESS), AN ACT RELATING TO RETIREMENT
INCENTIVE PROGRAMS FOR THE PUBLIC EMPLOYEES' RETIREMENT
SYSTEM AND THE TEACHERS' RETIREMENT SYSTEM.

I REQUEST THAT YOU SCHEDULE CSSB 73, RE-ESTABLISHING THE
RETIREMENT INCENTIVE PROGRAM FOR PUBLIC EMPLOYEES FOR A HEARING
AS SOON AS POSSIBLE. THE PROPOSED PROGRAM IS ESSENTIALLY THE
SAME AS THE ORIGINAL RETIREMENT INCENTIVE PROGRAM.

THE RETIREMENT INCENTIVE PROGRAM WILL ONCE AGAIN PROVIDE A
THREE YEAR INCENTIVE TO ENCOURAGE LONG-TERM, HIGHLY PAID
EMPLOYEES TO RETIRE FROM STATE, MUNICIPAL, UNIVERSITY, AND SCHOOL
EMPLOYMENT. THE INTENT OF THE PROGRAM IS TO RETAIN EMPLOYEES AT
THE LOWER END OF THE PAY SCALE BY RETIRING OTHERS. IN MANY
CASES, POSITIONS CAN BE HELD VACANT OR REFILLED AT A LOWER LEVEL
RESULTING IN PAYROLL SAVINGS TO THE EMPLOYER.

THE RETIREMENT INCENTIVE WINDOW PERIODS CURRENTLY IN CSSB 73
ARE AS FOLLOWS:

<u>EMPLOYEE TYPE</u>	<u>APPLICATION PERIOD</u>	<u>EMPLOYEE MUST RETIRE ON OR BEFORE</u>
SCHOOL	JUNE 30, 1989 - DEC. 31, 1989	AUGUST 1, 1990
UNIVERSITY	" "	" "
STATE	SEPT. 30, 1989-MARCH 31, 1990	Nov. 1, 1990
MUNICIPAL	" "	" "

THE RETIREMENT INCENTIVE PROGRAM HAS THE ADDED ATTRACTION OF
RETAINING RETIREMENT INCOME IN THE STATE OF ALASKA. MANY LOWER

SENATOR RICK UEHLING
MARCH 21, 1989
PAGE 2

LEVEL EMPLOYEES IF LAID OFF WOULD LEAVE ALASKA TO SEEK WORK ELSEWHERE. THIS RESULTS IN AN ECONOMIC DOWNTURN SUCH AS OCCURRED A FEW YEARS AGO WHEN MANY HOMES STOOD VACANT AND BUSINESSES WERE FORCED TO CLOSE. BECAUSE ALMOST 70 PERCENT OF OUR RETIREES REMAIN IN ALASKA, WE RETAIN THE BENEFIT OF MUCH OF THE RETIREMENT COMPENSATION WHICH IS PAID OUT. THE NET EFFECT OF THESE FACTORS IS A GAIN IN COMPENSATION DOLLARS IN OUR ECONOMY.

I HAVE ATTACHED A COPY OF THE LEGISLATIVE AUDIT OF THE RETIREMENT INCENTIVE PROGRAM WHICH SHOWS THAT, CONSERVATIVELY, \$14.5 MILLION WAS SAVED BY THE STATE IN THE LAST INCENTIVE PROGRAM. ALSO ATTACHED IS A REPORT FROM THE DIVISION OF RETIREMENT AND BENEFITS CONCERNING THE SAVINGS WHICH ACCRUED TO MUNICIPALITIES, SCHOOL DISTRICTS, AND THE UNIVERSITY FROM THE LAST WINDOW PERIOD OF THE RETIREMENT INCENTIVE PROGRAM. TO SUMMARIZE, SCHOOL DISTRICTS SAVED AT LEAST \$31.2 MILLION, MUNICIPALITIES ALMOST \$5.0 MILLION, AND THE UNIVERSITY \$22.3 MILLION OVER A FIVE YEAR PERIOD.

BECAUSE I FEEL SO STRONGLY THAT THE RETIREMENT INCENTIVE PROGRAM WILL ONCE AGAIN RESULT IN SUBSTANTIAL SAVINGS TO PUBLIC BUDGETS, I URGE YOU TO SCHEDULE SB 73 FOR A HEARING AS SOON AS POSSIBLE.

STEVE COWPER, GOVERNOR

March 1, 1989

The Honorable Jim Duncan
Alaska State Senator
P.O. Box V
Juneau, AK, 99811

Dear Senator *Jim Duncan*:

Re: Senate Bill 73

The additional information requested in your letter of February 21, 1989 is enclosed. We have updated a copy of Table 1 from the Retirement Incentive Program status report dated January 15, 1988. A current status report on our 1988 RIP survey is also enclosed.

You have also requested the number of active Public Employees' (PERS) and Teachers' Retirement System (TRS) members who, by age and length of service, would be eligible under SB 73. The total number of eligible employees are: State of Alaska PERS, 2,292; all TRS, 2,259; and political subdivision PERS, 2,420.

The actual number of eligible PERS employees may be somewhat less than stated due to terminations and retirements of employees during FY 89. Since most teachers terminate at the end of the school year, TRS projections should be accurate. However, many employees may delay a decision to terminate employment or retire pending the outcome of SB 73.

I hope that this provides you with the information you were seeking. Please don't hesitate to contact us if we can provide you with any additional information on the RIP.

Sincerely,

Bob
Robert F. Stalnaker

ASSOCIATION OF ALASKA SCHOOL BOARDS

316 W. 11th St. • Juneau, Alaska 99801-1510 • (907) 586-1083

March 28, 1989

Senator John Binkley, Co-Chair
Senator Rick Uehling, Co-Chair
Senate Finance Committee
Box V
Juneau, Alaska 99811

Re: Senate Bill 73 - An Act relating to retirement incentive programs for the public employees' retirement system and the teachers' retirement system.

Dear Senators Binkley and Uehling:

The Association of Alaska School Boards would like to lend its support to SB 73, which would reimplement the retirement incentive program established in 1986.

When school districts around the state were faced with a serious reduction in revenues in 1986 they were able to realize considerable savings and reduce professional staff through attrition by encouraging the use of the retirement incentive program.

Districts are still in a position of trying to cut budgets, but find that there are not many areas that they have much latitude to cut. By having the opportunity to utilize the retirement incentive program again, economies could possibly be effected.

We would encourage the Senate Finance Committee to take favorable action on this bill.

Thank you for your consideration.

Sincerely,

Carl F.N. Rose
Executive Director

RESOLUTION TO ENACT THE RETIREMENT INCENTIVE PROGRAM (RIP)

The Alaska Council of School Administrators urges the Legislature and Governor to again enact the Retirement Incentive Program.

RATIONAL:

- (A) The State of Alaska had initiated an early retirement incentive program which has appeared to be of benefit to the retiree and the State of Alaska.
- (B) it will be established over time that the intent of the previous program has been accomplished.
- (C) That the TRS and PERS will remain financially sound.
- (D) It has provided a positive incentive to long term employees to change careers without penalty.

P.O. Box V
Juneau, Alaska 99811

Dear Senator Duncan:

Just a note to indicate that we have reviewed the changes in SB 73 prepared by the State Affairs Committee. We strongly support the change which provides to District employees the opportunity to act this year for appointment to retirement after July 1.

We believe there is cost justification for another Retirement Incentive Plan at the present time. Almost thirty (30) secondary teachers are listed as surplus at the present time and may be subject to lay off next fall if circumstances justifying their retention do not arise. Four Notices of Non-Retention were issued to tenured teachers this week, some of whom have more than five years of experience with us. Moreover, since almost one-third of District teachers are placed at the top of the current salary schedule, replacing those teachers with junior employees would result in cost savings.

Thank you for your continued good work in behalf of public education; if I can be of further help please let me know.

Sincerely,

Leland C. Wilson

The Honorable James Duncan
Alaska State Senate
P.O. Box V
Juneau, AK 99811

Dear Senator Duncan:

As Chancellor of University of Alaska Southeast, I want to express my support of SB 73.

At the University of Alaska Southeast, we had 16 employees who took advantage of the retirement incentive program as established in 1986. The early retirement option resulted in a substantial salary saving for our institution. That savings gave us added flexibility in meeting our budget reductions--without major employee layoffs. The desired goal of this legislation was clearly met at UAS.

A renewed opportunity for early retirement may not provide us the same level of savings but would afford us the opportunity for job redesign, program direction changes, and employing at entry level with lower salaries--ultimately resulting in flexibility and salary savings without taking adverse personnel actions.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Marshall L. Lind'.

Dear Senator Duncan:

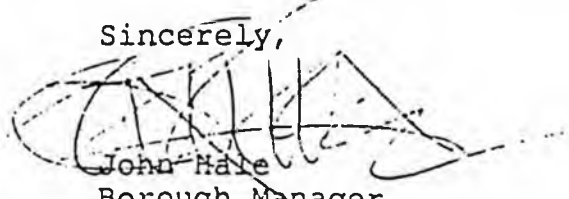

Thank you for the letter informing me of the introduction of your bill, Senate Bill 73 - Retirement Incentive Program.

I support your bill which could result in a savings in personnel services cost.

It will be necessary for the Matanuska-Susitna Borough and the Matanuska-Susitna Borough School District to analyze the possible impact of the program before a recommendation is made whether to participate.

Since your bill allows for each government entity to make the decision whether or not to participate, it provides the needed flexibility. Good luck with the legislature.

Sincerely,

John Hale
Borough Manager

To: Senator Paul Fischer, Chair
Members, Senate HESS Committee

Re: CS for Senate Bill No. 73 (State Affairs); "An Act relating to the retirement incentive programs for the public employees' retirement system and the teachers' retirement system; and providing for an effective date."

NEA-Alaska endorses, strongly supports, and encourages your favorable consideration of the CS for SB 73.

With the probability of substantial funding cuts being made to the state, local government, and school district operating budgets it is essential that an early retirement incentive program be available as a means of reducing the adverse impact from employee lay-offs.

Employee lay-offs may give the appearance of saving money on the front end but there are longer term consequences which can have the effect, through unemployment, of costing government more than was originally saved by the lay-off.

Retirement incentive programs represent not only an initial savings to government but have a long term cumulative savings potential no matter whether the retiring employee is replaced or not.

The data from the last RIP is overwhelmingly conclusive that the financial savings to government was substantial.

SB 73 effectively addresses concerns which pertain to the last RIP and provides the potential for an even greater level of savings in personnel costs. This legislation meets both the financial and the human needs of the people of Alaska.

NEA-Alaska asks that the Committee consider an amendment to the window period which will increase the savings potential for school districts more immediately.

On page 6, line 8, we suggest that the window open during the month of June, 1989, so that retirement can be effective on July 1, 1989.

Such a change would provide the potential for additional savings to school districts of at least one month of payroll costs, probably more, and would take into consideration the fact that salary increments and raises, when given, usually occur on July 1.

Thank you for your consideration of our position.

Respectfully submitted,

Bob Manners
Executive Secretary

Dear Senator Duncan:

*Raymond
C. Taylor
about
repeal*

I was pleased to notice your submission of SB 73, reestablishing early retirement incentives for State employees. In general, I strongly support the bill and am prepared to offer whatever assistance I can to assure its passage. Toward that end, allow me to offer some comments and suggestions which I believe will strengthen the bill and make it more attractive.

PURPOSE

While the cost-saving advantages of early retirement programs are relatively clear and easily understood, the positive effects of these programs on personnel turnover should not be ignored. Many organizations that rely on professional staff, including many state agencies and the University, profit significantly by continued infusion of new ideas and directions that would occur with a reasonable turn-over of their employees. I do not believe that an early retirement program will cause a "brain drain", but it would make it possible to turnover some professionals, freeing their positions for replacements.

APPLICATION "WINDOWS"

Retirement is a significant step that causes a high level of apprehension and anxiety in some employees. Wider "windows of opportunity" would allow both retirees and their employers more time to plan for this significant step. I suggest that you consider expanding the time allowed for the submission of applications. Also, I suggest allowing a window during 1989 (for those who are able to make that decision) as well as during 1990.

The timing of the "windows" may not coincide with the time during which vacant or new positions are traditionally filled. For example, Universities typically recruit during the Fall and Spring for positions that are to be filled by the beginning of the next academic year. In the case of Section 6 of your bill (relating to the University of Alaska), the application window would be more appropriately placed in December through April, with retirement on or before the beginning of the next academic year. By the way, I applaud your apparent desire to prevent retirement during the academic year.

Please let me know if I can do anything more to support this bill. Although I am writing this letter as a private individual, I will, in my position of President of the University of Alaska Anchorage Assembly, attempt to generate support for the legislation from that body.

Sincerely yours,

Stephen A. Norrell

University Assembly

SUBJECT: Early Retirement Options for University Employees

DATE: January 5, 1988

There appears to be continued interest in reopening the early retirement options that were available about two years ago. Senator Duncan has prefiled the attached bill for consideration by the legislature this year.

Please ask your committees if it is interested in reviewing and commenting on the legislation. I specifically call your attention to the sections dealing with University of Alaska employees in PERS or TERS, and the surprisingly narrow "windows" for applying for early retirement incentives. I have also attached a personal letter to Senator Duncan that outlines my comments (as a private citizen) on the subject.

The UAA Assembly will carefully consider any recommendations your committee may offer.

City of Nenana

State of Alaska

February 27, 1989

Senator Jim Duncan
P.O. Box V
Juneau, AK 99811

Dear Senator Duncan,

I am quite pleased to see you introduce Senate Bill 73 again, with the addition of SB 14. The Nenana City Schools have saved approximately \$220,000 for the two years period since the original program went into effect. This bill was one of the best things to happen to school finance in a long time. It gave Nenana the equivalent of a 10% increase in funding. The school business manager has stated that the new bill would save Nenana about \$157,000 over the first five years of its operation. It would be less than the first time due to fewer qualifying personnel. SB 14 also fills some needed gaps in the program, especially with part time teachers.

I would make two suggestions to the current bill:

1) Open the window for teachers to include this school year as well as next year. Savings to Nenana would be up to \$50,000 this year if the teachers that would qualify took the program.

2) The only concern I have with the program is that last time some districts chose not to participate in the program even though it would have saved them money. It seems somewhat unfair to me that those staff members were not allowed to take part in the program. The only way I know that it could be done would be for the Retirement System to offer the program instead of the local districts with an increase in Retirement System contributions to cover the cost plus the retiring members cost paid back by themselves.

Suggestion one would really help the City this year and suggestion two is just something to think about.

RE: Senate Bill 73, Early Retirement

Dear Senator Duncan:

The North Slope Borough School District supports the passage of Senate Bill 73, related to the retirement incentive program for PERS and TRS employees.

We believe this legislation would be in the best interest of the NSB School District and the North Slope residents. Because of prior legislation on early retirement incentive programs, our retirees have been able to be assured a lifetime income; and at the same time, we have been able to increase the number of local residents in our hiring practices, especially younger employees, at a lower and more affordable salary scale.

However, we respectfully request your consideration to increase the window period to 14 months, making the law effective May 1, 1989 through June 30, 1990. Passing the bill in its present form would discourage employees from retiring this year and instead may encourage them to wait until the following year to receive additional retirement income. Having a larger window period would also allow the District to work with potential retirees and give us more planning time to employ new hires at lower salaries.

Most agencies including the NSB School District, need relief now and forestalling retirements for another year would add more financial burdens. Having the effective date in 1989 through 1990 would allow individual Districts to work out staffing arrangements in FY 90, resulting in additional savings and a smoother transition period.

Senator Jim Duncan

Dear Senator Duncan,
We are in favor of the early retirement incentive plan for the following reasons:

1) It would encourage high priced teachers to retire, allowing lower priced teachers to enter the job market - a substantial savings to school districts.

2) It would free those teachers who would rather move on to new adventures and open the door for those teachers seeking the Alaska adventure. These new professionals would have fresh ideas to add to our educational base.

3) It provides teachers an option. Those who are still interested in teaching can continue to use their expertise, but those who "want out" can "get out" - instead of just putting in their time. This would provide a much better educational climate for the student.

Benefits:

- 1) Save Money
- 2) Promote fresh ideas
- 3) Provides an Option

We believe this is an educationally sound proposal that would benefit Alaskan education in many ways and not prove detrimental to our state.

Sincerely,
Jack Wilfong

January 30, 1989

Dear Senator Duncan,

Thank you very much for inquiring about our interest in the Retirement Incentive Program.

Several years before the State of Alaska began offering a Retirement Incentive Program, the district had offered two (2) comparable programs. As a result, we have probably had more retirement from our faculty than others and do not have as strong a need as some other school districts may have shown in recent years.

It is obvious that we believe in the concept and as long as the retirement system retains full viability and the districts can enter the program under their own discretion and is not required, we will certainly support your efforts.

There are always a few people who would appreciate the opportunity and if you find the numbers are too few, please take time to reintroduce the concept again in several years.

Rep. Mike Navarre
Box V
Juneau, AK 99811-3101

Dear Rep. Navarre:

I am very much interested in HB77 and the whole issue encompassing the Retirement Incentive Program (RIP).

The concept of RIP is popular and I also believe fiscally responsible in terms of costs. When all the facts and figures are tallied on the last RIP, we'll be able to recognize a great savings for the State of Alaska.

I don't think we need to worry about the effect of the so called "brain drain" that such a program allegedly causes. In fact, it has been my experience to note a much more negative effect when observing employees who have stayed too long in a particular field or profession i.e. teaching, administration, and related state jobs with similar responsibilities. Not telling what long-term health benefits these early out programs will produce for retirees.

Additionally, there are many of us out here in the trenches who feel that the window period should be extended to include 1989. Perhaps a short window period for many of us who do not need another year to plan or wait for the 1990 RIP could be included in the bill. The window period could be, for example, 30 days in May or June, this would allow people time to make their decision this year, thereby presenting no imposition to a school district or agency for staffing next year.

Rep. Navarre, I would certainly hope that you will be able to give your support to this important legislation. I am looking forward to hearing from you regarding this proposed bill and how you feel about it.

Sincerely,

Vic Varick
Principal

Dear Senator Duncan:

The Interior Public Employees Coalition wishes to go on record in support of Senate Bill 73.

The previous retirement incentive program was of great value to local government. In the case of the Fairbanks Fire Department; had nine employees not retired there would have been a dozen or more on permanent layoff status.

If a new "RIP" program is established, a significant number of high seniority city employees have told me they will participate.

Sincerely,

Barry

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HOUSTON, ALASKA,
IN SUPPORT OF SENATE BILL 73.

WHEREAS, the City Council is in support of re-establishing the Retirement Incentive Program for members of the Public Employee's Retirement System and the Teacher's Retirement System and providing for an effective date, and

WHEREAS, the City Council feels that re-establishing the Retirement Incentive Program will encourage employees to retire voluntarily and will reduce the hardships of lay offs.

NOW, THEREFORE BE IT RESOLVED that the Houston City Council does fully support and urge the passage of Senate Bill 73.

ADOPTED BY a duly constituted quorum of the City Council of Houston, Alaska this 26th day of January, 1989.

Marcella P. Padie

Dear Senator Duncan;

At it's February 2nd, 1989 meeting the Kotzebue City Council reviewed the legislation you have introduced re-establishing the Retirement Incentive Program for members of the Public Employees' Retirement System and the Teachers' Retirement System.

The City has benefited from the program in the past and would like to support it's re-establishment. We appreciate all of your efforts to assist with the financial savings to municipalities. Keep up the good work!

Sincerely,

Zonna Lie

Bill
Rep*

Dear Senator Duncan:

I am writing in reference to SB 73, prefiled by you this year.

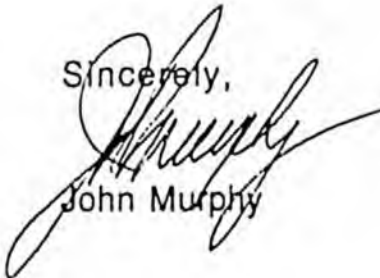

The purpose of this bill is to save money for the state and school districts. It will do this by permitting the long time, higher paid employees to retire and allow districts to replace them with newer personnel at a lower salary. This bill will also reduce the financial and emotional trauma and hardship associated with staff layoffs.

The effective date of this bill is January 1, 1990.

With state revenues being uncertain, why wait until next year to enact this bill? I would encourage you amend to SB 73 to provide a local option for school districts this year. This amendment would give districts and employees a two year transition into the program so those districts facing layoffs could offer the retirement opportunity to their employees this year and those employees eligible to retire this year could do so, but those who are uncertain would have another year to decide. The two or three month application time frame could be kept as recommended in the bill. The suggested amendment would just allow employees to choose it this year or next. This bill would then resemble a successful, similar bill introduced by you three years ago. Providing the option this year would seem to have no detrimental effect on the bill. Indeed, it would seem to provide the expected savings one year earlier than planned.

Any assistance you can provide in this effort will be appreciated.

Sincerely,

John Murphy

Dear Senator Duncan:

I am writing in regards to Senate Bill 73, the Retirement Incentive Program, which you introduced this year. I am in favor of the bill but feel the windows for application and actual retirement are too narrow to provide the savings that seem to be required for the upcoming year.

To provide any savings to the State for the upcoming fiscal year employees should be given the opportunity to retire as early in the State fiscal year as possible. This would require that the period of application start on June 1, 1989, (Retirement Division requires 30 days notice for retirement), with the opportunity to retire beginning July 1, 1989.

The savings to the State with retirements beginning on July 1, 1989, as opposed to May 1, 1990, can be shown using just one case in my Division. The savings for one individual retiring in July 89, has been computed at \$20,000 for the fiscal year whereas if he is allowed to retire on May 1, 1990, the State will realize a savings of only \$3,300.00 for the fiscal year. Taking into consideration, the expected shortfall in the upcoming fiscal year budget, it would seem prudent to allow retirement as early in the year as possible.

An additional concern would be the impact on State government with a large number of senior employees retiring in a relatively short period of time. This loss, with no major corresponding savings to the State for the fiscal year, does not seem to be to the advantage of the State.

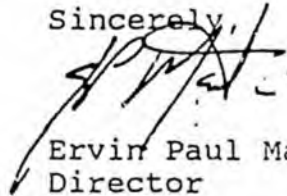

I would like to recommend that the window for application for the Retirement Incentive Program for State employees be from June 1, 1989 to June 1, 1990, and that the State employee must retire on or before June 30, 1990.

The Honorable Jim Duncan
Page 2
March 9, 1989

I cannot address the window for application and retirement for the Teachers or University but the current dates seem logical based on the need for the schools to advertise for teachers for the upcoming year and the desire of the teachers to retire at the end of the school year if given the opportunity.

I would like to thank you for your efforts in this matter and your consideration of my proposal. If I can be of any assistance please call me at 249-1370.

Sincerely,

Dear Senator Duncan:

Thank you for sponsoring SB #73. There are a large number of us here in the field who would like to see an amendment. An amendment which would allow for a "window" in 1989 as well as 1990.

Our feeling is that the school districts and state would save even more money with this additional opportunity. In addition some of us would just plain appreciate having an opportunity to retire this year instead of next. Your support and consideration is greatly appreciated.

Sincerely,

J. M. Gilman

March 6, 1989

Kay Abrams
Rep

Dear Senator Duncan,

I'm writing to thank you for your sponsorship of SB 75 (Early Retirement Incentive Program) and to seek your support for an amendment to allow it to go into effect for the 1989-1990 school year. As a Junior High teacher ripe for the "bumping", I know that the decrease in the number of senior high level students in the Anchorage area will cause many high school teachers to be transferred to the junior high level. Although more elementary students are anticipated, this will do little to alleviate the pressure on those of us with secondary degrees. We can't transfer to the elementary level. I really feel that many junior high teachers will find themselves pushed out of their jobs next year. The effect on the overall economy would not be good. Individually, for many, it would be disastrous.

Offering an Incentive for Early Retirement this next year would not only save the school districts money, but would also offer the younger teachers a chance to stay in Alaska and continue to be a vital part of its economy.

Sincerely,

Kay Abrams

A RESOLUTION BY THE CITY COUNCIL OF THE CITY OF HOONAH, ALASKA, SUPPORTING SENATE BILL NO. 73, WHICH WILL RE-ESTABLISH THE RETIREMENT INCENTIVE PROGRAM FOR MEMBERS OF THE PUBLIC EMPLOYEES' RETIREMENT SYSTEM AND THE TEACHERS' RETIREMENT SYSTEM WHICH WAS ENACTED IN THE 1986 SESSION.

WHEREAS, this program is intended to realize sufficient economies to offset the cost of administration and benefits to state agencies and other employers resulting from the award of retirement credits; and

WHEREAS, to result in a net reduction in personal services costs to the state or other employers during a period of declining revenue.

NOW, THEREFORE BE IT RESOLVED that the City Council of the City of Hoonah, Alaska is in support of Senate Bill No. 73, to re-establish the Retirement Incentive Program for members of the Public Employees' Retirement System and the Teachers' Retirement System which was enacted in the 1986 session.

PASSED AND APPROVED this 27th, day of February 1989.

NORTH SLOPE EDUCATIONAL ADMINISTRATORS ASSOCIATION

Raymond Pope

Senator Jim Duncan
Alaska State Legislature
Pouch V
Juneau, Alaska
99811

Dear Senator Duncan,

I am writing to express the support of the North Slope Educational Administrators Association for Senate Bill 73 and House Bill 77. However, we concur with the position paper submitted to you by the North Slope Borough School District, and urge you to consider expanding the window for early retirement to include the period May 30, 1989 to June 30, 1990.

We further suggest that, these bills be moved through the legislative process as quickly as possible, in order to allow sufficient time for employees who would become eligible under the provisions of the bills to have sufficient planning time in which to make their decision about early retirement.

We feel that these changes would be in the best interest of our association and our school district.

Your consideration of these suggestions, is appreciated.

Sincerely,

Johnnie Lee

JUNEAU SCHOOL DISTRICT BOARD OF EDUCATION

RESOLUTION #5-89

A RESOLUTION OF THE BOARD OF EDUCATION OF THE CITY AND BOROUGH OF JUNEAU SUPPORTING SENATE BILL 73 OFFERING A RETIREMENT INCENTIVE PROGRAM FOR 1990.

Whereas, many Juneau School District employees participated in the Retirement Incentive Program (RIP) in 1986-87; and

Whereas, the Juneau School District realized a significant savings in salaries because of early retirements; and

Whereas, the economy of the State of Alaska appears to be changing with the decline of certain opportunities for revenues; and

Whereas, adjustments need to be made to reconcile the declining revenues and continued expenses; and

Whereas, personnel costs are the largest item in the budget of the Juneau School District; and

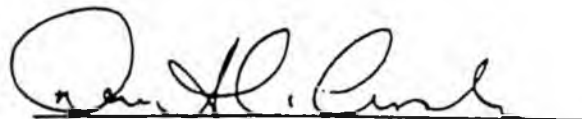

Whereas, a reinstatement of the RIP will allow a cost savings to Juneau School District;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF EDUCATION OF THE CITY AND BOROUGH OF JUNEAU, ALASKA:

1. That the Board of Education of the City and Borough of Juneau supports the passage of Senate Bill 73 offering a Retirement Incentive Program for 1990.

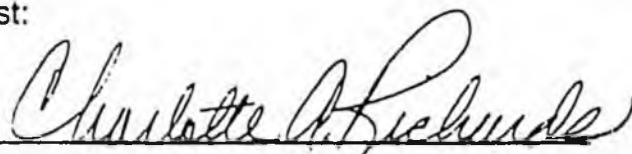

2. Effective date. This resolution shall be effective immediately upon adoption.

Adopted this 7th day of February, 1989.

David Crosby, President

Attest:

Charlotte Richards, Clerk

CONTINUATION of FISCAL NOTE ANALYSIS

For Bill/Resolution No. CS SB 73 (HESS)

On July 1, 1989, there will be 3,400 State employees eligible for early retirement under this bill. The Division of Finance is responsible for the verification of employment history and the processing of termination pay. Based upon our experience in 1986 and 1987, we anticipate that there could be 1,400 employees participating in the program. We estimate the increased costs to process these employees to be:

Data processing support	\$ 9.0
Two part-time Accounting Technicians I for six months	<u>37.9</u>
Total Cost	\$46.9

All administrative cost for this program will be paid in advance by the participating employer as required by Section 2, page 2, line 27.

Committee Substitute for Senate Bill 73 (HESS)
 Fiscal Note Analysis
 Prepared by Division of Retirement & Benefits
 Department of Administration
 March 21, 1989

ANALYSIS: This bill would place a temporary retirement incentive provision in statute for the Public Employees' (PERS) and Teachers' Retirement Systems (TRS). Active PERS and TRS members could retire on an accelerated basis with an increased benefit under the following conditions: at age 47, if vested; with 17 years of service as a police officer, firefighter, or teacher; or with at least 27 years of credited service in the PERS. Before qualifying for an accelerated benefit, however, the member must pay a lump sum indebtedness payment or take an actuarial reduction for the indebtedness amount for the accelerated period.

The total estimated administrative cost to the division by fiscal year is as follows:

	<u>FY 89</u>	<u>FY 90</u>	<u>FY 91</u>
PERSONAL SERVICES COSTS			
FY 89			
1 Retirement Spec I (2 mo.)	\$ 5.0		
8 Retirement Tech. I/II (2 mo.)	<u>37.0</u>		
Total FY 89		\$42.0

FY 90			
(13 employees x \$200/yr)		2.6	
FY 91			
(13 employees x \$200/yr x .66)			1.7

EQUIPEMENT	<u>FY 89</u>	<u>FY 90</u>	<u>FY 91</u>
FY 89			
11 Personal Computers	55.0		
8 Microfiche viewers	6.4		
11 Calculators	1.7		
1 Computer Output Printer	<u>18.0</u>		
Total Equipment	<u>81.1</u>	_____	_____
Total Bill Cost By Fiscal Year	<u>\$142.2</u>	<u>\$365.2</u>	<u>\$237.1</u>

The retirement technicians, retirement specialist, and accounting clerks need constant access to the PERS and TRS computer files. We do not have any excess terminals, microfiche viewers or calculators. Our equipment request will satisfy our equipment needs for the duration of this program. We propose the purchase of personal computers to be used as terminals because they will be compatible with the division's Local Area Network.

We are also proposing the purchase of an additional computer output printer. The previous RIP put great demand on our existing two printers and we were always in a state of backlog. Our current day-to-day printer needs maximize the capacity of our two printers. After comparing the cost of purchasing a new printer with leasing one for two and one-half years, we determined that with our current printer needs, purchasing would be more cost effective.

All administrative costs for this program will be paid in advance by the participating employers as required by Section 2, page 2, line 27.

Committee Substitute for Senate Bill 73 (HFSS)
Analysis of Financial Implications on the Retirement Svstems
Prepared by Division of Retirement & Benefits
Department of Administration
March 21, 1989

Analysis: The retirement incentive program legislation requires state agencies and participating employers and employees to reimburse the PERS and TRS for the costs of participation in the program; it also requires a showing of a cost savings to participate in the program. There should be no long-term or short-term costs to the retirement systems' funds.

Total Bill Cost By Fiscal Year		<u>\$142.2</u>	<u>\$365.2</u>	<u>\$237.1</u>

The retirement technicians, retirement specialist, and accounting clerks need constant access to the PERS and TRS computer files. We do not have any excess terminals, microfiche viewers or calculators. Our equipment request will satisfy our equipment needs for the duration of this program. We propose the purchase of personal computers to be used as terminals because they will be compatible with the division's Local Area Network.

We are also proposing the purchase of an additional computer output printer. The previous RIP put great demand on our existing two printers and we were always in a state of backlog. Our current day-to-day printer needs maximize the capacity of our two printers. After comparing the cost of purchasing a new printer with leasing one for two and one-half years, we determined that with our current printer needs, purchasing would be more cost effective.

All administrative costs for this program will be paid in advance by the participating employers as required by Section 2, page 2, line 27.

Committee Substitute for Senate Bill 73 (SA)
Analysis of Financial Implications on the Retirement Systems
Prepared by Division of Retirement & Benefits
Department of Administration
March 7, 1989

Analysis: The retirement incentive program legislation requires state agencies and participating employers and employees to reimburse the PERS and TRS for the costs of participation in the program; it also requires a showing of a cost savings to participate in the program. There should be no long-term or short-term costs to the retirement systems' funds.

CONTINUATION of FISCAL NOTE ANALYSIS

For Bill/Resolution No. SB 0073a

On July 1, 1989, there will be 3,400 State employees eligible for early retirement under this bill. The Division of Finance is responsible for the verification of employment history and the processing of termination pay. Based upon our experience in 1986 and 1987, we anticipate that there could be 1,400 employees participating in the program. We estimate the increased costs to process these employees to be:

Data processing support	\$ 9.0
Two part-time Accounting Technicians I for six months	<u>37.9</u>
Total Cost	\$46.9

All administrative cost for this program will be paid in advance by the participating employer as required by Section 2, page 2, line 27.

Senate Bill 73
 Fiscal Note Analysis
 Prepared by Division of Retirement & Benefits
 Department of Administration
 January 20, 1989

Analysis: This bill would permanently place a retirement incentive provision in statute for the Public Employees' (PERS) and Teachers' Retirement Systems (TRS) such that the legislature could turn it on or off as they deem necessary by establishing window periods of opportunity. Active PERS and TRS members could retire on an accelerated basis with an increased benefit under the following conditions: at age 47, if vested; with 17 years of service as a policeman, fireman, or teacher; or with at least 27 years of credited service in the PERS. Before qualifying for an accelerated benefit, however, the member must pay a lump sum indebtedness payment or take an actuarial reduction for the indebtedness amount for the accelerated period.

The total estimated administrative cost to the division by fiscal year is as follows:

Personnel services costs:

FY 90

1 Retirement Specialist I (8 mo.)	\$ 19.7	
8 Retirement Tech. I/II (8 mo.)	148.0	
2 Accounting Clerk III (4 mo.)	16.4

ANALYSIS : (Attach a separate page if necessary)

It is a requirement of the bill that employers will only participate if this is a cost-cutting measure. By definition, the program can only save money and not cost money. Savings are dependent on volume and mix, and are not currently measureable.

We do not have any excess terminals, microfiche viewers or calculators. Our equipment request will satisfy our equipment needs for the duration of this program. We propose the purchase of personal computers to be used as terminals because they will be compatible with the division's Local Area Network.

We are also proposing the purchase of an additional computer output printer. The previous RIP put great demand on our existing two printers and we were always in a state of backlog. Our current day-to-day printer needs maximize the capacity of our two printers. After comparing the cost of purchasing a new printer with leasing one for two and one-half years, we determined that with our current printer needs, purchasing would be more cost effective.

All administrative costs for this program will be paid in advance by the participating employers as required by Section 2, page 2, line 27.

Committee Substitute for Senate Bill 73 (FIN)
Analysis of Financial Implications on the Retirement Systems
Prepared by Division of Retirement & Benefits
Department of Administration
March 21, 1989

Analysis: The retirement incentive program legislation requires state agencies and participating employers and employees to reimburse the PERS and TRS for the costs of participation in the program; it also requires a showing of a cost savings to participate in the program. There should be no long-term or short-term costs to the retirement systems' funds.

Position Title		Accounting Clerk III		No. of Positions	2	Range/Step	10A	Org. Unit	GGU
Type Status	FT Nonpermanent	Staff Months	8.0 each = 16.0	Location	AWA		Election District	4	
Type of Expenditure				Amount		Justification The two nonpermanent Accounting Clerk III positions will handle the additional accounting duties related to a Retirement Incentive Program (RIP) as follows: member file research; file maintenance, including entering indebtedness, history, and retirement segments into the appropriate system; verification of system output; any adjusting vouchers that are necessary in AKSAS; assisting with the deposits and coding of member indebtedness payments and employer RIP payments; assisting with the member account information that is needed in completing tax excludable statements for the Retirement Section; and any follow through that becomes necessary. The equipment needs are as follows: 2 personal computers \$10,000 2 microfiche viewers 1,600 2 calculators 276 \$11,876

Other	PERS 1029	20,960		
	TRS 1034	13,973		
Justification These two Clerk II positions are required in the Microfiche Center for the day-to-day file/recordkeeping duties for these new retirees. Duties include: sanitizing and purging files, creating new microfiche files for these retirees from paper documents, creating duplicate microfiche files when requested for the use of division personnel, and filing and refiling all documents. Many calculations affecting members' retirement accounts depend on the files being accurate and up-to-date. The Microfiche Center is currently backlogged.

1 IN THE SENATE

BY THE FINANCE COMMITTEE

2 HOUSE CS FOR CS FOR SENATE BILL NO. 73 (Finance)

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 SIXTEENTH LEGISLATURE - FIRST SESSION

5 A BILL

6 For an Act entitled: "An Act relating to retirement incentive programs for
7 the public employees' retirement system and the
8 teachers' retirement system; and providing for an
9 effective date."

10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

11 * Section 1. PURPOSE. Since it may be necessary for state agencies and
12 other employers who participate in the state retirement systems to reduce
13 their personal services costs because of declining state revenue, reimple-
14 mentation of the retirement incentive program established by ch. 26, SLA
15 1986, as amended by ch. 76, SLA 1988, encouraging employees to retire
16 voluntarily, will reduce the hardship of layoffs. This program is intended
17 to realize sufficient economies to offset the cost of administration and
18 benefits to state agencies and other employers resulting from the award of
19 retirement credits and to result in a net reduction in personal services
20 costs to the state or other employers during a period of declining revenue.

21 * Sec. 2. RETIREMENT INCENTIVE PROGRAM. (a) An employer may adopt a
22 retirement incentive plan under secs. 3 - 6 of this Act, as appropriate, to
23 designate organizational units of employees eligible to participate in the
24 retirement incentive program.

25 (b) The organizational units of a plan must be selected so that
26 implementation of the plan results in maximum savings to the employer in
27 personal services costs within three years after the commencement of the
28 plan. A plan that results in savings in personal services costs in any
29 amount that is in excess of all costs to the employer qualifies under this
