** Although we do not believe there are a sufficient facts for estimating the potential revenue loss under this bill, the best source for revenue loss information is the Education Tax Credit data. The reason why Education Tax Credit data is useful is that the structure of the proposed Alaska Veterans Memorial Endowment Tax Credit mirrors the structure of the existing Education Tax Credit. Additionally, because taxpayers are limited to a maximum of \$150,000 in credit, they may choose to substitute Alaska Veterans Memorial Tax Credits for Education Tax Credits. The revenue loss would then only be any additional credits beyond those that would have been used as education credits. In FY 2001, 37 taxpayers used approximately \$2.1 million in Education Tax Credits. About 97 percent of those credits were used by 16 of the 37 taxpayers.

The proposed bill sets up an endowment fund to maintain and develop veterans or military memorials. It also provides an opportunity for private entities to contribute to the fund and receive a tax credit against their state taxes. The amount in the fiscal note is the initial contribution to the fund. Earnings from the fund will be available to expend, contingent on appropriations, for projects approved by the department in consultation with veteran groups.

22 (a) The Alaska veterans' memorial endowment fund is established as a separate
23 endowment trust fund of the state. The fund consists of

24 (1) appropriations to the fund;

25 (2) donations to the fund; and

26 (3) income earned on investments of fund assets.

27 (b) The commissioner of revenue shall manage the fund as an endowment,

31 five percent real rate of return over time.

1 (c) Nothing in this section creates a dedicated fund.

2 **Sec. 37.14.720. Powers and duties of the commissioner of revenue.** In
3 carrying out the investment duties under AS 37.14.700 - 37.14.740, the commissioner
4 of revenue has the powers and duties set out in AS 37.10.071. The commissioner shall
5 provide reports to the adjutant general of the Department of Military and Veterans'
6 Affairs on the condition and investment performance of the fund.

7 **Sec. 37.14.730. Use of fund.** (a) As soon as practicable after July 1 of each
8 year, the commissioner of revenue shall determine the average month-end market
9 value of the fund for the immediately preceding three fiscal years. The commissioner
10 shall identify five percent of that amount as available for appropriation by the
11 legislature for uses described in (b) of this section.

12 (b) Appropriations of the amount identified in (a) of this section may be used
13 for the following purposes:

14 (1) grants for the maintenance, repair, replacement, and enhancement
15 of, or addition to, veterans' memorials or monuments to the military;

16 (2) grants for the development and construction of new veterans'
17 memorials or monuments to the military if the adjutant general determines that the
18 purposes set out in (1) of this subsection have been met in a fiscal year;

19 (3) reimbursement of the costs of establishment, management, and
20 administration of the fund.

21 (c) After consultation with appropriate veterans' organizations, the adjutant
22 general of the Department of Military and Veterans' Affairs shall administer the grant
23 program and award grants from the money appropriated from the fund. The adjutant
24 general may adopt regulations under AS 44.62 (Administrative Procedure Act) to
25 establish procedures and standards to administer the grant program and for the award
26 of grants. The standards may include requirements for recipients to match grant
27 awards, if appropriate.

28 **Sec. 37.14.740. Definition.** In AS 37.14.700 - 37.14.740, "fund" means the
29 Alaska veterans' memorial endowment fund established in AS 37.14.700.

30 * **Sec. 7.** AS 43.20.014(d) is amended to read:

31 (d) A contribution claimed as a credit under this section may not

The Honorable Rick Halford
President of the Senate
Alaska State Legislature
State Capitol
Juneau, Alaska 99801-1182

Dear President Halford:

There are scores of memorials to veterans and monuments to the military throughout the state, owned by various entities. These memorials and monuments should be in excellent condition at all times to convey proper respect and to honor our former and present members of the military who served our nation and state and yet, these tributes to our military are in varying stages of upkeep.

This bill I am transmitting establishes the Alaska Veterans' Memorial Endowment Fund to help fund efforts to maintain our current memorials and provide a possible source of funding for new memorials. It is part of a package of legislation I am introducing this year, and introduced last year, to offer proper acknowledgment and appreciation of our veterans.

The bill proposes to finance the fund partly through contributions that will be eligible for certain state corporate tax credits. Primary use of the funds will be for maintaining veterans' memorials. Once this purpose is substantially satisfied in a fiscal year, the fund may be used to establish new memorials and to finance similar projects to recognize efforts of the military.

The Veterans Memorial Endowment Fund would be administered by the commissioner of revenue with a portion of the fund earnings available for appropriation for maintenance and establishment of memorials. A contributing taxpayer would receive a credit that could be applied against certain Alaska taxes, such as insurance premium taxes, income taxes, oil and gas exploration and production taxes, pipeline transportation property taxes, mining license taxes, and fisheries taxes. Tax credits would be limited in the same manner as they are for existing tax credit programs.

1

The Honorable Rick Halford

Many Alaskans agree the state and its citizens should exhibit due respect to our veterans and military by maintaining these memorials and monuments. Dozens of Alaska corporations, businesses, and individuals have readily pledged contributions to this worthwhile endeavor, with the expectation of a matching state appropriation. The state is not obliged to maintain all memorials and monuments, yet it is appropriate for the state to share in the cost by providing modest matching grants. Therefore, I am proposing with this bill a one-time state contribution to the fund of \$125,000.

I urge you to take favorable action on this measure and my entire package of veterans' legislation.

Sincerely,

Tony Knowles
Governor

The proposed bill sets up an endowment fund to maintain and develop veterans or military memorials. It also provides an opportunity for private entities to contribute to the fund and receive a tax credit against their state taxes. The amount in the fiscal note is the initial contribution to the fund. Earnings from the fund will be available to expend, contingent on appropriations, for projects approved by the department in consultation with veteran groups.

ANALYSIS: (Attach a separate page if necessary)

** Although we do not believe there are a sufficient facts for estimating the potential revenue loss under this bill, the best source for revenue loss information is the Education Tax Credit data. The reason why Education Tax Credit data is useful is that the structure of the proposed Alaska Veterans Memorial Endowment Tax Credit mirrors the structure of the existing Education Tax Credit. Additionally, because taxpayers are limited to a maximum of \$150,000 in credit, they may choose to substitute Alaska Veterans Memorial Tax Credits for Education Tax Credits. The revenue loss would then only be any additional credits beyond those that would have been used as education credits. In FY 2001, 37 taxpayers used approximately \$2.1 million in Education Tax Credits. About 97 percent of those credits were used by 16 of the 37 taxpayers.

 The impact of this bill on revenues and expenditures is indeterminate due to the difficulty in anticipating the extent to which tax credits will be appropriated to the endowment funds.

DEPARTMENT OF MILITARY & VETERANS AFFAIRS
OFFICE OF THE COMMISSIONER

SPONSOR STATEMENT SB267 ALASKA VETERANS' ENDOWMENT FUND

SB 267 sets up an endowment fund to support the maintenance of existing and construction of new memorials to Alaskan veterans and the military. Today Alaska has over 70 memorials to our veterans. These tributes range from small plaques to memorials like Byers Lake. Funds to maintain these existing memorials are few.

The bill before the Committee would allow the Department of Revenue to accept donations from the private sector or legislative appropriations, invest the funds to earn a real rate of return of at least 5%, and identify amounts available for appropriation each year.

The Department of Military and Veterans Affairs, with the assistance of appropriate veterans' organizations would grant the appropriated funds to organizations that would maintain the monuments or memorials. If funds were available, new memorials or monuments could be constructed. Regulations would be promulgated to describe this process.

In addition, the bill allows a tax credit to taxpayers that choose to donate money to the endowment fund. Credits would be limited to 50% of the first \$100,000 and 100% of the second \$100,000. The tax credit mirrors the structure of the existing education tax credit. A taxpayers total credit under both of these credits would be limited to \$150,000.

By providing a mechanism to take care of the existing veterans' memorials in Alaska and to building additional in the future, this bill recognizes the contribution that veterans and the military have made to our state.

Sectional Analysis
SB267 Establishing Alaska Veterans memorial endowment fund

Sections 1-3 and 5-16 add language to existing statutes to allow a taxpayer a credit against certain state taxes for donations to the Veterans memorial endowment fund. The credit is limited to 50% of the first \$100,000 and 100% of the second \$100,000. The tax credit mirrors the structure of the existing education tax credit, and a taxpayer's total education tax credits and Veterans memorial endowment fund tax credits against all taxes are capped at \$150,000.

Sections 1, 3, 5, 7, 9, 11, 13, and 15 are parallel sections amending existing tax credit statutes to provide that the aggregate credit against any of the eligible taxes for contributions under the existing education tax credit provisions and under the proposed Veterans memorial endowment fund tax credit provisions continues to be limited to \$150,000.

Sections 2, 6, 8, 10, 12, 14, and 16 are parallel sections amending certain Alaska tax statutes to allow the tax credit for donations to the Veterans memorial endowment fund. Eligible taxes include: Insurance premium tax (AS 21.09.210); Title insurance premium tax (AS 21.66.110); Alaska net income tax (AS 43.20); Oil and Gas Production Taxes (AS 43.55); Oil and Gas Exploration, Production and Pipeline Transportation Property Taxes (AS 43.56); Mining License Tax (AS 43.65); Fisheries Business Taxes (AS 43.75); Fishery Resource Landing Tax (43.77).

Section 4 establishes the Veterans' Memorial Endowment Fund as an endowment trust fund of the state; assigns management of the fund to the Commissioner of Revenue; delineates the Commissioner's responsibilities and how the amount available for appropriation will be determined.

The section also stipulates the appropriate uses of the fund and how the Department of Military and Veterans Affairs will administer and award grants from the money appropriated from the fund.

Section 17 describes the transitional method to be used to determine the amount available for appropriation for the next three years.

Section 18 is the effective date.

The Honorable Rick Halford
President of the Senate
Alaska State Legislature
State Capitol
Juneau, Alaska 99801-1182

Dear President Halford:

There are scores of memorials to veterans and monuments to the military throughout the state, owned by various entities. These memorials and monuments should be in excellent condition at all times to convey proper respect and to honor our former and present members of the military who served our nation and state and yet, these tributes to our military are in varying stages of upkeep.

This bill I am transmitting establishes the Alaska Veterans' Memorial Endowment Fund to help fund efforts to maintain our current memorials and provide a possible source of funding for new memorials. It is part of a package of legislation I am introducing this year, and introduced last year, to offer proper acknowledgment and appreciation of our veterans.

The bill proposes to finance the fund partly through contributions that will be eligible for certain state corporate tax credits. Primary use of the funds will be for maintaining veterans' memorials. Once this purpose is substantially satisfied in a fiscal year, the fund may be used to establish new memorials and to finance similar projects to recognize efforts of the military.

The Veterans Memorial Endowment Fund would be administered by the commissioner of revenue with a portion of the fund earnings available for appropriation for maintenance and establishment of memorials. A contributing taxpayer would receive a credit that could be applied against certain Alaska taxes, such as insurance premium taxes, income taxes, oil and gas exploration and production taxes, pipeline transportation property taxes, mining license taxes, and fisheries taxes. Tax credits would be limited in the same manner as they are for existing tax credit programs.

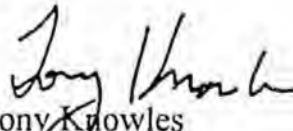

The Honorable Rick Halford

Page 2

Many Alaskans agree the state and its citizens should exhibit due respect to our veterans and military by maintaining these memorials and monuments. Dozens of Alaska corporations, businesses, and individuals have readily pledged contributions to this worthwhile endeavor, with the expectation of a matching state appropriation. The state is not obliged to maintain all memorials and monuments, yet it is appropriate for the state to share in the cost by providing modest matching grants. Therefore, I am proposing with this bill a one-time state contribution to the fund of \$125,000.

I urge you to take favorable action on this measure and my entire package of veterans' legislation.

Sincerely,

Tony Knowles
