Notes and background:

The following materials were delivered to the Legislative Reference Library in the Fall of 1983 by the staff of Senator Bettye Fahrenkamp. These files are the result of a periodic "weeding" by staff of oil and gas committee ongoing files. Please refer to SCOMM #13 and SCOMM #14 for previous files on this subject. Also, a history of committees dealing with oil and gas is included with this information folder.

Tapes of some committee hearings are available.

NOTES AND BACKGROUND:

WHILE NOT OBVIOUSLY THE FILE OF ONE COMMITTEE, THESE MATERIALS ARE ON ONE SUBJECT. THEY WERE SENT TO THE LIBRARY BY TWO LEGISLATORS WHO WERE "PROJECT DIRECTORS" FOR THE AGSOC STUDIES OF 1979 AND WHO ALSO WORKED ON AGSOC THROUGH VARIOUS COMMITTEES. THESE TWO LEGISLATORS WERE REPRESENTATIVE JIM DUNCAN, CHAIRMAN, BUDGET AND AUDIT COMMITTEE, AND SENATOR MIKE COLLETTA, CHAIRMAN, SENATE RULES COMMITTEE.

THE LIBRARY RECEIVED SEPARATE BOXES FROM EACH OF THE ABOVE. WE HAVE COMBINED THEM INTO ONE FILE TO AVOID DUPLICATION. ALSO, EACH REPRESENTATIVE'S FILE, IF UNIQUE HAS BEEN DESIGNATED WITH HIS LAST NAME.

IN ADDITION, SOME MATERIALS ON AGSOC WAS SENT SEPARATELY BY REPRESENTATIVE MIKE MILLER, CHAIRMAN, HOUSE STATE AFFAIRS COMMITTEE. (SEE FOLDERS # 2 AND #3)

Established by Senate President Senator Tim Kelly on floor of the Senate during the Special Session in June 1990, and funded from August 1, 1990 - January 1991. The Task Force was started up again in March 1991 by Senate President Eliason. It was terminated by Senator Eliason, as of 6/4/91, in a letter to Senator Fischer which said that the task force had strayed from its goals - "so far from what is appropriate that serious ethical, legal and liability questions have arisen."

Contents: 3 boxes of materials containing 150 files and 37 tapes: these include transcripts and tapes of the three public hearings held by the Task Force, related supporting documents (such as meeting agendas, witness lists and handwritten notes), internal administrative records, and the Task Force's final report, as well as 102 files of documents and records that had been transmitted by individuals to the attention of the Task Force. (The workshop mentioned in the January 1991 report which was planned for February 1991 did not take place.)

Copies of the material in the first 10 files are available in the Legislative Reference Library LLIB collection.

Following is a list of the files. These files have not been microfiched.
