ALASKA STATE LEGISLATURE

Juneau, Alaska 99811

May 11, 1979

The Honorable Jay S. Hammond
Governor
Pouch A
Juneau, Alaska 99811

Dear Governor Hammond:

The First Session of the Eleventh State Legislature has recently approved the formation of an Interim Local Government Committee composed of the Senate and House Community and Regional Affairs Committees, and has appropriated \$74,000 (Seventy Four Thousand Dollars) for that purpose.

During the course of this Session, we, as Chairmen of the Community and Regional Affairs Committees, became aware of the long-standing need to address the problems of rural Alaska. We have met with representatives of the following departments and agencies, all of whom have been most supportive in our efforts to define the scope of the study: Department of Community and Regional Affairs, Department of Transportation and Public Facilities, Department of Revenue, Division of Policy Development and Planning, and the Office of Coastal Management.

Due to the complexity of this issue, which transcends any single departmental jurisdiction, other departments might be called upon to contribute to the study. We would appreciate your assistance in informing all State departments of the existence of this Committee.

We welcome your support of our joint interim efforts and will keep you advised of the ongoing progress of this study.

Sincerely,

Senator Arliss Sturgulewski

Representative Bill Parker

Note to Arliss and Bill Parker re: Hohman's boro bill, SB 488 4/11/80

Suggest you consider the following for inclusion in SB 348 and HB 580:

Sec. 3. Transitional assistance in form of DCRA establishing first property assessment roll and funding assessment function for 3 years thereafter.

Sec. 4. leaving REAA in school status for funding ~~purp~~ purposes for 3 yrs.

Sec. 1. Amdmts to AS 14.08.071. :

(e) review of boundaries

(g) extra funding from school foundation program (tho I can't figure out how this can be rationalized --- but idea of large transitional funds makes sense in view of start-up costs)

(h) T/PF preparation of a comprehensive facilities plan and state funding of plan implementation over ~~3~~ 6 yrs. (wow!)

3 IN THE LEGISLATURE OF THE STATE OF ALASKA

4 ELEVENTH LEGISLATURE - SECOND SESSION

5 A BILL

6 For an Act entitled: "An Act providing for establishment of streamlined home
7 rule boroughs within regional educational attendance
8 areas, for establishment of unified local governments
9 with home rule powers, and for the adoption of home
10 rule charters by these boroughs and unified local
11 governments; and providing for an effective date."

12 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:

13 * Section 1. AS 14.08.071 is amended by adding a new subsection to read:

14 (d) At the election required to be held under (b) of this section
15 in October, 1980, and at each election required to be held under (b) of
16 this section at intervals of two years thereafter, the lieutenant gover-
17 nor shall submit to the voters within each regional educational atten-
18 dance area the following questions:

19 "Shall the (name of regional educational
20 attendance area) be incorporated as a streamlined borough
21 with the charter provided in AS 29.68.475 as the charter
22 for the borough?

23 Yes [] No []"

24 If a majority of the votes cast at an election under this subsection is
25 in the negative, the lieutenant governor shall certify that the proposal
26 to incorporate a streamlined borough has been rejected. If a majority
27 of the votes cast at an election under this subsection is in the affirm-
28 ative, the lieutenant governor shall certify that the proposal has been
29 approved, and shall call for the nomination and election of the first

1 borough mayor and members of the initial assembly of the borough. The
2 election of the initial municipal officers shall occur not less than 60
3 nor more than 90 days after the date of the election order. The elec-
4 tion order must specify the dates during which nomination petitions for
5 election of initial officers may be filed. The provisions of AS 29.-
6 18.120(b) regulate requirements for petitions for nomination under this
7 subsection.

8 (e) The Local Boundary Commission shall review the establishment
9 and boundaries of each borough established under this section within two
10 years of the establishment. It may present proposed boundary changes or
11 proposed dissolution of the borough to the legislature during the first
12 10 days of any regular session of the legislature. A proposal becomes
13 effective 45 days after presentation or at the end of the session unless
14 disapproved by a resolution concurred in by a majority of the members of
15 each house.

16 (f) All cities within a borough organized under this section are
17 dissolved within three years after formation of the borough unless the
18 borough is dissolved as provided in (e) of this section.

19 (g) For the first three years after incorporation of a borough
20 under this section, the borough is entitled to 150 percent of the state
21 support under the public school foundation program to which it would
22 have otherwise been entitled, 140 percent for the fourth year, 130
23 percent for the fifth year, 120 percent for the sixth year, and 110
24 percent for the seventh year. For the eighth and succeeding years no
25 additional state support is provided under this section.

26 (h) The commissioner of transportation and public facilities shall
27 develop a comprehensive facility plan for each borough organized under
28 this section. The facilities identified in the plan shall be constructed
29 by the Department of Transportation and Public Facilities within six

1 years after incorporation if funds are available from appropriations for
2 the purpose. All costs of a facility shall be borne by the state.

3 * Sec. 2. AS 29.73 is amended by adding a new section to read:

4 Sec. 29.73.070. STREAMLINED BOROUGHs INCORPORATED DIRECTLY FROM
5 REGIONAL EDUCATIONAL ATTENDANCE AREAS. (a) The initial elected borough
6 mayor of a streamlined borough incorporated under AS 14.08.071(d) serves
7 until the first regular election occurring after he has served two years
8 in office and until his successor is elected and has qualified.

9 (b) The initial assembly of a streamlined borough incorporated
10 under AS 14.08.071(d) has the same number of members as the school board
11 for the regional educational attendance area which the borough replaces.

12 (c) At the same time that the lieutenant governor orders an elec-
13 tion of the mayor and initial members of the borough assembly for a
14 borough incorporated under AS 14.08.071(d), he shall prepare and transmit
15 to the commissioner of community and regional affairs a legal descrip-
16 tion of the proposed streamlined borough. The commissioner of community
17 and regional affairs may require the Local Boundary Commission to review
18 the boundaries of the streamlined borough for conformity with the borough
19 incorporation standards of AS 29.18.030. If the Local Boundary Commis-
20 sion determines that the boundaries must be altered to meet the borough
21 incorporation standards, it may propose alteration of the boundaries. A
22 proposed alteration of the boundaries of a borough constitutes a boundary
23 change which shall be submitted to the legislature in accordance with
24 AS 44.19.260(b)(2).

25 * Sec. 3. AS 44.47 is amended by adding a new section in article 2 to
26 read;

27 Sec. 44.47.055. TRANSITIONAL ASSISTANCE TO THE UNORGANIZED BOROUGH.
28 The department shall establish the initial assessment roll for a stream-
29 lined borough incorporated under AS 14.08.071(d). The initial assessment

1 roll shall contain all the information required by AS 29.53.100(a) and
2 shall be sufficient for purposes of computing tax levies by the munic-
3 pality and the amount of local effort required by the municipality under
4 AS 14.17.021(c)(3) and 14.17.071. In the preparation of the initial
5 assessment roll, the department may contract for the services of apprai-
6 sers and others whose services are required to complete and report the
7 initial assessment. When completed, the initial assessment roll shall
8 be certified by the commissioner, and the completed roll, together with
9 all supporting information and materials prepared by the department,
10 shall be transmitted to the borough assembly. The department, to the
11 extent appropriations are available for the purpose, shall continue to
12 fund the assessor and related staff for a period of three years after
13 the completion of the initial roll.

14 * Sec. 4. AS 14.17.210(a) is amended to read:

15 (a) A regional educational attendance area school which becomes a
16 city or borough district school by incorporation under AS 29.18 is
17 considered a regional educational attendance area school for purposes of
18 financial support until the expiration of a complete fiscal year after
19 the date on which the school becomes a city or borough district school.
20 A regional educational attendance area school which becomes a stream-
21 lined borough district school by direct incorporation under AS 14.08.
22 071(d) is considered a regional educational attendance area school for
23 purposes of financial support until the expiration of three complete
24 fiscal years after the date on which the school becomes a borough school,
25 or until the fiscal year after the commissioner of community and regional
26 affairs certifies the initial assessment roll of the streamlined borough
27 under AS 47.44.055, whichever is later. This subsection does not prevent
28 a local government from spending money to contribute to the financial
29 support of a regional educational attendance area school which becomes a

1 city or borough district school.

2 * Sec. 5. AS 29.68 is amended by adding new sections to article 3 to
3 read:

4 Sec. 29.68.475. GENERAL HOME RULE CHARTER FOR UNIFIED MUNICI-
5 PALITY. Until superseded by a home rule charter adopted in the manner
6 prescribed in AS 29.13.010 - 29.13.090, the following shall operate as

9 Section 1.01. NAME OF MUNICIPALITY. The municipality shall
10 be a municipal corporation known as (INSERT THE NAME OF THE MUNICI-

14 shall include all areas within the former regional educational
15 attendance area or borough on the effective date of this charter.
16 The boundaries may be altered in the manner provided by law.

18 Section 2.01. POWERS. The municipality may exercise all
19 legislative powers not prohibited by law or by this charter.

20 Section 2.02. CONSTRUCTION. The powers of the municipality
21 shall be liberally construed. The specific enumeration of a parti-
22 cular power in this charter shall not be construed as limiting the
23 powers of the municipality.

24 Section 2.03. INTERGOVERNMENTAL RELATIONS. The municipality
25 may exercise any of its powers or perform any of its functions and
26 may participate in their financing, jointly or in cooperation, by
27 agreement with any one or more local governments, the State, or the
28 United States, or any agency or instrumentality of these govern-
29 ments.

20 until the election.

21 (c) A referendum petition may be filed at any time. However,
22 filing a referendum petition suspends the ordinance or resolution
23 only if the petition is filed within 60 days after the effective

26 petition or upon certification of a majority vote against repeal.

27 (d) An initiative petition is void if the assembly enacts an
28 identical measure before the election. A referendum petition is
29 void if the assembly repeals the ordinance or resolution in ques-

1 tion before the election.

2 (e) The assembly may not repeal or substantially alter an
3 ordinance enacted by initiative or enacted under (d) of this sec-

12 election, excluding a runoff election, at which the official was a
13 candidate. Signers of a petition shall be residents of the munici-
14 pality. A person appointed to fill a vacancy may be recalled in
15 the same manner as his elected predecessor.

18 An ordinance shall be introduced in writing in the form required by
19 assembly rule.

20 (b) An ordinance may be introduced by a member of the assem-
21 bly at a regular or special meeting of the assembly. Following
22 introduction and upon approval of three members of the assembly,
23 the clerk shall publish a notice containing the text of the ordi-
24 nance or an informative summary of its contents, the time and place
25 for a public hearing on the ordinance, and the time when and place
26 where copies of the ordinance will be available. The public hear-
27 ing shall be held at least five days after publication of the
28 notice.

29 (c) An ordinance takes effect upon adoption or at a later
