## SENATOR LYDA GREEN SENATE DISTRICT G

### SPONSOR STATEMENT FOR SB289

***"An Act extending the termination date of the special education service agency; and providing for an effective date."***

The Alaska Legislature established the Special Education Service Agency (SESA) in 1986 to help schools and infant learning programs provide required services for children with severe disabilities where there is no local expertise. SESA makes it possible for services to be delivered to districts that could not otherwise hire specialists; for instance small and low attendance remote areas, or in a district where there was only one disabled child.

SESA employs professionals specializing in severe disabilities such as blindness and visual impairment, deafness and hearing impairment, autism, mental retardation, multiple disabilities, deaf-blindness, and significant physical and emotional disabilities. SESA offers school-wide and district-wide consultations and support, local and regional services and workshops, statewide workshops and courses, technical assistance newsletters, and an extensive library and website. As intended by the legislature, student-specific service is targeted to small school districts, but SESA's workshops, courses, library, newsletter and website are provided to all schools.

SESA receives core funding through the Department of Education and Early Development. The appropriation for FY2005 is included in the Governor's proposed budget. SESA received positive performance reviews from the Division of Legislative Audit and was extended by the legislature in 1987, 1989, 1992, and 1995. The Division again recommends continuation. The Alaska Association of School Boards, The Alaska Association of School Administrators, The National Education Association-Alaska, The Governor's Council on Disabilities and Special Education, and the Department of Education and Early Development each support the extension of SESA.

The availability of specialized personnel in Alaska has decreased at the same time the incidence of severe disabilities has increased. SESA provides important functions for Alaskan children who would otherwise have to leave their families and communities to receive services in costly residential programs. SB289 reauthorizes the Special Education Service Agency for another nine years, to June 30, 2013.

### **5.7 CONTINUATION AND FUNDING OF THE SPECIAL EDUCATION SERVICE AGENCY**

The Association of Alaska School Boards supports the continuation and full funding of the Special Education Service Agency as identified in AS 14.30.600, including reporting requirements to the Department of Education and Early Development, and therefore supports removal of the Agency from sunset status.

**Rationale.** The Alaska Legislature established the Special Education Service Agency (SESA) for the primary purpose of assisting school districts to provide mandated special education programs for students with low incidence disabilities. Most school districts in Alaska are unable to obtain qualified and experienced personnel to design and support effective educational approaches for affected students. Access to personnel with specialized training and experience is essential if local schools are to provide effective special education to these students in the home district, as required by law.

SESA is the only Alaskan resource offering specialized supports to schools and parents. SESA services have proven to be both educationally effective and fiscally efficient during 17 years of operation. The agency was cited for commendation by the US Office of Education, in a past review of the State's special education system, and receives consistently excellent ratings of satisfaction from service recipients and parents. The most recent performance review of the agency, by the Division of Legislative Audit, strongly supported its current design and operations, and recommended the Legislature consider removing SESA from sunset status. The agency has been reauthorized by the Alaska Legislature four (4) times since 1986, with formal support from school boards, superintendents, teachers, parents, and school districts.

Adopted by Association of Alaska School Boards as a Core Resolution – November 9, 2003

**Resolution #3**

**SESA Reauthorization**

Continuation and funding of the Special Education Service Agency

Originated by: the Alaska Association of School Administrators at the Fall Meeting in Girdwood, Alaska, October 5, 2003.

**WHEREAS**, the Alaska Legislature established the Special Education Service Agency (SESA) for the primary purpose of helping school districts provide mandated special education programs for students with low incidence disabilities, and

**WHEREAS**, most school districts in Alaska are unable to obtain qualified and experienced personnel to design and support effective, evidenced-based educational approaches for affected students, and

**WHEREAS**, access to personnel with specialized training and experience is essential if local schools are to provide effective special education to these students in their home districts as required by law, and

**WHEREAS**, SESA is the only Alaskan resource offering significant disability program supports to schools and parents, and SESA services have proven to be both educationally effective and fiscally efficient during seventeen years of operation, and

**WHEREAS**, SESA was cited for commendation by the U.S. Office of Education in a past review of the state's special education system, and receives consistently excellent ratings of satisfaction from service recipients and parents, and

**WHEREAS**, the most recent performance review of the agency by the Division of Legislative Audit strongly supported its current design and operations, and recommended the Legislature consider removing SESA from sunset status, and

**WHEREAS**, the Agency has been reauthorize by the Alaska Legislature four times since 1986, with formal support from school boards, superintendents, teachers, parents, and school districts, now

**THEREFORE IT IS RESOLVED** that the Alaska Association of School Administrators supports the continuation and full funding of the Special Education Service Agency as in A.S. 14.30.600, including reporting requirements to the Department of Education, and supports removal of the agency from sunset status.

Anchorage, AK 99507

Dear Mr. Robinson:

NEA-Alaska worked for the establishment of the Special Education Service Agency (SESA) in the 1980s. Since that time, our members have appreciated the support SESA has provided in educating students with low-incidence handicapping conditions. In 1993, our Delegate Assembly passed a New Business Item to support its continued existence.

Since the passage of that New Business Item, SESA has proven to be an even more critical component in the educational infrastructure of Alaska. The delegates to our Delegate Assembly have recognized this by changing the New Business Item that supported SESA to a Resolution in support of SESA. Unlike New Business Items, which are specific and time sensitive, Resolutions are statements of our core organizational beliefs and are not time limited.

The following is the relevant text of NEA-Alaska Resolution E-7:

*NEA-Alaska shall continue to support the Special Education Service Agency (SESA), a statewide agency that assists rural schools serving low incident students with disabilities. NEA-Alaska shall continue to support appointment of a member of the NEA-Alaska Special Education Committee...to be on SESA's Board of Directors.*

On a personal level, I have always felt that the schools and students of Alaska have always been well-served by SESA staff. I have only heard positive reports about their work in the schools around our state.

Sincerely,

Rich Kronberg

Dear Ms. Valle,

I have received notification that Alaska Statute 14.300.600 – 660 is scheduled to sunset at the close of this next school year and without reauthorization by the Legislature, SESA will be dissolved.

As Superintendent of the Kake City School District, I want to put my full support for the reauthorization of SESA on record. The services that SESA makes available to Kake are vital to the effectiveness of our special education programs. Students with low incidence disabilities deserve the best we can give them. The services SESA helps our district provide give us a degree of specialization and expertise that we would not be able to replace.

If SESA is not re-authorized I am concerned that we would not be able to maintain adequate services and students with severe disabilities would be forced to leave their homes and the village to receive appropriate services.

SESA has been a successful and efficient innovation for sharing scarce resources and offers an economy of scale rarely provided for districts like ours. I would encourage the Legislature to apply the SESA model to other statewide needs rather than allowing it to expire.

To this end, the Kake City School District Board of Education submits the enclosed Resolution unanimously approved at our regular board meeting on October 14, 2003. We fully support the continuation of SESA for the benefit of the students of Kake and all students in Alaska.

Sincerely,

Eric Gebhart

It has come to my attention that Alaska Statute 14.300.600 - 660 is scheduled to sunset on June 30, 2004, and without reauthorization by the Legislature, the Special Education Service Agency (SESA) will be dissolved.

As a school district superintendent, I want to put my support for SESA's reauthorization on the record. The services SESA makes available to the Kodiak Island Borough School District must be continued if we are to provide appropriate special education programs as mandated for our students with low incidence disabilities. We have a very difficult time finding special education and related service personnel for our district openings. Low incidence professionals would be even more difficult if not impossible to find. We cannot be expected to acquire teachers with the specialized training and experience needed to design and implement severe disability programs.

I am concerned that without the in-district and distance support SESA provides our teachers and aides, we would face new costs for special education hearings and/or litigation, or would be forced to place students in very costly out-of-district or out-of-state residential programs, at district expense.

SESA has been a successful and efficient innovation for sharing of scarce resources and offers an economy of scale rarely provided small and rural districts. If anything, the state might consider applying the SESA model to other statewide needs, rather than allow it to expire.

Dear Ms. Valle:

I am writing on behalf of the Fairbanks North Star Borough School District to express our support for the reauthorization of the Special Education Service Agency by the state legislature and to extend or eliminate the June 30, 2004 sunset date.

The services of SESA to our district need to be continued and enhanced if we are to provide appropriate special education programs as mandated for our students with low incidence disabilities. We are finding it to be more and more difficult to acquire teachers with the specialized training and experience needed to design and implement severe disability programs. Please consider increasing services, not eliminating them.

While we are trying to do more for students with less revenue, it only makes sense to keep any economical services that have been successful. SESA has been that successful and efficient model for sharing of scarce resources. They also offer an economy of scale for districts. The state must consider applying the SESA model to other statewide needs, rather than allow it to sunset in June 2004.

As the special education director for the Yupiiit School District, I want to put my full support for SESA's reauthorization on record. The services that SESA provides to my district have proved invaluable over the last several years. Without these services it would be nearly impossible for us to meet the needs of our students with low incidence disabilities. In addition, with the continuing shortage of special educators it is becoming even more difficult to hire teachers with the specialized training and experience needed to design and implement programs for students with severe disabilities.

Without the supports that SESA provides our district would be forced to consider out-of-district or out-of-state placements for some students. This is not only very costly, but in direct violation of IDEA which requires home school placement to the greatest extent possible.

SESA has been a successful model for supporting districts in their attempts to meet the educational needs of their most significantly disabled students. It would be a shame to lose this support in this time of shrinking financial resources.

Sincerely,

Diane George

Dear Ms. Valle:

It has come to my attention that Alaska Statute 14.300.600 – 660 is scheduled to sunset on June 30, 2004, and without reauthorization by the Legislature, the Special Education Service Agency (SESA) will be dissolved.

As a school district superintendent, I want to put my support for SESA's reauthorization on the record. The services SESA makes available to my district must be continued if we are to provide appropriate special education programs as mandated for our students with low incidence disabilities. We cannot be expected to acquire teachers with the specialized training and experience needed to design and implement severe disability programs.

I am concerned that without the in-district and distance support SESA provides our teachers and aides, we would face new costs for special education hearings and/or litigation, or would be forced to place students in very costly out-of-district or out-of-state residential programs, at district expense.

SESA has been a successful and efficient innovation for sharing of scarce resources and offers an economy of scale rarely provided small and rural districts. If anything, the state might consider applying the SESA model to other statewide needs, rather than allow it to expire.

Dear Ms. Valle,

When the Alaska Legislature established Special Education Service Agency (SESA) to help school districts provide mandated services in special education, this was a terrific decision. Now it is my understanding that Alaska Statute 14.300.600-660 is scheduled to sunset on June 30, 2004, and without reauthorization by the Legislature, SESA will be dissolved.

With the decline in enrollment, which in turn means a decline in budget, districts are faced with difficulties in meeting the needs of all special education students. Even though the enrollment is decreasing, in many areas the percentage of students with low incidence disabilities is increasing, which creates difficulties. Besides the decrease in enrollment it is becoming increasingly difficult to find educators that have the qualifications needed to work with many of these students. SESA is a great resource for this reason.

If SESA was dissolved there would definitely be a cost increase to the district due to providing special education services to students in out of district facilities or also due to litigation. Both of which would be at district expense.

I strongly encourage you to give your highest consideration to continue and to fully fund SESA in any possible manner.

Sincerely,

It has come to my attention that Alaska Statute 14.300.600-660 is scheduled to sunset on June 30, 2004, and without reauthorization by the Legislature, the Special Education Service Agency (SESA) will be dissolved.

As Director of Special Education in a school district receiving SESA services, I would like my support for reauthorization noted on record. The services SESA makes available to my district and our students with low incidence disabilities must be continued if we are to provide appropriate special education programs as mandated by law. We cannot be expected to acquire teachers with the specialized training and experience needed to design and implement severe disability programs.

I am very concerned that without the in-district and distance support SESA provides our teachers, aides and parents, we will find ourselves in costly special education hearings and/or litigations. There is also the possibility that it would become necessary to place students in out of district residential programs that would be extremely costly to the district.

In addition to the highly qualified personnel SESA provides to our districts, they also offer an array of resources through their lending library. This service alone has saved our district a huge amount of money.

Please support the renewal of the above statute and allow us to continue receiving the support afforded us by SESA.

Respectfully,

It has come to our attention that Alaska Statute 14.300.600-660 is scheduled to sunset on June 30, 2004, and without reauthorization by the Legislature, the Special Education Service Agency (SESA) will be dissolved.

We currently receive services from SESA in the specialized areas of Assistive Technology and Deaf/Hard of Hearing. These services are extremely beneficial for some of our special education students with low incidence disabilities. Given the present market, we are not always able to hire special education teachers with the specialized training and experience needed to design and implement these programs. By providing training to our teachers and paraprofessionals, SESA helps us provide the required elements of a compliant special education program for these low incidence students. Another important benefit our district receives from SESA is their participation as speakers in our regional special education inservice each fall. Professionals and parents from throughout the region benefit from the SESA staff's expertise in the areas of low incidence disabilities.

Over the years, SESA has been a successful and efficient resource for both direct services and staff development in our district. Lower Kuskokwim School District wants to emphasize the benefit of SESA's services and document our support for SESA's reauthorization.

Dear Ms. Valle:

Recently I learned that Alaska Statute 14.300.600-600, that created the Special Education Service Agency, is scheduled to sunset at the end of June, 2004. I am writing to the SESA Board of Directors to share my observations of what SESA has provided to our school district and to express my support for the reauthorization of SESA.

The Lake and Peninsula School District serves a small number of students spread across a large number of widely separated sites. Sprinkled among our isolated school sites, each year, are children who experience intensive disabilities or severe challenging behavior. A district of our size cannot afford to hire the specialized staff who are needed to build effective programs for these children. SESA program specialists provide our district with expertise in autism, positive behavior supports, specialized instruction, specialized materials and adaptive equipment. In addition, the SESA library provides our special educators and parents with a cost-effective way to access special education materials that are too expensive for a small district or individual family to purchase.

Without the support of SESA program specialists and the SESA library, the special education programs for children with intensive needs and severe challenging behavior in our district would not be as effective as they are today. Interestingly, by providing specialized support to small districts such as ours, SESA saves Alaska money. Programs for students with intensive needs that are ineffective become targets of legal challenge. School districts embroiled in legal challenges from advocates for children with disabilities must divert significant resources to defend themselves. SESA helps even small districts offer the highest quality programs that we can to our disabled students.

The Lake and Peninsula School District supports continued funding of the Special Education Service Agency. SESA provides essential services that make a difference.

Please share this letter with legislators and other individuals involved in determining SESA's future. Thank you for the many years of high quality support that SESA has provided to students, teachers and parents in the Lake and Peninsula School District.

Sincerely,

A handwritten signature in black ink, appearing to read "Steve Atwater".

Dear Ms. Valle:

I have recently become aware that Alaska Statute 14.300.600 – 660 is scheduled to sunset on June 30, 2004. Without reauthorization by the Legislature, the Special Education Service Agency (SESA) will be no more. This is a great concern to small and large school districts here in Alaska.

I support SESA's reauthorization. Being the school superintendent for St. Mary's City Schools, I have found that the services SESA makes available to my district must be continued if we are to provide appropriate special education programs as mandated for our students with low incidence disabilities. Here in the bush, districts cannot be expected to acquire teachers with the specialized training and experience needed to design and implement severe disability programs. We desperately need these critical services which are provided to us by SESA!

There is no doubt that without the in-district and distance support SESA provides our teachers and aides, we would face huge new costs for special education hearings and/or litigation. We could be forced to place students in very costly out-of-district or out-of-state residential programs. These are expenses that our district can ill afford.

SESA is a successful and efficient organization to share scarce resources and offers quality services provided to small and rural districts. Please assure that this critical service to bush Alaska school districts is continued.

Sincerely,

Board of Directors  
Southeast Education Service Agency

Dear Ms. Valle:

The Special Education Service Agency has provided excellent services to the low incidence students in Alaska. In my role as superintendent and special education director for Southeast Island School District I am writing to urge the reauthorization of Alaska Statute 14.300.600-660, which will sunset on June 30, 2004.

My district is small and has only a few low incidence students. It would seem to be impossible for small districts such as SISD to provide the high quality services now performed by SESA. Even when I was in Bering Strait School District, a large school district, we relied on SESA for services.

To pull the SESA services from districts will be an injustice to the students who benefit now.

Dear Ms. Valle:

I have been told that Alaska Statute 14.30.600-660 is scheduled to sunset on June 30, 2004, and without reauthorization by the Legislature, the Special Education Service Agency (SESA) will be dissolved.

As a school district superintendent, I want to support SESA's reauthorization. However, that support is contingent on SESA's services being available to all school districts within the state. Currently, SESA restricts its services to small rural school districts. Many districts in this state, this one included, serve both urban and rural communities. We have children located in rural communities with low incidence special education needs who require specialized services that are not available in these communities. Because of the low incidence of these children, they are not easily served by this district, and yet, SESA's services have not been available to us.

SESA has been a successful and efficient model for sharing scarce resources and has offered an economy of scale for small and rural districts. SESA needs to expand its scope of services to include all Alaska school districts. We believe there is nothing in AS 14.30.640 which would prohibit this expansion of services. However, it will take an intentional act on the part of the Board and Administration to make this expansion happen.

In summary, KPBSD supports the concept and model represented by SESA. It offers an effective model of service for small and rural communities. We however, support its continuation only if its services are made available to all Alaskan school districts.

Sincerely,

Donna Peterson, Superintendent
